PROBATION DEPARTMENT

RICHARD SHUMSKY
Chief Probation Officer

October 7, 2004

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF CONTRACT TO PROVIDE CLERICAL SERVICES FOR THE
PROBATION DEPARTMENT AT LOS PADRINOS JUVENILE HALL
(FOURTH SUPERVISORIAL DISTRICT) (3 VOTE)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the clerical services provided under the proposed contract can be more economically performed by the contractor rather than by County employees.
2. Approve the attached contract with Simpson & Simpson Business and Personnel Services (Simpson & Simpson), for the provision of clerical services for the Probation Department at an estimated annual amount of \$495,000 for the period of December 1, 2004 through November 30, 2005, with an option to renew for four (4) additional 12-month periods.
3. Instruct the Chairman, Board of Supervisors, to sign the attached contract.
4. Delegate authority to the Chief Probation Officer to extend the contract term for (4) four additional 12-month periods, upon approval as to form by County Counsel.

The Honorable Board of Supervisors
October 7, 2004

5. Delegate authority to the Chief Probation Officer to execute contract modifications not exceeding 10% of the contract price and/or 180 days to the period of performance pursuant to the terms contained therein, upon approval as to form by County Counsel.

PURPOSE/ JUSTIFICATION OF RECOMMENDED ACTIONS:

The purpose of the recommended actions is to obtain approval of a contract (Attachment I) with Simpson & Simpson, for clerical services for the Probation Department at Los Padrinos Juvenile Hall.

The Probation Department has utilized contracted clerical services since 1987. The current contract is scheduled to expire on November 30, 2004. Approval of this contract will enable the Probation Department to continue receiving clerical services at Los Padrinos Juvenile Hall. A competitive solicitation process was conducted and Simpson & Simpson was the highest ranking proposer and submitted the lowest evaluated price .

Implementation of Strategic Plan Goals

The recommended actions are consistent with the Countywide Strategic Plan, Organizational Goal #2, Workforce Excellence, Organizational Goal #3, Organizational Effectiveness and Organizational Goal #4, Fiscal Responsibility. Implementation of the recommendations will enable the Probation Department to continue receiving high quality, efficient clerical services.

FINANCIAL IMPACT/FINANCING:

Attachment II compares the cost of contract services with the costs the County would incur if the clerical services were to be provided by County employees. The annual savings to the County is estimated at \$298,495.84. Because the annual number of hours to be provided cannot be projected with certainty given fluctuations in juvenile hall population changes and other Departmental needs, the actual contract savings may be more or less than estimated. Attachment III shows the benefits available to contract employees. Attachment IV provides the process used for contracting with the community business enterprises.

Adequate funds are provided in the FY 2004/05 Budget to finance the contract payments. The proposed contract includes provisions for non-appropriation of funds and Budget reductions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

Since 1987, Probation has contracted for clerical services at Los Padrinos Juvenile Hall. Probation has a need to continue utilizing these services at its designated work location. The scope of work for this contract includes providing clerical services at Los Padrinos Juvenile Hall.

The contract is authorized by the Los Angeles County Charter 44.7 and Los Angeles County Code Chapter 2.121 (Proposition A). The Department has complied with all requirements for contracting with private businesses under Los Angeles County Code Chapter 2.121. The awarded contract must provide all services at less cost than County cost.

The Department evaluated and determined that the Living Wage applies to the recommended contract. Consequently, the contract includes compliance with the requirements for the County's Living Wage Program (Los Angeles County Code, Chapter, 2.201).

In accordance with the Department of Human Resources memorandum dated November 16, 1995, the contract has been reviewed in regard to the provisions for hiring displaced County employees. The contractor agrees to give first consideration to hire permanent County employees targeted for layoff, or qualified former County employees who are on a re-employment list after the effective date of the contract and during the life of the contract. The contract also contains County requirements regarding the hiring of participants in the GAIN/GROW program.

The contract includes all County requirements, including, non-responsibility and debarment, and the provisions of paid jury service time for their employees.

Probation will not request the contractor to perform services that exceed the Board approved contract amount, scope of work, and/or contract term.

The Honorable Board of Supervisors
October 7, 2004

County Counsel has approved the contract as to form.

