Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

24 February 2, 2010

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**AWARD OF A CUSTODIAL SERVICES CONTRACT
FOR THE COUNTY OF LOS ANGELES PUBLIC LIBRARY CUSTODIAL AREA 3
(SUPERVISORIAL DISTRICTS 2 AND 4) (3 VOTES)**

SUBJECT

The Public Library is recommending that the Board of Supervisors approve the proposed contract with Diamond Contract Services, Inc., to provide custodial services at twelve libraries located in the Public Library's Custodial Area 3, which includes the cities of Carson, Compton, Gardena, Hermosa Beach, Lawndale, Lomita, Manhattan Beach, and surrounding unincorporated areas.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that custodial services for the Public Library's Custodial Area 3 can be performed more economically by an independent contractor than by County employees.
2. Approve and instruct the Chair of the Board of Supervisors to sign the proposed contract with Diamond Contract Services, Inc., to provide custodial services in the Public Library's Custodial Area 3 for a period of three years, with two one-year renewal options, and month-to-month extensions not to exceed a total of six months, at an annual contract amount not to exceed \$328,000. This annual contract amount will allow the payment of the annual contractor's fee of \$317,853.72, and the cost of unanticipated work within the scope of the contract.

The contract will become effective upon your Board's approval or March 1, 2010, whichever is later.

3. Authorize the contractor to proceed with the work in accordance with the specifications, terms, conditions, and requirements of the contract.
4. Authorize and delegate authority to the County Librarian or her designee to approve unanticipated work within the scope of the contract.
5. Authorize and delegate authority to the County Librarian or her designee to approve and execute amendments to exercise the renewal options and month-to-month extensions not to exceed six months under the terms of the contract, and to increase the annual contract amount due to unanticipated work, not to exceed ten percent of the annual contract amount.
6. Authorize and delegate authority to the County Librarian or her designee to approve and execute amendments to increase or decrease the number of facilities or days of service at any of the County libraries over the term of the contract, and to increase the annual contract amount, limited to the additional amount required to implement such changes, not to exceed twenty percent of the annual contract amount.
7. Authorize and delegate authority to the County Librarian or her designee to approve and execute amendments to implement additions and/or change of certain terms as required by the Board of Supervisors or Chief Executive Officer during the term of the contract, and to increase the annual contract amount, limited to the additional amount required to implement such changes, if any.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Custodial services are essential to the Public Library's operation. Approval of the recommended actions will allow the Public Library to continue to provide custodial services at twelve libraries located in the Public Library's Custodial Area 3 (South and West County Regions), as detailed in Attachment A. The current contract with Maxim Building Care, Inc. will expire on February 28, 2010.

The award of a contract for custodial services to Diamond Contract Services, Inc. is part of a continuing effort by the Public Library to provide the best possible service to the public at the lowest responsible cost. The recommended actions are submitted based

upon a finding that the provision of custodial services for the affected County facilities can be performed more economically by an independent contractor. The contract with Diamond Contract Services, Inc. will become effective upon your Board's approval or March 1, 2010, whichever is later.

Implementation of Strategic Plan Goals

Approval of the recommended award is consistent with the County's Strategic Plan Goals in the areas of Operational Effectiveness (1) and Community and Municipal Services (3).

FISCAL IMPACT/FINANCING

The annual contract amount of \$328,000 will allow the payment of the annual contractor's fee of \$317,853.72, and the cost of unanticipated work within the scope of the contract. Funding for this contract is included in the Public Library's Fiscal Year 2009-10 Operating Budget. Actual usage of this contract for unanticipated work will be limited to the existing funds included in the Public Library's Operating Budget.

The recommended contractor's annual cost of \$317,853.72 represents a cost savings of \$54,924 (15%) over the estimated County cost (including start-up costs) to perform similar services for the first year. The cost analysis in Attachment B is calculated based on the Revised Proposition A Contract Cost Format developed by the County Auditor-Controller's guidelines. The proposed contract does not include any cost-of-living increases.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Representatives of SEIU Local 721 were notified but did not require a meeting with the Public Library regarding the proposed contract. Advanced copies of the Request for Proposal, the proposed contract and the Board Letter have been provided to SEIU Local 721.

Under the provisions of Section 2.121.250 through Section 2.121.420 of the Los Angeles County Code as amended, proposals were solicited for the provision of custodial services in the Public Library's Custodial Area 3. All requirements of County Code Section 2.12.380 have been met and there is no conflict of interest.

