SACHI A. HAMAI
EXECUTIVE OFFICER

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In accordance with County policy, donations in excess of \$10,000 require acceptance by your Board. LAC+USC and Rancho are the recipients of \$11,050 each from the estate of Ms. River. In 2005, Ms. River was a patient at each facility. Ms. River wanted to share some of her good fortune with facilities she felt provided her with high-quality health care and contributed to the quality of her life.

Approval of the first recommendation will allow the facilities to accept the donations and the second recommendation will acknowledge receipt of the generous donations.

Implementation of Strategic Plan Goals

The recommended actions support Goal 4, Health and Mental Health, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The \$11,050 bequest for each facility is unrestricted and there is no net County cost associated with these bequests.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 2.4.2 of the County Fiscal Manual authorizes County departments to accept donations in excess of \$10,000 with Board approval.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will help maintain the quality of health care delivered at LAC +USC and Rancho.

CONCLUSION

Attached for your consideration is a draft letter thanking Ms. River's estate for the generous donation.