CONTRACTING PROCESS:

To solicit for these services, a competitive Request for Proposals (RFP) process was utilized. Through the solicitation and competitive negotiation process, approximately ninety-two (92) letters were sent to service providers. Advertisements were run in the Los Angeles Times, Eastern Group Publications and the Los Angeles Sentinel. The solicitation information was also made available through the Internet on the County of Los Angeles Internal Services Department website (Attachment V). As a result, twenty-one (21) potential providers requested copies of the RFP, fourteen (14) potential providers attended the mandatory bidder's conference, and three (3) proposals were received.

An evaluation committee was formed to evaluate proposals submitted in response to the RFP. The evaluation committee, consisting of Probation staff, evaluated a total of three (3) proposals received on June 7, 2004 as a result of the RFP issued on April 30, 2004. The proposals were evaluated using an initial screening "pass/fail" process which was consistent with the Selection Process and Evaluation Criteria set forth in the RFP.

The proposal submitted by Act 1 Personnel Services did not pass the initial screening, and did not proceed to the final evaluation process. The proposals submitted by Simpson & Simpson Business and Personnel Services and Helpmates Staffing Services passed the initial screening. They were rated and scored by the evaluation committee using a point system that covered: 1) proposed fee/price, 2) plan for providing required services, 3) quality control plan, 4) experience and capability and 5) references and history of any labor law violations. The proposal from Simpson & Simpson had the lowest cost per hour for the clerical services to be provided. Simpson & Simpson received the highest overall score and was rated the most responsive to Probation needs by the Evaluation Committee. Simpson & Simpson holds the current contract and has provided very good services to the Department. Simpson & Simpson made a firm commitment to comply with all RFP requirements.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

This contract will continue the current level of services.

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term,

(Refer to Exhibit F).

8.3 BUDGET REDUCTIONS

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation correspondingly for that fiscal year and any subsequent fiscal year services provided by the Contractor under the Contract. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such actions. The Contractor shall continue to provide all of the services set forth in the Contract.

8.6.2 The Contractor shall indemnify and hold harmless the County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of the Contractor or its employees, agents, or subcontractors of any such laws, rules, regulations, ordinances, or directives.

8.6.3 Regulations

CONTRACTOR agrees to comply with all applicable Federal, State, and local laws, including the Americans with Disabilities Act (ADA) and its requirement to provide reasonable accommodations and auxiliary aids or services, unless compliance with the ADA would place an undue financial burden on, or would fundamentally alter the nature of, the CONTRACTOR'S program.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age,

condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with *Exhibit D - Contractor's EEO Certification*.

8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as *Exhibit H* and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy.

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Sub-paragraph, “Contractor” means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. “Employee” means any California resident who is a full time employee of Contractor. “Full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if Contractor no longer qualifies for an

exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

- 8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The

Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Contract.

**8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES
TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST**

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give **first consideration** for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

**8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM
PARTICIPANTS**

Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

In the event that both laid-off County employees and GAIN/GROW

participants are available for hiring, County employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time not to exceed three (3) years, and terminate any or all existing Contracts the Contractor may have with the County.

on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.15.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

The County, at its sole option, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase such required insurance coverage, and without further notice to the Contractor, the County may deduct from sums due to the

Downey, CA. 90242

Written notice shall be sent to CONTRACTOR'S Project Director addressed as follows:

Simpson & Simpson

Los Angeles, CA. 90010
Attn: Kelly Simpson-Cook
(213) 736-6614

8.34.2 In the event of suspension or termination of the contract, notices may also be given upon personal delivery by COUNTY to any person whose actual knowledge of such suspension or termination would be sufficient notice to CONTRACTOR.

8.34.3 The Chief Probation Officer shall have authority to execute all notices required or permitted to be given here.

8.35 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 PUBLIC RECORDS ACT

8.36.1 Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to Sub-paragraph 8.38 – Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California

Government Code Section 6250 et seq. (Public Records Act) and which are marked “trade secret”, “confidential”, or “proprietary”. The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

8.37 PUBLICITY

8.37.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor’s need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of

the County's Contract Manager. The County shall not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Sub-paragraph 8.37 shall apply.

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or records relating to this Contract. All such material, including, but not limited to, all financial records, timecards and other employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State

auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.39 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 SUBCONTRACTING

8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.40.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing

services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.

