SACHI A. HAMAI  
EXECUTIVE OFFICER

Dear Supervisors:

**NEW TICKET POLICY  
(ALL DISTRICTS AFFECTED) (3 VOTES)**

**SUBJECT**

Approval of the recommended action will establish a new County policy for the receipt and distribution of passes and tickets to, or at the behest of, County officials.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve the attached Ticket Policy for the receipt and distribution of passes and tickets to, or at the behest of, public officials.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to establish, pursuant to the provisions of Title 2, California Code of Regulations section 18944.1(b)(2), a new County policy for the receipt and distribution of passes and tickets to, or at the behest of, County officials.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENT**

The Fair Political Practices Commission recently completely revised the regulation governing the receipt, distribution, and disclosure of tickets and passes to events and facilities for an entertainment, amusement, recreational or similar purpose. Under the new regulation, as was also allowed by the old regulation, a County official still may directly receive a ticket to an event. Direct receipt of a ticket will trigger the Political Reform Act's ("Act") disclosure and disqualification obligations and will be subject to the Act's gift limit (currently \$420), unless the official is performing a ceremonial function at the event or another exception applies.

Pursuant to the new regulation, as under the old regulation, tickets may be provided to the County and distributed to the County official without being subject to the Act's disclosure and disqualification obligations or the gift limit, as long as certain requirements are met. One of the requirements of the new regulation is that the County adopt a written policy related to the distribution of tickets. Although the County currently has a Policy for Receipt and Distribution of Passes and Tickets, that policy, which was adopted in 2002, does not conform with the new regulation.

The written policy must include provisions (1) setting forth the public purposes to be accomplished by the distribution of tickets or passes; (2) requiring that the distribution of any ticket or pass by the agency to, or at the behest of, an official accomplish a public purpose; and (3) prohibiting the transfer by any official of any ticket or pass distributed to such official to any other person, except to members of the official's immediate family, solely for their personal use.

Attached is a Ticket Policy which we have developed in conjunction with the Office of the County Counsel. It includes all of the provisions required by the new regulation. In addition, it identifies the Chief Executive Officer, or my designee(s), as the County's Ticket Administrator. It also allows this Office the discretion to establish specific procedures for the distribution of tickets in accordance with the ticket policy. The Ticket Administrator will also be responsible for assuring that appropriate disclosure is completed.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Once adopted by your Board, the attached policy, together with any ticket procedures established by this Office, will supersede and replace the County's March 14, 2002, Policy for Receipt and Distribution of Passes and Tickets.