This contract is in compliance with the mandatory living wage requirements as set forth in Los Angeles County Code Chapter 2.201 (Living Wage Program). The Department has evaluated and determined that the contractor fully complies with the requirements of the Living Wage Program and the contractor has certified that it will comply with all terms, conditions, and requirements of the County's Living Wage Program and agrees to pay its full-time employees providing County services a living wage.

The contract contains a provision which requires the contractor to give first consideration for any employment openings to qualified permanent County employees who are targeted for layoffs or on the County's re-employment list during the life of the contract. The recommended contractor also agrees to comply with the Jury Duty Ordinance, the Safely Surrendered Baby Law, the County's Child Support Compliance Program, and the recently adopted County's Defaulted Property Tax Reduction Program.

On final analysis and consideration of the awards, the recommended contractor was selected without regard to gender, race, color, creed, or national origin.

County Counsel has reviewed and approved the proposed contract as to form.

CONTRACTING PROCESS

On April 27, 2009, proposals were solicited, through the Internal Services Department's purchasing website, from the vendors listed on Attachment C. Proposals were also solicited from vendors listed in the County's Office of Affirmation Action Compliance Community Business Enterprise (CBE) Database.

Advertisements were placed in the *Los Angeles Times*, *The Sentinel*, and a chain of bilingual community ethnic newspapers published by *The Eastern Group*.

The mandatory proposer's conference was held on May 13, 2009. Contractors were informed of the County's Living Wage Program and Contractor Responsibility and Debarment provisions.

The Public Library received a total of five proposals on May 27, 2009. Two proposals were disqualified for being non-responsive, and three proposals were evaluated in August 2009. The CBE information for the three proposers is summarized in Attachment D.

The proposals were evaluated utilizing an informed averaging scoring method. Each proposal was rated on the following criteria: proposer's qualifications; proposer's approach to providing required services; proposer's quality control plan; and cost. All related evaluation materials and scoring documents were retained. The Public Library also reviewed available resources to assess the recommended contractors past performance, and history of labor law violations.

The Department determined, through the solicitation process, that custodial services can be performed more economically by an independent contractor, and recommends awarding a contract to Diamond Contract Services, Inc. While the recommended contractor received a ten-point deduction due to a labor/wage violation finding by the State Labor Commissioner's Office, it was ranked the highest overall, and was determined to have the most responsive and responsible proposal. The non-recommended proposers did not request a debriefing.

Diamond Contract Services, Inc. will pay its full-time employees providing County services a living wage of not less than \$11.84 per hour if contractor contributes less than \$2.20 per hour towards health care benefits or not less than \$9.64 per hour if contractor contributes at least \$2.20 per hour towards health care benefits. The Proposition A Contract – Employee Wages & Benefits form summarizing and comparing the contractor's wages and benefits to those of the County is attached (Attachment E).

ENVIRONMENTAL DOCUMENTATION

The recommended actions are not subject to the California Environmental Quality Act (CEQA) because they do not constitute a project according to Section 15378 of CEQA.

IMPACT ON CURRENT SERVICES

Approval of the proposed contract will assure the continuation of custodial services for County Public Library facilities without interruption.

CONCLUSION

Please return an adopted copy of the Board Letter and contract to the Public Library and Office of the County Counsel. In addition, please return to the Public Library two fully conformed copies of the contract with original signatures.

Honorable Board of Supervisors

Any legal defense pursuant to the Contractor's indemnification obligations under this Sub-section 8.6 shall be conducted by the Contractor and performed by counsel selected by Contractor and approved by the County. Notwithstanding the preceding sentence, the County shall have the right to participate in any such defense at its sole cost and expense, except that in the event the Contractor fails to provide the County with a full and adequate defense, as determined by the County in its sole judgment, the County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from the Contractor for all such costs and expenses incurred by the County in doing so. The Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.9 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.9.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.9.2 Written Employee Jury Service Policy:

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such

jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any twelve (12) month period under one or more County Contracts or subcontracts. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or (2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. The Contractor's violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract.

In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness of the breach.

8.10 CONFLICT OF INTEREST

8.10.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.10.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-section shall be a material breach of this Contract.

8.11 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.12.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater

Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

- 8.12.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, the County employees shall be given first priority.

8.13 CONTRACTOR'S RESPONSIBILITY AND DEBARMENT

8.13.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

8.13.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.13.3 Non-responsible Contractor

The County may debar a Contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

1. If there is evidence that the Contractor may be subject to debarment, the County will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or

more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. The Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which the County

8.26.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by the County.