8.40.6 The County's Contract Manager is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees.

8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.40.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

Martin Corral, Contract Analyst
9150 East Imperial Highway
Downey, CA. 90242

before any subcontractor employee may perform any work hereunder.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.15 – Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default by the Contractor under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the Board of Supervisors may terminate this Contract pursuant to Sub-

paragraph 8.43 – Termination for Default and pursue debarment, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Sub-paragraph 8.38, Record Retention & Inspection/Audit Settlement.

8.42.4 After the receipt of a Notice of Termination, CONTRACTOR shall submit to COUNTY, in the form and with the certifications as may be prescribed by COUNTY, his termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than three (3) months from the effective date of termination. Upon failure of CONTRACTOR to submit his termination claim and invoice within the time allowed, COUNTY may determine on the

basis of information available to COUNTY, the amount, if any, due to CONTRACTOR in respect to the termination and such determination shall be final. After such determination is made, COUNTY shall pay CONTRACTOR the amount so determined.

8.42.5 Subject to the provisions of the paragraph immediately above, COUNTY and CONTRACTOR shall negotiate an equitable amount to be paid CONTRACTOR by reason of the total or partial termination of work pursuant to this clause. Said amount may include a reasonable allowance for profit on work done but shall not include an allowance on work terminated. COUNTY shall pay the agreed amount; subject to other limitations and provided that such amount shall not exceed the total funding obligated under this contract as reduced by the amount of payments otherwise made and as further reduced by the contract price of work not terminated.

8.42.6 All material including books, records, documents, or other evidence bearing on the costs and expenses of the CONTRACTOR under this Contract shall be maintained by the CONTRACTOR in the CONTRACTOR'S program.

8.43 TERMINATION FOR DEFAULT

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Contract Manager:

- A. Contractor has materially breached this Contract;
- B. Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- C. Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this

Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

- 8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.
- 8.43.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes

beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.43.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of this Sub-paragraph 8.43, it is determined by the County that the Contractor was not in default under the provisions of this Sub-paragraph 8.43, or that the default was excusable under the provisions of Sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.42 - Termination for Convenience.

8.43.5 In the event the County terminates this Contract in its entirety due to the Contractor's default as provided in Sub-paragraph 8.43.1, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Sub-paragraph 8.43.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or

five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of Probation, or designee, deducted from any amounts due to the Contractor by the County, whether under this Contract or otherwise.

These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Sub-paragraph 8.23 - Indemnification.

8.43.6 The rights and remedies of the County provided in this Sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this Sub-paragraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time

to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM

9.1.1 Living Wage Program:

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as *Exhibit J* and incorporated by reference into and made a part of this Contract.

9.1.2 Payment of Living Wage Rates.

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor

qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County under the Contract:

- a. Not less than \$9.46 per hour if, in addition to the per-hour wage, the Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$8.32 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed \$1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Sub-paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this

Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract Contract and a copy of the Living Wage Program shall be attached to the Contract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the

Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

9.1.3 Contractor's Submittal of Certified Monitoring Reports.

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (*Exhibit K and Exhibit L*), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers,

shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

9.1.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

9.1.5 County Auditing of Contractor Records.

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business

hours for the entire period that records are to be maintained.

9.1.6 Notifications to Employees.

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where Contractor's Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

9.1.7 Enforcement and Remedies.

If the Contractor fails to comply with the requirements of this Sub-paragraph, the County shall have the rights and remedies described in this Sub-paragraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of

the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
- c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material

breach, the County may, in its sole discretion, terminate the Contract.

2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding Payment. If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can

be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

c. Termination. The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

3. Debarment. In the event the Contractor breaches a requirement of this Sub-paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

9.1.8 Use of Full-Time Employees.

The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless

and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

9.1.9 Contractor Retaliation Prohibited.

The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

9.1.10 Contractor Standards.

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

9.1.11 Employee Retention Rights

1. Contractor shall offer employment to all retention employees who are qualified for such jobs. A “retention employee” is an individual:

- a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and

EXHIBIT F
Jury Service Ordinance

Chapter 2.203 CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The Board of Supervisors makes the following findings: The County of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the County of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the County of Los Angeles has determined that it is appropriate to require that the businesses with which the County contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers **cannot** claim the EIC if their 2001 investment income (such as interest and dividends) is over \$2,350.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

Note: *You are encouraged to notify each employee whose wages for 2001 are less than \$32,212 that he or she maybe eligible for the EIC.*

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS **Form W-2**, Wage and Tax Statement, which has the required information about the EIC on the back of **Copy B**.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- **Notice 797**, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give W-2 and do so in time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given in time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2002.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on any employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-929-3676. You can also get the notice from the IRS Web Site at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2001 instructions for Form 1040, 1040A, 1040EZ, or **Pub. 596**, Earned Income Credit.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2002 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2001 and owes no tax but is eligible for a credit of \$791, he or she must file a 2001 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2001 can get part of the credit with their pay during the year by giving you a completed **Form W-5**, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see **Pub. 15**, Employer's Tax Guide.

