ADDRESS ALL CORRESPONDENCE TO:
P.O. BOX 1460
ALHAMBRA, CALIFORNIA 91802-1460

May 31, 2016

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

48 May 31, 2016

LORI GLASGOW
EXECUTIVE OFFICER

**LOS ANGELES COUNTY FLOOD CONTROL DISTRICT
ANNUAL BENEFIT ASSESSMENT – FISCAL YEAR 2016-17 CONTINUATION
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Determination and levy of the annual Los Angeles County Flood Control District benefit assessment for Fiscal Year 2016-17 at the same rates as were charged for Fiscal Years 1996-97 through 2015-16. This act will provide approximately \$109.09 million for flood control purposes.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:

1. Find that the adoption of a resolution determining and levying the annual Los Angeles County Flood Control District benefit assessment for Fiscal Year 2016-17 is exempt from the California Environmental Quality Act for the reasons stated in this letter and in the record of the project.
2. Adopt the resolution determining and levying the annual Los Angeles County Flood Control District benefit assessment on each parcel of land within the Los Angeles County Flood Control District for Fiscal Year 2016-17.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of these recommended actions is to find that the adoption of the enclosed resolution is exempt from the California Environmental Quality Act (CEQA) and to provide for the continuation of the Los Angeles County Flood Control District (LACFCD) benefit assessment to finance a portion of

the flood control services to be performed in the LACFCD during Fiscal Year 2016-17.

Continuation of the benefit assessment is necessary to supplement other revenues used to operate and maintain the flood control system, respond to storm threats and flooding emergencies, provide for construction of needed storm drains, remediate seismic deficiencies and rehabilitate inlet/outlet works at dams, and perform sediment removal from debris basins and reservoirs. Revenue from the benefit assessment is also used to finance the LACFCD's compliance with the requirements under the Federal Clean Water Act and State Porter-Cologne Water Quality Control Act, including permit requirements under the National Pollutant Discharge Elimination System Municipal Separate Storm Sewer System Permit (NPDES MS4 Permit).

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness/Fiscal Sustainability (Goal 1) by maintaining and operating our flood control facilities, which provides flood protection for our residents and improves their quality of life within the County of Los Angeles. Continuing this benefit assessment would provide the necessary funds to continue enhancing and maintaining our flood control system in a safe and effective operating condition.

FISCAL IMPACT/FINANCING

It is essential that the Board continue the annual LACFCD benefit assessment for Fiscal Year 2016-17, which will provide approximately \$109.09 million. If the assessment is not continued, all flood control services and programs, including the mitigation of flooding problems, operation and maintenance, emergency response to flood damage, and meeting requirements of the NPDES MS4 Permit, would be severely impacted.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The LACFCD benefit assessment was first levied by the Board for Fiscal Year 1979-80, pursuant to former Government Code Sections 60400 et seq. (Stats.1979, c. 261, Sec. 1.5). Former Government Code Sections 60400 et seq. required that the continuation of the assessment be submitted to the voters for approval within one year. In the November 6, 1979, election, the electorate approved Proposition A, which authorized the LACFCD to continue to levy the assessment.

In 1982, former Government Code Sections 60400 et seq., were replaced by the Benefit Assessment Act of 1982. The Benefit Assessment Act of 1982 authorizes the LACFCD to continue the levy of the annual benefit assessment.

For every fiscal year since 1979-80, the Board has approved the continuation of this benefit assessment. This year's annual benefit assessment is proposed to be collected on the tax bill of each parcel or by direct invoice to the property owner, as determined by the Chief Engineer of the LACFCD.

As in the past, the recommended Fiscal Year 2016-17 benefit assessment is based on the estimated stormwater runoff from each parcel. The runoff factors, identified in Table 1 (Runoff Factors) of the enclosed resolution, remain unchanged from the previous year. The runoff factors are based on the proportionate stormwater runoff from each parcel. The proportionate stormwater runoff is a function of the impervious area within each parcel.

