Dear Supervisors:

ISSUANCE AND SALE OF LOS ANGELES COUNTY PUBLIC WORKS FINANCING AUTHORITY LEASE REVENUE BONDS (MULTIPLE CAPITAL PROJECTS I) 2010 SERIES A (TAX-EXEMPT) AND 2010 SERIES B (TAXABLE) (ALL DISTRICTS) (4 VOTES)

SUBJECT

The Chief Executive Officer and Treasurer and Tax Collector are seeking authorization to issue up to \$850 million of lease revenue bonds to finance multiple capital projects in the areas of health services, public safety and general government. Proceeds from the sale of the bonds will be utilized to fund approximately \$761 million of capital expenditures (including the redemption of tax-exempt commercial paper notes and reimbursement of preliminary project expenditures), provide for the payment of costs of issuance, and establish a debt service reserve fund.

The financing will be structured with a combination of tax-exempt lease revenue bonds, taxable Build America Bonds, and taxable Recovery Zone Economic Development Bonds. As has been the case with prior long-term debt financings, the final size of the issuance may be adjusted to reflect market conditions at the time of the sale and to ensure compliance with federal regulations for municipal borrowings. The size of the lease revenue bond issuance is currently estimated at \$800 million.

PUBLIC WORKS FINANCING AUTHORITY

#1-F NOVEMBER 3, 2010

Sachi A. Hamai
SACHI A. HAMAI
SECRETARY

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the resolution authorizing: a) the issuance and sale of not to exceed \$850 million in taxable and tax-exempt lease revenue bonds to finance multiple capital projects and to refund outstanding tax-exempt commercial paper notes; and b) the execution and delivery of various legal documents required to issue the bonds and complete the proposed transaction.
2. Ratify a public hearing on the financing held by the Treasurer and Tax Collector on October 7, 2010 in accordance with Section 6586.5 of the California Government Code.

IT IS RECOMMENDED THAT YOUR BOARD, ACTING AS THE BOARD OF DIRECTORS OF THE LOS ANGELES COUNTY PUBLIC WORKS FINANCING AUTHORITY:

1. Adopt the resolution authorizing: a) the issuance and sale of not to exceed \$850 million in taxable and tax-exempt lease revenue bonds to finance multiple capital projects and to refund outstanding tax-exempt commercial paper notes; and b) the execution and delivery of various legal documents required to issue the bonds and complete the proposed transaction.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the above recommendations will authorize the issuance of the Los Angeles County Public Works Financing Authority Lease Revenue Bonds (Multiple Capital Projects I) 2010 Series A and 2010 Series B (the "Bonds") and the execution and delivery of all related documents. The proceeds from the sale of the Bonds will be used to finance a total of seven capital projects (the "Projects"). Your Board has previously authorized each of these Projects to proceed and to be financed through the issuance of long-term bonds.

The proposed financing will include a combination of traditional tax-exempt bonds as well as taxable Build America Bonds (BABs) and taxable Recovery Zone Economic Development Bonds (RZEDBs). The BABs and RZEDBs were authorized pursuant to the American Recovery and Reinvestment Act of 2009 and provide for a direct-pay subsidy from the U.S. Treasury to the County. The amount of the subsidy is equal to 35 percent of the interest cost for the BABs and 45 percent of the interest cost for the RZEDBs.

Based upon discussion with the Chief Executive Officer (CEO), it is recommended that \$761 million of capital expenditures be financed with bond proceeds. A summary of these project costs is provided in the following table:

Project	Reimbursed/New Project Costs	TECP Refunding	Total Cost
Harbor-UCLA Surgery/Emergency Room	\$ 240,136,023	\$ 82,063,977	\$ 322,200,000
Hall of Justice Rehabilitation (1)	244,219,000	0	244,219,000
Bob Hope Patriotic Hall Improvements	39,756,493	4,875,507	44,632,000
Harbor-UCLA SB 1953 Seismic Retrofit	27,237,486	22,458,514	49,696,000
Olive View-UCLA Emergency Room	5,527,294	45,900,706	51,428,000

	586,159,860	\$ 174,840,140	\$ 761,000,000

(1) Reflects an average of the submitted proposals. Final project cost will reflect final contract award to be approved in November, 2010.

As referenced above, approximately \$174.8 million of bond proceeds will be used by the County to refund outstanding tax-exempt commercial paper (TECP) notes previously issued in relation to the Projects. The remaining \$586.2 million of project fund deposits will be applied towards the reimbursement of prior year capital expenditures (approximately \$18.5 million) and future capital expenditures (approximately \$567.7 million).

The financing of the recommended \$761.0 million in project costs reflects a cost of \$244.2 million for the Hall of Justice Rehabilitation Project. This cost represents an average of the proposals submitted on October 12, 2010. The proposals are under review and analysis and recommendations for award of a contract will not be finalized until the end of October. In order to maintain the planned financing schedule, it is recommended that your Board authorize a maximum bond issuance of \$850 million. The final bond size will be adjusted to reflect the final recommended contract amount for the Hall of Justice Rehabilitation Project. A more detailed description of the Projects is provided below.

Harbor-UCLA Medical Center Surgery/Emergency Room Replacement Project

The project was initially authorized by your Board in 1992 to meet the design submittal deadline under SB1732, which provided partial reimbursement of debt service payments on new acute care facilities. The current design of the facility was approved by your Board in October 2006 and entailed the construction of a new 190,300 square-foot facility with 16 surgical suites and an expanded emergency department. In

September 2009, your Board awarded a design-build agreement for the project and construction has since commenced. Completion is anticipated in March 2014.

To date, project costs have been funded with Tobacco Settlement funds, Health Services net County cost and through the County's tax-exempt commercial paper program. The proposed financing program will redeem the outstanding commercial paper with proceeds from the recommended long-term financing. Debt service payments under the long-term bonds are expected to be partially reimbursed by the State pursuant to SB1732 at a level equivalent to the hospital's MediCal reimbursement rate, which is approximately 50 percent.

Hall of Justice Rehabilitation Project

The project entails the completion of the rehabilitation of the historic Hall of Justice. The building was constructed in 1925 and its rehabilitation was initially authorized by your Board in July, 2004. To date, debris and hazardous materials have been removed and interior demolition activities have been completed. Restoration of the building's interior, building systems, and exterior as well as construction of a new 1,000 space parking structure and landscape and hardscape improvements remain to be completed.

In August 2010, proposals for the completion of the building's rehabilitation were solicited from design-build teams and developers. Proposals were submitted by seven design-build teams and five developers on October 12, 2010. Based upon a preliminary review of the submitted proposals, it is anticipated that the cost of the final option will not exceed \$285 million and will likely be lower.

Final recommendations regarding the award of a design-build agreement or a lease-leaseback agreement with a developer will be presented to your Board in mid-November. We are planning to recommend that the rehabilitated building be occupied by Sheriff's, District Attorney's, and Public Defender's staff, which are currently housed in leased space. Cancellation of these current leases is anticipated to fully offset debt service payments on the bonds issued to finance the rehabilitation.

In order to avoid a delay to the proposed financing program, it is recommended that your Board authorize the issuance of bonds for this project based on an average of the submitted proposals of \$244.2 million. The final amount of bonds issued for this project will be adjusted to reflect the final recommended contract amount prior to the pricing and sale of the bonds and reported to your Board.

Bob Hope Patriotic Hall General Improvements Project

The project entails the rehabilitation of Patriotic Hall, which was constructed in 1926 and has been placed on the State's Register of Historic Resources. It is also eligible for

listing on the National Register of Historic Places. The rehabilitation effort includes refurbishment of the 85,000 square-foot building's mechanical, electrical, heating, cooling, ventilation, plumbing, fire suppression, and telecommunications systems. The renovation also includes refurbishment of the building's gymnasium, auditorium, and commercial kitchen as well as accessibility improvements to restrooms and the adjacent surface parking lot.

The \$44.6 million project was approved by your Board in April 2008 and is scheduled for completion in December 2012. Upon completion, the rehabilitated building will house the Department of Military and Veterans Affairs, veterans' groups, and other County departmental staff that provide support to veterans.

Harbor-UCLA Medical Center SB 1953 Seismic Retrofit Project

The project entails the seismic retrofit of the hospital's acute-care, inpatient building, and central plant to comply with the seismic requirements of SB1953. The \$49.7 million project was initially approved by your Board in January 2002 and is scheduled for completion in June 2012. To date, project costs have been funded with prior year net County cost, Tobacco Settlement funds and through the County's tax-exempt commercial paper program.

Olive View-UCLA Medical Center Emergency Room Replacement Project

The project entails construction of a new 31,000 square-foot emergency room facility and tuberculosis isolation unit to alleviate overcrowding at the hospital's emergency department and reduce the number of emergency transfers to other hospitals. The \$51.4 million project was approved by your Board in December 2004 and completion is anticipated in November 2010. To date, project costs have been funded with Tobacco Settlement funding, miscellaneous revenue held in trust for Olive View Medical Center improvements and through the County's tax-exempt commercial paper program.

Coroner's Crypt Building Addition and Tenant Improvements Renovation Project

The project entails the refurbishment of the heating, cooling, ventilation, plumbing, electrical, communication, and other building systems in the existing biological building and construction of a new, 4,900 square-foot crypt building. The \$27.6 million project was approved by your Board in August 2006 and is scheduled for completion in December 2012. The project's costs are currently funded through the County's tax-exempt commercial paper program.

Olive View-UCLA Medical Center SB 1953 Seismic Retrofit Project

The project entails the seismic retrofit of the hospital's acute-care, inpatient building, central plant, and cooling tower to comply with the seismic requirements of SB1953.

The \$21.2 million project was initially approved by your Board in January 2002 and was completed in November 2008. Project costs were funded with prior year net County cost, Tobacco Settlement funds and through the County's tax-exempt commercial paper program.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

This action supports the County's Strategic Plan Goal of Operational Effectiveness (Goal 1), by promoting fiscal sustainability through the use of cost-effective financing for the construction of essential County infrastructure.

FISCAL IMPACT/FINANCING

It is estimated that approximately \$800 million of lease revenue bonds will need to be issued in order to finance the cost of the Projects. In addition to the \$761 million of capital expenditures, bond proceeds will also be used to finance a debt service reserve fund and pay for costs of issuance. It is the recommendation of the Treasurer that the Bonds be issued with a final maturity that is not to exceed 30 years.

Proposed Bond Structure

As referenced previously, the Bonds will be issued using a combination of traditional tax-exempt debt, taxable BABs, and the County's full \$180,989,000 allocation of RZEDBs. The ability to issue BABs and RZEDBs will provide a significant financial benefit to the County in the form of lower debt service costs over the life of the Bonds. Because of the direct-pay federal subsidy from the U.S. Treasury, the County can expect to recognize (in the current market) interest cost savings of approximately \$125 million over the 30-year term of the bonds. These savings have been calculated by an independent financial advisor to the County and reflect the additional cost that would have been incurred if BABs and RZEDBs were not an option for the County. The total amount of debt service over the 30-year period is estimated to be approximately \$1.45 billion.

In structuring the individual maturities for the Bonds, it is recommended that the County employ a level-debt service approach. With an estimated par amount of \$800 million, a level-debt service structure will result in annual principal and interest payments of approximately \$50 million. These annual debt service costs are calculated net of the federal subsidy associated with the issuance of taxable BABs and RZEDBs. The County will receive its subsidy from the U.S. Treasury on a semi-annual basis and these receipts will be used to offset the gross debt service cost of the Bonds.

Principal Deferral

In recognition of the near-term budgetary challenges facing the County, it is recommended that the commencement of principal repayment be deferred for four years. Deferral of principal payments can provide near-term debt relief of approximately \$14 million on an annual basis allowing the County's property tax base to stabilize and begin recovery prior to principal repayment. Our current projections reflect stabilization of the County's property tax base in 2012 with growth resuming at an annual rate of 1 percent in 2013. Based on such a growth rate, the County General Fund would realize approximately \$36.2 million in additional property tax revenue each year. Under the proposed principal deferral, principal payments would commence in 2014-15 and could be funded by an estimated \$72.4 million in property tax growth.

The deferral will also allow the County to begin realizing savings in maintenance, utility, and leasing costs prior to the commencement of principal repayment. Upon completion of the projects recommended for financing, it is estimated that the County will realize \$82.3 million in maintenance and utility savings over the 30-year term of the bonds. Additional savings of \$600.1 million are estimated over the 30-year bond term due to the cancellation of existing leases in favor of occupying the renovated Hall of Justice.

The four-year deferral of principal payments, however, are offset by future increases to debt service and increase the long-term principal and interest obligations of the County. The budgetary impact to the County is estimated at \$35 million over the life of the Bonds.

Current Market Conditions

The timing of the proposed bond sale is very favorable to the County due to historically low interest rates in the long-term bond market. It is the objective of the Treasurer to enter the bond market soon after your Board's approval and to price the Bonds during the week of November 8, 2010. Given the pending expiration of both BABs and RZEDBs on December 31, 2010, it is essential that the County enter the capital markets as early as possible. The forward calendar of pending bond sales indicates that November and December will be periods of significantly increased supply as issuers rush to issue BABs prior to the December 31st deadline. The State is, in fact, planning a multi-billion dollar offering of long-term bonds beginning the week of November 15. In order for the County to secure the most favorable interest rates, the Bonds will need to be issued in advance of the pending flood of new municipal bond issuance.

Estimated Borrowing Costs

The resolutions being presented to your Board require that the Bonds be issued at a true interest cost that is not to exceed 6 percent. Given the current interest rate

environment, it is anticipated that actual borrowing costs will be significantly lower and could result in a true interest cost to the County of less than 4.5 percent. In addition to the potential benefit of low interest rates, the County's overall cost of borrowing will also be positively impacted by the fee structure that has been negotiated with the underwriter for the Bonds. Following a competitive selection process that was managed by the Treasurer, Bank of America Merrill Lynch (BAML) was selected as the lead underwriter for this transaction. The underwriter fees that have been agreed to by BAML are believed to be the lowest of any taxable BABs financing yet completed in the United States. Compared to a national average of \$6.00/\$1,000 bond, the Treasurer has secured an average takedown of just \$3.50/\$1,000 bond. The resulting savings from this fee structure are estimated to be greater than \$2.0 million.

FACTS AND PROVISIONS/ LEGAL REQUIREMENTS

Build America Bonds

The American Recovery and Reinvestment Act (ARRA) was signed into law by President Obama on February 17, 2009 and provided for the issuance of the following three types of BABs as taxable governmental bonds: 1) Tax credit BABs with a federal tax credit to the investor equal to 35 percent of the coupon interest payable on the bonds; 2) Direct-pay BABs with a federal subsidy to the issuer equal to 35% of the coupon interest payable on the bonds; and 3) Direct-pay RZEDBs (a type of BAB) with a federal subsidy to the issuer equal to 45 percent of the coupon interest payable on the bonds. The BABs program as established by ARRA has proven to be enormously popular since its inception and now accounts for an estimated 30 percent of the overall municipal debt market. The benefit of BABs to local governments has been in the form of lower interest costs relative to traditional tax-exempt debt and the ability to reach a new investor base in the taxable market.

Underwriter Costs and Other Risk Factors

The BABs program enacted by the federal government provides a unique opportunity for the County as it embarks on a major capital infrastructure program. Before proceeding with any BABs issuance, however, it has been imperative that both the Treasurer and CEO review all potential risks associated with this new borrowing program. One of the principal concerns of both departments has been the cost of hiring an underwriter to market and sell the County's BABs and RZEDBs. Many articles in the press have rightly observed that Wall Street firms have charged inflated fees for BABs underwriting and justified these fees based on the "newness" of the product being offered.

On June 22, 2010, your Board directed the CEO to investigate whether BABs contain any hidden or unforeseen costs. On August, 2, 2010, based upon discussions with the

Treasurer, the CEO reported that underwriting fees for early BAB issues exceeded the average fees applied to tax-exempt bond issues by \$2.00 to \$2.50 for each \$1,000 in bonds. That spread declined to less than \$1.00/\$1,000 bond during 2010.

With respect to the proposed Multiple Capital Projects I financing, the Treasurer's competitive Request for Proposals process amongst the senior managers in its underwriter pool resulted in securing the lowest fees yet witnessed for a BABs financing. The takedown of \$3.50/\$1,000 bond is not only lower than the national average of \$6.00/\$1,000 bond for taxable municipal debt, but it is also well below the national average for tax-exempt municipal debt.

In addition to the potential for higher underwriter costs, two noteworthy risks of any BABs financing are the possibility for offsets to the federal direct-pay subsidy and the increased likelihood of an audit by the Internal Revenue Service (IRS). In addressing the first of these issues, the Treasurer has been advised that only 0.85 percent of all BABs subsidies have thus far been offset by a claim from the U.S. Treasury. In each of these instances, the cause for the offset was an outstanding tax liability (e.g., employment tax) that had not been addressed by the local government issuer.

The Treasurer has since consulted with the Office of the Auditor-Controller and determined that the County has some minor IRS payroll and Form 1099 matters that are pending resolution and appeal. The Auditor-Controller is addressing these issues and does not expect the County to currently have any outstanding tax penalties owed to the federal government and should not be at risk of a reduced subsidy payment. With respect to the potential for increased audit exposure, the IRS released a letter on July 2, 2010 stating that BABs would be treated in the same manner as tax-exempt bonds and that the heightened audit risk was "unfounded." This statement served to refute prior exclamations that as many as 50 percent of all BABs financing might be subjected to an IRS audit.

Lease Revenue Structure and Pledged Asset

The legal structure that will be employed to issue the Bonds is that of a lease-leaseback agreement between the County and the Los Angeles County Public Works Financing Authority (the "Authority"). The asset that has been selected as security for this transaction is the new LAC+USC Medical Center (the "Medical Center"), which has an appraised value of approximately \$1 billion. Pursuant to the bond documents, the County will lease the Medical Center to the Authority and the Authority will then leaseback the Medical Center to the County. The base rental payments that are made by the County to the Authority will be used to pay debt service on the Bonds. As required by State Law, the Authority will be the issuer of the Bonds.

The use of the Medical Center as security for the Bonds is predicated on its essentiality to the County, its high seismic standards, and its recent construction date. Each of these considerations is viewed as a credit positive by investors and will serve to improve the marketing of the Bonds. The one negative factor associated with the Medical Center is a pre-existing lien that was established in connection with the receipt of Federal Emergency Management Agency (FEMA) grants and which is currently being administered by the State of California. Should this FEMA lien emerge as a concern to investors, the Treasurer and CEO will consider utilizing one or more alternative assets as security for the lease structure.

One of the principal challenges associated with the County's proposed debt issuance is the fact that taxable bond investors are generally unfamiliar with California lease revenue bonds. The County's proposed issuance of \$800 million of bonds (approximately \$675 million of which will be taxable) is expected to be the largest lease transaction sold in the U.S. taxable bond market since BABs and RZEDBs were first introduced in mid-2009. Should the County be unable to place the entire \$800 million of Bonds with investors, a smaller issuance will be evaluated and the County may elect to fund a portion of the project costs with a future issuance of tax-exempt commercial paper notes. The economic impact of such a decision is expected to be neutral to the County.

Financing Team

Given the complexity of the current transaction, the Treasurer is recommending that the sale of the Bonds be conducted on a negotiated basis. In addition to BAML serving as the lead underwriter for this financing, the Treasurer is also recommending that Wells Fargo and Barclays Capital participate as co-senior managers. It is anticipated that two or more additional underwriters will also be selected to serve as co-managers once the final details of the marketing effort have been determined. The firm of Public Resources Advisory Group has been selected from your Board's approved pool of financial advisors and will act in that capacity on this transaction. Bond counsel for the financing will be Orrick, Herrington & Sutcliffe L.L.P.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The issuance and sale of the Bonds will help ensure the completion of essential capital improvement projects in the areas of health services, public safety and general government.

NOW, THEREFORE, in consideration of the premises and of the mutual agreements and covenants contained herein and for other valuable consideration, the parties hereto do hereby agree as follows:

ARTICLE I

DEFINITIONS

Except as otherwise defined herein, or unless the context clearly otherwise requires, words and phrases defined in Article I of the Sublease shall have the same meanings in this Site Lease.

ARTICLE II

LEASE OF THE PROPERTY; RENTAL

Section 2.01. Lease of Property. The County hereby leases to the Authority, and the Authority hereby leases from the County, for the benefit of the Owners of the Bonds, the Property, subject only to Permitted Encumbrances, to have and to hold for the term of this Site Lease.

No other amounts of rental shall be due and payable by the Authority for the use and occupancy of the Property under this Site Lease.

ARTICLE III

Subject to any rights the

County may have under the Sublease (in the absence of an event of default) to possession and enjoyment of the Property, the County hereby covenants and agrees that it will not take any action to prevent the Authority from having quiet and peaceable possession and enjoyment of the Property during the term hereof and will, at the request of the Authority and at the County's cost, to the extent that it may lawfully do so, join in any legal action in which the Authority asserts its right to such possession and enjoyment.

ARTICLE IV

Section 4.01. Waste. The Authority agrees that at all times that it is in possession of the Property, it will not commit, suffer or permit any waste on the Property, and that it will not willfully or knowingly use or permit the use of the Property for any illegal purpose or act.

Section 4.02. Further Assurances and Corrective Instruments. The County and the Authority agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Property hereby leased or intended so to be or for carrying out the expressed intention of this Site Lease, the Indenture and the Sublease.

LEASE OF PROPERTY; TERM

Section 2.01. Lease of Property. (a) The Authority hereby leases to the County and the County hereby leases from the Authority the Property, on the terms and conditions hereinafter set forth, subject to all Permitted Encumbrances.