Notice 1015

**TITLE 2 ADMINISTRATION
CHAPTER 2.201 LIVING WAGE PROGRAM**

2.201.010 Findings.

The Board of Supervisors finds that the County of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay less than a living wage to their employees causes them to use such services thereby placing an additional burden on the County of Los Angeles. (Ord. 99-0048 § 1 (part), 1999.)

2.201.030 Prospective effect.

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 § 1 (part), 1999.)

*Editor's note: Ordinance 99-0048, which enacted Ch. 2.201, is effective on July 22, 1999.

2.201.040 Payment of living wage.

Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.
- C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section, above for future contracts. (Ord. 99-0048 § 1 (part), 1999.)

2.201.050 Other provisions.

- A. Full-Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the county the necessity to use non-full time employees based on staffing efficiency or the county requirements of an individual job.
- B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.
- C. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter. The chief administrative officer in conjunction with the affirmative action compliance officer shall issue written instructions on the implementation and on-going administration of this chapter. The affirmative action compliance officer in conjunction with the chief administrative officer shall report annually to the board of supervisors on contractor compliance with the provisions of this chapter.
- E. Contractor Standards. An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to pay a living wage. (Ord. 99-0048 § 1 (part), 1999.)

2.201.060 Employer retaliation prohibited.

No employer shall take an adverse action causing a loss of any benefit of employment, of any contract benefit, or any statutory benefit to any employee, person, or other entity, who has reported a violation of this chapter to the board of supervisors or to one or more of their offices, to the county chief administrative officer, or to the county auditor controller, or to the county department

administering the Proposition A contract or cafeteria services contract. (Ord. 99-0048 § 1 (part), 1999.)

2.201.070 Employee retention rights.

- D. A subsequent employer may not terminate a retention employee for the first 90 days of employment under a new contract, except for cause. Thereafter a subsequent employer may retain a retention employee on the same terms and conditions as the subsequent employer's other employees. (Ord. 99-0048 § 1 (part), 1999.)

2.201.080 Enforcement and remedies.

For violation of any of the provisions of this chapter:

- A. An employee may bring an action in the courts of the state of California for damages caused by an employer's violation of this chapter.
- B. The county department head responsible for administering a Proposition A contract or a cafeteria services contract may do one or more of the following in accordance with such instructions as may be issued by the chief administrative officer:

PERFORMANCE REQUIREMENTS SUMMARY

This Performance Requirement Summary lists the required services which will be monitored by the Probation Department during the term of this contract; the required standard of service; the maximum deviation from the standard which can occur before damages can be assessed; the method of COUNTY surveillance; and the monetary damages for exceeding the maximum deviation from the standard.

Quality Assurance

Each month, the CONTRACTOR'S performance will be evaluated comparing the required service (as stated in the Performance Work Statement) with the Acceptable Quality Levels (AQLs), using the methods of surveillance. If the CONTRACTOR'S performance falls below the AQL, a monthly percentage/rate will be deducted from the contract for that performance factor.

The Probation Department may use a variety of inspection methods to evaluate the CONTRACTOR'S performance. The methods of surveillance which may be used, but not limited to, are:

- User complaints
- Random samplings
- 100% inspections

Criteria for Determination of Payment

CONTRACTOR(s) shall invoice Probation monthly in arrears and Probation will pay to CONTRACTOR(s), within thirty (30) days upon receipt of proper invoice, the monthly payment less any deductions for performance variance. Payments will be made monthly and only for those services rendered within the acceptable quality levels as set forth in the Performance Requirement Summary section of this RFP (Refer to Part E, Section 5.0).

If performance of service is unacceptable as determined by COUNTY and the unacceptable performance was not caused by Probation personnel, COUNTY will not be obligated to pay the full percentage for that service when performance does not conform with the requirements of this contract. The COUNTY shall have the right to reduce the contract price to reflect the reduced value of the service provided.