The Contractor shall be responsible for verifying each Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the County and the Contractor as additional insureds on the Sub-Contractor's General Liability policy. The Contractor shall obtain the County's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

8.26.9 Deductibles and Self-Insured Retentions (SIRs)

The Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require the Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing the Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

Said amount shall be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private

While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.31.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract. applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

- 8.41.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-section 8.41 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. Refer to *Exhibit A, Statement of Work Exhibits, Exhibit 2 – Performance Requirement Summary (PRS)* for non-compliance.
- 8.41.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: (1) repaid by the Contractor to the County by cash payment upon demand or (2) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.
- 8.41.4 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County Contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County Contracts. The Contractor further acknowledges that the foregoing requirement in this sub-paragraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor

laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

8.42 RECYCLED BOND PAPER

Consistent with the Board's policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.43 SUBCONTRACTING

8.43.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.43.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

- A description of the work to be performed by the Subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.43.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

8.43.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

- 8.43.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.43.6 The County's Contract Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, the Contractor shall forward a fully executed subcontract to the County for their files.
- 8.43.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.43.8 The Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor. The Contractor shall ensure delivery of all such documents to:

County of Los Angeles Public Library
Contract Services Coordinator
7400 East Imperial Highway, Downey, CA 90242

before any Subcontractor employee may perform any work hereunder.

8.44 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in *Sub-section 8.15 - Contractor's Warranty of Adherence to County's Child Support Compliance Program*, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to *Sub-section 8.47 - Termination for Default* and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.45 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in *Sub-section 8.16 - Contractors Warranty of Compliance with County's Defaulted Property Tax Reduction Program* shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.46 TERMINATION FOR CONVENIENCE

8.46.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.46.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.46.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with *Sub-section 8.41 - Record Retention and Inspection/Audit Settlement*.

8.47 TERMINATION FOR DEFAULT

8.47.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Contract Project Director:

- The Contractor has materially breached this Contract; or

- The Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- The Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.47.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.47.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Sub-section.

8.47.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.47.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph 8.47.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

8.47.4 If, after the County has given notice of termination under the provisions of this Sub-section 8.47, it is determined by the County that the Contractor was not in default under the provisions of this

Sub-section 8.47, or that the default was excusable under the provisions of Paragraph 8.47.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to *Sub-section 8.46 - Termination for Convenience*.

- 8.47.5 The rights and remedies of the County provided in this Sub-section 8.47 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.48 TERMINATION FOR IMPROPER CONSIDERATION

- 8.48.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.48.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 8.48.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.49 TERMINATION FOR INSOLVENCY

- 8.49.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.49.2 The rights and remedies of the County provided in this Sub-section 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.51 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.52 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.53 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and

remedies set forth in this Sub-section 8.53 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.54 WARRANTY AGAINST CONTINGENT FEES

8.54.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.54.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM

9.1.1 Living Wage Program

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as *Exhibit J* and incorporated by reference into and made a part of this Contract.

9.1.2 Payment of Living Wage Rates

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County, including, without limitation, "Travel Time" as defined below at Sub-paragraph 5 of this Paragraph 9.1.2 under the Contract:
 - a. Not less than **\$11.84** per hour if, in addition to the per-hour wage, the Contractor contributes less than \$2.20

per hour towards the provision of bonafide health care benefits for its Employees and any dependents; or

- b. Not less than **\$9.64** per hour if, in addition to the per-hour wage, the Contractor contributes at least **\$2.20** per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Sub-paragraph, "Contractor" includes any Subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall be subject to the provisions of this Sub-section. The provisions of this Sub-section shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of forty (40) hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than thirty-five (35) hours worked per week will not, in any event, be considered full-time.
 3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
 4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage

Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both Contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

9.1.3 **Contractor's Submittal of Certified Monitoring Reports**

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (*Exhibit K – Monthly*

Certification for Applicable Health Benefit Payments and Exhibit L – Payroll Statement of Compliance), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

9.1.4 Contractor’s Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding (“claim”) concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor’s contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor’s operations in California.