For the purposes of the annual assessment, the LACFCD is divided into four zones. Each zone is shown on Figure 1 (Zone Map) of the enclosed resolution. Zones 3 and 4 consist of remote, nonurban lands that receive no flood control services from the LACFCD, and their runoffs leave the LACFCD area without being handled by any LACFCD facilities. Therefore, the assessment for the basic unit parcel in these zones is \$0, which results in zero benefit assessment charges in Zones 3 and 4. Zone 2 is located in the northern portion of the LACFCD and was established in recognition of its unique geographic and hydrologic characteristics. The assessment rate for the basic unit parcel in Zone 2 is \$5.95. Zone 1 is comprised of the remainder of the LACFCD. The assessment rate for the basic unit parcel in Zone 1 is \$28.85. For Fiscal Year 2016-17, it is recommended that the rates for all zones remain the same as the rates for Fiscal Years 1996-97 through 2015-16.

Table 2, Benefit Assessment System Zone Table, of the enclosed resolution, identifies all parcels within Zones 1 and 2 by reference to each parcel's County Assessor map book number.

Property owners in Zone 1 can compute their assessments by finding the runoff factor assigned to the land use of their parcels in Table 1 and by using the following formula:

$$\text{Assessment} = \$28.85 \times (\text{area of parcel in acres}) \times (\text{runoff factor for parcel}) \div 0.0637$$

In Zone 2, property owners can compute their assessments by finding the runoff factor assigned to the land use of their parcels in Table 1 and by using the following formula:

$$\text{Assessment} = \$5.95 \times (\text{area of parcel in acres}) \times (\text{runoff factor for parcel}) \div 0.0637$$

In Zones 3 and 4, as explained above, there will be zero assessment levied.

For example, the assessments for two different one-acre parcels in Zone 1, which are designated with land use codes of a department store and vacant land, could be calculated by using the relevant runoff factors of 0.985 and 0.019 from Table 1 and the Zone 1 formula above, which would result in the assessment values of \$446.11 and \$8.61, respectively.

An assessment is being levied on all real property situated within the LACFCD area, except for government property, flood hazard areas, and property located in Zones 3 and 4. In addition to the information contained in this report, the official records of the Assessor's map books and other records of the County of Los Angeles are hereby referenced and are hereby incorporated into this report as if they were fully set forth.

An adopted resolution is required to levy the annual benefit assessment. Ordinance No. 93-0038FC, adopted on May 4, 1993, amended Chapter 15 of the LACFCD Code to provide that the annual LACFCD benefit assessment shall be levied by resolution adopted by the Board. The enclosed resolution, approved as to form by County Counsel, has been prepared for your consideration and adoption.

ENVIRONMENTAL DOCUMENTATION

Adoption of the enclosed resolution determining and levying the annual LACFCD benefit assessment for Fiscal Year 2016-17 is for the purpose of meeting operating expenses and, therefore, is exempt from CEQA pursuant to Section 21080(b)(8) of the Public Resources Code and Section 15273(a) and (c) of the CEQA Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

If the annual LACFCD benefit assessment is not continued for Fiscal Year 2016-17, the current level of LACFCD services will be reduced by over 50 percent. The impacted services consist of all flood control programs, including the mitigation of flood hazards, operation and maintenance of flood control infrastructure, emergency response to flood damage, and complying with the requirements of the NPDES MS4 Permit.

CONCLUSION

Please return one adopted copy of this letter and signed resolution to the Department of Public Works, Watershed Management Division. Also, please forward one adopted copy of both the letter and signed resolution to County Counsel and the Auditor-Controller.

