The term of this new LE Agreement will

be effective upon Board approval for Fiscal Year (FY) 2004-2005, with two automatic one-year renewal periods for FYs 2005-2006 and 2006-2007. The MCA of \$1,226,900 for LeRoy Haynes Center for FY 2004-2005, 2005-2006, and 2006-2007 will be fully funded by \$552,200 of EPSDT-SGF, \$61,300 of CGF Growth Match funds redirected from Tri-City MHC LE Agreement No. DMH-01487, and \$613,400 of EPSDT-FFP Medi-Cal, which is, included in DMH's FY 2004-2005 Adopted Budget.

3. Delegate authority to the Director of Mental Health to prepare, sign, and execute future amendments to these two new DMH LE Agreements and establish as a new (MCA) the aggregate of each original Agreement and all amendments provided that: 1) the County's total payments to contractor under each Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable revised Maximum Contract Amount; 2) any such increase shall be used to provide services to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer or their designees is obtained prior to any such Amendment; 5) the Amendments which reduce programs or services are consistent with the principles agreed to in DMH's stakeholder process and FY 2004-2005 Adopted Budget and reflect DMH's Final FY 2004-2005 budget approved by your Board; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

On February 12, 2004, Tri-City MHC notified DMH that it was filing for Chapter 9 bankruptcy protection. In response to this filing, the Director of Mental Health issued a letter on March 23, 2004, advising the Board of Supervisors that DMH was terminating its LE Agreement with Tri-City MHC effective March 5, 2004.

Tri-City MHC is continuing to provide services to mental health consumers who reside in the cities of Pomona, La Verne, and Claremont under its contractual agreement with the State of California Department of Mental Health (SDMH). DMH assumed responsibility for programs and services to Los Angeles County consumers that reside outside of those three (3) cities. On March 2, 2004, DMH submitted a transition plan to the Board outlining the steps that DMH would take to maintain services. The plan included the redistribution of Tri-City MHC funds to DMH providers who had the capacity to quickly expand services to those impacted consumers. The redistribution plan that was developed by DMH is supported by DMH contractors in Mental Health Service Area (MHSA) 3 and reflects the funding level that is needed to maintain services.

DMH is also seeking Board approval to establish two sole source DMH contracts: one with The David and Margaret Home, Inc., located in Supervisorial District 5, MHSA 3, and one with LeRoy Haynes Center located in Supervisorial District 5, MHSA 3, to provide mental health services to youth residing in their Level 12 group homes.

The David and Margaret Home, Inc., is committed to providing a range of comprehensive services including mental health services to seriously emotionally disturbed youth in their programs. The agency is highly respected in the communities of Pomona, La Verne, and Claremont, and had been actively negotiating a subcontract with Tri-City MHC to deliver mental health services. DMH strongly supports honoring the commitment made by Tri-City MHC to The David and Margaret Home, Inc., by allowing the agency to become a DMH mental health provider.

In addition, LeRoy Haynes Center held a subcontract with Tri-City MHC for the provision of mental health services. DMH would like to enter into a contractual agreement with LeRoy Haynes Center for continued delivery of outpatient and day treatment rehabilitation services. DMH will reallocate unspent funds from Tri-City MHC to fund these programs and services to Los Angeles County consumers that reside outside of the cities of Pomona, La Verne, and Claremont.

Implementation of Strategic Plan Goals

The recommended Board action is consistent with the principles of the Countywide Strategic Plan Programmatic Goal No. 5, "Children and Families' Well-Being" for the provision of outpatient mental health services to SED children, adolescents, and their families. Board approval will ensure the continuation of the mental health services delivery system in MHSA 3.

FISCAL IMPACT/FINANCING

The David and Margaret Home, Inc.

There is no increase in net County cost. The MCA of \$500,000 will be fully funded with funds redirected from Tri-City MHC's former LE Agreement No. DMH-01487, consisting of \$225,000 of EPSDT-SGF, \$25,000 of CGF Growth Match funds redirected from Tri-City MHC LE Agreement No. DMH-01487, and \$250,000 of EPSDT-FFP Medi-Cal, which is included in DMH's FY 2004-2005 Adopted Budget. Funding for FYs 2005-2006 and 2006-2007 will be requested during DMH's annual budget process but may be subject to change because of anticipated budgetary factors which may impact the

funding that is given to the County by the State and/or Federal government on an annual basis.