Probation will make every reasonable effort to resolve problems. When the performance is unacceptable, the Probation Department will complete a Contract Discrepancy Report (CDR). The CDR will require the CONTRACTOR(s) to respond in writing, and explain the unacceptable performance, as well as how recurrence of the problem will be prevented. The Contract Manager will evaluate the CONTRACTOR'S explanation and determine if full payment, partial payment, or the contract termination process is applicable.

When an instance of unacceptable performance comes to the attention of Probation personnel, who are recipients of the services provided by the contract, a User Complaint Report (UCR) may be filled out and forwarded to the Quality Assurance Evaluator. The complaint will be investigated, if necessary, and may be brought to the attention of the CONTRACTOR. The receipt of one or more UCRs concerning a particular area of performance may result in a formal examination of the CONTRACTOR'S performance in this area.

The assessment of monetary damages against the CONTRACTOR for unacceptable services shall be calculated as shown on the Performance Requirement Summary (PRS) Chart.

For services monitored by random sample inspections, user complaints or site visits, the figures in Column 5 (Deduction from Contract Price) of the PRS Chart is multiplied by the number of unacceptable instances which exceed the AQL in Column 3. The resulting dollar amount is the amount of the monetary damages for performance variance which shall be assessed on CONTRACTOR.

Corrective Action

The CONTRACTOR(s) shall be required to immediately correct those activities found by Probation to be unacceptably performed. Because the sample represents the entire lot (the total number of correct files for the day, week, or month sampled), the correction of defects found by Probation shall not improve the overall rating of that service.

- BENEFIT PACKAGE**Holidays**

Upon the new contract award, we will offer 4 paid holidays annually:

1. Christmas
2. Independence Day
3. Labor Day
4. Memorial Day

Saturday

Holidays occurring on Saturday shall be observed on the previous Friday or as otherwise announced by management.

Sunday

Holidays falling on Sunday shall be observed on the following Monday or as otherwise announced by management.

Paid Personal Time (80 hours)

Upon the new contract award, we will offer 80 paid personal hours per year. The employee will accrue 6.67 hours per month from the date of hire. The accrual is based on 1912 hours worked and will be prorated accordingly. The employee can begin using these hours after 90 days of employment. They must be used in at least 4-hour increments and pre-approved by their supervisor.

Employees are required to take their 80 paid personal hours each year at a mutually agreed upon time and with prior approval of their supervisor. An "Approval Time Off" form must be completed, properly signed and on file not less than two weeks prior to the time the personal time is requested. Any carryover will be paid out or scheduled at the discretion of management. If a Corporate authorized holiday occurs within an employee's personal time off period, equivalent time off shall be provided.

Leave of Absence Policy

The Corporation defines a leave of absence as an absent period extending over greater than 3 consecutive days. Due to the nature of our contractual relationship with the County, we do not offer leaves of absence. If an employee must be off work for an extended period of time (greater than 3 consecutive days) we place them on inactive status until which time they are ready and able to return to work without restrictions. Inactive status entails paying out all accrued benefits and allowing the facility (Los Padrinos) to begin the procedure of acquiring a replacement staff.

Being placed on inactive status does not guarantee that the employee's prior position shall be available upon their readiness to return. Every effort shall be made to place the

SECTION V. – BENEFIT PACKAGE

returning employee into the same position or one of like status and pay, however, the Corporation is unable to guarantee reinstatement.

At the discretion of management, and in accordance with the health insurance plan's COBRA language, eligible employees may continue to participate in the Corporation's group health insurance plan during the inactive status. However, the employee is required to pay each monthly premium in advance while not on assignment. The employee must contact the Corporation's corporate headquarters for further details to arrange continued coverage. Failure to do so shall result in cancellation of the insurance benefit.

AN EMPLOYEE WILL BE CONSIDERED TO HAVE ABANDONED THEIR JOB/VOLUNTARILY QUIT IF EITHER OF THE FOLLOWING OCCUR:

1. The employee commences an extended absence without following procedures to obtain prior written approval or emergency verbal approval to obtain that extended absence.
2. The employee does not call and speak directly with a supervisor or show up for 2 consecutive days.

Employees returning to an assignment from inactive status will begin as a new employee with a new start date and new benefit accruals.