(b) The leasing of the Property by the County to the Authority pursuant to the Site Lease shall not effect or result in a merger of the County's leasehold estate in the Property as lessee under this Sublease and its fee estate in the Property as lessor under the Site Lease, and the Authority shall continue to have a leasehold estate in the Property pursuant to the Site Lease throughout the term thereof and hereof. This Sublease shall constitute a sublease with respect to the Property. The leasehold interest in the Property granted by the County to the Authority pursuant to the Site Lease is and shall be independent of this Sublease and this Sublease shall not be an assignment or surrender of the leasehold interest in the Property granted to the Authority under the Site Lease.

Section 2.02. Term; Occupancy. (a) The term of this Sublease shall commence on the Closing Date and shall end on the Scheduled Termination Date, unless such term is extended or sooner terminated as hereinafter provided. If, on the Scheduled Termination Date, all of the Bonds shall not be fully paid or deemed to have been paid in accordance with Article IX of the Indenture, or any Rental Payments shall remain due and payable or shall have been abated at any time, then the term of this Sublease shall be extended until the date upon which all of the Bonds shall be fully paid or deemed to have been paid in accordance with Article IX of the Indenture, and all Rental Payments due and payable shall have been paid in full; provided, however, that the term of this Sublease shall in no event be extended more than ten years beyond the Scheduled Termination Date. If, prior to the Scheduled Termination Date, all of the Bonds shall be fully paid or deemed to have been paid in accordance with Article IX of the Indenture, and all Rental Payments due and payable shall have been paid in full, the term of this Sublease shall end simultaneously therewith.

(b) The County shall take possession of the Property on the Closing Date.

ARTICLE III

RENTAL PAYMENTS

Section 3.01. Base Rental Payments. (a) *General.* The Rental Payments, including Base Rental Payments, for each Rental Period shall be paid by the County to the Authority for and in consideration of the right to use and occupy the Property and in consideration of the continued right to the quiet use and enjoyment thereof during such Rental Period.

The obligation of the County to pay the Base Rental Payments does not constitute a debt of the County or of the State of California or of any political subdivision thereof in contravention of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the County or the State of California is obligated to levy or pledge any form of taxation or for which the County or the State of California has levied or pledged any form of taxation.

(b) *Base Rental Payments.* Subject to the provisions of Section 3.06 hereof, the County shall, on each Base Rental Deposit Date, pay to the Authority a Base Rental Payment in an amount equal to the principal of, and interest on, the Bonds due and payable on the next succeeding Principal Payment Date or Interest Payment Date, as applicable, including any such principal due and payable by reason of mandatory sinking fund redemption of the Bonds; provided, however, that the amount of such Base Rental Payment shall be reduced by the amount, if any, available in the Payment Fund, the Principal Account or the Interest Account on such Base Rental Deposit Date to pay such principal of, or interest on, the Bonds.

(c) *Payments other than Regularly Scheduled Payments.* If the term of this Sublease shall have been extended pursuant to Section 2.02 hereof, the obligation of the County to pay Rental Payments shall continue to and including the Base Rental Deposit Date preceding the date of termination of this Sublease (as so extended pursuant to Section 2.02 hereof). Upon such extension, the Base Rental Payments payable during such extended term shall[, subject to the approval of the Insurer,] be established so that such Base Rental Payments will in the aggregate be sufficient to pay the unpaid principal of, and interest accrued and to accrue on, the Bonds; provided, however, that the Rental Payments payable in any Rental Period shall not exceed the annual fair rental value of the Property.

Section 3.02. Additional Rental Payments. The County shall also pay, as Additional Rental Payments, such amounts as shall be required for the payment of the following:

(a) all taxes and assessments of any type or nature charged to the Authority or the County or affecting the Property or the respective interests or estates of the Authority or the County therein;

(b) all reasonable administrative costs of the Authority relating to the Property including, but without limiting the generality of the foregoing, salaries, wages, fees and expenses payable by the Authority under the Indenture, fees of auditors, accountants, attorneys or engineers, and all other necessary and reasonable administrative costs of the Authority or charges required to be paid by it in order to maintain its existence or to

comply with the terms of the Indenture or this Sublease or to defend the Authority and its members, officers, agents and employees;

(c) insurance premiums for all insurance required pursuant to Article V hereof;

(d) any amounts with respect to the Bonds required to be rebated to the federal government in accordance with section 148(f) of the Code; and

(e) all other payments required to be paid by the County under the provisions of this Sublease or the Indenture[, including amounts payable to the Insurer].

Amounts constituting Additional Rental Payments payable hereunder shall be paid by the County directly to the person or persons to whom such amounts shall be payable. The County shall pay all such amounts when due or at such later time as such amounts may be paid without penalty or, in any other case, within 60 days after notice in writing from the Trustee to the County stating the amount of Additional Rental Payments then due and payable and the purpose thereof.

Section 3.03. Fair Rental Value. The parties hereto have agreed and determined that the Rental Payments are not in excess of the fair rental value of the Property.

Section 3.04. Payment Provisions. Each installment of Base Rental Payments payable hereunder shall be paid in lawful money of the United States of America to or upon the order of the Authority at the Principal Office of the Trustee, or such other place or entity as the Authority shall designate. Notwithstanding any dispute between the Authority and the County, the County shall make all Rental Payments when due without deduction or offset of any kind and shall not withhold any Rental Payments pending the final resolution of such dispute. In the event of a determination that the County was not liable for said Rental Payments or any portion thereof, said payments or excess of payments, as the case may be, shall be credited against subsequent Rental Payments due hereunder or refunded at the time of such determination.

Section 3.05. Appropriations Covenant. The County covenants to take such action as may be necessary to include all Rental Payments due hereunder in its annual budgets and to make necessary annual appropriations for all such Rental Payments. The covenants on the part of the County contained in this Section shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the County to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the County to carry out and perform such covenants.

Section 3.06. Rental Abatement. Except as otherwise specifically provided in this Section, during any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the County's right to use and occupy any portion of the Property, Rental Payments shall be abated proportionately, and the County waives the benefits of California Civil Code Sections 1932(2) and 1933(4) and any and all other rights to terminate this Sublease by virtue of any such interference, and this Sublease shall continue in full force and effect. The amount of such abatement shall be agreed upon by the County and the Authority. The County

and the Authority shall provide the Trustee [and the Insurer] with a certificate setting forth the amount of such abatement and the basis therefor. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation or title defect and, with respect to damage to or destruction of the Property, ending with the substantial completion of the work of repair or replacement of the Property, or the portion thereof so damaged or destroyed, and the term of this Sublease shall be extended as provided in Section 2.02 hereof; provided, however, that such term shall in no event be extended more than ten years beyond the Scheduled Termination Date.

Notwithstanding the foregoing, to the extent that moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Indenture, Rental Payments shall not be abated as provided above but, rather, shall be payable by the County as a special obligation payable solely from said funds and accounts.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES; COVENANTS AND AGREEMENTS

Section 4.01. Power and Authority of the County. The County represents and warrants to the Authority [and the Insurer] that (a) the County has the full power and authority to enter into, to execute and to deliver this Sublease, the Site Lease and the Indenture, and to perform all of its duties and obligations hereunder and thereunder, and has duly authorized the execution and delivery of this Sublease, the Site Lease and the Indenture, and (b) the Property is zoned for use for governmental related facilities.

Section 4.02. Power and Authority of the Authority. The Authority represents and warrants to the County [and the Insurer] that the Authority has the full power and authority to enter into, to execute and to deliver this Sublease, the Site Lease and the Indenture, and to perform all of its duties and obligations hereunder and thereunder, and has duly authorized the execution and delivery of this Sublease, the Site Lease and the Indenture.

Section 4.03. Net-Net-Net Lease. This Sublease shall be, and shall be deemed and construed to be, a "net-net-net lease" and the Rental Payments shall be an absolute net return to the Authority, free and clear of any expenses, charges or set-offs whatsoever and notwithstanding any dispute between the County and the Authority.

Section 4.04. Disclaimer of Warranties. THE AUTHORITY MAKES NO AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR FITNESS FOR USE OF THE PROPERTY, OR WARRANTY WITH RESPECT THERETO. THE COUNTY ACKNOWLEDGES THAT THE AUTHORITY IS NOT A MANUFACTURER OF ANY PORTION OF THE PROPERTY OR A DEALER THEREIN, THAT THE COUNTY LEASES THE PROPERTY AS IS, IT BEING AGREED THAT ALL OF THE AFOREMENTIONED RISKS ARE TO BE BORNE BY THE COUNTY.

Section 4.05. Quiet Enjoyment. So long as no Event of Default shall have occurred and be continuing, the County shall at all times during the term of this Sublease peaceably and quietly have, hold and enjoy the Property without suit, trouble or hindrance from the Authority.

Section 4.06. Right of Entry. The Authority shall have the right to enter upon and to examine and inspect the Property during reasonable business hours (and in emergencies at all times) for any purpose connected with the Authority's rights or obligations under this Sublease, and for all other lawful purposes.

Section 4.07. Use of the Property; Covenant with respect to OES Lien. (a) The County shall not use, operate or maintain the Property improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Sublease. In addition, the County agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of the Property) with all laws of the jurisdictions in which its operations may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Property; provided, however, that the County may contest in

good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Authority, adversely affect the estate of the Authority in and to any of the Property or its interest or rights under this Sublease.

(b) Unless the County shall have substituted alternate real property for the Property, as constituted on the effective date of this Sublease, pursuant to Section 7.02 hereof, so long as the OES Lien is effective, the County shall not take any action, or fail to take any action, if such action or failure to take such action would cause a "change in function" or a "change in status" of the Property, within the meaning of the provisions of the OES Lien, to occur.

Section 4.08. Maintenance and Utilities. As part of the consideration for rental of the Property, all improvement, repair and maintenance of the Property shall be the responsibility of the County, and the County shall pay for or otherwise arrange for the payment of all utility services supplied to the Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, ventilation, air conditioning, water and all other utility services, and shall pay for or otherwise arrange for payment of the cost of the repair and replacement of the Property resulting from ordinary wear and tear or want of care on the part of the County. In exchange for the Rental Payments, the Authority agrees to provide only the Property.

Section 4.09. Additions to Property. Subject to Section 4.12 hereof, the County and any sublessee shall, at its own expense, have the right to make additions, modifications and improvements to the Property. To the extent that the removal of such additions, modifications or improvements would not cause material damage to the Property, such additions, modifications and improvements shall remain the sole property of the County or such sublessee, and neither the Authority nor the Trustee shall have any interest therein. Such additions, modifications and improvements shall not in any way damage the Property or cause it to be used for purposes other than those authorized under the provisions of state and federal law, and the Property, upon completion of any addition, modification or improvement made pursuant to this Section, shall be of a value which is at least equal to the value of the Property immediately prior to the making of such addition, modification or improvement.

Section 4.10. Installation of County's Equipment. The County and any sublessee may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed items of equipment or other personal property in or upon the Property. All such items shall remain the sole property of the County or such sublessee, and neither the Authority nor the Trustee shall have any interest therein. The County or such sublessee may remove or modify such equipment or other personal property at any time, provided that such party shall repair and restore any and all damage to the Property resulting from the installation, modification or removal of any such items, and the Property, upon completion of any installation, modification or removal made pursuant to this Section, shall be of a value which is at least equal to the value of the Property immediately prior to the making of such installation, modification or removal. Nothing in this Sublease shall prevent the County or any sublessee from purchasing items to be installed pursuant to this Section under a conditional sale or lease purchase contract, or subject to a vendor's lien or security agreement as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Property.

Section 4.11. Taxes. The County shall pay or cause to be paid all taxes and assessments of any type or nature charged to the Authority or the County or affecting the Property or the respective interests or estates therein; provided, however, that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the County shall be obligated to pay only such installments as and when the same become due.

Upon notice to [the Insurer,] the Authority and the Trustee, the County or any sublessee may, at the County's or such sublessee's expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless [the Insurer,] the Authority or the Trustee shall notify the County or such sublessee that, in the opinion of independent counsel, by nonpayment of any such items, the interest of the Authority in the Property will be materially endangered or the Property, or any part thereof, will be subject to loss or forfeiture, in which event the County or such sublessee shall promptly pay such taxes, assessments or charges or provide the Authority with full security against any loss which may result from nonpayment, in form satisfactory to [the Insurer,] the Authority and the Trustee.

Section 4.12. Liens. In the event the County shall at any time during the term of this Sublease cause any changes, alterations, additions, improvements, or other work to be done or performed or materials to be supplied, in or upon the Property, the County shall pay, when due, all sums of money that may become due for, or purporting to be for, any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to or for the County in, upon or about the Property and which may be secured by a mechanics', materialmen's or other lien against the Property or the Authority's interest therein, and shall cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, except that, if the County desires to contest any such lien, it may do so as long as such contest is in good faith. If any such lien shall be reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and said stay thereafter expires, the County shall forthwith pay and discharge said judgment.

Section 4.13. Compliance with Law, Regulations, Etc. The County represents and warrants that, after due inquiry, it has no knowledge and has not given or received any written notice indicating that the Property or the use thereof or any practice, procedure or policy employed by it in the conduct of its business materially violates any Laws and Regulations.

Section 4.14. No Condemnation. The County shall not exercise the power of condemnation with respect to the Property. If for any reason the foregoing covenant shall be held by a court of competent jurisdiction to be unenforceable and the County condemns the Property or if the County breaches such covenant, the County agrees that the value of the County's leasehold estate hereunder in the Property shall be not less than the greater of (a) the amount sufficient to redeem the Bonds pursuant to the Indenture if the Bonds are then subject to redemption, or (b) the amount sufficient to defease the Bonds to the first available redemption date in accordance with the Indenture if the Bonds are not then subject to redemption.

Section 4.15. Authority's Purpose. So long as any Bonds are Outstanding, the Authority shall not engage in any activities inconsistent with the purposes for which the Authority is organized, as set forth in the agreement pursuant to which the Authority was created.

ARTICLE V

INSURANCE

Section 5.01. Public Liability and Property Damage Insurance; Workers' Compensation Insurance. (a) The County shall maintain or cause to be maintained, throughout the term of this Sublease, a standard comprehensive general liability insurance policy or policies in protection of the County, the Authority and their respective members, officers, agents and employees. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the use or ownership of the Property. Said policy or policies shall provide coverage in the minimum liability limits of \$1,000,000 for personal injury to or death of each person and \$3,000,000 for personal injury to or deaths of two or more persons in a single accident or event, and in a minimum amount of \$500,000 for damage to property (subject to a deductible clause of not to exceed \$100,000) resulting from a single accident or event. Such public liability and property damage insurance may, however, be in the form of a single limit policy in the amount of \$3,000,000 covering all such risks. Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried or required to be carried by the County, and may be maintained in whole or in part in the form of self-insurance by the County, provided that such self-insurance complies with the provisions of Section 5.03 hereof. The Net Proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Proceeds of such insurance shall have been paid.

(b) The County shall maintain or cause to be maintained, throughout the term of this Sublease, workers' compensation insurance issued by a responsible carrier authorized under the laws of the State of California to insure employers against liability for compensation under the California Labor Code, or any act enacted as an amendment or supplement thereto or, in lieu thereof, such workers' compensation insurance to cover all persons employed by the County in connection with the Property and to cover full liability for compensation under any such act. The insurance required under this subsection may be maintained in whole or in part in the form of self-insurance, provided that such self-insurance complies with the provisions of Section 5.03 hereof.

(c) The County shall maintain or cause to be maintained casualty insurance insuring the Property against fire, lightning and all other risks covered by an extended coverage endorsement (excluding earthquake) to the full insurable value of the Property, subject to a \$100,000 loss deductible provision[, unless some other deductible is acceptable to the Insurer]. Full insurable value shall be evaluated at least every five years by an Independent Insurance Consultant or the County's Risk Manager and shall not be less than the aggregate principal amount of the Outstanding Bonds. The insurance required under this subsection may be maintained in whole or in part in the form of self-insurance, provided that such self-insurance complies with the provisions of Section 5.03 hereof.

(d) The County shall maintain rental interruption insurance to cover the Authority's loss, total or partial, of Base Rental Payments resulting from the loss, total or partial, of the use of any part of the Property as a result of any of the hazards required to be covered pursuant to

subsection (c) of this Section in an amount not less than an amount equal to two times Maximum Annual Debt Service. The insurance required under this subsection may not be maintained in whole or in part in the form of self-insurance.

(e) The insurance required by this Section shall be provided by insurers rated "A" or better by S&P[, unless the Insurer shall, in writing, approve an insurer with a lower rating].

Section 5.02. Additional Insurance Provision; Form of Policies. The County shall pay or cause to be paid when due the premiums for all insurance policies required by Section 5.01 hereof. All such policies shall provide that the Trustee [and the Insurer] shall be given 30 days notice of the expiration thereof, any intended cancellation thereof or any reduction in the coverage provided thereby. The Trustee shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the Trustee[; provided, however, that the Trustee shall not agree to any adjustment, compromise or settlement without the Insurer's written consent].

The County shall, following receipt of a written request of the Trustee, cause to be delivered to the Trustee [and the Insurer] on or before August 15 of each year, commencing August 15, 2011, a schedule of the insurance policies being maintained in accordance herewith and a Written Certificate of the County stating that such policies are in full force and effect and that the County is in full compliance with the requirements of this Article. [The County shall, upon request of the Insurer, deliver to the Insurer certificates or duplicate originals or certified copies of each insurance policy described in such schedule.] The Trustee shall be entitled to rely upon said Written Certificate of the County as to the County's compliance with this Article. [Neither] the Trustee [nor the Insurer] shall be responsible for the sufficiency of the coverage or the amounts of such policies.

Section 5.03. Self-Insurance. Insurance provided through a California joint powers authority of which the County is a member or with which the County contracts for insurance shall be deemed to be self-insurance for purposes hereof. Any self-insurance maintained by the County pursuant to this Article shall be approved in writing by an Independent Insurance Consultant or the County's Risk Manager.

Section 5.04. Title Insurance. The County shall provide, at its own expense, one or more CLTA title insurance policies for the Property, [in form acceptable to the Insurer,] in the aggregate amount of not less than the aggregate principal amount of the Bonds. Said policy or policies shall insure (a) the fee interest of the County in the Property, (b) the Authority's ground leasehold estate in the Property under the Site Lease, and (c) the County's leasehold estate hereunder in the Property, subject only to Permitted Encumbrances; provided, however, that one or more of said estates may be insured through an endorsement to such policy or policies. All Net Proceeds received under said policy or policies shall be deposited with the Trustee and applied as provided in Section 5.02 of the Indenture. So long as any of the Bonds remain Outstanding, each policy of title insurance obtained pursuant hereto or required hereby shall provide that all proceeds thereunder shall be payable to the Trustee for the benefit of the Owners.

ARTICLE VI

EMINENT DOMAIN; RIGHT TO REDEEM

Section 6.01. Eminent Domain. If all of the Property (or portions thereof such that the remainder is not usable for public purposes by the County) shall be taken under the power of eminent domain, the term hereof shall cease as of the day that possession shall be so taken. If less than all of the Property shall be taken under the power of eminent domain and the remainder is usable for public purposes by the County at the time of such taking, then this Sublease shall continue in full force and effect as to such remainder, and the parties waive the benefits of any law to the contrary, and in such event there shall be a partial abatement of the Rental Payments in accordance with the provisions of Section 3.06 hereof. So long as any Bonds shall be Outstanding, any award made in eminent domain proceedings for the taking of the Property, or any portion thereof, shall be paid to the Trustee and applied to the redemption of Bonds as provided in Sections 3.01 and 5.01 of the Indenture. Any such award made after all of the Bonds, and all other amounts due under the Indenture and hereunder, have been fully paid, shall be paid to the County.

Section 6.02. Right to Redeem Bonds. (a) The County shall have the right to cause the Bonds to be redeemed pursuant to, and in accordance with the provisions of, Section 3.02 of the Indenture by providing the Trustee with funds sufficient for such purpose (which funds may be derived by the County from any source) and giving notice of the County's exercise of such right as provided in subsection (b) of this Section.

(b) In order to exercise its right to cause Bonds to be redeemed pursuant to subsection (a) of this Section, the County shall give written notice to the Trustee of its intention to exercise such right, specifying the date on which such redemption shall be made, which date shall be not less than 45 days from the date such notice is given (unless otherwise agreed by the Trustee), and specifying the Series, maturities and amounts of Bonds to be redeemed.

(c) The County shall have the right to cause Bonds to be deemed to have been paid pursuant to, and in accordance with the provisions of, Section 9.02 of the Indenture by providing the Trustee with funds sufficient for such purpose (which funds may be derived by the County from any source) and providing and delivering, or causing to be provided and delivered the other items required pursuant to said Section 9.02 to be provided or delivered in connection with such deemed payment.

ARTICLE VII

ASSIGNMENT AND SUBLETTING; SUBSTITUTION OR RELEASE; TITLE

Section 7.01. Assignment and Subleasing. Neither this Sublease nor any interest of the County hereunder shall be sold, mortgaged, pledged, assigned, or transferred by the County by voluntary act or by operation of law or otherwise; provided, however, that the Property may be subleased in whole or in part by the County, but only subject to the following conditions, which are hereby made conditions precedent to any such sublease:

- (a) [the Insurer shall have consented in writing to such sublease;]
- (b) this Sublease and the obligation of the County to make all Rental Payments hereunder shall remain the primary obligation of the County;
- (c) the County shall, within 30 days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease;
- (d) no such sublease by the County shall cause the Property to be used for a purpose other than a governmental or proprietary function authorized under the provisions of the Constitution and laws of the State of California;
- (e) any sublease of the Property by the County shall explicitly provide that such sublease is subject to all rights of the Authority under this Sublease; and
- (f) the County shall have filed or caused to be filed with the Authority and the Trustee an Opinion of Counsel to the effect that such sublease will not, in and of itself, cause the interest on Tax-Exempt Bonds to be included in gross income for federal income tax purposes.