<u>LeRoy Haynes Center</u>

There is no increase in net County cost. The MCA of \$1,226,900 will be fully funded with funds redirected from Tri-City MHC's former LE Agreement No. DMH-01487, consisting of \$552,200 of EPSDT-SGF, \$61,300 of CGF Growth Match funds redirected from Tri-City MHC LE Agreement No. DMH-01487, and \$613,400 of EPSDT-FFP Medi-Cal, which is included in DMH's FY 2004-2005 Adopted Budget. Funding for FYs 2005-2006 and 2006-2007 will be requested during DMH's annual budget process but may be subject to change because of anticipated budgetary factors which may impact the funding that is given to the County by the State and/or Federal government on an annual basis.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On February 12, 2004, Tri-City MHC filed for Chapter 9 bankruptcy protection and DMH proceeded to officially terminate its contractual obligations with Tri-City MHC effective March 5, 2004. The treatment components offered by the agency under the DMH contract included basic outpatient services, such as day treatment, therapeutic behavioral services, substance abuse services, school-based services, and CalWORKs services.

DMH is required by SDMH to provide mental health services to individuals who meet medical necessity criteria as defined by SDMH and who are eligible for Medi-Cal benefits. Tri-City MHC's impacted consumers meet the State requirements and DMH must render appropriate treatment services. To ensure the State mandate was maintained and to promote a seamless transition, DMH established a temporary mental health clinic on site at Tri-City MHC's Garey facility. Case management, crisis intervention, assessment, and medication services were available to children, adolescents, adults, and older adults who had scheduled medication appointments and who were experiencing a crisis, or who walked in requesting services. Through an existing DMH contract with Locum Tenens (temporary) physician service, a psychiatrist was available to provide medication services. The temporary clinic remained operational until consumers were successfully linked to an appropriate mental health center within or near their city of residence.

Another component of the transition plan, consistent with the SDMH mandate to provide appropriate treatment services, included the review of the medical records. The impacted consumers were referred and linked to appropriate mental heath providers

based on their individualized needs and their city of residence. Copies of their medical records were transferred to the receiving providers to assist them with maintaining continuity of care. Impacted consumers were notified of their new provider and were allowed to transfer to a provider of their choice within the DMH network. The transition of impacted consumers from Tri-City MHC to existing mental health providers was completed by March 18, 2004.

On May 19, 2004, DMH notified the Board of two (2) sole source contracts: one (1) with The David and Margaret Home, Inc., and one (1) with Leroy Haynes Center, both of which are non-profit entities.

The David and Margaret Home, Inc., located at 1350 Third Street, La Verne, CA 91750, Supervisorial District 5, MHSA 3 had been actively negotiating a subcontract with Tri-City MHC to deliver mental health services. DMH strongly supports honoring the commitment to The David and Margaret Home, Inc., by allowing the agency to become a DMH mental health provider. The David and Margaret Home, Inc., will deliver mental health services to SED children, adolescents, and their families residing in their Level 12 group home, community, and in school.

LeRoy Haynes Center located at 233 W. Baseline Road, La Verne, CA 91750, held a subcontract with Tri-City MHC for the provision of mental health services. LeRoy Haynes Center will deliver mental health services to SED children, adolescents, and their families residing in their Level 12 group home, and community. Without DMH funding, the agency will not be able to continue delivery of mental health services to a population that is currently underserved.

DMH's clinical and administrative staff, stationed both in the service areas and centrally, are assigned to administer and supervise agreements, evaluate programs to ensure that quality services are being provided to clients, and substantiate through various means, including units of service entered into the Integrated System and concomitant clinical record keeping, that Agreement provisions and departmental policies are being followed.

The Los Angeles County Community Business Enterprise (LAC/CBE) Program, Firm/Organization Information form is included as Attachment II.

The LE Agreement format has been approved as to form by County Counsel. The proposed actions have been reviewed by the Chief Administrative Office and DMH's Fiscal and Program Administrations.