9.1.5 County Auditing of Contractor Records

Upon a minimum of twenty-four (24) hours’ written notice, the County may audit, at the Contractor’s place of business, any of the Contractor’s records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

9.1.6 Notifications to Employees

The Contractor shall place County-provided living wage posters at each of the Contractor’s places of business and locations where the Contractor’s Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

9.1.7 Enforcement and Remedies

If the Contractor fails to comply with the requirements of this Paragraph, the County shall have the rights and remedies described in this Paragraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports

If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding of Payment

If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages

It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated

damages from any payments otherwise due to the Contractor.

c. Termination

The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

2. Remedies for Payment of Less Than the Required Living Wage

If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding Payment

If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages

It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to

an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due to the Contractor.

c. Termination

The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

3. Debarment

In the event the Contractor breaches a requirement of this Paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.

9.1.8 Use of Full-Time Employees

The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

9.1.9 Contractor Retaliation Prohibited

The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any Contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Paragraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

9.1.10 **Contractor Standards**

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

9.1.11 **Employee Retention Rights**

1. The Contractor shall offer employment to all retention employees who are qualified for such jobs. A “retention employee” is an individual:
 - a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the Federal Fair Labor Standards Act; and
 - b. Who has been employed by a Contractor under a predecessor Proposition A Contract or a predecessor cafeteria services Contract with the County for at least six (6) months prior to the date of this new Contract, which predecessor Contract was terminated by the County prior to its expiration; and
 - c. Who is or will be terminated from his or her employment as a result of the County entering into this new Contract.
2. The Contractor is not required to hire a retention employee who:
 - a. Has been convicted of a crime related to the job or his or her performance; or
 - b. Fails to meet any other County requirement for employees of a Contractor.
3. The Contractor shall not terminate a retention employee for the first ninety (90) days of employment under the Contract, except for cause. Thereafter, the Contractor may retain a retention employee on the same terms and conditions as the Contractor’s other employees.

9.1.12 **Neutrality in Labor Relations**

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor’s

employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

9.2 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 9.2.1 This Contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

- 9.2.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 9.2.4 If the Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:
1. Pay to the County any difference between the contract amount and what the County's costs would have been if the Contract had been properly awarded;
 2. In addition to the amount described in Sub-paragraph (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the Contract; and
 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the County's Office of Affirmative Action Compliance (OAAC) of this information prior to responding to a solicitation or accepting a Contract award.

9.3 TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM

- 9.3.1 This Contract is subject to the provisions of the County's ordinance entitles Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

- 9.3.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.
- 9.3.4 If the Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:

Due to budget considerations, the days and hours open may vary throughout the Contract term. The County will notify the Contractor of any such variations, in writing, at least ten (10) business days prior to the effective date of the modification. **Note:** *Exhibit B – Pricing Schedule*, in the Contract requires that proposals include a flat daily rate for each library facility. The rate specified will be used to adjust the Contract price in the event of an increase or decrease in days of service. The Contractor shall be compensated for the maintenance of additional library facility(ies) designated after the Contract's commencement date based on the submission of an approved maintenance cost per library facility. This cost estimate shall not exceed the cost to provide custodial services for a similar size library facility being maintained. Payment adjustment shall be made to reflect such modification in services on a pro-rata basis commensurate with the number of library facilities and/or days of service increased or decreased in the affected library facilities. The County will determine the need for modification referenced herein. The County Librarian or his/her designee has authority to sign the amendment for the County. 5.2 Annual Evaluation

The County, or its agent, will evaluate the Contractor's performance under the Contract on not less than an annual basis. Contractor deficiencies, which the County determines as severe or continuing and that may place performance of the Contract in jeopardy if not corrected, will be reported to the Board. If improvement does not occur consistent with corrective action measures, the County may terminate the Contract or impose other penalties as specified in the Contract.

5.3 Contract Discrepancy Report

Verbal notification of a complaint will be made to the County's Contract Project Monitor as soon as a problem is identified. The problem shall be resolved within a time period mutually agreed upon by the County and the Contractor.

The County's Contract Project Monitor will issue a formal Contract Discrepancy Report (*Statement of Work Exhibits, Exhibit 1 – Contract Discrepancy Report*). Upon receipt of this document, the Contractor is required to respond in writing to the County's Contract Project Monitor within five (5) business days, acknowledging the reported discrepancies or presenting contrary evidence. Refer to the *Statement of Work Exhibits, Exhibit 2 – Performance Requirements Summary (PRS)* for non-compliance.

9.7.1 A **Custodial Call Back Request Slip** (Attachment III) will be provided to the library staff once the request is made. The Contractor’s employee must sign-in upon arrival and sign-out when the “call back” work is completed and/or upon departure.