D. Bereavement Leave

Simpson & Simpson does not offer bereavement leave. Employees that find it necessary to take time from work to attend to such matters may utilize their accrued personal days. If the employee has no such days, they can take up to 3 non-paid days off for bereavements concerning immediate family (mother, father sibling, child, or grandparents). Our policy allows for special consideration to be given to employees that may need to travel to attend out of town bereavement matters. However, if an employee is given special consideration and they fail to return on the specified date, they will be considered to have abandoned their job and the normal termination procedures will ensue.

E. Medical Leave

Any full-time employee who is temporarily disabled and unable to work due to a medical condition shall, upon written request to the program and corporation management, be granted a leave of absence without pay for the period of his or her disability not to exceed the disability or four months whichever is less. If the term of disability or leave exceeds four months the employee shall be considered to have voluntarily quit the position. The term medical disability encompasses all temporary medical conditions, including, but not limited to, pregnancy, childbirth or related medical conditions.

An employee who requires a leave of absence for medical reasons must notify their supervisor in writing of the need for such leave as soon as the employee learns they shall become temporarily disabled and unable to work. The notice shall include certification from the employees' attending physician specifying:

SECTION V. – BENEFIT PACKAGE

1. The reason for the leave;
2. The date the leave shall begin; and
3. The estimated date of return to work.

All necessary request forms must be completed and signed by employee, supervisor and physician prior to the anticipated beginning of the medical leave.

All accrued benefits will be paid out.

Requests for extensions of a leave of absence shall be considered if they are received by the project director in writing before the expiration of the approved leave, supported by proof of continued disability by the attending physician, and do not cause the total period of absence to exceed four months.

An employee returning from a medical leave of absence shall be required to provide a physician's statement indicating the ability to return to work and the date returning. If the employee returns to the same position and location within 4 months, they will receive the same rate of pay as before the leave. If longer than 4 months that passed, the employee will be treated as a new staff and subject to the current hourly rates and benefits as such.

As with all extended time off, an employee shall be considered to be on an "inactive status". Every effort shall be made to place the returning employee into the same position or one of like status and hourly rate, however, the Corporation is unable to guarantee reinstatement. If such is not available, the employee shall be eligible for normal termination benefits.

F. Military Leave

Military differential pay shall not be granted to full-time employees who are required to attend annual military training tours in state or national military reserve units. Due to our contractual relationship with the County, the employee shall be placed on inactive status during such service and every effort shall be made to place the returning employee into the same position or one of like status and hourly rate. However, the Corporation is unable to guarantee reinstatement. If such is not available, the employee shall be eligible for normal termination benefits.

G. Jury Duty Leave

We understand that the Los Angeles County Department of Probation has issued a mandate that requires us to offer 5 days paid time for employees who are summonsed and serve jury duty. Therefore, if an employee receives a jury duty summons, they are required to contact Simpson & Simpson and their site supervisor immediately so that we may coordinate coverage during their absence.

SECTION V. – BENEFIT PACKAGE

Our Jury Duty policy is as follows:

- **Employees will receive up to 5 paid days for jury duty service (less the amount received from the courts)**
- **Employees must contact Simpson & Simpson and their site supervisor immediately if they receive a jury duty summons.**
- **Depending on the coverage availability, employees may be required to reschedule their services dates.**
- **The five (5) working days do not include earned time such as vacation, sick or over time earned. Employees are required to provide proof of jury duty service prior to being reimbursed.**
- **If jury duty service exceeds five (5) days, employees are to speak to their supervisor, and contact Simpson & Simpson immediately.**
- **If employees are excused early from their jury duty obligation on any given day, they are to return to work. If they fail to do so, they may be excluded from paid jury duty leave.**

H. Health Insurance

The Corporation provides health insurance coverage for each eligible employee. Employee dependent coverage is also available at the employee's expense through semi-monthly payroll deductions. Complete details are available upon request from the Corporation's administrative office. Benefits and conditions of these policies are contained in descriptive booklets provided by the insurance carrier.

Health insurance shall be subject to continuation after employment ceases as designated under the COBRA law.

Details of our medical, dental and vision insurances can be found in EXHIBIT A at the end of this section.