CONTRACTING PROCESS

DMH invited MHSA 3 providers to attend an informational meeting on February 27, 2004, to identify providers who were interested in providing services to the impacted Tri-City MHC consumers and to discuss the transition plan. DMH providers interested in providing services were instructed to complete and return a survey. The criteria used to select the providers included: demonstrating the ability to quickly expand services; having extensive experience in serving special populations (i.e. AB 3632, Children's System of Care, CalWORKs, and Assertive Community Treatment); possessing multiple language capacities' and providing services in or near the community in which the consumers reside. The providers also had to meet DMH's financial viability requirements and are in good standing.

The dollars allocated to The David and Margaret Home, Inc., and LeRoy Haynes Center were determined based on the number of consumers referred to each agency, staffing needs, as well as administrative and indirect costs.

IMPACT ON CURRENT SERVICES

Under the DMH plan, there will be a smooth transition with Tri-City MHC clients being able to continue to receive services. It is anticipated that service levels and quality will be maintained so that there will be no negative impact on current services.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.

NOW, THEREFORE, Contractor and County agree as follows:

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

Responsiveness

- Professionalism
- Accountability
- Compassion

Integrity

- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- · Good Health;
- Economic Well-Being:
- Safety and Survival;
- · Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human

services delivery system:

- County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturallycompetent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

J. Payment:

- (1) For each month of the term of this Agreement, Contractor shall submit to County a claim for each applicable row (payer funding source) identified on the Financial Summary and Rate Schedule, in the form and content specified by County. Each monthly claim shall be submitted within 60 days of Contractor's receipt of County's IS reports for the last date mental health services were provided during the particular month and within 60 days of the last date Title XIX Medi-Cal Administrative Activities were provided during the particular month.
- (a) Cost_Reimbursement: Contractor's monthly claim to County shall show all Contractor's actual and allowable costs and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder for the particular month. The County may make provisional reimbursement, subject to final settlement to cost. All provisional reimbursement shall be based upon specialty mental health services actually provided as shown on County's Claims Systems reports. Contractor certifies that all units of service claimed by Contractor on a provisional reimbursement basis are true and accurate claims for reimbursement.
- (b) For IMDs Only: Those Institutions for Mental Disease which are licensed as Skilled Nursing Facilities (SNF) by SDHS are, thereby, entitled by law to the rates established by SDHS for Skilled Nursing Facilities. The IMD rate consists of a basic SNF rate and a STP rate, or a MHRC rate. Contractor's monthly claim to County shall be for those patient days that have been approved in writing by the County and shall be separately itemized by each patient day. Claims shall be submitted to County within 30 days of the end of the billing period. Monthly claims shall be reviewed and approved by County.
- separately itemized by each SFC to show the payment calculation for each SFC by multiplying the SFC units as shown on IS reports by the applicable NR for such SFC as shown on the Financial Summary, except that for PATH and SAMHSA services, Contractor's monthly claim shall show Contractor's actual and allowable costs, less all fees paid by or on behalf of patients/clients receiving services hereunder and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder.
- i. DMH shall have the option to deny payment for services when documentation of clinical work does not meet minimum State and County standards.
 - ii. Final reimbursement to Contractor shall not exceed the listed

rates as shown on the Financial Summary. Provisional reimbursement to contractor shall be at the State established Title XXII rates for CPT codes. At cost report, provisional reimbursement will be adjusted to State approved Negotiated Rates not to exceed the rates shown on the Financial Summary and shall be considered payment in full, subject to third party liability and beneficiary share of cost, for the specialty mental health services provided to a beneficiary. Reimbursement shall be made only for State approved Short-Doyle/Medi-Cal claims and to the extent that funds allocated by State for County specifically for these services are available.

iii. <u>For Organizational Providers Only.</u> Provisional reimbursement shall be based on the rates shown on the Provisional Rate Schedule(s) as published and periodically revised as supplements to the Los Angeles County DMH Fee-For-Service Medi-Cal Specialty Mental Health Services Provider Manual by the DMH, Office of Managed Care and distributed to DMH Organizational Providers and to the Los Angeles County DMH Contracts Development and Administration Division.

Further, Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

(2) On the basis of this monthly claim and after Director's review and approval of the monthly claim, Contractor shall receive from County payment of Contractor's claimed amount for NR services, and actual and allowable costs for all cost reimbursed services and activities, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return as described in Subsection 7 of Subparagraph I (Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest).

The monthly claim and subsequent payment shall be made in accordance with County policies and procedures. If a claim is not submitted as required by County, then payment shall be withheld until County is in receipt of a complete and correct claim and such claim has been reviewed and approved by Director.

