

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JULY 12, 2016

RELATED TO ITEM R-1

The Board of Supervisors should work to avoid spending additional local taxpayer dollars and allowing the state to delegate their responsibilities for the statewide homeless crisis we are facing, similar to what they did with AB 109.

I, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS:

- 1. Direct the Chief Executive Officer (CEO) to work with the Health Agency and other departments to evaluate the spending plans currently in place in the County, and determine and identify within our current structure any and all funding that can be redirected to the Board's homeless effort.
- 2. Direct the CEO to continue to work with the state legislature to declare a state of emergency for homelessness, and develop any other state funding options that may be available and redirected to local governments to address the homeless crisis.