Section 7.02. Substitution or Release of the Property. Subject to the provisions of this Section, the County shall have the right to substitute alternate real property for any portion of the Property or to release a portion of the Property from this Sublease. All costs and expenses incurred in connection with any such substitution or release shall be borne by the County. Notwithstanding any substitution or release pursuant to this Section, there shall be no reduction in or abatement of the Base Rental Payments due from the County hereunder as a result of such substitution or release. Any such substitution or release of any portion of the Property shall be subject to the following conditions, which are hereby made conditions precedent to such substitution or release:

- (a) [the Insurer shall have consented in writing to such substitution or release;]
- (b) a qualified employee of the County or an independent certified real estate appraiser selected by the County shall have found (and shall have delivered a certificate to the Trustee [and the Insurer] setting forth its findings) that (i) the sum of Base Rental Payments plus Additional Rental Payments due under the Sublease in any Rental Period

is not in excess of the annual fair rental value of the Property, as constituted after such substitution or release, and (ii) the Property, as constituted after such substitution or release, has a useful life equal to or greater than the maximum remaining term of this Sublease (including extensions thereof under Section 2.02 hereof);

(c) the County shall have obtained or caused to be obtained a CLTA title insurance policy or policies with respect to any substituted property in the amount of the fair market value of such substituted property (which fair market value shall have been determined by a qualified employee of the County or an independent certified real estate appraiser), of the type and with the endorsements described in Section 5.04 hereof;

(d) the County shall have filed or caused to be filed with the Trustee an Opinion of Counsel to the effect that such substitution or release will not, in and of itself, cause the interest on Tax-Exempt Bonds to be included in gross income for federal income tax purposes;

(e) the County shall have given, or shall have made arrangements for the giving of, any notice of the occurrence of such substitution or release required to be given pursuant to paragraph (x) of subsection (a) of Section 5 of the Continuing Disclosure Certificate;

(f) the County, the Authority and the Trustee shall have executed, and the County shall have caused to be recorded with the county recorder of the county in which the Property is located, any document necessary to reconvey to the County the portion of the Property being substituted or released and to include any substituted real property in the description of the Property contained herein and in the Site Lease; and

(g) the County shall have certified to the Trustee [and the Insurer] that the substituted real property is essential for performing the County's governmental functions.

[Notwithstanding the foregoing, the Insurer may waive any of the conditions contained in subsections (b), (c) and (g) of this Section.]

Section 7.03. Title to Property. Upon the termination or expiration of this Sublease (other than as provided in Section 8.02 hereof), and the first date upon which no Bonds are any longer Outstanding, all right, title and interest in and to the Property shall vest in the County. Upon any such termination or expiration, the Authority shall execute such conveyances, deeds and other documents as may be necessary to effect such vesting of record.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

Section 8.01. Events of Default. The occurrence, from time to time, of any one or more of the following events shall constitute an Event of Default under this Sublease:

(a) the failure of the County to pay any Rental Payment payable hereunder when the same becomes due and payable, time being expressly declared to be of the essence in this Sublease;

(b) the failure by the County to observe and perform any of the other covenants, agreements or conditions on its part in this Sublease contained, if such failure shall have continued for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the County by the Trustee, the Authority[, the Insurer] or the Owners of not less than 5% in aggregate principal amount of the Bonds at the time Outstanding; provided, however, that if, in the reasonable opinion of the County, the failure stated in the notice can be corrected, but not within such 30 day period, such failure shall not constitute an Event of Default if corrective action is instituted by the County within such 30 day period and the County shall thereafter diligently and in good faith cure such failure in a reasonable period of time, provided, further, however, that the period of time for such cure shall not exceed 90 days without the prior written consent of the Authority [and the Insurer];

(c) except as otherwise expressly permitted by this Sublease, the assignment or transfer, either voluntarily or by operation of law or otherwise, of the County's interest in this Sublease or any part thereof without the written consent of the Authority [and the Insurer];

(d) the abandonment of the Property by the County; or

(e) the commencement by the County of a voluntary case under Title 11 of the United States Code or any substitute or successor statute.

[In determining whether a default has occurred under paragraph (a), above, no effect shall be given to payments made under the Insurance Policy.]

Section 8.02. Action on Default. (a) [Subject to the provisions of Section 8.08 hereof,] in each and every case during the continuance of an Event of Default hereunder, the Authority shall have the right, without terminating this Sublease or the County's right to possession of the Property, to collect each installment of Rental Payments as the same become due and enforce any other terms or provisions hereof to be kept or performed by the County, regardless of whether or not the County has abandoned the Property. The County shall remain liable and agrees to keep or perform all covenants and conditions herein contained to be kept or performed by the County and to pay the full amount of the Rental Payments to the end of the term of this Sublease; and further agrees to pay said Rental Payments punctually at the same time and in the same manner as hereinabove provided for the payment of Rental Payments hereunder, notwithstanding the fact that the Authority may have received in previous years or may receive

thereafter in subsequent years Rental Payments in excess of the Rental Payments herein specified.

(b) **NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS SUBLEASE, THE AUTHORITY EXPRESSLY WAIVES ANY RIGHT TO TERMINATE THIS SUBLEASE OR THE COUNTY'S RIGHT TO POSSESSION OF THE PROPERTY HEREUNDER REGARDLESS OF WHETHER OR NOT THE COUNTY HAS ABANDONED THE PROPERTY, AND THE AUTHORITY EXPRESSLY WAIVES ANY RIGHT OF ENTRY OR RE-ENTRY TO TAKE POSSESSION OF AND/OR RE-LET THE PROPERTY.** Without limiting the generality of the foregoing, the Authority expressly waives the right to receive any amount from the County pursuant to California Civil Code Section 1951.2(a)(3).

Section 8.03. Other Remedies. In addition to the other remedies provided for in Section 8.02 hereof and subject to the provisions of subsection (b) of Section 8.02 hereof, during the continuance of an Event of Default hereunder, the Authority shall be entitled to proceed to protect and enforce the rights vested in the Authority by this Sublease or by law. The provisions of this Sublease and the duties of the County and of its board, officers or employees shall be enforceable by the Authority by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction. Without limiting the generality of the foregoing and subject to the provisions of subsection (b) of Section 8.02 [and Section 8.08] hereof, the Authority shall have the right to bring the following actions:

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the County or any board member, officer or employee thereof, and to compel the County or any such board member, officer or employee to perform or carry out its or his or her duties under law and the agreements and covenants required to be performed by it or him or her contained herein;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Authority; or

(c) by suit, action or proceeding in any court of competent jurisdiction, to require the County and its board, officers and employees to account as if it or they were the trustee or trustees of an express trust.

Section 8.04. No Acceleration. Notwithstanding anything to the contrary contained in this Sublease, the Authority shall have no right to accelerate Rental Payments upon the occurrence or continuance of a default or an Event of Default hereunder.

Section 8.05. Remedies Not Exclusive. Subject to the provisions of subsection (b) of Section 8.02 hereof, no remedy herein conferred upon or reserved to the Authority is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by any law. If any statute or rule of law validly shall limit the remedies given to the Authority hereunder, the Authority nevertheless shall, subject to the provisions of

subsection (b) of Section 8.02 hereof, be entitled to whatever remedies are allowable under any statute or rule of law.

Section 8.06. Waiver. No delay or omission of the Authority to exercise any right or power arising upon the occurrence of any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein, and every power and remedy given by this Sublease to the Authority may be exercised from time to time and as often as may be deemed expedient. A waiver of a particular default or Event of Default shall not be deemed to be a waiver of any other default or Event of Default or of the same default or Event of Default subsequently occurring. The acceptance of Rental Payments hereunder shall not be, or be construed to be, a waiver of any term, covenant or condition of this Sublease.

Section 8.07. Attorney's Fees. In the event the Authority shall prevail in any action brought to enforce any of the terms and provisions of this Sublease, the County agrees to pay a reasonable amount as and for attorney's fees incurred by the Authority in attempting to enforce any of the remedies available to the Authority hereunder.

Section 8.08. Insurer Rights. [Notwithstanding anything to the contrary contained in this Sublease, so long as no Insurer Default shall have occurred and be continuing, no remedy shall be exercised hereunder without the prior written consent of the Insurer and the Insurer shall have the right to direct the exercise of any remedy hereunder.]

Section 8.09. Authority Event of Default; Action on Authority Event of Default. The failure by the Authority to observe and perform any covenants, agreements or conditions on its part in this Sublease contained, including under Section 4.05 and Section 4.15, if such failure shall have continued for a period of 60 days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the Authority, the Trustee [and the Insurer], by the County, shall constitute an Authority Event of Default under this Sublease; provided, however, [that if the Authority shall fail to correct such failure within such 60 day period, the Insurer shall have 90 additional days to correct such failure on behalf of the Authority prior to such failure constituting an Authority Event of Default; and, provided further] that if, in the reasonable opinion of the Authority [or the Insurer, as applicable,] the failure stated in the notice can be corrected, but not within such 60 or 90 day period, such failure shall not constitute an Authority Event of Default if corrective action is instituted by the Authority [and/or the Insurer] within such 60 or 90 day period and the Authority [and/or the Insurer, as applicable,] shall thereafter diligently and in good faith cure such failure in a reasonable period of time. In each and every case upon the occurrence and during the continuance of an Authority Event of Default by the Authority hereunder, the County shall have all the rights and remedies permitted by law.

ARTICLE IX

AMENDMENTS

Section 9.01. Amendments. (a) This Sublease and the Site Lease, and the rights and obligations of the County and the Authority hereunder and thereunder, may be amended at any time by an amendment hereto or thereto, which shall become binding upon execution by the County and the Authority, but only with the prior written consent of [the Insurer (so long as no Insurer Default shall have occurred and be continuing) and] the Owners of a majority of the aggregate principal amount of Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 11.06 of the Indenture. No such amendment shall (i) extend the payment date of any Base Rental Payment or reduce the amount of any Base Rental Payment without the prior written consent of the Owner of each Bond so affected, (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required for any amendment of this Sublease or the Site Lease to become binding without the prior written consent of the Owners of all the Bonds then Outstanding, or (iii) amend this Section without the prior written consent of the Owners of all the Bonds then Outstanding.

(b) This Sublease and the Site Lease, and the rights and obligations of the County and the Authority hereunder and thereunder, may also be amended at any time by an amendment hereto or thereto, which shall become binding upon execution by the County and the Authority, with [the written consent of the Insurer (so long as no Insurer Default shall have occurred and be continuing), but] without the written consents of any Owners, for any one or more of the following purposes:

(i) to add to the covenants and agreements of the County or the Authority herein or therein contained other covenants and agreements thereafter to be observed, or to surrender any right or power herein or therein reserved to or conferred upon the County or the Authority;

(ii) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision contained in herein or therein or in regard to questions arising hereunder or thereunder which the County or the Authority may deem desirable or necessary and not inconsistent herewith;

(iii) to provide for the issuance of one or more Series of Additional Bonds, and to provide the terms and conditions under which such Series of Additional Bonds may be issued, subject to and in accordance with the provisions of Section 2.04 and Section 2.05 of the Indenture;

(iv) to provide for the substitution or release of a portion of the Property in accordance with the provisions of Section 7.02 hereof;

(v) to make such additions, deletions or modifications as may be necessary or appropriate to assure the exclusion from gross income for federal income tax purposes of interest on Tax-Exempt Bonds or maintain any federal interest subsidies expected to be received with respect to any Bonds; or

(vi) to make such other changes herein or therein as the County or the Authority may deem desirable or necessary, and which shall not materially adversely affect the interests of [the Insurer or] the Owners.

(c) [The Insurer shall be provided with a full original transcript of all proceedings relating to the amendment of this Sublease or the Site Lease pursuant to this Section.]

ARTICLE X

MISCELLANEOUS

Section 10.01. Authority Not Liable. The Authority and its directors, officers, agents and employees, shall not be liable to the County or to any other party whomsoever for any death, injury or damage that may result to any person or property by or from any cause whatsoever in, on or about the Property. To the extent permitted by law, the County shall, at its expense, indemnify and hold the Authority and its directors, officers, agents and employees harmless against and from any and all claims by or on behalf of any Person arising from the acquisition, construction, occupation, use, operation, maintenance, possession, conduct or management of any work done in or about the Property or from the subletting of any part thereof, including any liability for violation of conditions, agreements, restrictions, laws, ordinances, or regulations affecting the Property or the occupancy or use thereof, but excepting the negligence or willful misconduct of the persons or entity seeking indemnity. In no event shall the Authority be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Sublease or the County's use of the Property.

Section 10.02. Assignment to Trustee; Effect. The parties hereto understand and agree that, upon the execution and delivery of the Indenture (which is occurring simultaneously with the execution and delivery hereof), all right, title and interest of the Authority in and to this Sublease will be sold, assigned and transferred to the Trustee for the benefit of the Owners of the Bonds. The County hereby consents to such sale, assignment and transfer. Upon the execution and delivery of the Indenture, references in the operative provisions hereof to the Authority shall be deemed to be references to the Trustee, as assignee of the Authority.

The headings or titles of the several Articles and Sections hereof and the table of contents appended hereto shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof. Unless the context otherwise clearly requires, all references herein to "Articles," "Sections," subsections or clauses are to the corresponding Articles, Sections, subsections or clauses hereof, and the words "hereby," "herein," "hereof," "hereto," "herewith," "hereunder" and other words of similar import refer to this Sublease as a whole and not to any particular Article, Section, subsection or clause hereof.

Section 10.04. Validity and Severability. If for any reason any one or more of the agreements, covenants or terms of this Sublease shall be held by a court of competent jurisdiction to be void, voidable or unenforceable by the County or by the Authority, all of the remaining agreements, covenants and terms hereof shall nonetheless continue in full force and effect. If for any reason it is held by such a court that any agreement, covenant or term of this Sublease required to be observed or performed by the County, including the covenant to pay Rental Payments, is unenforceable for the full term hereof, then and in such event this Sublease is and shall be deemed to be a lease from year to year under which the Rental Payments are to be paid by the County annually in consideration of the right of the County to possess, occupy and

use the Property, and all of the other agreements, covenants and terms of this Sublease, except to the extent that such agreements, covenants and terms are contrary to or inconsistent with such holding, shall remain in full force and effect.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Banking Institution as having a maturity comparable to the remaining term to maturity of the Series 2010B Bond being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term to maturity of the Series 2010B Bond being redeemed.

“Comparable Treasury Price” means, with respect to any date on which a Series 2010B Bond or portion thereof is being redeemed, either (a) the average of five Reference Treasury Dealer quotations for the date fixed for redemption, after excluding the highest and lowest such quotations, and (b) if the Independent Banking Institution is unable to obtain five such quotations, the average of the quotations that are obtained. Any weekly average yields calculated by interpolation will be rounded to the nearest 1/100th of 1%, with any figure of 1/200th of 1% or above being rounded upward. If, and only if, weekly average yields for United States Treasury securities for the preceding week are not available in the H.15(519) statistical release or any successor publication, then the Comparable Treasury Yield will be the rate of interest per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue (expressed as a percentage of its principal amount) at the Comparable Treasury Price as of the date fixed for redemption.

(a) Prior to the issuance of a Series of Bonds, the Authority may provide that such Series of Bonds shall initially be issued as Book-Entry Bonds, and in such event, the Bonds of such Series for each maturity date shall be in the form of a separate single fully registered Bond (which may be typewritten). Upon initial issuance, the ownership of each such Bond of such Series shall be registered in the Registration Books in the name of the Nominee, as nominee of the Depository. The Series 2010 Bonds shall initially be issued as Book-Entry Bonds.

Payment of principal of, and interest and premium, if any, on, any Book-Entry Bond registered in the name of the Nominee shall be made on the applicable payment date by wire transfer of New York clearing house or equivalent next day funds or by wire transfer of same day funds to the account of the Nominee. Such payments shall be made to the Nominee at the address which is, on the Record Date, shown for the Nominee in the Registration Books.

(b) With respect to Book-Entry Bonds, the Authority, the County and the Trustee shall have no responsibility or obligation to any Participant or to any Person on behalf of which such a Participant holds an interest in such Book-Entry Bonds. Without limiting the immediately preceding sentence, the Authority, the County and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in Book-Entry Bonds, (ii) the delivery to any Participant or any other Person, other than an Owner as shown in the Registration Books, of any notice with respect to Book-Entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in Book-Entry Bonds of a maturity to be redeemed in the event such Book-Entry Bonds are redeemed in part, (iv) the payment to any Participant or any other Person, other than an Owner as shown in the Registration Books, of any amount with respect to principal of, or premium, if any, or interest on Book-Entry Bonds, or (v) any consent given or other action taken by the Depository as Owner.

(c) The Authority, the County and the Trustee may treat and consider the Person in whose name each Book-Entry Bond is registered in the Registration Books as the absolute Owner of such Book-Entry Bond for the purpose of payment of principal of, and premium, if any, and interest on such Bond, for the purpose of selecting any Bonds, or portions thereof, to be redeemed, for the purpose of giving notices of redemption and other matters with respect to such Book-Entry Bond, for the purpose of registering transfers with respect to such Book-Entry Bond, for the purpose of obtaining any consent or other action to be taken by Owners and for all other purposes whatsoever, and the Authority, the County and the Trustee shall not be affected by any notice to the contrary.

(d) In the event of a redemption of all or a portion of a Book-Entry Bond, the Depository, in its discretion, (i) may request the Trustee to authenticate and deliver a new Book-Entry Bond, or (ii) if DTC is the sole Owner of such Book-Entry Bond, shall make an appropriate notation on the Book-Entry Bond indicating the date and amounts of the reduction in principal thereof resulting from such redemption, except in the case of final payment, in which case such Book-Entry Bond must be presented to the Trustee prior to payment.

(e) The Trustee shall pay all principal of, and premium, if any, and interest on the Book-Entry Bonds only to or "upon the order of" (as that term is used in the Uniform Commercial Code as adopted in the State of California) the respective Owner, as shown in the Registration Books, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal of, and premium, if any, and interest on the Book-Entry Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Registration Books, shall receive an authenticated Book-Entry Bond. Upon delivery by the Depository to the Owners, the Authority, the County and the Trustee of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions

herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such nominee of the Depository.

(f) In order to qualify the Book-Entry Bonds for the Depository's book-entry system, the Authority shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the Authority, the County or the Trustee any obligation whatsoever with respect to Persons having interests in such Book-Entry Bonds other than the Owners, as shown on the Registration Books. Such Letter of Representations may provide the time, form, content and manner of transmission, of notices to the Depository. In addition to the execution and delivery of a Letter of Representations by the Authority, the Authority, the County and the Trustee shall take such other actions, not inconsistent with this Indenture, as are reasonably necessary to qualify Book-Entry Bonds for the Depository's book-entry program.

(g) In the event the Authority determines that it is in the best interests of the Beneficial Owners that they be able to obtain certificated Bonds and that such Bonds should therefore be made available and notifies the Depository and the Trustee of such determination, the Depository will notify the Participants of the availability through the Depository of certificated Bonds. In such event, the Trustee shall transfer and exchange certificated Bonds as requested by the Depository and any other Owners in appropriate amounts. In the event (i) the Depository determines not to continue to act as securities depository for Book-Entry Bonds, or (ii) the Depository shall no longer so act and gives notice to the Trustee of such determination, then the Authority shall discontinue the Book-Entry system with the Depository. If the Authority determines to replace the Depository with another qualified securities depository, the Authority shall prepare or direct the preparation of a new single, separate, fully registered Bond of the appropriate Series for each maturity date of such Book-Entry Bonds, registered in the name of such successor or substitute qualified securities depository or its nominee. If the Authority fails to identify another qualified securities depository to replace the Depository, then the Book-Entry Bonds shall no longer be restricted to being registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of Sections 2.09 and 2.11 hereof. Whenever the Depository requests the Authority to do so, the Authority shall cooperate with the Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Book-Entry Bonds to any Participant having Book-Entry Bonds credited to its account with the Depository, and (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Book-Entry Bonds.

(h) Notwithstanding any other provision of this Indenture to the contrary, if DTC is the sole Owner of the Bonds of a Series, so long as any Book-Entry Bond of such Series is registered in the name of the Nominee, all payments of principal of, and premium, if any, and interest on such Book-Entry Bond and all notices with respect to such Book-Entry Bond shall be made and given, respectively, as provided in the Letter of Representations or as otherwise instructed by the Depository.

(i) In connection with any notice or other communication to be provided to Owners pursuant to this Indenture by the Authority, the County or the Trustee, with respect to any

consent or other action to be taken by Owners of Book-Entry Bonds, the Trustee shall establish a record date for such consent or other action and give the Depository notice of such record date not less than 15 calendar days in advance of such record date to the extent possible. Notice to the Depository shall be given only when DTC is the sole Owner of the Bonds of a Series.

Section 2.11. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Authority, at the expense of the Owner of said Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of the same Series and maturity in a like aggregate principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it and delivered to, or upon the order of, the Authority. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence and indemnity satisfactory to the Trustee shall be given, the Authority, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of the same Series and maturity in a like aggregate principal amount in lieu of and in replacement for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been selected for redemption, instead of issuing a replacement Bond, the Trustee may pay the same without surrender thereof). The Authority may require payment by the Owner of a sum not exceeding the actual cost of preparing each replacement Bond issued under this Section and of the expenses which may be incurred by the Authority and the Trustee. Any Bond of a Series issued under the provisions of this Section in lieu of any Bond of such Series alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Indenture with all other Bonds of such Series secured by this Indenture.