If Contractor has received any Cash Flow Advance pursuant to Subparagraph K (Cash Flow Advances In Expectation of Services/Activities To Be Rendered), then Director may, in his discretion, at any time, make adjustments to any of Contractor's monthly claims as necessary to ensure that Contractor shall not be paid by County a sum in excess of the amount determined by multiplying the SFC units as shown on IS reports by the applicable NR for such SFC as shown on the Financial Summary for NR services and/or Contractor's actual and allowable costs of providing mental health services and Title XIX Medi-Cal Administrative Activities, or the Maximum Contract Amount for such Fiscal Year as shown in Subparagraphs B (Reimbursement for Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), whichever is less, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder. Contractor may request

in writing, and shall receive if requested, DMH's computations for determining any adjustment to Contractor's monthly claim.

- (3) All monthly claims shall be subject to adjustment based upon the IS reports, EOB data, and/or Contractor's Annual Cost Report which shall supersede and take precedence over all claims.
- (4) All monthly claims shall be based on mental health services actually provided as shown on IS reports and/or Title XIX Medi-Cal Administrative Activities actually provided as shown by State-approved time studies prepared or actual and allowable costs for State approved units of activities reported by Contractor. Contractor certifies that all units of services reported by Contractor into IS are true and accurate claims for reimbursement.
- (5) EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal FFP funds shall be paid by County to Contractor only for State approved claims for EPSDT Title XIX Medi-Cal and/or Title XIX Short-Doyle/Medi-Cal SFC units provided to eligible Medi-Cal beneficiaries. EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal FFP funds shall be paid by County to Contractor only in arrears, only for the period of time Contractor is certified as a Title XIX Short-Doyle/Medi-Cal provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received EPSDT and FFP payment from State.
- (6) Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only for State approved claims for Title XIX Medi-Cal Administrative Activities based on time studies prepared or actual and allowable costs for units of activities reported by Contractor. Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only in arrears and only if Contractor is authorized as a Title XIX Medi-Cal Administrative Activities provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received FFP payment from State.
- (7) EPSDT and FFP funds shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, and Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor FFP funds only to the extent that the applicable Maximum Contract Amount has eligible State and/or local funds which qualify as the match to FFP, as required by Federal and/or State laws, regulations, manuals, guidelines, and directives.
- (8) EPSDT Title XIX Medi-Cal services funds, Title XIX Short-Doyle/Medi-Cal services FFP funds, Title XIX Medi-Cal Administrative Activities FFP funds, shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor EPSDT Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities funds

only to the extent required by Federal laws, regulations, manuals, guidelines, and directives.

 (9) Notwithstanding any other provision of this Agreement, in the event that Contractor provides EPSDT Title XIX Medi-Cal services pursuant to the EPSDT provisions of this Agreement in excess of Contractor's EPSDT baseline as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) as calculated with SDMH service approval data, and County does not meet the Fiscal Year 1994-95 base as adjusted by the State, Contractor shall be paid by County from a CGF risk reserve pool established for this purpose. The CGF risk reserve pool funds shall be maintained in accordance with County policies and procedures and shall be for the SDMH general fund portion of the individual Contractor's EPSDT approved services.

Treatment—State General Funds) local matching funds in excess of the EPSDT baseline as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) and Medi-Cal Federal Financial Participation Funds (FFP) to Contractor solely in County's capacity as the EPSDT-SGF and FFP intermediary between the Contractor and the State. Solely to assist the County in expeditiously processing and initially paying Contractor (because of the internal accounting necessity for appropriation authority) for such claims for payment pending reimbursement from the State, the Maximum Contract Amount(s) of this Agreement shall include EPSDT-SGF and/or FFP. This will establish legal authorization by the Board of Supervisors to make expenditures for the services and/or activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending reimbursement by the State. To the extent Contractor exceeds the EPSDT-SGF and/or FFP amount(s) included in this Agreement, such excess will be paid to Contractor only upon Contract Amendment approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

Contractor understands and agrees that County's assistance in processing and, as an intermediary for the State and Federal governments, initially paying for EPSDT-SGF and FFP in accordance with the above is subject to reimbursement from the State and does not render County in any way responsible for the substantive obligation to be ultimately fiscally responsible for payment for Contractor's claims for payment for these services. Contractor's entitlement to payment for such services, or claimed services, is entirely dependent upon compliance with the law and regulations related to same. In the event of a dispute regarding entitlement for payment, Contractor agrees that County is not liable for payment for such claims and will not pursue any such claims for payment against County.