I. Short Term Disability Insurance

In addition to the medical, dental and vision insurances that our new staff receive, those employees hired after January 1, 2004 also receive short-term disability insurance

SECTION V. – BENEFIT PACKAGE

through Colonial Life & Accident Insurance Company. Our health insurance coupled with our short-term disability benefits gives our staff ample insurance coverage and satisfies the health insurance value of \$1.14 that the Living Wage Ordinance specifies. Our policy with Colonial allows the staff to receive benefits above and beyond the State's allotment for a disabling accident. Details of our policy with Colonial Life Short-Term disability policy can be found in EXHIBIT A at the end of this section.

J. Benefit Eligibility

Full-time employees must work at least 40 hours weekly and meet the minimum salary requirements to be eligible for health insurance.

As we discussed in Section III: The Living Wage Ordinance of this proposal, all staff hired on or after January 1, 2004 will receive health insurance valued at at-least \$1.14 per hour.

Employees hired on the 1-25th of any month will have a benefit start date of the 1st of the following month.

Employees with a start date of the 26th-31st will have a benefit start date of the month after the following month.

To remain in compliance with the Living Wage Ordinance, a benefit differential of \$1.14 per hour worked will be given to the staff for the insurance effective date waiting period. That is the time period between the date of hire and the actual date that the benefit becomes effective.

K. Workers' Compensation Insurance

All employees are covered by workers' compensation that provides medical, surgical and hospital benefits in addition to payment for lost earnings in the event of on-the-job injury during regular scheduled working hours. In the event of a work related injury occurs, the supervisor and corporate manager are to be notified immediately. Daily or weekly calls are to be made to the supervisor to report healing progress depending on length of time required to be off work. Supervisor is to be notified at least one (1) day before returning to work from short-term injuries of less than 10 working days, and at least five (5) days prior to date employee is returning from extended injury time off, consisting of absence of more than ten (10) working days. If an employee is off from work for an extended time (10+ working days), they will be placed on inactive status. Once the employee is ready to return to work, every effort will be made to place the employee in the same position or one of like status and pay, however, the Corporation is unable to guarantee reinstatement.

In all cases, a doctor's return to work form must be submitted upon return.

SECTION V. – BENEFIT PACKAGE

L. State Disability Insurance

All eligible employees are covered by a standard payroll deduction for off-the-job disability insurance benefits (SDI). Disability insurance benefits provide temporary cash income to replace, in part, wages lost due to injury or illness that does not arise out of employment.

Disability application forms are available from your doctor or local Employment Development Department offices.

M. 2% Cost of Living Adjustment (COLA)

With the award of this new contract, Simpson & Simpson is prepared to give each current employee with at-least 1 year at Los Padrinos a 2% cost of living increase.

In years 2-5, Simpson & Simpson will give employees a COLA only if the County accepts the billing rates for those years. As illustrated in the “Cost Detail” section of this proposal, the COLA we are proposing in years 3 - 5 is strictly for the purpose of giving our clerical staff salary increases. We are not asking for an increase in our profit.

Our goal is to always remain competitive. We have observed through experience that higher wages and enriched benefit plans reduce turnover and maintain a healthy morale. We have also witnessed first hand the impact of unexpected governmental mandates on fixed rate contracts such as this one. As a result, we have included a contingency for unforeseen events in our Cost Detail. Furthermore, although we do not anticipate having to modify our benefit package, we reserve that right as future business needs may dictate. If modification to our benefit plan is necessary, the County can be assured that 1) it will be solely to respond to unforeseen governmental mandates and 2) the modification will be as conservative as necessary to remain competitive and to keep the flow of productivity at Los Padrinos uninterrupted.

The Probation Department is issuing a Request for Proposals (RFP) from qualified CONTRACTORS to provide clerical services for the County of Los Angeles Probation Department at Los Padrinos Juvenile Hall (LPJH). The County is required by State law, Welfare and Institutions Code 850 and 853 to provide a juvenile hall with staff, as may be needed, for efficient management.

The required services will include providing the most efficient and economical temporary clerical services by providing experienced clerical staff who are qualified skilled typists, who will be available for long-term assignments. CONTRACTORS will recognize that LPJH is a unique work location. It is an institutional setting which requires clerical staffing on various shifts including nights, weekends, and holidays.

The County of Los Angeles (hereinafter referred to as "COUNTY") proposes to compensate CONTRACTOR monthly, in arrears, on a fixed hourly rate basis. The contract will be awarded through competitive negotiations and recommended to the Los Angeles County Board of Supervisors pursuant to Section 44.7 of the Los Angeles County Charter and Los Angeles County Code Section 2.121 (Proposition A). The CONTRACTOR'S conformance with the RFP minimum requirements, plan for providing services, financial considerations, quality control plan, experience and capability, and references will be considered in the award of the contract.

