

MOTION BY SUPERVISORS YAROSLAVSKY AND ANTONOVICH      March 2, 2010

The Office of Independent Review ("OIR"), under the leadership of Michael Gennaco, is uniquely positioned to assist the Probation Department in addressing ongoing concerns and issues relating to both its Internal Affairs and Child Abuse investigations.

The OIR has expressed a willingness to lend its assistance and expertise to the Probation Department for the next 90 days as the Department transitions from an interim to a permanent Probation Chief.

**WE, THEREFORE, MOVE** that the Office of Independent Review (OIR) be directed to work with Probation in assessing the quality and timeliness of that Department's internal affairs and child abuse investigations, including its response and follow-up to any recommendations made in the course of those investigations; and

**WE FURTHER MOVE** that Probation and the OIR be directed to provide monthly reports to the Board as to the progress of this assessment; and

**IT IS FURTHER MOVED** that County Counsel work with the OIR, and the Interim Probation Chief to effectuate this arrangement.