(11) No Payment for Services Provided Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately

notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

K. Cash Flow Advance In Expectation Of Services/Activities To Be Rendered;

For each month of each fiscal year, County will reimburse Contractor based upon the County and/or State and/or Federal government(s) processing of the reimbursement claims for rendered services/activities submitted by Contractor to the County subject to claim edits, and future settlements and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5) consecutive months, or portion thereof, as described below, and for such month the County and/or State and/or Federal government(s) have not made payment, and/or such payment is less than 1/12th of the Maximum Contract Amount, Contractor may request in writing from County a monthly County General Fund Cash Flow Advance as herein described.

Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which the costs are to be incurred and upon which the request(s) is (are) based.

Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified by Paragraph 3 (DESCRIPTION OF SERVICES/ACTIVITIES) of this Agreement, to the County and/or State and/or Federal government(s), and the County and/or State and/or Federal government(s) have made payment for such services/activities. Contractor may request each monthly Cash Flow Advance only for such services/activities and only when there is no reimbursement from other public or private sources for such services/activities.

No Cash Flow Advance will be given if a Contractor has not been certified as an eligible Medi-Cal service provider.

The Cash Flow Advance amount for any particular month will be reduced by County payments of actual reimbursement claims received by County from the Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such Contractor reimbursement claim is received at any time during either the initial three (3) or two (2) additional consecutive months, the monthly payment to Contractor will include the payment for such actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that particular month.

Cash Flow Advance is based upon the following:

(1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any funds which may be part of

the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed \$______ per month and the total Cash Flow Advance for the three (3) months shall not exceed \$______. The Cash Flow Advance monthly amount is 1/12th of Maximum Contract Amount as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

- A Contractor providing EPSDT Short-Doyle Medi-Cal services as part of this Agreement, may for two (2) additional consecutive months, or portion thereof, that this Agreement is in effect, request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any FFP and/or EPSDT-SGF funds designated for clients less than 21 years of age which may be part of the Maximum Contract Amount for such fiscal year as shown on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed \$______ per month for each of the two (2) additional consecutive months and the total Cash Flow Advance for the two (2) additional consecutive months shall not exceed \$______. The Cash Flow Advance monthly amount for each of the two (2) consecutive months is:
- (1) 1/12th of the Maximum Contract Amount for EPSDT-SGF as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year plus;
- (2) An amount equal to the 1/12th of the Maximum Contract Amount for EPSDT-SGF that is the Cash Flow Advance component for the anticipated FFP financial participation to be provided by the Federal government for services provided to EPSDT Medi-Cal beneficiaries.

Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part. The time schedules and examples for County claims payment, and the three (3) and five (5) months Cash Flow Advance disbursement(s) and Contractor repayment of Cash Flow Advance funds to County by means of a County offset to Contractor claims to County are incorporated herein as Attachment V.

County identifies if Contractor's units of service and State FFP & EPSDT-SGF approvals are meeting or exceeding the contracted levels and if not Cash Flow Advance recovery is initiated to ensure Contractor completes repayment of the Cash Flow Advance with units of services by the time the Contractor's fiscal year's twelfth month of claims are received and processed.

Any County and/or State and/or Federal government(s) approved Contractor reimbursement claims for eligible services/activities in excess of the actual unpaid Cash Flow Advance County to Contractor will be disbursed in accordance with the terms and conditions of this Agreement.

Should Contractor request and receive Cash Flow Advance, Contractor shall exercise cash management of such Cash Flow Advance in a prudent manner.

Flow Advance payment shall be based on 95 percent (95%) of the average daily census for the last two months of the preceding fiscal year.

L. <u>Maximum Monthly Payment</u>: County's Maximum Monthly Payment to Contractor for each monthly claim shall not exceed an amount determined pursuant to County policies and procedures.

The State and FFP funds for State approved claims for EPSDT Title XIX Medi-Cal SFC units claimed by County to State on behalf of the Contractor shall be paid by County to Contractor only in arrears and only after County has received State and FFP payment from State.

