

## ANALYSIS

This ordinance amends Title 3 of the Los Angeles County Code to change, consistent with California Assembly Bill No. 2402 ("AB 2402"), the name of the Fish and Game Commission to the "Fish and Wildlife Commission." This ordinance also amends Titles 6, 10, 20, and 22 to reflect the change in the name of this Commission and to similarly reflect the change in the name of the State Department of Fish and Game to the "Department of Fish and Wildlife" pursuant to AB 2402.

This ordinance does not alter references to the Fish and Game Warden as the title of that County officer is enumerated by Section 14 of the Charter of the County of Los Angeles, which requires a vote of the County electorate to amend, and California Government Code section 24000.

...

7. **Biological Resources.** All oil operations on the oil field shall be conducted in a manner that minimizes impacts to biological resources and shall comply with the following provisions:

...

e. Listed Plant or Wildlife Species. If federal- or State-listed plant or wildlife species are found, then the operator shall comply with all applicable United States Fish and Wildlife and California Department of Fish and Game Wildlife rules and regulations.

...

g. Tree and Riparian Scrub Removal. Removal of native or non-native trees and riparian scrub vegetation shall be scheduled, as possible, for removal outside the nesting season to avoid impacts to nesting birds. If avoidance of removal of trees or riparian scrub during the recommended periods is not possible, a County-approved biologist shall perform a survey to ensure that no nesting birds are present prior to removal. If for any reason a nest must be removed during the nesting season, the operator shall provide written documentation to the Director demonstrating concurrence from the United States Fish and Wildlife Service and California Department of Fish and Game Wildlife authorizing the nest relocation and a written report documenting the relocation efforts.

...

**SECTION 15.** Section 22.44.940 of Title 22 is hereby amended to read as follows:

**22.44.940 Administrative Coastal Development Permit.**

...

3. Do not disturb plants and/or animals found on the following resource lists, as updated:

...

b. Special Animals and Special Vascular Plants, Bryophytes and Lichens, by the California Department of Fish and ~~Game~~Wildlife.

**SECTION 16.** Section 22.46.470 of Title 22 is hereby amended to read as follows:

**22.46.470 Flora and ~~f~~auna.**

...

D. Prior to alteration of any streambeds, the applicant shall enter into an agreement with the California State Department of Fish and ~~Game~~Wildlife, pursuant to Chapter 6 of Division 2 of the State Fish and Game Code to protect fish or wildlife resources.

...

G. Development in those areas designated as significant ecological areas (SEA's) by the Los Angeles County general plan, defined in Chapter 22.08 of this code, and in Catalina Harbor, Cottonwood Canyon and Sweetwater Canyon shall be subject to all pertinent standards and conditions set forth in this Title 22, except that the exemption provisions contained in Section 22.56.215(C) shall not apply. All vegetation removal or grading affecting an area of greater than 400 square feet within an acre of land or cumulatively, 800 square feet within an individual SEA shall also comply with these provisions. Rare plants shall be protected by a requirement to construct and

maintain fences around them, to leave the areas undeveloped to use other measures devised as a result of biological information prepared by the applicant, the Department of Fish and ~~Game~~Wildlife or otherwise obtained during the permit process. The SEA's shown on the special management areas map of the general plan are based on "Areas of Special Botanical Significance" prepared by Dr. R. F. Thorne for the Center for Natural Areas in 1976. These areas are shown on the maps contained in Appendix D; more precise boundaries will be obtained during the individual studies of the natural resources done by the applicant when development is proposed within an SEA.

H. Development shall avoid conflicts with the reintroduction programs for the endangered bald eagle and peregrine falcon by coordinating with the State of California Department of Fish and ~~Game~~Wildlife. Developers shall submit evidence that the Department of Fish and ~~Game~~Wildlife has reviewed the site plans for the proposed development and has no objection to them. Applications for helistops and heliports shall also design the approach and departure routes to avoid conflicts with endangered and native bird populations.

**SECTION 17.** Section 22.46.690 of Title 22 is hereby amended to read as follows:

**22.46.690 Shoreline ~~a~~Accessways.**

The following provisions pertain to shoreline accessways which are dedicated or otherwise guaranteed in conformance with the requirements of this specific plan and for which a public agency or private association, approved by the ~~e~~Executive ~~d~~Director, has

accepted the responsibility for construction, maintenance and liability of said accessways:

...

F. The State of California Department of Fish and ~~Game~~Wildlife shall review all new shoreline access locations to avoid conflicts with the reintroduction programs for the endangered bald eagle and peregrine falcon. Access sites must be thoroughly investigated because these birds are coastal cliff nesters and will not generally tolerate human disturbance.

**SECTION 18.** Section 22.56.510 of Title 22 is hereby amended to read as follows:

**22.56.510 Imposition of aAdditional eConditions aAuthorized wWhen.**

The ~~d~~Director or ~~e~~Commission, in approving an application for an animal permit:

...

B. Shall impose the following conditions on applications for rehabilitation facilities for small wild animals:

...

6. The facilities shall only be authorized for as long as the applicant maintains a continuously valid permit and Memorandum of Understanding from the California Department of Fish and ~~Game~~Wildlife, or in the case of wild migratory birds, a valid permit from the U.S. Department of Fish and Wildlife.