Section 2.12. Temporary Bonds. The Bonds of a Series may be issued in temporary form exchangeable for definitive Bonds of such Series when ready for delivery. Any temporary Bonds may be printed, lithographed or typewritten, shall be of such Authorized Denominations as may be determined by the Authority, shall be in fully registered form without coupons and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Authority and authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive Bonds. If the Authority issues temporary Bonds of a Series it shall execute and deliver definitive Bonds of such Series as promptly thereafter as practicable, and thereupon the temporary Bonds of such Series may be surrendered for cancellation at the Office of the Trustee and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of such Series and maturities in Authorized Denominations. Until so exchanged, the temporary Bonds of such Series shall be entitled to the same benefits under this Indenture as definitive Bonds of such Series authenticated and delivered hereunder.

If some but not all of the Series 2010B Bonds maturing on August 1, 20__ are redeemed pursuant to Section 3.02 hereof, the principal amount of Series 2010B Bonds maturing on August 1, 20__ to be redeemed pursuant to this Section shall be reduced by the

aggregate principal amount of the Series 2010B Bonds maturing on August 1, 20__ so redeemed pursuant to Section 3.02 hereof, such reduction to be allocated among sinking fund redemption dates as nearly as practicable on a pro rata basis, in amounts equal to Authorized Denominations, as determined by the Trustee, notice of which determination shall be given by the Trustee to the Authority and the County.

Section 3.04. Selection of Bonds for Redemption. Whenever provision is made in this Indenture for the redemption of less than all of the Bonds, the Trustee shall select the Bonds to be redeemed from all Bonds not previously called for redemption (a) with respect to any redemption pursuant to Section 3.01 hereof, among maturities of all Series of Bonds on a pro rata basis as nearly as practicable, (b) with respect to any optional redemption of a Series of Series 2010 Bonds pursuant to Section 3.02(a), Section 3.02(b) or Section 3.02(c) hereof, among maturities as directed in a Written Certificate of the County, (c) with respect to Series 2010A Bonds with the same maturity, by lot in any manner which the Trustee in its sole discretion shall deem appropriate and fair, (d) with respect to Series 2010B Bonds with the same maturity, (i) if the Series 2010B Bonds are not Book-Entry Bonds, the Trustee shall select the Series 2010B Bonds of such maturity to be redeemed among the Owners of such Series 2010B Bonds on a pro rata basis as nearly as practicable, and (ii) if the Series 2010B Bonds are Book-Entry Bonds, the Trustee shall select the Series 2010B Bonds of such maturity to be redeemed on a pro rata pass-through distribution of principal basis in accordance with DTC procedures, provided that, so long as the Series 2010B Bonds are held in book-entry form, the selection for redemption of such Series 2010B Bonds shall be made in accordance with the operational arrangements of DTC then in effect, and, if the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, the Series 2010B Bonds will be selected for redemption, in accordance with DTC procedures, by lot, and (e) with respect to any other redemption of Additional Bonds, as provided in the Supplemental Indenture pursuant to which such Additional Bonds are issued. It is the Authority's intent that the redemption allocations described in clause (d)(ii) made by DTC be made on a pro rata pass-through distribution of principal basis as set forth in clause (d)(ii). The Trustee shall promptly notify the Authority and the County in writing of the numbers of the Bonds so selected for redemption on such date. For purposes of such selection, any Bond may be redeemed in part in Authorized Denominations.

Section 3.05. Notice of Redemption. The Trustee on behalf of the Authority shall mail (by first class mail) notice of any redemption to the respective Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books at least 30 but not more than 60 days prior to the date fixed for redemption. Such notice shall state the date of the notice, the redemption date, the redemption place and the redemption price and shall designate the CUSIP numbers, the Bond numbers and the maturity or maturities of the Bonds to be redeemed (except in the event of redemption of all of the Bonds of such maturity or maturities in whole), and shall require that such Bonds be then surrendered at the Office of the Trustee for redemption at the redemption price, giving notice also that further interest on such Bonds will not accrue from and after the date fixed for redemption. Neither the failure to receive any notice so mailed, nor any defect in such notice, shall affect the validity of the proceedings for the redemption of the Bonds or the cessation of accrual of interest thereon from and after the date fixed for redemption. With respect to any notice of any optional redemption of Bonds of a Series, unless at the time such notice is given the Bonds to be redeemed shall be deemed to have been paid within the meaning of Section 9.02 hereof, such notice shall state that such redemption is

conditional upon receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys that, together with other available amounts held by the Trustee, are sufficient to pay the redemption price of, and accrued interest on, the Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Authority shall not be required to redeem such Bonds. In the event a notice of redemption of Bonds contains such a condition and such moneys are not so received, the redemption of Bonds as described in the conditional notice of redemption shall not be made and the Trustee shall, within a reasonable time after the date on which such redemption was to occur, give notice to the Persons and in the manner in which the notice of redemption was given, that such moneys were not so received and that there shall be no redemption of Bonds pursuant to such notice of redemption.

Section 3.06. Partial Redemption of Bonds. Upon surrender of any Bonds redeemed in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds of the same Series in Authorized Denominations equal in aggregate principal amount representing the unredeemed portion of the Bonds surrendered.

Section 3.07. Effect of Notice of Redemption. Notice having been mailed as aforesaid, and moneys for the redemption price, and the interest to the applicable date fixed for redemption, having been set aside, the Bonds shall become due and payable on said date and, upon presentation and surrender thereof at the Office of the Trustee, said Bonds shall be paid at the redemption price thereof, together with interest accrued and unpaid to said date.

If, on said date fixed for redemption, moneys for the redemption price of all the Bonds to be redeemed, together with interest to said date, shall be held by the Trustee so as to be available therefor on such date, and, if notice of redemption thereof shall have been mailed as aforesaid and not canceled, then, from and after said date, interest on said Bonds shall cease to accrue and become payable. All moneys held by or on behalf of the Trustee for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed without liability to such Owners for interest thereon.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions hereof shall be canceled upon surrender thereof and destroyed.

ARTICLE IV

PLEDGE AND ASSIGNMENT; FUNDS AND ACCOUNTS

Section 4.01. Pledge and Assignment. Subject only to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, all of the Lease Revenues and all amounts on deposit from time to time in the funds and accounts established hereunder (other than the Rebate Fund) are hereby pledged to the payment of the principal of and interest on the Bonds as provided herein, and the Lease Revenues shall not be used for any other purpose while any of the Bonds remain Outstanding. Said pledge shall constitute a first lien on such assets.

In order to secure the pledge of the Lease Revenues contained in this Section, the Authority hereby sells, assigns and transfers to the Trustee, irrevocably and absolutely, without recourse, for the benefit of the Owners, all of its right, title and interest in and to the Site Lease and the Sublease, including, without limitation, the right to receive Base Rental Payments and the right to exercise any remedies provided in the Sublease in the event of a default by the County thereunder; provided, however, that the Authority shall retain the rights to indemnification and to payment or reimbursement of its reasonable costs and expenses under the Sublease. The Trustee hereby accepts said assignment for the benefit of the Owners, subject to the provisions of this Indenture.

The Trustee shall be entitled to and shall receive all of the Base Rental Payments, and any Base Rental Payments collected or received by the Authority shall be deemed to be held, and to have been collected or received, by the Authority as agent of the Trustee and shall forthwith be paid by the Authority to the Trustee.

Section 4.02. Project Fund. (a) The Trustee shall establish and maintain a separate fund designated the "Project Fund." Within the Project Fund, the Trustee shall establish and maintain a separate account designated the "Series 2010 Coroner Addition and Improvements Renovation Account," a separate account designated the "Series 2010 Bob Hope Patriotic Hall Renovation General Improvements Account," a separate account designated the "Series 2010 Olive View - UCLA Medical Center ER/TB Unit Addition Account," a separate account designated the "Series 2010 Olive View - UCLA Medical Center Seismic Retrofit Account," a separate account designated the "Series 2010 Harbor - UCLA Medical Center Surgery/Emergency Room Replacement Account," a separate account designated the "Series 2010 Harbor - UCLA Medical Center Seismic Retrofit Account" and a separate account designated the "Series 2010 Hall of Justice Rehabilitation Account," and within each such account a separate subaccount designated the "Series 2010A Subaccount" and a separate subaccount designated the "Series 2010B Subaccount." On the Closing Date, the Trustee shall deposit in each subaccount or account of the Project Fund the amount required to be deposited therein pursuant to Section 2.03 hereof.

(b) The moneys in each account and subaccount within the Project Fund shall be used and withdrawn by the Trustee from time to time to pay Project Costs upon submission to the Trustee of a Written Request of the County substantially in the form attached hereto as Exhibit

D. Upon receipt of each such Written Request of the County, the Trustee shall pay the amount set forth in such Written Request of the County as directed by the terms thereof.

(c) Upon completion of the Project, the County shall file with the Trustee a Written Certificate of the County notifying the Trustee of such completion. Upon the filing of such Written Certificate of the County, all amounts remaining on deposit in the Project Fund shall be transferred to the Interest Account and used to pay interest on the Bonds in accordance with Section 4.04 hereof, and upon such transfer the Project Fund shall be closed.

(d) If the Project Fund has been closed in accordance with the provisions hereof, the Project Fund shall be reopened and reestablished by the Trustee in connection with the issuance of any Additional Bonds, if so provided in the Supplemental Indenture pursuant to which such Additional Bonds are issued. There shall be deposited in the Project Fund the portion, if any, of the proceeds of the sale of any Additional Bonds required to be deposited therein under the Supplemental Indenture pursuant to which such Additional Bonds are issued.

Section 4.03. Costs of Issuance Fund. (a) The Trustee shall establish and maintain a separate fund designated the "Costs of Issuance Fund." On the Closing Date, the Trustee shall deposit in the Costs of Issuance Fund the amount required to be deposited therein pursuant to Section 2.03 hereof.

(b) The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay Costs of Issuance upon submission to the Trustee of a Written Request of the County substantially in the form attached hereto as Exhibit E. Upon receipt of each such Written Request of the County, the Trustee shall pay the amount set forth in such Written Request as directed by the terms thereof.

(c) On the date that is six months after the Closing Date, the Trustee shall transfer any amounts then remaining in the Costs of Issuance Fund to the Project Fund, and upon such transfer the Costs of Issuance Fund shall be closed.

(d) If the Costs of Issuance Fund has been closed in accordance with the provisions hereof, the Costs of Issuance Fund shall be reopened and reestablished by the Trustee in connection with the issuance of any Additional Bonds, if so provided in the Supplemental Indenture pursuant to which such Additional Bonds are issued. There shall be deposited in the Costs of Issuance Fund the portion, if any, of the proceeds of the sale of any Additional Bonds required to be deposited therein under the Supplemental Indenture pursuant to which such Additional Bonds are issued.

Section 4.04. Payment Fund. (a) The Trustee shall establish and maintain a separate fund designated the "Payment Fund." Within the Payment Fund, the Trustee shall establish and maintain a separate account designated the "Interest Account" and a separate account designated the "Principal Account."

(b) All Lease Revenues received by the Trustee shall be deposited by the Trustee in the Payment Fund; provided, however, that Net Proceeds, other than those constituting proceeds of rental interruption insurance received with respect to the Property, shall not be deposited in the Payment Fund but, rather, shall be applied as provided in Section 5.01 or Section 5.02 hereof,

as applicable. There shall additionally be deposited in the Payment Fund amounts transferred from the Reserve Fund pursuant to subsection (c) of Section 4.06 hereof. [The Insurance Policy shall be held by the Trustee and shall be deemed to be held in the Payment Fund.]

(c) The Trustee, on each Interest Payment Date, shall transfer from the Payment Fund to the Interest Account an amount equal to the interest on the Bonds coming due on such Interest Payment Date. Moneys in the Interest Account shall be withdrawn and used by the Trustee for the purpose of paying interest on the Bonds as and when due and payable.

(d) The Trustee, on each Principal Payment Date, shall transfer from the Payment Fund to the Principal Account an amount equal to the principal of the Bonds, including principal due and payable by reason of mandatory sinking fund redemption, coming due on such date. Moneys in the Principal Account shall be withdrawn and used by the Trustee for the purpose of paying principal of the Bonds, including principal due and payable by reason of mandatory sinking fund redemption, as and when due and payable.

Section 4.05. Redemption Fund. The Trustee shall establish and maintain a special fund designated the "Redemption Fund." The Trustee shall deposit in the Redemption Fund any amounts received from the County in connection with the County's exercise of its right pursuant to Section 6.02 of the Sublease to cause Bonds to be optionally redeemed. Additionally, the Trustee shall deposit in the Redemption Fund any amounts required to be deposited therein pursuant to Section 5.01 or Section 5.02 hereof. Amounts in the Redemption Fund shall be disbursed therefrom by the Trustee for the payment of the redemption price of, and accrued interest on, Bonds redeemed pursuant to Section 3.01 or Section 3.02 hereof.

Section 4.06. Reserve Fund. (a) The Trustee shall establish and maintain a special fund designated the "Reserve Fund." On the Closing Date, the Trustee shall deposit in the Reserve Fund the amount required to be deposited therein pursuant to Section 2.03 hereof. There shall additionally be deposited in the Reserve Fund, in connection with the issuance of Additional Bonds, the amount required to be deposited therein under the Supplemental Indenture pursuant to which such Additional Bonds are issued.

(b) In the event that, on the second Business Day prior to a date on which the Trustee is to transfer money from the Payment Fund to the Interest Account pursuant to subsection (c) of Section 4.04 hereof or to the Principal Account pursuant to subsection (d) of Section 4.04 hereof, amounts in the Payment Fund are insufficient for such purpose, the Trustee shall withdraw from the Reserve Fund, to the extent of any funds therein, the amount of such insufficiency, and shall transfer any amounts so withdrawn to the Payment Fund.

(c) In the event of any transfer from the Reserve Fund, the Trustee shall, within two Business Days thereafter, provide written notice to the Authority, the County [and the Insurer] of the amount and the date of such transfer or claim; provided, however, that such notice need not be provided if such transfer is made pursuant to subsection (e) or subsection (f) of this Section.

(d) If the amount on deposit in the Reserve Fund is less than the Reserve Fund Requirement, the first of Base Rental Payments thereafter received from the County under the Sublease and not needed to pay the principal of and interest on the Bonds on the next Interest

Payment Date or Principal Payment Date shall be used to increase the amount on deposit in the Reserve Fund so that the amount on deposit in the Reserve Fund shall equal the Reserve Requirement.

(e) If, as a result of the payment of principal of or interest on the Bonds, the Reserve Requirement is reduced, amounts on deposit in the Reserve Fund in excess of such reduced Reserve Requirement shall be transferred to the Payment Fund.

(f) On any date on which Bonds are defeased in accordance with Section 9.02 hereof, the Trustee shall, if so directed in a Written Request of the County, transfer any moneys in the Reserve Fund in excess of the Reserve Requirement resulting from such defeasance to the entity or fund so specified in such Written Request of the County, to be applied to such defeasance.

(g) Moneys, if any, on deposit in the Reserve Fund shall be withdrawn and applied by the Trustee for the final payments of principal of and interest on the Bonds.

Section 4.07. Rebate Fund. (a) The Trustee shall establish and maintain a special fund designated the "Rebate Fund." There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Tax Certificate, as specified in a Written Request of the Authority or a Written Request of the County. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement, for payment to the United States of America. Notwithstanding defeasance of the Bonds pursuant to Article IX hereof or anything to the contrary contained herein, all amounts required to be deposited into or on deposit in the Rebate Fund shall be governed exclusively by this Section and by the Tax Certificate (which is incorporated herein by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority or the County, and shall have no liability or responsibility to enforce compliance by the Authority or the County with the terms of the Tax Certificate. The Trustee may conclusively rely upon the determinations, calculations and certifications of the Authority or the County required by the Tax Certificate. The Trustee shall have no responsibility to independently make any calculation or determination or to review the calculations of the Authority or the County.

(b) Any funds remaining in the Rebate Fund after payment in full of all of the Bonds and after payment of any amounts described in this Section, shall, upon receipt by the Trustee of a Written Request of the County, be withdrawn by the Trustee and remitted to the County.

Section 4.08. Investments. (a) Except as otherwise provided herein, any moneys held by the Trustee in the funds and accounts established hereunder shall be invested by the Trustee upon the Written Request of the County, received at least two Business Days prior to the investment date, only in Permitted Investments, and in the absence of such direction shall be invested by the Trustee in Permitted Investments described in clause [(6)] of the definition thereof. The Trustee may act as principal or agent in the acquisition or disposition of any such investment. The Trustee shall not be liable or responsible for any loss suffered in connection with any such investment made by it under the terms of and in accordance with this Section. The Trustee shall sell or present for redemption any obligations so purchased whenever it shall be necessary in order to provide moneys to meet any payment of the funds so invested, and the

Trustee shall not be liable or responsible for any losses resulting from any such investment sold or presented for redemption. Permitted Investments that are registerable securities shall be registered in the name of the Trustee.

(b) Investments purchased with funds on deposit in the Payment Fund shall mature not later than the payment date immediately succeeding the investment. Investments purchased with funds on deposit in the Redemption Fund shall be invested in Permitted Investments described in clause [(1)(a)] of the definition thereof that mature on or prior to the redemption date on which such funds are to be applied to the redemption of Bonds. Investments purchased with funds on deposit in the Project Fund shall mature not later than the dates upon which such funds shall be needed to be expended for the payment of Project Costs. Notwithstanding anything to the contrary contained herein, investments purchased with funds on deposit in the Reserve Fund shall have an average aggregate weighted term to maturity of not greater than five years.

(c) Investments (except investment agreements) in any fund or account established hereunder shall be valued, exclusive of accrued interest (i) [as frequently as deemed necessary by the Insurer but] not less often than annually nor more often than monthly, and (ii) upon any draw upon the Reserve Fund. All investments of amounts deposited in any fund or account established hereunder shall be valued at the market value thereof.

(d) Any interest or profits received with respect to investments held in any of the funds or accounts established under this Indenture (other than the Reserve Fund) shall be retained therein. Any interest or profits received with respect to investments held in the Reserve Fund shall be, until the date the Written Certificate of the County required by subsection (c) of Section 4.02 hereof is filed with the Trustee, transferred to the Project Fund and, thereafter, shall be transferred to the Interest Account. Notwithstanding the foregoing, any such transfer or disbursement shall be made from the Reserve Fund only if and to the extent that, after such transfer, the amount on deposit in the Reserve Fund is at least equal to the Reserve Requirement.

(e) The Authority and the County acknowledges that to the extent that regulations of the Comptroller of the Currency grant the Authority or the County the right to receive brokerage confirmations of security transactions as they occur, at no additional cost, to the extent permitted by law, the Authority and the County specifically waives receipt of such confirmations. The Trustee shall furnish the Authority and the County periodic transaction statements that include detail for all investment transactions made by the Trustee hereunder.

ARTICLE V

NET PROCEEDS AND TITLE INSURANCE; COVENANTS

Section 5.01. Application of Net Proceeds. If the Property or any portion thereof shall be damaged or destroyed, subject to the further requirements of this Section, the County shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair or replacement thereof, unless the County elects not to repair or replace the Property or the affected portion thereof in accordance with the provisions hereof.

The Net Proceeds of any insurance (other than Net Proceeds of rental interruption insurance), including the proceeds of any self-insurance, received on account of any damage or destruction of the Property or a portion thereof shall as soon as possible be deposited with the Trustee and be held by the Trustee in a special account and made available for and, to the extent necessary, shall[, with the consent of the Insurer,] be applied to the cost of repair or replacement of the Property or the affected portion thereof upon receipt of a Written Request of the County, together with invoices therefor. Pending such application, such proceeds may, pursuant to a Written Request of the County, be invested by the Trustee in Permitted Investments that mature not later than such times as moneys are expected to be needed to pay such costs of repair or replacement.

Notwithstanding the foregoing, the County shall, within 60 days of the occurrence of the event of damage or destruction, notify the Trustee in writing as to whether the County intends to replace or repair the Property or the portions of the Property which were damaged or destroyed. If the County does intend to replace or repair the Property or portions thereof, the County shall deposit with the Trustee the full amount of any insurance deductible to be credited to the special account referred to above.

If such damage, destruction or loss was such that there resulted a substantial interference with the County's right to the use or occupancy of the Property and an abatement in whole or in part of Rental Payments results from such damage or destruction pursuant to Section 3.06 of the Sublease, then the County shall[, with the consent or at the direction of the Insurer,] be required either to (a) apply sufficient funds from the insurance proceeds and other legally available funds to the replacement or repair of the Property or the portions thereof which have been damaged to the condition which existed prior to such damage or destruction, or (b) apply sufficient funds from the insurance proceeds and other legally available funds to the redemption, pursuant to Section 3.01 hereof (i) of all of the Outstanding Bonds, or (ii) of such portion of the Outstanding Bonds as shall result in the remaining, non-abated Base Rental Payments being sufficient to pay, as and when due, the principal of and interest on the Bonds that will remain Outstanding after such redemption. If the County is required to apply funds from the insurance proceeds and other legally available funds to the redemption of Bonds in accordance with clause (b) above, the County shall direct the Trustee, in a Written Request of the County, to transfer the funds to be applied to such redemption to the Redemption Fund and the Trustee shall transfer such funds to the Redemption Fund. Any proceeds of any insurance, including the proceeds of any self-insurance remaining after the portion of the Property which was damaged or destroyed is restored to and made available to the County in substantially the same condition and annual fair rental value as that which existed prior to the damage or destruction as required by clause (a)

above, or the redemption of Bonds as required by clause (b) above, in each case as evidenced by a Written Certificate of the County to such effect, shall be deposited in the Reserve Fund to the extent that the amount therein is less than the Reserve Requirement. If the County is not required to replace or repair the Property, or the affected portion thereof, as set forth in clause (a) above, or to use such amounts to redeem Bonds as set forth in clause (b) above, then such proceeds shall be deposited in the Reserve Fund to the extent that the amount therein is less than the Reserve Requirement. Any amounts not required to be so deposited into the Reserve Fund shall, [with the consent of the Insurer and] if there is first delivered to the Trustee a Written Certificate of the County to the effect that the annual fair rental value of the Property after such damage or destruction, and after any repairs or replacements made as a result of such damage or destruction, is at least equal to 100% of the maximum amount of Base Rental Payments becoming due under the Sublease in the then current Rental Period or any subsequent Rental Period and the fair replacement value of the Property after such damage or destruction is at least equal to the sum of the then unpaid principal components of Base Rental Payments, be paid to the County to be used for any lawful purpose.