The FFP funds for State approved claims for EPSDT Title XIX Medi-Cal SFC units, and/or Title XIX Short-Doyle/Medi-Cal SFC units, and/or Title XIX Medi-Cal Administrative Activities, claimed by County to State on behalf of the Contractor shall be paid by County to Contractor only in arrears and only after County has received FFP payment from State.

In order to recover CGF provided to Contractor as Cash Flow Advance pursuant to this Subparagraph L, or any amounts due to County by Contractor under this Agreement or otherwise, County shall withhold from any amounts due by County to Contractor under this Agreement or otherwise: (1) the FFP and/or EPSDT-SGF portions of total State approved Short-Doyle/Medi-Cal claims Cash Flow Advances that are in excess of a cumulative, for each month actual State approval data has been received, 1/12 of the Maximum Contract Amount and/or (2) the FFP portion of Title XIX Short-Doyle/Medi-Cal for State approved claims for Title XIX Short-Doyle/Medi-Cal SFC units and/or (3) the State and FFP portion of EPSDT Title XIX Medi-Cal for State approved claims for EPSDT Title XIX Medi-Cal Administrative Activities and/or (5) the County, State and Federal portions of SFC units claimed by Contractor in IS for non-Title XIX Medi-Cal. Contractor may request in writing, and shall receive if requested, DMH's computations for determining any amounts withheld.

M. Withholding of Payment for Nonsubmission of IS and Other Information: County may withhold a maximum of 10 percent (10%) of any monthly claim, if any IS data, EOB data, RGMS report, or other information is not submitted by Contractor to County within the time limits of submission of this Agreement or if any IS data, EOB data, RGMS report, or other information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement. County shall give Contractor at least 15 working days written notice of its intention to withhold payments hereunder, including the reason(s) for its intended action. Thereafter, Contractor shall have 15 days either to correct any deficiencies, or to request reconsideration of the decision to withhold payment. Payment to Contractor shall not be withheld pending the correction of deficiencies, or if reconsideration is requested, pending the results of the reconsideration process.

N. Annual Cost Reports:

 (1) For each Fiscal Year or portion thereof that this Agreement is in effect, Contractor shall provide DMH with two copies of an accurate and complete Annual Cost Report, with a statement of expenses and revenue. The annual cost report will be comprised of a separate set of forms for the County and State for the Financial Summary within each entity. Such reports will be due

within 75 days following either the end of such Fiscal Year or the expiration or termination date of this Agreement, whichever occurs earlier. Each such Annual Cost Report shall be prepared by Contractor in accordance with the requirements set forth in the Short-Doyle/Medi-Cal Automated Cost Reporting System Users Manual, CR/DC Manual, RO/TCM Manual, and any other written guidelines which shall be provided to Contractor by Director by June 30 of the Fiscal Year for which the Annual Cost Report is to be prepared.

- (2) If Contractor fails to submit accurate and complete Annual Cost Report(s) by such due date, and if this Agreement is automatically renewed as provided in Paragraph 1 (TERM), then County shall not make any further payments to Contractor under this Agreement until the accurate and complete Annual Cost Report(s) is (are) submitted.
- (3) Failure of Contractor to submit accurate and complete Annual Cost Report(s) by such due date shall result in a Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the seventy-sixth day following either the end of the applicable Fiscal Year or the expiration or termination date of this Agreement and shall continue thereafter up to the one hundred and fifth day.

In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by the one hundred and fifth day, then all amounts covered by the outstanding Annual Cost Report(s) and paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be due by Contractor to County. Contractor shall pay County according to the method described in Subparagraph S (Payments Due to County/Method of Payment).

- O. Annual Cost Report Adjustment and Settlement: Based on the Annual Cost Report(s) submitted pursuant to Subparagraph N (Annual Cost Reports), at the end of each Fiscal Year or portion thereof that this Agreement is in effect the cost of all mental health services, and Title XIX Medi-Cal Administrative Activities rendered hereunder shall be adjusted as follows:
- applicable Maximum Contract Amount as shown in Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), provided that reimbursement for Short-Doyle/Medi-Cal funded services shall be consistent with the amounts authorized by State law and State's Medicaid Plan, and reimbursement for Title XIX Medi-Cal Administrative Activities shall be consistent with the amounts authorized by State law and State's Title XIX Medi-Cal Administrative Activities Plan not to exceed the Maximum Contract Amount. Reimbursement for Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, shall not exceed an amount for which there is sufficient CGF/State match funds in the applicable Maximum Contract Amount.
- (2) IMD to the lower of the DMH determined final IS run of reported patient days or the patient days reported in Contractor's Annual Cost Report, multiplied by the applicable SDHS's

currently approved Skilled Nursing Facility Rate per patient day for Basic Service plus SDHS's currently approved STP Rate per patient day for STP Services.

