EXECUTIVE OFFICER

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**DEPARTMENT OF PUBLIC WORKS:
MONA PARK RESTROOM – ADOPT AND ADVERTISE
UNINCORPORATED COMMUNITY OF WILLOWBROOK
SPECS. 6990; CAPITAL PROJECT NO. 69651
(SECOND DISTRICT) (3 VOTES)**

SUBJECT

This action is to adopt the plans and specifications for construction of the Mona Park Restroom project in unincorporated Willowbrook and to advertise for bids.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt plans and specifications for construction of the Mona Park Restroom project at an estimated \$359,843 construction cost. Instruct the Executive Officer of your Board to advertise for bids to be received and opened on March 9, 2010, in accordance with the Instruction Sheet for Publishing Legal Advertisements.
2. Authorize the Director of Public Works to execute a consultant services agreement with the apparent Lowest Responsive and Responsible Bidder to prepare a baseline construction schedule for a \$2,000 not-to-exceed fee funded by existing project funds and to establish the effective date following Board approval.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow the Department of Public Works (Public Works) to solicit bids for construction of the Mona Park Restroom project.

The existing restroom facility is in an advanced state of disrepair and does not comply with current American with Disabilities Act (ADA) code requirements. The existing facility will be demolished. The new facility will be based on a prototype restroom facility designed for use throughout the County and adapted to the specific project site. The new building includes men's and women's restrooms, plumbing chase, accessible drinking fountain, and accessible path of travel. The prototype restrooms were designed and approved to comply with Americans with Disabilities Act (ADA) requirements.

The proposed agreement with the apparent Lowest Responsive and Responsible Bidder to prepare a baseline construction schedule that conforms to the County's schedule specifications is critical to successfully manage construction activities by both the contractor and the County, and a responsible contractor must be able to produce such a construction schedule (see contracting details in Facts and Provisions section). The bid specifications provide that if the apparent lowest bidder fails to complete an acceptable schedule, we may determine the bidder to be nonresponsive. We may then recommend awarding the construction contract to the next lowest bidder, contingent on that next lowest bidder completing a baseline schedule conforming to the County's specifications.

Sustainable Design Program

The project supports your Board's Sustainable Design Program by using energy efficient light fixtures with timer controls. There will be savings due to a reduction in electricity as a result of the sustainable building elements included in the design. The project will also use touch-free, water-efficient fixtures and waterless urinals in the restrooms. This will result in a reduction in the amount of potable water used.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) by improving the efficiency, quality, and responsiveness of County services to all residents. It also directs that we ensure Children, Family and Adult Well-Being (Goal 2) by enhancing the ability of families to live in safe, stable, and supportive communities. We are also directed to improve Community and Municipal Services (Goal 3) by offering a wide range of services responsive to each community's specific needs.

FISCAL IMPACT/FINANCING

Public Works' fair construction cost estimate for the base construction contract is \$359,843 without contingency.

On June 16, 2009, your Board approved a \$601,000 project budget. The total estimated cost includes plans and specifications, plan check, construction, change orders, consultant services and County services.

Sufficient funds are available in the Fiscal Year 2009-10 Capital Projects Budget under Capital Project No. 69651. The proposed project is fully funded by Second District net County cost funds.

The Project Schedule and Budget Summary are included in Attachment A.

Operating Budget Impact

Based on the project description, the Department of Parks and Recreation (Parks and Recreation) does not anticipate any one-time, start-up or ongoing costs resulting from the recommended actions. The project provisions have maintenance requirements that will be fulfilled with existing park staff and resources.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The State Public Contract Code requires the County to award construction contracts to the Lowest Responsive and Responsible Bidder, which is defined as the firm that: 1) submits the bid with the lowest cost; 2) is deemed by the County to be "responsive" to specific criteria under the solicitation, including, but not limited to licensure, bonding, and insurance requirements; and 3) is determined by the County to be a "responsible" bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

A standard contract, in the form previously approved by County Counsel, will be used. The standard Board-directed clauses that provide for contract termination, renegotiation, and hiring qualified displaced County employees will be included in the contract.

The project specifications contain provisions requiring the contractor to report solicitations of improper consideration by County employees and allowing the County to terminate the contract if it is found that the contractor offered or gave improper consideration to County employees.

As requested by your Board on August 12, 1997, and as a threshold requirement for consideration of contract award, bidders will be required to attest their willingness to consider Greater Avenues for Independence Program/General Relief Opportunity for Work participants for future employment.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, about Board Policy 5.135 (Safely Surrendered Baby Law) and that they may be eligible for the Federal Earned Income Credit under Federal income tax laws.

The total project budget for the Mona Park ADA Restroom does not include the 1 percent Civic Arts fund. In accordance with your Board's Civic Art Policy, refurbishment projects with eligible project costs of less than \$500,000 are not subject to the 1 percent Civic Art fund requirement.

Bidders will also be required to show full compliance with Los Angeles County Code Chapter 2.200 (Child Support Compliance Program) and Chapter 2.203 (Contractor Employee Jury Service Program), and Chapter 2.206 (Defaulted Tax Reduction Program).

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, their civil litigation history, and information regarding prior criminal convictions. The information reported will be considered before making a recommendation to award.

ENVIRONMENTAL DOCUMENTATION

On June 16, 2009 your Board found this project to be categorically exempt under the California Environmental Quality Act (CEQA) in accordance with State CEQA Guidelines Section 15302, Replacement and Reconstruction, Class 2 (c); and the County of Los Angeles Environmental Procedures and Guidelines, Appendix G, Class 2 (a), adopted by your Board on November 17, 1987, because the project provides for the replacement or reconstruction of existing facilities involving negligible or no expansion of capacity. A Notice of Exemption was filed with the Registrar-Recorder/County Clerk.

CONTRACTING PROCESS

Advertising for bids will be in accordance with the County's standard Instruction Sheet for Publishing Legal Advertisements (Attachment B). Following receipt of bids, we will return to your Board for construction contract award.

As provided by the State Labor Code, the project specifications require that contractors pay prevailing wage rates to all persons providing work on the project.

As requested by your Board on February 3, 1998, this contract opportunity will be listed on the Doing Business with Us website.

Participation by Community Business Enterprises (CBEs) in the project is encouraged through Public Works' Capital Projects' CBE Outreach Program and by monitoring the good faith efforts of bidders to utilize CBEs.

A previously Board-approved as-needed contract provided architect/engineer design services for the Mona Park Restroom project.

IMPACT ON CURRENT SERVICES OR PROJECTS

There will be no negative impact on current County services or projects during the performance of the recommended services.