The proceeds of any award in eminent domain shall be deposited by the Trustee in the Redemption Fund and applied to the redemption of Bonds pursuant to Section 3.01 hereof.

Section 5.02. Title Insurance. Net Proceeds of any policy of title insurance received by the Trustee in respect of the Property shall be applied and disbursed by the Trustee as follows:

(a) if the County determines that the title defect giving rise to such proceeds has not substantially interfered with its use and occupancy of the Property and will not result in an abatement of Rental Payments payable by the County under the Sublease, such proceeds shall[, with the written approval of the Insurer,] be remitted to the County and used for any lawful purpose thereof; or

(b) if the County determines that the title defect giving rise to such proceeds has substantially interfered with its use and occupancy of the Property and will result in an abatement in whole or in part of Rental Payments payable by the County under the Sublease, then the County shall, in a Written Request of the County, direct the Trustee to, and the Trustee shall[, with the written approval of the Insurer,] immediately deposit such proceeds in the Redemption Fund and such proceeds shall be applied to the redemption of Bonds in the manner provided in Section 3.01 hereof.

Section 5.03. Punctual Payment. The Authority shall punctually pay or cause to be paid the principal of, and premium, if any, and interest on the Bonds, in strict conformity with the terms of the Bonds and of this Indenture, according to the true intent and meaning thereof, but only out of the Base Rental Payments and other assets pledged for such payment as provided in this Indenture and received by the Authority or the Trustee.

Section 5.04. Compliance with Indenture. The Authority and the County shall faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in this Indenture required to be complied with, kept, observed and performed by them.

Section 5.05. Compliance with Site Lease and Sublease. The Authority and the County shall faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in the Site Lease and the Sublease required to be complied with, kept, observed and performed by them and, together with the Trustee, shall enforce the Site Lease and the Sublease against the other party thereto in accordance with their respective terms.

Section 5.06. Observance of Laws and Regulations. The Authority, the County and the Trustee shall faithfully comply with, keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on them by contract, or prescribed by any law of the United States of America or of the State of California, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of each and every franchise, right or privilege now owned or hereafter acquired by them, including their right to exist and carry on their respective businesses, to the end that such franchises, rights and privileges shall be maintained and preserved and shall not become abandoned, forfeited or in any manner impaired.

Section 5.07. Other Liens. The County shall keep the Property and all parts thereof free from judgments and materialmen's and mechanics' liens and free from all claims, demands, encumbrances and other liens (other than the OES Lien) of whatever nature or character, and free from any claim or liability which materially impairs the County in conducting its business or utilizing the Property, and the Trustee at its option (after first giving the County thirty days' written notice to comply therewith and failure of the County to so comply within such thirty-day period) may defend against any and all actions or proceedings, or may pay or[, with the consent of the Insurer,] compromise any claim or demand asserted in any such actions or proceedings; provided, however, that, in defending against any such actions or proceedings or in paying or compromising any such claims or demands, the Trustee shall not in any event be deemed to have waived or released the County from liability for or on account of any of its agreements and covenants contained herein, or from its obligation hereunder to perform such agreements and covenants. The Trustee shall have no liability with respect to any determination made in good faith to proceed or decline to defend, pay or compromise any such claim or demand.

So long as any Bonds are Outstanding, none of the Trustee, the Authority or the County shall create or suffer to be created any pledge of or lien on the amounts on deposit in any of the funds or accounts created hereunder, other than the pledge and lien hereof.

The Authority and the Trustee shall not encumber the Property other than in accordance with the Site Lease, the Sublease and this Indenture.

Section 5.08. Prosecution and Defense of Suits. The County shall promptly, upon request of the Trustee[, the Insurer] or any Owner, take such action from time to time as may be necessary or proper to remedy or cure any cloud upon or defect in the title to the Property or any part thereof, whether now existing or hereafter developing, shall prosecute all actions, suits or other proceedings as may be appropriate for such purpose and shall indemnify and save the Trustee[, the Insurer] and every Owner harmless from all cost, damage, expense or loss, including attorneys' fees, which they or any of them may incur by reason of any such cloud, defect, action, suit or other proceeding.

Section 5.09. Accounting Records and Statements. The Trustee shall keep proper accounting records in which complete and correct entries shall be made of all transactions relating to the receipt, deposit and disbursement of the Lease Revenues, and such accounting records shall be available for inspection by the Authority and the County at reasonable hours and under reasonable conditions. The Trustee shall, upon written request, make copies of the foregoing available to [the Insurer and], at the Owner's expense, any Owner or its agent duly authorized in writing.

Section 5.10. Recordation. The County shall record, or cause to be recorded, with the appropriate county recorder, the Sublease and the Site Lease, or memoranda thereof, and a memorandum of the assignment of the County's right, title and interest in and to the Site Lease and the Sublease pursuant to Section 4.01 hereof.

Section 5.11. Tax Covenants. (a) Neither the Authority nor the County shall take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of interest on the Series 2010A Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, each of the Authority and the County shall comply with the requirements of the Tax Certificate, which is incorporated herein as if fully set forth herein. This covenant shall survive payment in full or defeasance of the Series 2010A Bonds.

(b) In the event that at any time the Authority or the County is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the Trustee in any of the funds or accounts established hereunder, the Authority or the County shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provisions of this Section, if the Authority or the County shall provide to the Trustee an Opinion of Counsel to the effect that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Series 2010A Bonds, the Trustee may conclusively rely on such opinion in complying with the requirements of this Section and of the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

Section 5.12. Continuing Disclosure. The County shall comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the County to comply with the Continuing Disclosure Certificate shall not constitute an Event of Default hereunder; provided, however, that the Trustee may (and, at the written direction of any Participating Underwriter or the holders of at least 25% of the aggregate principal amount of Outstanding Series 2010 Bonds, shall) or any holder or Beneficial Owner of the Series 2010 Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 5.13. Notifications Required by the Act. If at any time the Trustee fails to pay principal or interest due on any scheduled payment date for the Bonds or withdraws funds from the Reserve Fund to pay principal and interest on the Bonds, the Trustee shall notify the

Authority in writing of such failure or withdrawal, as applicable, and, in accordance with Section 6599.1(c) of the Act, the Authority shall notify the California Debt and Investment Advisory Commission of such failure or withdrawal, as applicable, within 10 days of the failure or withdrawal, as applicable.

Section 5.14. Further Assurances. Whenever and so often as reasonably requested to do so by the Trustee[, the Insurer] or any Owner, the Authority and the County shall promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee[, the Insurer] and the Owners all advantages, benefits, interests, powers, privileges and rights conferred or intended to be conferred upon them hereby or by the Site Lease or the Sublease.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 6.01. Events of Default. The occurrence, from time to time, of any one or more of the following events shall constitute an Event of Default under this Indenture:

(a) failure to pay any installment of principal of any Bond as and when the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption or otherwise;

(b) failure to pay any installment of interest on any Bond as and when the same shall become due and payable;

(c) a Sublease Default Event shall have occurred and be continuing;

(d) failure by the Authority to observe and perform any of the other covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, if such failure shall have continued for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the Authority by the Trustee, the County[, the Insurer] or the Owners of not less than 5% in aggregate principal amount of the Bonds at the time Outstanding; provided, however, that if, in the reasonable opinion of the Authority, the failure stated in the notice can be corrected, but not within such 30 day period, such failure shall not constitute an Event of Default if corrective action is instituted by the Authority within such 30 day period and the Authority shall thereafter diligently and in good faith cure such failure in a reasonable period of time[, provided, further, however, that the period of time for such cure shall not exceed 90 days without the prior written consent of the Insurer];

(e) failure by the County to observe and perform any of the covenants, agreements or conditions on its part in this Indenture contained, if such failure shall have continued for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the County by the Trustee, the Authority[, the Insurer] or the Owners of not less than 5% in aggregate principal amount of the Bonds at the time Outstanding; provided, however, that if, in the reasonable opinion of the County, the failure stated in the notice can be corrected, but not within such 30 day period, such failure shall not constitute an Event of Default if corrective action is instituted by the County within such 30 day period and the County shall thereafter diligently and in good faith cure such failure in a reasonable period of time[, provided, further, however, that the period of time for such cure shall not exceed 60 days without the prior written consent of the Insurer]; or

(f) the Authority or the County shall commence a voluntary case under Title 11 of the United States Code or any substitute or successor statute.

Section 6.02. Action on Default. [In each and every case during the continuance of an Event of Default, the Trustee (a) may, with the prior written consent of the Insurer, at the direction of the Owners of not less than a majority of the aggregate principal amount of Bonds

then Outstanding, and (b) shall, so long as no Insurer Default shall have occurred and be continuing, at the direction of the Insurer, upon notice in writing to the Authority and the County, exercise any of the remedies granted to the Authority under the Sublease and, in addition, with the written consent or at the written direction of, the Insurer, take whatever action at law or in equity may appear necessary or desirable to protect and enforce any of the rights vested in the Trustee or the Owners by this Indenture or by the Bonds, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement or for the enforcement of any other legal or equitable right, including any one or more of the remedies set forth in Section 6.03 hereof.]

Section 6.03. Other Remedies of the Trustee. [Subject to the provisions of Section 6.02 hereof,] during the continuance of an Event of Default, the Trustee shall have the right:

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the Authority or the County or any member, director, officer or employee thereof, and to compel the Authority or the County or any such member, director, officer or employee to perform or carry out its or his or her duties under law and the agreements and covenants required to be performed by it or him or her contained herein or in the Bonds;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee or the Owners; or

(c) by suit, action or proceeding in any court of competent jurisdiction, to require the Authority or the County, or both, to account as if it or they were the trustee or trustees of an express trust.

Section 6.04. Remedies Not Exclusive. [Subject to the provisions of Section 6.02 hereof,] no remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by any law. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.05. Application of Amounts After Default. If an Event of Default shall occur and be continuing, all Lease Revenues and any other funds thereafter received by the Trustee under any of the provisions of this Indenture shall be applied by the Trustee as follows and in the following order:

(a) to the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Owners and payment of reasonable fees, charges and expenses of the Trustee (including reasonable fees and disbursements of its counsel) incurred in and about the performance of its powers and duties under this Indenture;

(b) to the payment of all amounts then due for interest on the Bonds, ratably without preference or priority of any kind, according to the amounts of interest on such

Bonds due and payable, with interest on the overdue interest at the rate borne by the respective Bonds;

(c) to the payment of all amounts then due for principal of the Bonds, ratably without preference or priority of any kind, according to the amounts of principal of the Bonds due and payable, with interest on the overdue principal at the rate borne by the respective Bonds; and

(d) [to the extent not included in clause (b) or clause (c) above, to the payment of all amounts then due hereunder to the Insurer.]

Section 6.06. Power of Trustee to Enforce. All rights of action under this Indenture or the Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of the Owners of such Bonds, subject to the provisions of this Indenture.

Section 6.07. Bond Owners Direction of Proceedings. Anything in this Indenture to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, and upon indemnification of the Trustee to its reasonable satisfaction, to direct the method of conducting all remedial proceedings taken by the Trustee hereunder[, but only if, so long as no Insurer Default shall have occurred and be continuing, the Insurer has consented to such direction]; provided, however, that such direction shall not be otherwise than in accordance with law and the provisions of this Indenture, and, provided, further, that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Owners not parties to such direction.

Section 6.08. Limitation on Bond Owners' Right to Sue. No Owner of any Bond shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture, the Act or any other applicable law with respect to such Bonds, unless (a) such Owner shall have given to the Trustee written notice of the occurrence of an Event of Default, [(b) so long as no Insurer Default shall have occurred and be continuing, such Owner shall have obtained the Insurer's consent to such institution,] (c) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name, (d) such Owner or said Owners shall have tendered to the Trustee indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, and (e) the Trustee shall have refused or omitted to comply with such request for a period of 60 days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder or under law; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security

of this Indenture or the rights of any other Owners, or to enforce any right under the Bonds, this Indenture, the Act or other applicable law with respect to the Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Owners, subject to the provisions of this Indenture.

Section 6.09. Termination of Proceedings. If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned or determined adversely to the Trustee[, the Insurer] or any Owner, then, subject to any such adverse determination, the Trustee[, the Insurer], such Owner, the Authority and the County shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken. In case any proceedings taken by the Trustee[, the Insurer] or any one or more Owners on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee[, the Insurer] or any Owner, then in every such case the Trustee, [the Insurer,] such Owner, the Authority and the County, subject to any determination in such proceedings, shall be restored to their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the Trustee, [the Insurer,] the Owners, the Authority and the County shall continue as though no such proceedings had been taken.

Section 6.10. No Waiver of Default. No delay or omission of the Trustee or of any Owner to exercise any right or power arising upon the occurrence of any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein, and every power and remedy given by this Indenture to the Trustee or to the Owners may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VII

THE TRUSTEE

Section 7.01. Duties and Liabilities of Trustee. The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are expressly and specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured or waived, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

Section 7.02. Removal and Resignation of the Trustee. The Authority and the County may by an instrument in writing, remove the Trustee initially a party hereto and any successor thereto unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee initially a party hereto and any successor thereto if at any time (a) requested to do so by [the Insurer (so long as no Insurer Default shall have occurred and be continuing) or] by an instrument or concurrent instruments in writing signed by the Owners of a majority of the aggregate principal amount of the Bonds at the time Outstanding (or their attorneys duly authorized in writing), or (b) the Trustee shall cease to be eligible in accordance with the following sentence, and shall appoint a successor Trustee. The Trustee and any successor Trustee shall be a commercial bank with trust powers having a combined capital (exclusive of borrowed capital) and surplus of at least \$50,000,000 (or be part of a bank holding company with a combined capital and surplus of at least \$50,000,000) and subject to supervision or examination by federal or state authorities. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Trustee may at any time resign by giving written notice of such resignation to the Authority and the County and by giving notice, by first class mail, postage prepaid, of such resignation to the Owners at their addresses appearing on the Registration Books. Upon receiving such notice of resignation, the Authority and the County shall promptly appoint a successor Trustee by an instrument in writing; provided, however, that in the event the Authority and the County do not appoint a successor Trustee within 30 days following receipt of such notice of resignation, the resigning Trustee may, at the expense of the County, petition the appropriate court having jurisdiction to appoint a successor Trustee. Any resignation or removal of a Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the Authority and the County and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless, at the written request of the Authority, the County or of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other

things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth.

Any corporation, association or agency into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, provided that such entity meets the combined capital and surplus requirements of this Section, ipso facto, shall be and become successor trustee under this Indenture and vested with all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 7.03. Compensation and Indemnification of the Trustee. The County shall from time to time, subject to any written agreement then in effect with the Trustee, pay the Trustee reasonable compensation for all its services rendered hereunder and reimburse the Trustee for all its reasonable advances and expenditures (which shall not include "overhead expenses" except as such expenses are included as a component of the Trustee's stated annual fees) hereunder, including but not limited to advances to and reasonable fees and reasonable expenses of accountants, agents, appraisers, consultants or other experts, and counsel not directly employed by the Trustee but an attorney or firm of attorneys retained by the Trustee, employed by it in the exercise and performance of its rights and obligations hereunder; provided, however, that the Trustee shall not have any lien for such compensation or reimbursement against any moneys held by it in any of the funds or accounts established hereunder.

The County shall, to the extent permitted by law, indemnify and save the Trustee harmless against any liabilities, costs, claims or expenses, including those of its attorneys, which it may incur in the exercise and performance of its powers and duties hereunder and under any related documents, including the enforcement of any remedies and the defense of any suit, and which are not due to its negligence or its willful misconduct. The duty of the County to indemnify the Trustee shall survive the termination and discharge of this Indenture.

Section 7.04. Protection of the Trustee. The Trustee shall be protected and shall incur no liability in acting or proceeding in good faith upon any affidavit, bond, certificate, consent, notice, request, requisition, resolution, statement, telegram, voucher, waiver or other paper or document which it shall in good faith believe to be genuine and to have been adopted, executed or delivered by the proper party or pursuant to any of the provisions hereof, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Owners pursuant to this Indenture, unless such Owners shall have offered to the Trustee security or indemnity, reasonably satisfactory to the Trustee, against the reasonable costs, expenses and liabilities which might be incurred by it in compliance with such request or

direction. Under no circumstances shall the Trustee request or be entitled to indemnification from the County for taking actions required by and in accordance with this Indenture, including, but not limited to, causing payments of principal of and interest on the Bonds to be made to the Owners thereof and carrying out redemptions of the Bonds in accordance with the terms hereof. The Trustee may consult with counsel, who may be counsel to the Authority or the County, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect to any action taken or suffered by it hereunder in good faith in accordance therewith.

The Trustee shall not be responsible for the sufficiency of the Bonds or the Sublease or for statements made in the preliminary or final official statement relating to the Bonds, or of the title to the Property.

Except as otherwise expressly provided herein, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers hereunder.

Whenever in the administration of its rights and obligations hereunder the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Authority or a Written Certificate of the County, and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it deems reasonable.

The Trustee may buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owner may be entitled to take with like effect as if the Trustee were not a party hereto. The Trustee, either as principal or agent, may also engage in or be interested in any financial or other transaction with the Authority or the County, and may act as agent, depository or trustee for any committee or body of Owners or of owners of obligations of the Authority or the County as freely as if it were not the Trustee hereunder.

The Trustee may, to the extent reasonably necessary, execute any of the trusts or powers hereof and perform any rights and obligations required of it hereunder by or through agents, attorneys or receivers, and shall be entitled to advice of counsel concerning all matters of trust and its rights and obligations hereunder, and the Trustee shall not be answerable for the negligence or misconduct of any such agent, attorney or receiver selected by it with reasonable care; provided, however, that in the event of any negligence or misconduct of any such attorney, agent or receiver, the Trustee shall diligently pursue all remedies of the Trustee against such agent, attorney or receiver. The Trustee shall not be liable for any error of judgment made by it in good faith unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

The Trustee shall not be answerable for the exercise of any trusts or powers hereunder or for anything whatsoever in connection with the funds established hereunder, except only for its own willful misconduct, negligence or breach of an obligation hereunder.

The Trustee may, on behalf of the Owners, intervene in any judicial proceeding to which the Authority or the County is a party and which, in the opinion of the Trustee and its counsel, affects the Bonds or the security therefor, and shall do so if requested in writing by [the Insurer or] the Owners of at least 5% of the aggregate principal amount of Bonds then Outstanding, provided the Trustee shall have no duty to take such action unless it has been indemnified to its reasonable satisfaction against all risk or liability arising from such action.

ARTICLE VIII

SUPPLEMENTAL INDENTURES

Section 8.01. Supplemental Indentures. (a) This Indenture and the rights and obligations of the Authority, the County, the Trustee and the Owners hereunder may be modified or amended at any time by a Supplemental Indenture, which the Authority, the County and the Trustee may enter into when the prior written consents of [the Insurer (so long as no Insurer Default shall have occurred and be continuing) and] the Owners of a majority of the aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 11.06 hereof, are filed with the Trustee. No such modification or amendment shall (i) extend the fixed maturity of any Bond, reduce the amount of principal thereof or the rate of interest thereon, alter the redemption provisions with respect thereto [or diminish the security afforded by the Insurance Policy], without the consent of the Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, without the consent of the Owners of all of the Bonds then Outstanding, or (iii) permit the creation of any lien on the Lease Revenues and other assets pledged under this Indenture prior to or on a parity with the lien created by this Indenture or deprive the Owners of the Bonds of the lien created by this Indenture on such Lease Revenues and other assets (except as expressly provided in this Indenture), without the consent of the Owners of all Bonds then Outstanding, or (iv) amend this Section without the prior written consent of the Owners of all Bonds then Outstanding.

(b) This Indenture and the rights and obligations of the Authority, the County, the Trustee and the Owners hereunder may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority, the County and the Trustee may enter into [with the prior written consent of the Insurer (so long as no Insurer Default shall have occurred and be continuing), but] without the consent of any Owners for any one or more of the following purposes:

(i) to add to the covenants and agreements of the Authority or the County in this Indenture contained other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Authority or the County;

(ii) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision contained in this Indenture or in regard to questions arising hereunder which the Authority or the County may deem desirable or necessary and not inconsistent herewith;

(iii) to provide for the issuance of one or more Series of Additional Bonds, and to provide the terms and conditions under which such Series of Additional Bonds may be issued, subject to and in accordance with the provisions of Section 2.04 and Section 2.05 hereof;

(iv) to make such additions, deletions or modifications as may be necessary or appropriate to assure the exclusion from gross income for federal income tax purposes of

interest on Tax-Exempt Bonds or maintain any federal interest subsidies expected to be received with respect to any Bonds; and

(v) for any other reason, provided such amendment or supplement does not adversely affect the rights or interests of [the Insurer or] the Owners; provided, however, that the Authority, the County and the Trustee may rely in entering into any such amendment or supplement upon an Opinion of Counsel stating that the requirements of this paragraph have been met with respect to such amendment or supplement.

(c) Promptly after the execution by the Authority, the County and the Trustee of any Supplemental Indenture, the Trustee shall mail a notice (the form of which shall be furnished to the Trustee by the Authority or the County), by first class mail postage prepaid, setting forth in general terms the substance of such Supplemental Indenture, to the Owners of the Bonds at the respective addresses shown on the Registration Books. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Indenture.