Negotiated Rate - to the lower of the DMH determined final IS run of reported (3)SFC units, or the SFC units reported in Contractor's Annual Cost Report, multiplied by the applicable NR less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor as described in Subsection 7 of Subparagraph I (Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest), not to exceed the applicable Maximum Contract Amount as shown in Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), provided that reimbursement for Title XIX Short-Doyle/Medi-Cal funded services shall be consistent with the amounts authorized by State law and State's Medicaid Plan, and reimbursement for Title XIX Medi-Cal Administrative Activities shall be consistent with the amounts authorized by State law and State's Title XIX Medi-Cal Administrative Activities Plan not to exceed the Maximum Contract Amount. Reimbursement for Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, shall not exceed an amount for which there is sufficient CGF/State match funds in the applicable Maximum Contract Amount. In the event that Contractor adjustments based on any of the above methods indicate an amount due the County, Contractor shall pay County according to the method described in Subparagraph S (Payments Due to County/Method of Payment).

P. Post-Contract Audit Settlement:

- personnel, actual and allowable SFC units for NR services and actual and allowable costs for cost reimbursement services shall be determined for each Fiscal Year or portion thereof that this Agreement is in effect. Such audit may include requests to review any fiscal, programmatic, or SFC unit concerns County, State, and/or Federal auditors may have under this Agreement. CR/DC Manual, RO/TCM Manual, SDMH's utilization review policies and procedures, State's Medicaid Plan, State's Title XIX Medi-Cal Administrative Activities Plan, and the Federal Health Care Financing Administration's Health Insurance Manual Volume 15 (HIM 15) shall serve as the basic reference and authority for the audit determination of actual and allowable SFC units for mental health services and actual and allowable costs for Title XIX Medi-Cal Administrative Activities and PATH and SAMHSA services. One of the purposes of the audit determination of actual and allowable SFC units is to identify and adjust for duplicated claims; SFC units not provided; SFC units not documented; and utilization review findings, including, but not limited to, unnecessary care and the lack of appropriate licensed practitioners of the healing arts.
- (2) For mental health services, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the amounts paid by County to Contractor for any SFC

units furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference shall be due by Contractor to County upon the State and/or Federal collection from County of the amount due, or after exhausting all appeals, if any, whichever occurs first.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal Administrative Activities furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference shall be due by Contractor to County. Contractor shall pay County according to the method described in Subparagraph S (Payments Due to County/Method of Payment).

(3) For NR and CR services, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the amounts paid by County to Contractor for any NR SFC units furnished hereunder are less than the allowable pursuant to this Agreement and/or CR services, then the difference shall be paid by County to Contractor, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal Administrative Activities furnished hereunder are less than the amounts reimbursable pursuant to this Agreement, then the difference shall be paid by County to Contractor, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

- Q. <u>Audit Appeals After Post-Contract Audit Settlement</u>: If Contractor appeals any audit report, the appeal shall not prevent the post-contract audit settlement pursuant to Subparagraph P (Post-Contract Audit Settlement).
- R. <u>County Audit Settlements</u>: If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the mental health services and/or Title XIX Medi-Cal Administrative Activities provided hereunder and if such audit finds that County's dollar liability for such services and/or administrative activities is less than payments made by County to Contractor, then the difference shall be due by Contractor to County, unless Contractor files an appeal with County, in which case the amount due, if any, will be determined upon the completion of the appeal. Contractor shall pay County according to the method described in Subparagraph S (Payments Due to County/Method of Payment).

