MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

November 10, 2009

Extreme Boot Camp, a physical fitness program, will be offering 18 workout sessions to our County employees from November 9 through December 18, 2009. The sessions will be held in the County Mall area of the Kenneth Hahn Hall of Administration. Waiving the cost of the permit fees to hold these sessions provides a unique opportunity to our County employees to foster a healthy lifestyle, both at work and in their personal lives.

I, THEREFORE, MOVE that the Board waive any permit fees, excluding the cost of liability insurance, for utilizing the County Mall area of the Kenneth Hahn Hall of Administration from 5:30 to 7:30 p.m. for the period November 9 through December 18, 2009 for Extreme Boot Camp to offer 18 workout sessions to our County employees.