Section 8.02. Effect of Supplemental Indenture. (b) The rights granted to the Insurer under this Indenture, the Sublease or the Site Lease to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit of or on behalf of the Owners, nor does such action evidence any position of the Insurer, positive or negative, as to whether Owner consent is required in addition to consent of the Insurer.

(c) The Series 2010 Bonds paid by the Insurer under the Insurance Policy shall not be deemed to have been paid for purposes of this Indenture, the Sublease or the Site Lease and shall remain Outstanding and continue to be due and owing until paid by the Authority in accordance with this Indenture.

(d) Each of the Authority and the County covenants and agrees to take such action as is necessary from time to time to perfect or otherwise preserve under applicable law the priority of the pledge of Lease Revenues contained in Section 4.01 hereof.

The obligations of the Authority with respect to such rights to which the Insurer has become subrogated shall survive the termination of the Site Lease and the Sublease.

(f) The County hereby agrees, to the extent permitted by law, to pay or reimburse the Insurer any and all charges, fees, costs and expenses which the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in this Indenture, the Sublease or the Site Lease, (ii) the pursuit of any remedies under this Indenture, the Sublease or the Site Lease, or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, this Indenture, the Sublease or the Site Lease whether or not executed or completed, (iv) the violation by the Authority or the County of any law, rule or regulation, or any judgment, order or decree applicable to it, or (v) any litigation or other dispute in connection with this Indenture, the Sublease or the Site Lease,

or the transactions contemplated hereby or thereby, other than amounts resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of this Indenture, the Sublease or the Site Lease.

(h) The Insurer shall be entitled to pay principal of or interest on the Series 2010 Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Authority (as such terms are defined in the Insurance Policy), whether or not the Insurer has received a Notice of Nonpayment (as such term is defined in the Insurance Policy) or a claim upon the Insurance Policy.

If, on the Business Day prior to such Interest Payment Date or Principal Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2010 Bonds due on such Interest Payment Date or Principal Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2010 Bonds and the amount required to pay principal of the Series 2010 Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent (if any) by 12:00 (noon) New York City time on such Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Trustee shall designate any portion of payment of principal of Series 2010 Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption or maturity, on its books as a reduction in the principal amount of Series 2010 Bonds registered to the then current Owners, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2010 Bond to the Insurer, registered in the name of _____, in a principal amount equal to the amount of principal so paid (without

regard to Authorized Denominations); provided, however, that the Trustee's failure to so designate any payment or issue any replacement Series 2010 Bond shall have no effect on the amount of principal of or interest on Series 2010 Bonds payable by the Authority or on the subrogation rights of the Insurer.

(c) Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of the Owners of the Series 2010 Bonds designated the "Policy Payments Account," over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Owners of the Series 2010 Bonds and shall deposit such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Owners of the Series 2010 Bonds in the same manner as principal and interest payments are to be made with respect to the Series 2010 Bonds under the provisions hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything to the contrary otherwise set forth in the Indenture, and to the extent permitted by law, in the event amounts paid under the Insurance Policy are applied to claims for payment of principal of, or interest on, the Series 2010 Bonds, interest on such principal of, and interest on, such Series 2010 Bonds shall accrue and be payable from the date of such payment at the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank or its successor at its principal office in the City of New York, as its prime or base lending rate, plus 3%, and (ii) the applicable rate of interest on the Series 2010 Bonds provided that in no event shall such rate exceed the maximum rate permissible under applicable usury or similar laws limiting interest rates.

(d) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. (e) Each of the Authority, the County and the Trustee agrees that it will, if it has actual knowledge thereof, promptly notify the Insurer of (i) the commencement of any Insolvency Proceeding by or against the Authority or the County, and (ii) the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of or interest on the Series 2010 Bonds.

(f) The Insurer shall be provided with a full original transcript of all proceedings relating to the execution of any Supplemental Indenture, amendment to the Sublease or amendment to the Site Lease or any waiver with respect to this Indenture, the Sublease or the Site Lease.

This Bond is one of a series of a duly authorized issue of bonds designated "Los Angeles County Public Works Financing Authority Lease Revenue Bonds (Multiple Capital Projects I), 2010 Series A (Tax-Exempt)" (the "Series 2010A Bonds") in the aggregate principal amount of \$ _____. The Series 2010A Bonds are issued pursuant to the Indenture, and this reference incorporates the Indenture herein. Simultaneously with the issuance of the Series 2010A Bonds, the Authority is issuing its Los Angeles County Public Works Financing Authority Lease Revenue Bonds (Multiple Capital Projects I), 2010 Series B (Build America Bonds/Recovery Zone Economic Development Bonds) (the "Series 2010B Bonds"), in the aggregate principal amount of \$ _____. The Series 2010A Bonds are on a parity with the Series 2010B Bonds. Pursuant to and as more particularly provided in the Indenture, Additional Bonds may be issued by the Authority payable from Lease Revenues as provided in the Indenture on a parity with the Series 2010A Bonds and the Series 2010B Bonds. The Series 2010A Bonds and the Series 2010B Bonds and any Additional Bonds are collectively referred to as the "Bonds." The Indenture is entered into, and this Bond is issued under, the Marks-Roos Local Bond Pooling Act of 1985, constituting Section 6584 *et seq.* of the California Government Code (the "Act") and the laws of the State of California.

Reference is hereby made to the Indenture and to any and all amendments thereof and supplements thereto for a description of the agreements, conditions, covenants and terms securing the Bonds, for the nature, extent and manner of enforcement of such agreements, conditions, covenants and terms, for the rights, duties and immunities of the Trustee, for the rights and remedies of the Owners of the Bonds with respect thereto and for the other agreements, conditions, covenants and terms upon which the Bonds are issued thereunder, to all of which provisions the Registered Owner by acceptance hereof, assents and agrees.

The Bonds are special obligations of the Authority, payable solely from the Lease Revenues and the other assets pledged therefor under the Indenture. Neither the faith and credit nor the taxing power of the Authority, the County or the State of California, or any political subdivision thereof, is pledged to the payment of the Bonds. The Lease Revenues consist of all Base Rental Payments payable by the County pursuant to the Master Sublease, dated as of _____ 1, 2010, by and between the County, as lessee, and the Authority, as lessor, (the "Sublease"), including any prepayments thereof, any Net Proceeds and any amounts received by the Trustee as a result of or in connection with the Trustee's pursuit of remedies under the Sublease upon a Sublease Default Event. Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein, all of the Lease Revenues and all amounts on deposit from time to time in the funds and accounts established under the Indenture (other than the Rebate Fund) are pledged to the payment of the principal of and interest on the Bonds as provided therein, and the Lease Revenues shall not be used for any other purpose while any of the Bonds remain Outstanding. Said pledge constitutes a first lien on such assets. In order to secure such pledge of the Lease Revenues, the Authority has sold assigned and transferred to the Trustee, irrevocably and absolutely, without recourse, for the benefit of the Owners, all of its right, title and interest in and to the Site Lease and the Sublease, including, without limitation, the right to receive Base Rental Payments and the right to exercise any remedies provided in the Sublease in the event of a

default by the County thereunder; provided, however, that the Authority has retained the rights to indemnification and to payment or reimbursement of its reasonable costs and expenses under the Sublease.

The Bonds are issuable as fully registered Bonds without coupons in Authorized Denominations (\$5,000 or any integral multiple thereof).

The Series 2010A Bonds are subject to extraordinary, optional and mandatory redemption at the times, in the manner, at the redemption prices and upon notice as specified in the Indenture.

Any Bond may, in accordance with its terms, be transferred upon the Registration Books by the Person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Trustee. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and shall deliver a new Bond or Bonds of the same Series and maturity in a like aggregate principal amount, in any Authorized Denomination. The Trustee shall require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of the same Series and maturity of other Authorized Denominations. The Trustee shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

To the extent and in the manner permitted by the terms of the Indenture, the provisions of the Indenture may be amended or supplemented by the parties thereto.

The Indenture contains provisions permitting the Authority to make provision for the payment of interest on, and the principal and premium, if any, of any of the Bond so that such Bonds shall no longer be deemed to be outstanding under the terms of the Indenture.

This Bond shall not be entitled to any benefit, protection or security under the Indenture or become valid or obligatory for any purpose until the certificate of authentication and registration hereon endorsed shall have been executed and dated by an authorized signatory of the Trustee.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Trustee for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

It is hereby certified that all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, the Authority has caused this Bond to be signed in its name and on its behalf by the manual or facsimile signature of the Chairman of the Authority, attested by the manual or facsimile signature of the Secretary of the Authority, all as of the Dated Date identified above.

The County and the Authority hereby authorize the use by the Underwriters of this Bond Purchase Agreement, the Indenture, the Sublease, the Site Lease, the Authority Resolution, the County Resolution, the Disclosure Certificate and the Official Statement, and any supplements or amendments thereto, and the information contained in each of such documents, in connection with the public offering and sale of the Series 2010 Bonds (each as defined herein and, collectively, the "Legal Documents").

6. Representations, Warranties and Agreements of the County. The County hereby represents, warrants and agrees with the Underwriters as follows:

(a) the County is, and will be on the date of Closing, a political subdivision of the State of California (the "State") organized and operating pursuant to the Constitution and laws of the State with the full power and authority to execute and deliver the Legal Documents to be executed by it and to own its properties and to carry on its business as presently conducted;

(f) to the best knowledge of the County, and except as disclosed in the Preliminary Official Statement and in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending in which service of process has been completed against the County or threatened against the County in any material respect affecting the existence of the County or the titles of its officers to their respective offices or seeking to prohibit, restrain or enjoin the adoption of the County Resolution or the payment of Base Rental Payments as required under the Sublease or in any way contesting or affecting the validity or enforceability of the Act or the Legal Documents or contesting the powers of the County or its authority to enter into, adopt or perform its obligations under any of the foregoing, or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or any amendment or supplement thereto, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Legal Documents to be executed by the County or this Bond Purchase Agreement or that could have a material adverse impact upon the ability of the County to enter into or perform its obligations under such documents or that may result in any material adverse change in the business, properties, assets or the financial condition of the County or in any way contesting the existence or powers of the County;

(g) the County will furnish such information, execute such instruments and take such other actions in cooperation with the Representative as the Representative may reasonably request in order (i) to qualify the Series 2010 Bonds for offer and sale under the blue sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Representative may designate and (ii) to determine the eligibility of the Series 2010 Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualification in effect so long as required for distribution of the Series 2010 Bonds; provided, however, that in no event shall the County be required to qualify to do business or consent to service of process in any jurisdiction without its approval;

judgment of the Representative, impracticable to market the Series 2010 Bonds, including any supplements or amendments thereto;

(g) the purchase of and payment for the Series 2010 Bonds by the Underwriters, or the resale of the Series 2010 Bonds by the Underwriters, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission; or

(h) any event or circumstance shall exist that either makes untrue or incorrect in any material respect any statement or information in the Official Statement (other than any statement provided by the Underwriters or pertaining to DTC) or is not reflected in the Official Statement but should be reflected therein in order to make the statements therein, in the light of the circumstances under which they were made, not misleading and, in either such event, the County refuses to permit the Official Statement to be supplemented to supply such statement or information.

The County hereby covenants and agrees as follows:

Section 1. Purpose of Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the County for the benefit of the Owners and Beneficial Owners of the Series 2010 Bonds and in order to assist the Participating Underwriters in complying with the Rule (herein defined).

(a) The County shall, or shall cause the Dissemination Agent to, not later than February 1 in each year, commencing with the report for the County's fiscal year ended June 30, 2010, provide to the MSRB copies of an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Certificate. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the County may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date. If the County's fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under subsection 5(c).

(b) Not later than 15 Business Days prior to the date specified in subsection (a) above for providing an Annual Report to the MSRB, the County shall provide such Annual Report to the Dissemination Agent (if one has been appointed). (a) If the amendment or waiver relates to the provisions of subsection 3(a), Section 4, or subsection 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2010 Bonds, or the type of business conducted;

(b) The undertakings, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original execution and delivery of the Series 2010 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Series 2010 Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners of the Series 2010 Bonds, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or Beneficial Owners of the Series 2010 Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the County shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the County. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under subsection 5(c), and (ii) the Annual Report for the year in which the change is

made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the County from disseminating any other information, including the information then contained in Appendix A to the County's official statements relating to debt issuances, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the County chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the County shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the County to comply with any provision of this Disclosure Certificate, any Owner or Beneficial Owner of the Series 2010 Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County to comply with its obligations under this Disclosure Certificate; provided that any such action may be instituted only in the Superior Court of the State of California in and for the County of Los Angeles or in a U.S. District Court in or nearest to Los Angeles County. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture with respect to the Series 2010 Bonds, and the sole remedy under this Disclosure Certificate in the event of any failure of the County to comply with this Disclosure Certificate shall be an action to compel performance, and no person or entity shall be entitled to recover monetary damages under this Disclosure Certificate.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the County agrees, to the extent permitted by law, to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the County under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2010 Bonds.

Section 12. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the County, the Dissemination Agent, the Participating Underwriters, the Owners and Beneficial Owners from time to time of the Series 2010 Bonds, and shall create no rights in any other person or entity.

Section 13. Governing Law. This Disclosure Certificate shall be governed by the laws of the State of California and the federal securities laws.

Section 14. Transmission of Notices, Documents and Information. All notices, documents and information provided to the MSRB shall be provided in an electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

Section 15. Effective Date. This Disclosure Certificate shall be effective upon the issuance of the Series 2010 Bonds.

IN WITNESS WHEREOF, the County of Los Angeles has executed this Disclosure Certificate as of the date first set forth above.

PRELIMINARY OFFICIAL STATEMENT DATED OCTOBER __, 2010

NEW ISSUES – BOOK-ENTRY ONLY

RATINGS: See “RATINGS” herein.

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority, based on an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2010A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986. Bond Counsel is also of the opinion that interest on the Series 2010 Bonds is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Series 2010A Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes. Bond Counsel further observes that interest on the Series 2010B Bonds is not excluded from gross income for federal income tax purposes. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2010 Bonds, including whether interest on the Series 2010A Bonds is included in adjusted current earnings when calculating corporate alternative minimum taxable income. This introduction contains only a brief summary of certain of the terms of the Series 2010 Bonds being offered, and a brief description of the Official Statement. All statements contained in this introduction are qualified in their entirety by reference to the entire Official Statement. References to, and summaries of, provisions of the Constitution and laws of the State of California (the "State") and any documents referred to herein do not purport to be complete and such references are qualified in their entirety by reference to the complete provisions. All capitalized terms used in this Official Statement and not otherwise defined herein have the respective meanings assigned to them in the Indenture. See APPENDIX C – "Summary of Principal Legal Documents" attached hereto.

General

This Official Statement, including the cover page, the inside cover page and the appendices attached hereto (the "Official Statement"), provides certain information concerning the sale and issuance of the Los Angeles County Public Works Financing Authority Lease Revenue Bonds (Multiple Capital Projects I), 2010 Series A (Tax-Exempt) (the "Series 2010A Bonds") and Lease Revenue Bonds (Multiple Capital Projects I), 2010 Series B (Build America Bonds/Recovery Zone Economic Development Bonds) (the "Series 2010B Bonds" and, together with the Series 2010A Bonds, the "Series 2010 Bonds"). The Series 2010 Bonds are being issued pursuant to the Master Indenture, dated as of November 1, 2010 (the "Indenture"), by and among the County of Los Angeles, California (the "County"), the Los Angeles County Public Works Financing Authority (the "Authority") and U.S. Bank National Association, as trustee (the "Trustee").

The proceeds of the Series 2010 Bonds will be used to finance and/or refinance certain capital improvement projects described herein (collectively, the "Projects"), including payment of a portion of the Commercial Paper Notes (as defined herein), to fund the Reserve Fund for the Series 2010 Bonds and to pay certain costs of issuance incurred in connection with the issuance of the Series 2010 Bonds. See "THE PROJECTS" and "ESTIMATED SOURCES AND USES OF PROCEEDS OF THE SERIES 2010 BONDS" herein.

Terms of the Series 2010 Bonds

The Series 2010 Bonds will be issued in denominations of \$5,000 and any integral multiple thereof (the "Authorized Denominations"). The Series 2010 Bonds will be dated their date of delivery and are payable with respect to interest semiannually each February 1 and August 1, commencing on August 1, 2011.

* Preliminary, subject to change.

The Series 2010 Bonds will be delivered in fully-registered form only, and when delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Bonds. Ownership interests in the Series 2010 Bonds may be purchased in book-entry form only. Principal of and interest on the Series 2010 Bonds will be paid by the Trustee to DTC or its nominee, which will in turn remit such payments to its Participants (defined herein) for subsequent disbursement to the Owners of the Series 2010 Bonds. See APPENDIX D – "Book-Entry Only System" attached hereto.

The Series 2010 Bonds are subject to redemption prior to maturity, as described herein. See "THE SERIES 2010 BONDS – Redemption of the Series 2010 Bonds" herein.

Security and Sources of Payment for the Series 2010 Bonds

The County will lease certain real property and the improvements located thereon, as more particularly described herein (the "Property"), to the Authority pursuant to a Master Site Lease, dated as of November 1, 2010 (the "Site Lease"), by and between the County and the Authority. The County will sublease the Property from the Authority pursuant to a Master Sublease, dated as of November 1, 2010 (the "Sublease"), by and between the County and the Authority. The Series 2010 Bonds shall be special obligations of the Authority, payable solely from the Lease Revenues, including the Base Rental Payments to be made by the County under the Sublease for the use of the Property, and the other assets pledged therefor under the Indenture as described herein. "Lease Revenues" is defined in the Indenture to mean all Base Rental Payments payable by the County pursuant to the Sublease, including any prepayments thereof, any Net Proceeds and any amounts received by the Trustee as a result of or in connection with the Trustee's pursuit of remedies under the Sublease upon a Sublease Default Event.

Base Rental Payments to be made by the County under the Sublease will be used to pay principal of and interest and premium, if any, on the Series 2010 Bonds when due. The Base Rental Payments are scheduled to be sufficient to pay principal of and interest on the Series 2010 Bonds when due. The County has covenanted under the Sublease to make all Base Rental Payments and Additional Rental Payments (collectively, the "Rental Payments") provided for therein, to include all such Rental Payments in its annual budgets and to make necessary annual appropriations for all such Rental Payments.

The County's obligation to pay Base Rental Payments is subject to abatement during any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the County's right to use and occupy any portion of the Property. Failure of the County to pay Base Rental Payments during any such period shall not constitute a default under the Sublease, the Indenture or the Series 2010 Bonds.

The obligation of the County to pay the Base Rental Payments does not constitute a debt of the County or of the State of California or of any political subdivision thereof in contravention of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the County or the State of California is obligated to levy or pledge any form of taxation or for which the County or the state of California has levied or pledged any form of taxation. The Series 2010 Bonds shall be special obligations of the Authority, payable solely from the Lease Revenues and the other assets pledged therefor under the Indenture. Neither the faith and credit nor the taxing power of the Authority, the County or the State of California, or any political subdivision thereof, is pledged to the payment of the Series 2010 Bonds. The Authority has no taxing power and has no obligation to pay Base Rental Payments. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2010 BONDS" herein and APPENDIX C – "Summary of Principal Legal Documents" attached hereto.

Reserve Fund

A reserve fund (the "Reserve Fund") will be established under the Indenture in order to secure the payment of principal of and interest on the Series 2010 Bonds and any Additional Bonds (collectively, the "Bonds") issued under the Indenture. The Reserve Fund will be funded in an amount sufficient to satisfy the Reserve Requirement, which is defined as an amount equal to, as of any date of calculation, the least of (a) 10% of the original principal amount of the Bonds (excluding Bonds refunded with the proceeds of subsequently issued Bonds), (b) Maximum Annual Debt Service, and (c) 125% of Average Annual Debt Service. The initial deposit to the Reserve Fund will be made from a portion of the proceeds of the Series 2010 Bonds. See "ESTIMATED SOURCES AND USES OF PROCEEDS OF THE SERIES 2010 BONDS" and "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2010 BONDS – Reserve Fund" herein.

Additional Bonds

Under the Indenture, the Authority may issue additional bonds (the "Additional Bonds") payable from Lease Revenues on a parity with all other Bonds theretofore issued under the Indenture, but only subject to satisfaction of certain conditions precedent, including, the filing with the Trustee, among other things, of (a) a certificate of the County to the effect that, upon the issuance of such Additional Bonds, the sum of Base Rental Payments, including any increase in the Base Rental Payments as a result of the issuance of such Additional Bonds, plus Additional Rental Payments, in any Rental Period, is not in excess of the annual fair rental value of the Property after taking into account the use of the proceeds of such Additional Bonds, and (b) a CLTA title insurance policy or other appropriate form of policy in the amount of the Additional Bonds of the type set forth in the Sublease. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2010 BONDS – Additional Bonds" herein and APPENDIX C – "Summary Principal Legal Documents – The Indenture - Additional Bonds" attached hereto.

The County

The County is located in the southern coastal portion of the State and covers 4,084 square miles. The County was established under an act of the State Legislature on February 18, 1850. It is the most populous county in the nation and is more populous than 43 states. The economy of the County is diversified and includes manufacturing, technology, world trade, financial services, motion picture and television production, and tourism. For additional economic, demographic and financial information with respect to the County, see APPENDIX A – "The County of Los Angeles Information Statement" and APPENDIX B – "The County of Los Angeles Audited Financial Statements for the Fiscal Year Ended June 30, 2009" attached hereto.