Interested and qualified CONTRACTORS who have demonstrated their ability to successfully provide services of this type are invited to submit proposals, provided they meet the minimum requirements in Attachment A.

For a copy of the RFP which establishes guidelines, criteria and procedures for proper application, contact:

There will be a Mandatory Bidder's Conference where COUNTY representatives will be available to answer any questions about the RFP process and objectives. The Mandatory Bidder's Conference will be held on Wednesday, May 12, 2004, 9:00 a.m., at the County of Los Angeles Probation Department Headquarters, Classroom A, 9150 East Imperial Highway, Downey, CA 90242. Those planning to attend must notify Mr. Corral by 4:00 p.m., PDST, Tuesday, May 11, 2004.

PROPOSALS MUST BE RECEIVED NO LATER THAN 12:00 P.M., PDST ON MONDAY, JUNE 7, 2004. Careful consideration will be given to all responsive proposals. We look forward to working with each of the qualified and interested firms.

ATTACHMENT A**MINIMUM REQUIREMENTS**

1. Attend the Mandatory Bidder's Conference Scheduled for May 12, 2004.
2. Submit a proposal by 12 p.m., PDST, June 7, 2004.
3. CONTRACTOR'S annual cost is less than the County's cost to perform the same services.
4. The proposal includes compliance with the requirements of the County's Living Wage Program (Los Angeles County Code, Chapter 2.201). Prospective contractors should carefully read the Living Wage Program and the pertinent living wage provisions, both of which are incorporated by reference into and made a part of this RFP. The Living Wage Program applies to both contractors and their subcontractors. Proposals that fail to comply with the requirements of the Living Wage Program will be considered non-responsive and excluded from further consideration.
5. Demonstrate a minimum of three (3) years experience within the last three (3) years in the area of providing long term clerical services, including skilled typists.
6. Have an administrative business office located within or adjacent to the County of Los Angeles.
7. Identify a full-time Project Director with a minimum of three (3) years experience within the last five (5) years providing the above services who will oversee the contract operations.
8. Have qualified staff experienced in providing the above services who can type forty (40) net strokes per minute.
9. Must be a business with (a) a proven record of hiring the COUNTY'S Department of Public Social Services' Greater Avenue for Independence (GAIN) or General Relief Opportunities for Work (GROW) participants or which attests to a willingness to consider GAIN or GROW participants for any future employment opening if they meet the minimum qualifications for that opening; and (b) a willingness to provide employed GAIN or GROW participants access to the CONTRACTORS employee mentoring

program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

10. CONTRACTOR must submit separately to the Los Angeles County Child Support Services Department a completed Principal Owner Information Form at the time of submitting proposal to the Probation Department. Additionally, CONTRACTOR must submit along with his/her proposal, a certification in accordance with the provisions of Section 2.200.060 of the County Code, that (1) the POI Form has been appropriately completed and provided to the Child Support Services Department with respect to the CONTRACTOR'S Principal Owners; (2) the CONTRACTOR has fully complied with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and (3) the CONTRACTOR has fully complied with all lawfully served Wage and Earnings withholding Orders and Child Support Services Department Notices of Wage and Earnings Assignment and will continue to maintain compliance. Such certification must be submitted on the Child Support Compliance Program Certification (CSCP Certification) as set forth as Form 8. Failure by CONTRACTOR to submit the CSCP Certification (which includes certification that the POI Form has been submitted to the Child Support Services Department) to the Probation Department along with a proposal and a copy to the Child Support Services Department shall be grounds for a finding that a proposal is non-responsive (County Code Section 2.200.070).

11. CONTRACTOR'S proposal shall indicate that it will comply with the COUNTY'S Jury Service Program which requires CONTRACTOR'S and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the CONTRACTOR, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the CONTRACTOR or that the CONTRACTOR deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a CONTRACTOR and "full time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the COUNTY, or 2) the CONTRACTOR has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a CONTRACTOR'S full-time California employees, even those not working specifically on the COUNTY project. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

12. The proposal is properly organized regarding content and sequence, as required in Part D of the RFP.

13. The proposal contains all the required forms.