If such audit finds that County's dollar liability for such services and/or administrative activities provided hereunder is more than payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B (Reimbursement

For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

- S. Payments Due to County/Method of Payment: Within ten days after written notification by County to Contractor of any amount due by Contractor to County, Contractor shall notify County as to which of the following six payment options Contractor requests be used as the method by which such amount shall be recovered by County. Any such amount shall be: (1) paid in one cash payment by Contractor to County, (2) offset against prior year(s) liability(ies), (3) deducted from future claims over a period not to exceed three months, (4) deducted from any amounts due from County to Contractor whether under this Agreement or otherwise, (5) paid by cash payment(s) by Contractor to County over a period not to exceed three months, or (6) a combination of any or all of the above. If Contractor does not so notify County within such ten days, or if Contractor fails to make payment of any such amount to County as required, then Director, in his sole discretion, shall determine which of the above six payment options shall be used by County for recovery of such amount from Contractor.
- T. Interest Charges on Delinquent Payments: If Contractor, without good cause as determined in the sole judgment of Director, fails to pay County any amount due to County under this Agreement within 60 days after the due date, as determined by Director, then Director, in his sole discretion and after written notice to Contractor, may assess interest charges at a rate equal to County's Pool Rate, as determined by County's Auditor-Controller, per day on the delinquent amount due commencing on the sixty-first day after the due date. Contractor shall have an opportunity to present to Director information bearing on the issue of whether there is a good cause justification for Contractor's failure to pay County within 60 days after the due date. The interest charges shall be: (1) paid by Contractor to County by cash payment upon demand and/or (2) at the sole discretion of Director, deducted from any amounts due by County to Contractor whether under this Agreement or otherwise.
- U. <u>Einancial Solvency</u>: Contractor shall maintain adequate provisions against the risk of insolvency.
- V. Limitation of County's Obligation Due to Nonappropriation of Eunds: Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. Should County, during this or any subsequent fiscal year impose budgetary restrictions which appropriate less than the amount provided for in Subparagraph B (Reimbursement For Initial Period) and Subparagraph C (Reimbursement If Agreement Is Automatically Renewed) of this Agreement, County shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such changes in allocation of funds at the earliest possible date.

W. Contractor Requested Changes:

- (1) If Contractor desires any change in the terms and conditions of this Agreement, Contractor shall request such change in writing prior to April 1 of the Fiscal Year for which the change would be applicable, and all changes shall be made by an amendment pursuant to Agreement Paragraph 38 (ALTERATION OF TERMS).
- (2) If Contractor requests to increase or decrease any Maximum Contract Amount, such request and all reports, data, and other information requested by DMH's Contracts Development and Administration Division, shall be received by DMH's Contracts Development and Administration Division for review prior to April 1 of the Fiscal Year in which the increase or decrease has been requested by Contractor.

- (1) County's total payments to Contractor under this Agreement, for each Fiscal Year of the term of this Agreement, shall not exceed an increase of more than the Board-approved percentage of the applicable Maximum Contract Amount; and
- (2) Any such increase shall only be used for additional services or to reflect program and/or policy changes that affect this Agreement; and
- (3) County's Board of Supervisors has appropriated sufficient funds for all changes described in each such amendment to this Agreement; and

Y. California Work Opportunity and Responsibility to Kids (CalWORKs);

(1) <u>CalWORKs Reimbursement:</u>

(a) Reimbursement at cost for existing services under this Agreement shall be considered payment in full, subject to third party liability and beneficiary share of costs, for the CalWORKs beneficiaries.

For each month of the term of this Agreement, Contractor shall submit to County a separate claim for CalWORKs services in the form and content specified by County. Each monthly claim shall be submitted within 30 days of Contractor's receipt of County's IS CalWORKs

Service Reports for the last date CalWORKs' mental health services were provided during the particular month.

All monthly claims shall be subject to adjustment based upon the IS reports, EOB data, and/or Contractor's annual Cost Report which shall supersede and take precedence over all claims. No billing changes/adjustments or audits will be allowed after such time.

- (b) Under no circumstances shall Contractor be reimbursed for the provision of CalWORKs services from any funds included in the Cash Flow Loan Exhibit(s).

Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 days notice of such suspension shall be provided to Contractor, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 days, request reconsideration of Director's decision to suspend payment. Suspension of payment to Contractor shall not take effect pending the results of such reconsideration process.

Director shall immediately notify Contractor upon receiving notification of unavailability of funds from the State or DPSS for payment on CalWORKs claims.

Z. 52. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Attachment VI as part of its obligation under this Paragraph 52.

Failure by Contractor to meet the requirements of this Paragraph 52 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