The Authority

The Authority was formed pursuant to a Joint Exercise of Powers Agreement, dated May 18, 1993 (as amended by a Certificate of Amendment dated April 26, 1994 and a Certificate of Amendment dated October 22, 1996, and as further amended from time to time, the "JPA Agreement"), to provide financial assistance from time to time to the County, the Los Angeles County Flood Control District, the Los Angeles County Regional Park and Open Space District, the Community Facilities District No. 2 (Rowland Heights Area) of the County of Los Angeles and any entity that becomes a party to the JPA Agreement in accordance with its terms. The Authority has previously issued obligations secured by certain revenues of and rental payments from certain contracting parties and may issue additional obligations in the future. These other obligations of the Authority are not secured by the Lease Revenues, and the Series 2010 Bonds are not secured by any other assets or property of the Authority other than the Lease Revenues and the other assets pledged to the payment of the Series 2010 Bonds under the Indenture.

Designation of Series 2010B Bonds as “Build America Bonds” and “Recovery Zone Economic Development Bonds”

The County has designated a portion of the Series 2010B Bonds as “Build America Bonds” and a portion of the Series 2010B Bonds as “Recovery Zone Economic Development Bonds” under the provisions of the American Recovery and Reinvestment Act of 2009. The interest with respect to the Series 2010B Bonds is not excluded from gross income for federal income tax purposes but is exempt from State of California personal income taxes. The County expects to receive periodic payments from the United States Treasury equal to 35% of the interest payable on the portion of the Series 2010B Bonds designated as Build America Bonds under the Code and 45% of the interest payable on the portion of the Series 2010B Bonds designated as Recovery Zone Economic Development Bonds under the Code. However, any such payments are not pledged under the Indenture and the County is not obligated to apply any such payments to pay any portion of Base Rental Payments. The County is obligated to pay Base Rental Payments notwithstanding a delay or failure to receive any such payments from the United States Treasury relating to the Series 2010B Bonds.

Continuing Disclosure

Pursuant to the Continuing Disclosure Certificate to be executed in connection with the issuance of the Series 2010 Bonds, the County has covenanted to provide, or cause to be provided, by not later than February 1 of each fiscal year, commencing on February 1, 2011, to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system certain annual financial information and operating data and, in a timely manner, notice of certain material events. These covenants have been made in order to assist the Participating Underwriters of the Series 2010 Bonds in complying with the Rule15c2-12 (the “Rule”) promulgated by the U.S. Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended. See “CONTINUING DISCLOSURE” herein and APPENDIX E – “Form of Continuing Disclosure Certificate” attached hereto. The County has never failed to comply in all material respects with any previous undertakings with regard to the Rule.

Forward-Looking Statements

Certain statements included or incorporated by reference in the Official Statement constitute “forward-looking statements.” Such statements are generally identifiable by the terminology used such as “plan,” “expect,” “estimate,” “budget” or other similar words. The achievement of certain results or other expectations contained in such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements described to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Although such expectations reflected in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. The County is not obligated to issue any updates or revisions to the forward-looking statements if or when its expectations, or events, conditions or circumstances on which such statements are based occur.

THE PROJECTS

The proceeds of the Series 2010 Bonds will be used to finance and/or refinance the Projects, including payment of the Commercial Paper Notes, to fund the Reserve Fund for the Series 2010 Bonds and to pay certain costs of issuance incurred in connection with the issuance of the Series 2010 Bonds. None of the Projects are included in the Property which is the subject of the Site Lease and the Sublease and are not security for the Series 2010 Bonds. The following are summary descriptions of the Projects:

Harbor - UCLA Medical Center Surgery/Emergency Room Replacement Addition Project. The Harbor – UCLA Medical Center Surgery/Emergency Replacement Addition Project includes the design and construction of an approximate 190,000 square foot addition to replace the existing emergency and surgical suites, and central sterile facilities; a new 540-stall parking structure; upgrades to the existing Emergency Power Station; and a permanent Helistop. The Commercial Paper Notes to be refinanced with a portion of the proceeds of the Series 2010 Bonds consist of various series of Los Angeles County Capital Asset Leasing Corporation Lease Revenue Commercial Paper Notes (the "Commercial Paper Notes") issued pursuant to the Amended and Restated Trust Agreement, dated as of April 1, 2010, by and between the Los Angeles County Capital Asset Leasing Corporation and Deutsche Bank National Trust Company, as trustee. The Commercial Paper

Notes were issued to finance certain capital improvement projects, including providing interim financing for a portion of the Projects.

DESCRIPTION OF THE PROPERTY

The Property consists of the recently completed Los Angeles County+USC Medical Center (the "Medical Center"). The Medical Center is a 600-bed public teaching hospital located in the Boyle Heights neighborhood of the County. The Property is a 1.5 million-square-foot facility which includes an 8-story, 600-bed inpatient tower, a 7-story outpatient building, a 5-story diagnostic and treatment building, and an underground central utility plant. The inpatient tower and central utility plant are designed to remain operational following the maximum earthquake anticipated for the site. Construction of the Medical Center was completed and the Medical Center began operation in November, 2008. The total project budget for Medical Center was approximately \$924 million, of which the County paid approximately \$451 million. This is the largest capital project ever undertaken by the County.

The Medical Center is one of the largest public hospitals and medical training centers in the nation and is the largest single provider of healthcare in the County. The Medical Center provides a full spectrum of emergency, inpatient and outpatient services. The Medical Center provides healthcare services for the region's medically underserved, is classified as a Level I trauma center and tertiary care facility and treats a large percentage of the region's trauma victims. For the fiscal year ended June 30, 2010, the Medical Center had approximately 35,000 admissions, 520,000 outpatient visits and 450,000 Emergency Department visits.

The Medical Center is adjacent to the University of Southern California Health Sciences Campus, which includes the USC Keck School of Medicine, the USC School of Pharmacy, the USC University Hospital and the USC/Norris Comprehensive Cancer Center and Hospital. Some of the attending doctors at the Medical Center are faculty of the USC Keck School of Medicine. In addition, medical care is provided by approximately 900 medical residents.

The County currently has full use and possession of all of the Property. In connection with the construction of the Medical Center, the County received a grant (the "Grant") from the State of California (the "State") in the amount of approximately \$473 million from funds made available by the Federal Emergency Management Agency ("FEMA") to fund a portion of the construction costs of the Medical Center. In connection therewith, the County provided the Office of Emergency Services of the State a lien encumbering the Medical Center (the "OES Lien") to secure the County's agreement to maintain the Medical Center's status as an acute care hospital facility. The OES Lien provides that the State may recover all or a portion of the amount of the Grant in the event there is a "Change in Function" or a "Change in Status" of the Medical Center. A "Change in Function" would occur if the Medical Center is no longer operated and maintained as an acute care inpatient hospital. A Change in Status would occur if the County sells, transfers, leases or otherwise disposes of a material amount of the Medical Center to a for profit entity or transfers control, responsibility or governance of a material amount of the assets or operations of the Medical Center to a for profit entity. The amount owed by the County in the event there is either a Change in Function or Change in Status of the Medical Facility is reduced based on a forty-year depreciation factor but such potential liability will terminate in November 2016, which date is eight years after the first license was issued to operate the Medical Center as an acute care hospital. Presently, if a Change in Status or a Change in Function were to occur, this amount would be approximately \$450 million. In the event there is either a Change in Function or Change in Status of the Medical Facility prior to November 2016, unless waived by FEMA, the OES Lien could be foreclosed upon in accordance with State law and title to the Medical Center could be transferred or sold to another party. However, any such party, including the State, would be required to obtain a license to maintain the Medical Center in accordance with the provisions of the OES Lien.

The County is liable to repay a portion of the Grant only upon the occurrence of a Change in Status or a Change in Function. The full or partial loss of the Property from an insured or uninsured event does not constitute a Change in Function or a Change in Status. The casualty and other insurance required to be maintained under the Sublease is not available to the State to repay any amount due under the OES Lien. The Property is designed specifically to be operated as an acute care hospital facility and complies with the strict seismic state requirements for inpatient hospitals. The County has no intention to operate the facility other than as an acute care hospital facility. Under the Sublease, there is no right to relet the Property and use the Property for any other purpose than for which it is presently used. Under the Sublease, the County has agreed that, unless the County shall have substituted alternate real property for the Property in accordance with the provisions of the Sublease, so long as the OES Lien is effective, the County will not take any action or fail to take any action if such action or failure to take such action would cause a Change in Function or Change in Status of the Property within the meaning of the provisions of the OES Lien to occur. See APPENDIX C – “Summary of Principal Legal Documents – The Sublease – Use of the Property; Covenant with respect to OES Lien” attached hereto.

THE SERIES 2010 BONDS

The following is a summary of certain provisions of the Series 2010 Bonds. Reference is made to the Series 2010 Bonds for the complete text thereof and to the Indenture for a more detailed description of such provisions. The discussion herein is qualified by such reference.

General

The Series 2010 Bonds will be issued in denominations of \$5,000 and any integral multiple thereof. The Series 2010 Bonds will be dated their date of delivery and are payable with respect to interest semiannually each February 1 and August 1, commencing on August 1, 2011.

The Series 2010 Bonds will be delivered in fully-registered form only, and when delivered, will be registered in the name of Cede & Co., as nominee of DTC. DTC will act as securities depository for the Series 2010 Bonds. Ownership interests in the Series 2010 Bonds may be purchased in book-entry form only. Principal of and interest and premium, if any, on the Series 2010 Bonds will be paid by the

Trustee to DTC or its nominee, which will in turn remit such payments to its Participants (defined herein) for subsequent disbursement to the Owners of the Series 2010 Bonds. See APPENDIX D – “Book-Entry Only System” attached hereto.

Redemption of the Series 2010 Bonds

Extraordinary Redemption of the Series 2010 Bonds. The Series 2010 Bonds shall be subject to redemption, in whole or in part, on any date, in denominations of \$5,000 or any integral multiple thereof, from and to the extent of any Net Proceeds (other than Net Proceeds of rental interruption insurance) received with respect to all or a portion of the Property and deposited by the Trustee in the Redemption Fund in accordance with the provisions of the Indenture, at a redemption price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption, without premium.

Optional Redemption of the Series 2010A Bonds. The Series 2010A Bonds maturing on or before August 1, 20__, are not subject to optional redemption prior to their respective stated maturity dates. The Series 2010A Bonds maturing on or after August 1, 20__, are subject to optional redemption prior to their respective stated maturity dates, on any date on or after August 1, 20__, in whole or in part, in denominations of \$5,000 or any integral multiple thereof, from (i) prepaid Base Rental Payments paid pursuant to the Sublease, or (ii) any other source of available funds, at a redemption price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption, without premium.

Optional Redemption of the Series 2010B Bonds.

(A) The Series 2010B Bonds are subject to optional redemption prior to their respective stated maturity dates, on any date, in whole or in part, in denominations of \$5,000 or any integral multiple thereof, from (i) prepaid Base Rental Payments paid pursuant to the Sublease, or (ii) any other source of available funds, at a redemption price equal to the greater of: (1) the original issue price (but not less than 100%) of such principal amount of the Series 2010B Bonds to be redeemed as set forth on the inside front cover hereof; or (2) the principal amount thereof plus the Make-Whole Premium, together, in each case, with accrued interest, if any, to the date fixed for redemption.

(B) The Series 2010B Bonds are subject to optional redemption, upon the occurrence of a Tax Law Change, prior to their respective stated maturity dates, on any date, in whole or in part, in denominations of \$5,000 or any integral multiple thereof, from (i) prepaid Base Rental Payments paid pursuant to the Sublease, or (ii) any other source of available funds, at a redemption price equal to the greater of: (1) the original issue price (but not less than 100%) of such principal amount of the Series 2010B Bonds to be redeemed as set forth on the inside front cover page hereof; or (2) the principal amount thereof plus the Make-Whole Premium, together, in each case, with accrued interest, if any, to the date fixed for redemption.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Banking Institution as having a maturity comparable to the remaining term to maturity of the Series 2010B Bond being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term to maturity of the Series 2010B Bond being redeemed.

“Comparable Treasury Price” means, with respect to any date on which a Series 2010B Bond or portion thereof is being redeemed, either (a) the average of five Reference Treasury Dealer quotations for the date fixed for redemption, after excluding the highest and lowest such quotations, and (b) if the Independent Banking Institution is unable to obtain five such quotations, the average of the quotations that are obtained. The quotations will be the average, as determined

by the Independent Banking Institution, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of principal amount) quoted in writing to the Independent Banking Institution, at 5:00 p.m. New York City time on any Business Day that falls not less than three Business Days nor more than 45 calendar days immediately preceding the applicable date fixed for redemption.

“Comparable Treasury Yield” means the yield which represents the weekly average yield to maturity for the preceding week appearing in the most recently published statistical release designated “H.15(519) Selected Interest Rates” under the heading “Treasury Constant Maturities,” or any successor publication selected by the Independent Banking Institution that is published weekly by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded United States Treasury securities adjusted to constant maturity, for the maturity corresponding to the remaining term to maturity of the Series 2010B Bond being redeemed. The Comparable Treasury Yield will be determined as of any Business Day that falls not less than three Business Days nor more than 45 calendar days immediately preceding the applicable date fixed for redemption. If the H.15(519) statistical release sets forth a weekly average yield for United States Treasury securities that have a constant maturity that is the same as the remaining term to maturity of the Series 2010B Bond being redeemed, then the Comparable Treasury Yield will be equal to such weekly average yield. In all other cases, the Comparable Treasury Yield will be calculated by interpolation on a straight-line basis, between the weekly average yields on the United States Treasury securities that have a constant maturity (i) closest to and greater than the remaining term to maturity of the Series 2010B Bond being redeemed; and (ii) closest to and less than the remaining term to maturity of the Series 2010B Bond being redeemed. Any weekly average yields calculated by interpolation will be rounded to the nearest 1/100th of 1%, with any figure of 1/200th of 1% or above being rounded upward. If, and only if, weekly average yields for United States Treasury securities for the preceding week are not available in the H.15(519) statistical release or any successor publication, then the Comparable Treasury Yield will be the rate of interest per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue (expressed as a percentage of its principal amount) at the Comparable Treasury Price as of the date fixed for redemption.

“Independent Banking Institution” means an investment banking institution of national standing which is a primary United States government securities dealer in the City of New York designated by the County (which may be one of the Participating Underwriters). If the County fails to appoint an Independent Banking Institution at least 30 days prior to the date fixed for redemption, or if the Independent Banking Institution appointed by the County is unwilling or unable to determine the Comparable Treasury Yield, the Comparable Treasury Yield will be determined by an Independent Banking Institution designated by the Trustee.

“Make-Whole Premium” means, with respect to any Series 2010B Bond to be redeemed, an amount calculated by an Independent Banking Institution equal to the positive difference, if any, between:

- (a) the sum of the present values, calculated as of the date fixed for redemption of:
 - (i) each interest payment that, but for the redemption, would have been payable on the Series 2010B Bond or portion thereof being redeemed on each regularly scheduled Interest Payment Date occurring after the date fixed for redemption through the maturity date of such Series 2010B Bond (excluding any accrued interest for the period prior to the date fixed for redemption); plus

(ii) the principal amount that, but for such redemption, would have been payable on the maturity date (or applicable mandatory sinking fund redemption date or dates) of the Series 2010B Bond or portion thereof being redeemed; minus

(b) the principal amount of the Series 2010B Bond or portion thereof being redeemed.

The present values of the interest and principal payments referred to in (a) above will be determined by discounting the amount of each such interest and principal payment from the date that each such payment would have been payable but for the redemption to the date fixed for redemption on a semiannual basis (assuming a 360-day year consisting of twelve (12) 30-day months) at a discount rate equal to the Comparable Treasury Yield, plus (1) with respect to a Series 2010B Bond redeemed as described in paragraph (A) above, ___ basis points, or (2) with respect to a Series 2010B Bond redeemed as described in paragraph (B) above, ___ basis points.

“Reference Treasury Dealer” means a primary United States Government securities dealer in the United States appointed by the County and reasonably acceptable to the Independent Banking Institution (which may be one of the Participating Underwriters). If the County fails to select the Reference Treasury Dealers within a reasonable period of time, the Trustee will select the Reference Treasury Dealers in consultation with the County.

“Tax Law Change” means legislation has been enacted by the Congress of the United States or passed by either House of the Congress, or a decision has been rendered by a court of the United States, or an order, ruling, regulation (final, temporary or proposed) or official statement has been made by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency of appropriate jurisdiction, the effect of which, as reasonably determined by the County, would be to suspend, reduce or terminate the timely payment from the United States Treasury to the County with respect to the Series 2010B Bonds, or to state or local government issuers generally with respect to obligations of the general character of the Series 2010B Bonds, pursuant to Section 54AA or 6431 of the Code or pursuant to Section 1400U-2 or 6431 of the Code, of an amount equal to at least, with respect to the portion of the Series 2010B Bonds designated as Build America Bonds under Section 54AA of the Code, 35% of the interest due thereon on each interest payment date, or with respect to the portion of the Series 2010B Bonds designated as Recovery Zone Economic Development Bonds under Section 1400U-2 of the Code, 45% of the interest due thereon on each interest payment date (the “Subsidy Payments”); provided, that any such suspension, reduction or termination of the Subsidy Payments is not due to a failure by the County to comply with the requirements under the Code to receive such Subsidy Payments.

Mandatory Sinking Fund Redemption of the Series 2010A Bonds. The Series 2010A Bonds maturing August 1, 20__ shall be subject to mandatory sinking fund redemption, in part, on August 1 in each year, commencing August 1, 20__, at a redemption price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption, without premium, in the aggregate respective principal amounts in the respective years as follows:

The Series 2010B Bonds maturing August 1, 20__ shall be subject to mandatory sinking fund redemption, in part, on August 1 in each year, commencing August 1, 20__, at a redemption price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption, without premium, in the aggregate respective principal amounts in the respective years as follows:

If some but not all of the Series 2010B Bonds maturing on August 1, 20__ are redeemed pursuant to the optional redemption provisions as described herein under the caption “- Optional Redemption of the Series 2010B Bonds”, including optional redemption upon the occurrence of a Tax Law Change, the principal amount of Series 2010B Bonds maturing on August 1, 20__ to be redeemed pursuant to the mandatory sinking fund redemption provisions shall be reduced by the

aggregate principal amount of the Series 2010B Bonds maturing on August 1, 20__ so redeemed pursuant to the optional redemption provisions, such reduction to be allocated among sinking fund redemption dates as nearly as practicable on a pro rata basis, in amounts equal to \$5,000 and integral multiples thereof, as determined by the Trustee.

Selection of Series 2010 Bonds for Redemption. Whenever provision is made in the Indenture for the redemption of less than all of the Bonds, the Trustee shall select the Bonds to be redeemed from all Bonds not previously called for redemption (a) with respect to any redemption described above under the caption “ – Extraordinary Redemption” among maturities of all Series of Bonds on a pro rata basis as nearly as practicable, (b) with respect to any optional redemption of a Series of the Series 2010 Bonds, among maturities as directed by the County, (c) with respect to Series 2010A Bonds with the same maturity, by lot in any manner which the Trustee in its sole discretion shall deem appropriate and fair, and (d) with respect to Series 2010B Bonds with the same maturity, (i) if the Series 2010B Bonds are not Book-Entry Bonds, the Trustee shall select the Series 2010B Bonds of such maturity to be redeemed among the Owners of such Series 2010B Bonds on a pro rata basis as nearly as practicable, and (ii) if the Series 2010B Bonds are Book-Entry Bonds, the Trustee shall select the Series 2010B Bonds of such maturity to be redeemed on a pro rata pass-through distribution of principal basis in accordance with DTC procedures, provided that, so long as the Series 2010B Bonds are held in book-entry form, the selection for redemption of such Series 2010B Bonds shall be made in accordance with the operational arrangements of DTC then in effect, and, if the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, the Series 2010B Bonds will be selected for redemption, in accordance with DTC procedures, by lot. It is the Authority’s intent that the redemption allocations described in clause (d)(ii) made by DTC be made on a pro rata pass-through distribution of principal basis as set forth in clause (d)(ii). However, the Authority can provide no assurance that DTC, the DTC Participants or any other intermediaries will allocate redemptions among Beneficial Owners on such basis.

Notice of Redemption. The Trustee on behalf of the Authority shall mail (by first class mail) notice of any redemption to the respective Owners of any Series 2010 Bonds designated for redemption at their respective addresses appearing on the Registration Books at least 30 but not more than 60 days prior to the date fixed for redemption. Such notice shall state the date of the notice, the redemption date, the redemption place and the redemption price and shall designate the CUSIP numbers, the Bond numbers and the maturity or maturities of the Series 2010 Bonds to be redeemed (except in the event of redemption of all of the Series 2010 Bonds of such maturity or maturities in whole), and shall require that such Series 2010 Bonds be then surrendered at the Office of the Trustee for redemption at the redemption price, giving notice also that further interest on such Series 2010 Bonds will not accrue from and after the date fixed for redemption. Neither the failure to receive any notice so mailed, nor any defect in such notice, shall affect the validity of the proceedings for the redemption of the Series 2010 Bonds or the cessation of accrual of interest thereon from and after the date fixed for redemption. With respect to any notice of any optional redemption of Series 2010 Bonds, unless at the time such notice is given the Series 2010 Bonds to be redeemed shall be deemed to have been paid within the meaning of the Indenture, such notice shall state that such redemption is conditional upon receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys that, together with other available amounts held by the Trustee, are sufficient to pay the redemption price of, and accrued interest on, the Series 2010 Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Authority shall not be required to redeem such Series 2010 Bonds. In the event a notice of redemption of Series 2010 Bonds contains such a condition and such moneys are not so received, the redemption of Series 2010 Bonds as described in the conditional notice of redemption shall not be made and the Trustee shall, within a reasonable time after the date on which such redemption was to occur, give notice to the Persons and in the manner in which the notice of redemption was given, that such moneys were not so received and that there shall be no redemption of Series 2010 Bonds pursuant to such notice of redemption.