Respectfully submitted,

GAIL FARBER

Director

**RESOLUTION OF THE BOARD OF SUPERVISORS OF THE
COUNTY OF LOS ANGELES, CALIFORNIA, ACTING AS THE GOVERNING BODY
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT,
DETERMINING AND LEVYING THE ANNUAL FLOOD CONTROL
BENEFIT ASSESSMENT FOR FISCAL YEAR 2016-17**

WHEREAS, former Government Code Sections 60400 et seq (Stats. 1979, c. 261, Sec. 1.5) authorized the Los Angeles County Flood Control District (hereinafter referred to as LACFCD) to impose a benefit assessment to finance the costs of providing flood control services within the LACFCD; and

WHEREAS, on August 14, 1979, the Los Angeles County Board of Supervisors, acting as the governing body of the LACFCD (herein after referred to as BOS) adopted the Benefit Assessment Ordinance No. 319 (hereinafter referred to as the "Benefit Assessment Ordinance"), which determined and levied the LACFCD's first annual benefit assessment on the real property within the LACFCD.

WHEREAS, the LACFCD levied the first annual benefit assessment for the Fiscal Year 1979-80; and

WHEREAS, in a special election held on November 6, 1979, the voters of the LACFCD approved Proposition A, thereby authorizing the LACFCD to continue to levy benefit assessments on the real property within the LACFCD. Such voter approval was required by former Section 60406 of the Government Code, within one year after the levy of the initial benefit assessment; and

WHEREAS, former Government Code Sections 60400 et seq. were replaced, in 1982, by the Benefit Assessment Act of 1982, which authorizes the LACFCD to continue to levy the annual benefit assessment; and

WHEREAS, on June 4, 1993, the BOS adopted Ordinance No. 93-0038FC, which amended the Benefit Assessment Ordinance to provide that the annual benefit assessment be levied by resolution in lieu of by ordinance; and

WHEREAS, the LACFCD has levied the benefit assessment annually since Fiscal Year 1979-80; and

WHEREAS, the amount of money available from the LACFCD's allocation of tax revenues is inadequate to finance the operation of the existing flood protection system, to respond to flood emergencies, to perform maintenance, repairs, installation, and improvements for the flood control facilities, to mitigate flood and debris problems attributable to land developments and disastrous fires, and to comply with the requirements of the LACFCD's National Pollutant Discharge Elimination System Municipal Separate Storm Sewer System (MS4) Permit; and

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors of the LACFCD, hereby determines and levies the annual benefit assessment on each parcel of real property within the LACFCD for Fiscal Year 2016-17, beginning July 1, 2016, as set forth herein:

1. Since the LACFCD's flood control services are necessitated by stormwater runoff, the Board finds that the most equitable basis by which to determine and levy the assessment is in proportion to the stormwater runoff attributable to the area and land use of each parcel of real property within the LACFCD as shown on the local secured tax rolls of the County of Los Angeles;
2. The assessment for each parcel in Zone 1 of the LACFCD shall be derived by applying the following formula:

$$\text{Assessment} = \$28.85 \times (\text{area of parcel in acres}) \times (\text{runoff factor for parcel}) \div 0.0637$$

This charge shall be in addition to any ad valorem taxes levied by the LACFCD on such real property or any tax revenue allocated to the LACFCD from such property;

3. The assessment for each parcel in Zone 2 of the LACFCD shall be derived by applying the following formula:

$$\text{Assessment} = \$5.95 \times (\text{area of parcel in acres}) \times (\text{runoff factor for parcel}) \div 0.0637$$

This charge shall be in addition to any ad valorem taxes levied by the LACFCD on such real property or any tax revenues allocated to the LACFCD from such property;

4. In Zones 3 and 4, there will be zero assessment levied;
5. The runoff factor for each parcel shall be determined according to Table 1, attached hereto and by this reference incorporated herein. The zone designation of each parcel shall be determined according to Figure 1, Zone Map and Table 2, Benefit Assessment System Zone Table. Table 2 lists the parcels within Zones 1 and 2 only, by reference to each parcel's County Assessor map book number. The parcels within Zones 3 and 4 have not been included in Table 2 because the annual assessment in these zones is zero. Both the Zone Map and Table are attached hereto and incorporated herein;
6. The assessment shall be collected for Fiscal Year 2016-17 from the tax roll at the same time and in the same manner as the general taxes of the County of

The foregoing resolution was adopted on the 31st day of May, 2016, by the Board of Supervisors of the County of Los Angeles acting as the governing body of the Los Angeles County Flood Control District.