Notice having been mailed as described above, and moneys for the redemption price, and the interest to the applicable date fixed for redemption, having been set aside, the Series 2010 Bonds shall become due and payable on said date and, upon presentation and surrender thereof at the Office of the Trustee, said Series 2010 Bonds shall be paid at the redemption price thereof, together with interest accrued and unpaid to said date. If, on said date fixed for redemption, moneys for the redemption price of all the Series 2010 Bonds to be redeemed, together with interest to said date, shall be held by the Trustee so as to be available therefor on such date, and, if notice of redemption thereof shall have been mailed as described above and not canceled, then, from and after said date, interest on said Series 2010 Bonds shall cease to accrue and become payable. All moneys held by or on behalf of the Trustee for the redemption of Series 2010 Bonds shall be held in trust for the account of the Owners of the Series 2010 Bonds so to be redeemed without liability to such Owners for interest thereon.

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2010 BONDS

Special Obligations; Pledge of Lease Revenues

The Series 2010 Bonds shall be special obligations of the Authority, payable solely from the Lease Revenues, including the Base Rental Payments to be made by the County under the Sublease for the use of the Property, and the other assets pledged therefor under the Indenture as described herein. Neither the faith and credit nor the taxing power of the Authority, the County or the State of California, or any political subdivision thereof, is pledged to the repayment of the Series 2010 Bonds. "Lease Revenues" is defined in the Indenture to mean all Base Rental Payments payable by the County pursuant to the Sublease, including any prepayments thereof, any Net Proceeds and any amounts received by the Trustee as a result of or in connection with the Trustee's pursuit of remedies under the Sublease upon a Sublease Default Event. The Indenture provides that, subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein, all of the Lease Revenues and all amounts on deposit from time to time in the funds and accounts established under Indenture (other than the Rebate Fund) are pledged to the payment of the principal of and interest on the Bonds as provided in the Indenture, and that the Lease Revenues shall not be used for any other purpose while any of the Bonds remain Outstanding. The Indenture provides that said pledge shall constitute a first lien on such assets.

In order to secure the pledge of the Lease Revenues under the Indenture, the Authority, in the Indenture, sells, assigns and transfers to the Trustee, irrevocably and absolutely, without recourse, for the benefit of the Owners, all of its right, title and interest in and to the Site Lease and the Sublease, including, without limitation, the right to receive Base Rental Payments and the right to exercise any remedies provided in the Sublease in the event of a default by the County thereunder; provided that the Authority retains the rights to indemnification and to payment or reimbursement of its reasonable costs and expenses under the Sublease. See "- Base Rental Payments; Abatement" herein.

Base Rental Payments; Abatement

The County covenants under the Sublease to take such action as may be necessary to include all Base Rental Payments and Additional Rental Payments (which include taxes and assessments affecting the Property, administrative costs of the Authority relating to the Property, fees and expenses of the Trustee, insurance premiums and other amounts payable under the Sublease or the Indenture), due under the Sublease in its annual budgets and to make the necessary annual appropriations therefor. The Sublease provides that it shall be, and shall be deemed and construed to be, a "net-net-net lease" and that the Rental Payments shall be an absolute net return to the Authority, free and clear of any expenses, charges or set-offs whatsoever and notwithstanding any dispute between the County and the Authority. Base Rental Payments to be made by the County under the Lease will be used to pay principal of and interest and premium, if any, on the Series 2010 Bonds when due. The Base Rental Payments are equal to the

principal of and interest on the Series 2010 Bonds when due. See APPENDIX C – “Summary of Principal Legal Documents – The Sublease – Base Rental Payments” attached hereto.

The obligation of the County to pay the Base Rental Payments does not constitute a debt of the County or of the State of California or of any political subdivision thereof in contravention of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the County or the State of California is obligated to levy or pledge any form of taxation or for which the County or the state of California has levied or pledged any form of taxation.

During any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the County’s right to use and occupy any portion of the Property, the Sublease provides that the Rental Payments shall be abated proportionately and the Sublease shall continue in full force and effect. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation or title defect and, with respect to damage to or destruction of the Property, ending with the substantial completion of the work of repair or replacement of the Property, or the portion thereof so damaged or destroyed, and the term of the Sublease shall be extended as provided in the Sublease, except that such term shall in no event be extended more than ten years beyond the Scheduled Termination Date (as defined in the Sublease); provided, however, that during abatement to the extent that moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Indenture, Rental Payments shall not be abated as provided above but, rather, shall be payable by the County as a special obligation payable solely from said funds and accounts. Failure of the County to pay Base Rental Payments during any such abatement period shall not constitute a default under the Sublease, the Indenture or the Series 2010 Bonds. See APPENDIX C – “Summary of Principal Legal Documents – The Sublease – Abatement” attached hereto.

A table of the aggregate annual Base Rental Payments to be made by the County under the Sublease is set forth below.

SCHEDULE OF BASE RENTAL PAYMENTS

<u>Fiscal Year</u> <u>Ending 6/30</u>	<u>Base Rental Payment</u>		<u>Total</u>
	<u>Principal</u>	<u>Interest</u>	

Total

Additional Rental

The County shall also pay, as Additional Rental Payments, such amounts as shall be required for the payment of the following: (a) all taxes and assessments of any type or nature charged to the Authority or the County or affecting the Property or the respective interests or estates of the Authority or the County therein; (b) all reasonable administrative costs of the Authority relating to the Property including, but without limiting the generality of the foregoing, salaries, wages, fees and expenses payable by the Authority under the Indenture, fees of auditors, accountants, attorneys or engineers, and all other necessary and reasonable administrative costs of the Authority or charges required to be paid by it in order to maintain its existence or to comply with the terms of the Indenture or the Sublease or to defend the Authority and its members, officers, agents and employees; (c) insurance premiums for all insurance required pursuant to the Sublease; (d) any amounts with respect to the Bonds required to be rebated to the federal government in accordance with the Code; and (e) all other payments required to be paid by the County under the provisions of the Sublease or the Indenture.

Reserve Fund

A Reserve Fund will be established under the Indenture in order to secure the payment of principal of and interest on the Series 2010 Bonds and any Additional Bonds issued under the Indenture. The Reserve Fund will be funded in an amount sufficient to satisfy the Reserve Requirement, which is

defined as an amount equal to, as of any date of calculation, the least of (i) 10% of the original principal amount of the Bonds (excluding Bonds refunded with the proceeds of subsequently issued Bonds), (b) Maximum Annual Debt Service, and (c) 125% of Average Annual Debt Service. The initial deposit to the Reserve Fund will be made from a portion of the proceeds of the Series 2010 Bonds. See "ESTIMATED SOURCES AND USES OF PROCEEDS OF THE SERIES 2010 BONDS" herein.

"Annual Debt Service" means, for each Bond Year, the sum of (a) the interest due on the Outstanding Bonds in such Bond Year, assuming that the Outstanding Bonds are retired as scheduled (including by reason of mandatory sinking fund redemptions), and (b) the scheduled principal amount of the Outstanding Bonds due in such Bond Year (including any mandatory sinking fund redemptions due in such Bond Year); provided, however, that, in connection with the calculation of the Reserve Requirement, including any calculation of Average Annual Debt Service and/or Maximum Annual Debt Service in connection therewith, the interest due on the Outstanding Bonds in each Bond Year shall be net of any subsidy expected to be received from the United States with respect to such Bonds or the interest thereon (whether or not such subsidy is to be paid to the Trustee). "Average Annual Debt Service" means the average of the Annual Debt Service for all Bond Years, including the Bond Year in which the calculation is made. "Maximum Annual Debt Service" means the largest Annual Debt Service for any Bond Year, including the Bond Year the calculation is made. See APPENDIX C — "Summary of Principal Legal Documents — The Indenture – Definitions" attached hereto.

If the amount on deposit in the Reserve Fund is less than the Reserve Fund Requirement, the first of Base Rental Payments thereafter received from the County under the Sublease and not needed to pay the principal of and interest on the Bonds on the next Interest Payment Date or Principal Payment Date shall be used to increase the amount on deposit in the Reserve Fund so that the amount on deposit in the Reserve Fund shall equal the Reserve Requirement. See APPENDIX C — "Summary of Principal Legal Documents – The Indenture – Reserve Fund" attached hereto.

Additional Bonds

Under the Indenture, the Authority may issue Additional Bonds payable from Lease Revenues on a parity with all other Bonds theretofore issued under the Indenture, but only subject to satisfaction of certain conditions precedent, including, the filing with the Trustee, among other things, of (a) a certificate of the County to the effect that, upon the issuance of such Additional Bonds, the sum of Base Rental Payments, including any increase in the Base Rental Payments as a result of the issuance of such Additional Bonds, plus Additional Rental Payments, in any Rental Period, is not in excess of the annual fair rental value of the Property after taking into account the use of the proceeds of such Additional Bonds, and (b) a CLTA title insurance policy or other appropriate form of policy in the amount of the Additional Bonds of the type set forth in the Sublease. See APPENDIX C — "Summary of Principal Legal Documents – The Indenture Additional Bonds" attached hereto.

Insurance

The County has covenanted in the Sublease to secure and maintain or cause to be secured and maintained at all times with insurers rated "A" or better such insurance (excluding earthquake) as provided for therein. See APPENDIX C – Summary of Principal Legal Documents – The Sublease – Insurance" attached hereto.

Substitution and Release

Subject to the provisions described below, the Sublease provides that the County may substitute alternate real property for any portion of the Property or release a portion of the Property from the Sublease. Notwithstanding any substitution or release pursuant to the Sublease, the Sublease provides that

there shall be no reduction in or abatement of the Base Rental Payments due from the County thereunder as a result of such substitution or release. Any such substitution or release of any portion of the Property shall be subject to, among other things, the following conditions: (a) a qualified employee of the County or an independent certified real estate appraiser selected by the County shall have certified that (i) the sum of Base Rental Payments plus Additional Rental Payments due under the Sublease in any Rental Period is not in excess of the annual fair rental value of the Property, as constituted after such substitution or release, and (ii) the Property, as constituted after such substitution or release, has a useful life equal to or greater than the maximum remaining term of the Sublease (including extensions thereof as provided under the Sublease); (b) the County shall have obtained or caused to be obtained a CLTA title insurance policy or policies with respect to any substituted property in the amount of the fair market value of such substituted property; (c) the County shall have filed or caused to be filed with the Trustee an Opinion of Counsel to the effect that such substitution or release will not, in and of itself, cause the interest on Series 2010A Bonds to be included in gross income for federal income tax purposes; and (d) the County shall have certified to the Trustee that the substituted real property is essential for performing the County's governmental functions. See APPENDIX C – "Summary of Principal Legal Documents – The Sublease – Substitution and Release" attached hereto.

Events of Default and Remedies

An Event of Default under the Sublease includes, among other events, (a) the failure of the County to pay any Rental Payment payable under the Sublease when the same becomes due and payable, time being expressly declared to be of the essence in the Sublease and (b) the failure by the County to observe and perform any of the other covenants, agreements or conditions on its part in the Sublease contained, if such failure shall have continued for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the County by the Trustee, the Authority or the Owners of not less than 5% in aggregate principal amount of the Bonds at the time Outstanding; provided, however, that if, in the reasonable opinion of the County, the failure stated in the notice can be corrected, but not within such 30 day period, such failure shall not constitute an Event of Default if corrective action is instituted by the County within such 30 day period and the County shall thereafter diligently and in good faith cure such failure in a reasonable period of time, provided, further, however, that the period of time for such cure shall not exceed 90 days without the prior written consent of the Authority. See APPENDIX C – "Summary of Principal Legal Documents – The Sublease – Events of Default" attached hereto.

In each and every case during the continuance of an Event of Default under the Sublease, the Trustee, as assignee of the Authority, shall have the right, without terminating the Sublease or the County's right to possession of the Property, to collect each installment of Rental Payments as the same become due and enforce any other terms or provisions of the Sublease to be kept or performed by the County, regardless of whether or not the County has abandoned the Property. The County shall remain liable and agrees to keep or perform all covenants and conditions contained in the Sublease to be kept or performed by the County and to pay the full amount of the Rental Payments to the end of the term of the Sublease. Notwithstanding anything to the contrary contained in the Sublease, the Authority in the Sublease expressly waives any right to terminate the Sublease or the County's right to possession of the Property thereunder regardless of whether or not the County has abandoned the Project, and the Authority shall have no right to accelerate Rental Payments upon the occurrence or continuance of a default or an Event of Default under the Sublease. See "RISK FACTORS – No Right of Relet; No Acceleration Upon an Event of Default; Limitations on Remedies" herein APPENDIX C – "Summary of Principal Legal Documents – The Sublease – Remedies" attached hereto.

RISK FACTORS

The following factors, along with all other information in this Official Statement, should be considered by potential investors in evaluating the Bonds. These factors do not purport to be an exhaustive listing of risks and other considerations which may be relevant to an investment in the Series 2010 Bonds. In addition, the order in which the following factors are presented is not intended to reflect the relative importance of such risks.

Not a Pledge of Taxes

The Series 2010 Bonds shall be special obligations of the Authority, payable solely from the Lease Revenues and the other assets pledged therefor under the Indenture. Neither the faith and credit nor the taxing power of the Authority, the County or the State of California, or any political subdivision thereof, is pledged to the payment of the Series 2010 Bonds. The Authority has no taxing power and has no obligation to pay Base Rental Payments. The obligation of the County to pay the Base Rental Payments does not constitute a debt of the County or of the State of California or of any political subdivision thereof in contravention of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the County or the State of California is obligated to levy or pledge any form of taxation or for which the County or the state of California has levied or pledged any form of taxation.

Although the Sublease does not create a pledge, lien or encumbrance upon the funds of the County, the County is obligated under the Sublease to pay the Base Rental Payments from legally available funds for the use and possession of the Property as provided therein and the County has covenanted in the Sublease to take such action as may be necessary to include all Base Rental Payments and Additional Rental Payments due thereunder in its annual budget and to make the necessary annual appropriations for all such Base Rental and Additional Rental Payments except to the extent such payments are abated in accordance with the Sublease. The County is currently liable on other obligations payable from general revenues, some of which may have priority over the Base Rental Payments and Additional Rental Payments.

Additional Obligations of the County

The County has the capability to enter into other obligations which may constitute additional charges against its revenues. To the extent that additional obligations are incurred by the County, the funds available to make Base Rental payments may be decreased.

The Base Rental Payments and other payments due under the Sublease (including payment of costs of replacement, maintenance and repair of the Property and taxes, other governmental charges and utility charges levied against the Property) are payable from funds lawfully available to the County. In the event that the amounts which the County is obligated to pay in a Fiscal Year exceed the County's revenues for such year, the County may choose to make some payments rather than making other payments, including Base Rental payments, based on the perceived needs of the County. The same result could occur if, because of California constitutional limits on expenditures, the County is not permitted to appropriate and spend all of its available revenues. In such event, the County may not have sufficient funds available to pay the Base Rental Payments when due.

Adequacy of County Insurance Reserves or Insurance Proceeds

The County may self-insure for certain types of insurance required under the Sublease. See APPENDIX C – Summary of Principal Legal Documents – The Indenture – Insurance.” The County intends to self-insure for workers’ compensation insurance and general liability insurance with respect to

the Property. If the County elects to self-insure against other risks, no assurance can be given that the insurance reserves established by the County will be sufficient to satisfy any loss which the County may experience. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Abatement" and "– Abatement" herein.

Abatement

During any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the County's right to use and occupy any portion of the Property, Rental Payments shall be abated proportionately, and the Sublease shall continue in full force and effect. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation or title defect and, with respect to damage to or destruction of the Property, ending with the substantial completion of the work of repair or replacement of the Property, or the portion thereof so damaged or destroyed, and the term of the Sublease shall be extended as provided in the Sublease, except that such term shall in no event be extended more than ten years beyond the Scheduled Termination Date; provided, however, that during abatement, to the extent that moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Indenture, Rental Payments shall not be abated as provided above but, rather, shall be payable by the County as a special obligation payable solely from said funds and accounts.

In the event that such portion of the Property, if damaged or destroyed by an insured casualty, could not be replaced during the period of time in which proceeds of the County's rental interruption insurance will be available in lieu of Base Rental Payments, plus the period for which funds are available from the Reserve Fund or other funds and accounts established under the Indenture, or in the event that casualty insurance proceeds or condemnation proceeds are insufficient to provide for complete repair or replacement of such portion of the Property or redemption of the Series 2010 Bonds, there could be insufficient funds to make payments to Owners of the Series 2010 Bonds in full.

No Right of Relet; No Acceleration Upon an Event of Default; Limitations on Remedies

Pursuant to the Sublease, the Authority expressly waives any right to terminate the Sublease or the County's right to possession of the Property under the Sublease regardless of whether or not the County has abandoned the Property, and the Authority expressly waives any right of entry or re-entry to take possession of and/or re-let the Property. In accordance with the Sublease, in each and every case during the continuance of an Event of Default under the Sublease, the Authority shall have the right, without terminating the Sublease or the County's right to possession of the Property, to collect each installment of Rental Payments as the same become due and enforce any other terms or provisions of the Sublease to be kept or performed by the County, regardless of whether or not the County has abandoned the Property. The County shall remain liable and agrees to keep or perform all covenants and conditions contained in the Sublease to be kept or performed by the County and to pay the full amount of the Rental Payments to the end of the term of the Sublease; and further agrees to pay said Rental Payments punctually at the same time and in the same manner as provided in the Sublease for the payment of Rental Payments under the Sublease, notwithstanding the fact that the Authority may have received in previous years or may receive thereafter in subsequent years Rental Payments in excess of the Rental Payments specified in the Sublease. In addition, the Sublease provides that the Authority shall have no right to accelerate Rental Payments upon the occurrence or continuance of a default or an Event of Default under the Sublease.

The Trustee, as assignee of the Authority's rights under the Sublease, would be required to seek a separate judgment each year for that year's defaulted Rental Payments. Any such suit for money damages would be subject to limitations on legal remedies against counties in the State, including a limitation on

enforcement of judgments against funds of a fiscal year other than the fiscal year in which the Rental Payments were due and against funds needed to serve the public welfare and interest.

Additionally, enforceability of the rights and remedies of the Owners, and the obligations incurred by the Authority and the County, may become subject to the federal bankruptcy code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditor's rights generally, now or hereafter in effect, equity principles which may limit the specific enforcement under State law of certain remedies, the exercise by the United States of America of the powers delegated to it by the Constitution, the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose and the limitations on remedies against counties in the State. Bankruptcy proceedings, or the exercise of powers by the federal or state government, if initiated, could subject the Owners to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights.

Seismic Events

The Property is located within a seismically active area, and damage to the Property from an earthquake could be substantial. Under the Sublease, the County is not required to maintain earthquake insurance. The County presently maintains earthquake insurance on certain of its properties, including the Property. However, such insurance is less than the value of all the insured properties, is less than the initial principal amount of the Series 2010 Bonds and is not required to be used, if obtained, to replace or repair the Property or to redeem the Series 2010 Bonds. If the proceeds of any earthquake insurance were not used or were insufficient to replace or repair the damage caused to the Property, the County would be limited to its general fund, reserves and emergency grants, if any, in seeking to make appropriate repairs. Pending such repairs, the County's obligation to make Base Rental Payments under the respective Sublease would be subject to abatement. See "RISK FACTORS – Abatement" herein.

Economic Conditions in the State of California

State income tax and other receipts can fluctuate significantly from year to year, depending on economic conditions in the State and the nation. Decreases in the State's General Fund revenues may significantly affect appropriations made by the State to public agencies, including the County. See APPENDIX A – "The County of Los Angeles Information Statement" attached hereto.

TAX MATTERS

Series 2010A Bonds

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority ("Bond Counsel"), based on an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2010A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt from State of California personal income taxes. Bond Counsel is of the further opinion that interest on the Series 2010A Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes. Bond Counsel expresses no opinion on whether interest on the Series 2010A Bonds is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of opinion of Bond Counsel is set forth in APPENDIX F – "Form of Opinion of Bond Counsel."

To the extent the issue price of any maturity of the Series 2010A Bonds is less than the amount to be paid at maturity of such Series 2010A Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Series 2010A Bonds), the difference constitutes "original issue discount," the accrual of which, to the extent properly allocable to each Beneficial Owner thereof, is treated as interest on the Series 2010A Bonds which is excluded from gross income for federal income tax purposes and exempt from State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Series 2010A Bonds is the first price at which a substantial amount of such maturity of the Series 2010A Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Series 2010A Bonds accrues daily over the term to maturity of such Series 2010A Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Series 2010A Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Series 2010A Bonds. Beneficial Owners of the Series 2010A Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Series 2010A Bonds with original issue discount, including the treatment of Beneficial Owners who do not purchase such Series 2010A Bonds in the original offering to the public at the first price at which a substantial amount of such Series 2010A Bonds is sold to the public.

Series 2010A Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) ("Premium Bonds") will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of obligations, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner's basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such Beneficial Owner. Beneficial Owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Series 2010A Bonds. The Authority has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Series 2010A Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Series 2010A Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Series 2010A Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring), or any other matters coming to Bond Counsel's attention after the date of issuance of the Series 2010A Bonds may adversely affect the value of, or the tax status of interest on, the Series 2010A Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Series 2010A Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of interest on, the Series 2010A Bonds may otherwise affect a Beneficial Owner's federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2010A Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from State income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such future legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Series 2010A Bonds. Prospective purchasers of the Series 2010A Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Series 2010A Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Authority, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Authority has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Series 2010A Bonds ends with the issuance of the Series 2010A Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Authority or the Beneficial Owners regarding the tax-exempt status of the Series 2010A Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Authority and its appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Authority legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Series 2010A Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series 2010A Bonds, and may cause the Authority or Beneficial Owners to incur significant expense.

Series 2010B Bonds

In the opinion of Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions and assuming compliance with certain covenants, interest on the Series 2010B Bonds is exempt from State of California personal income taxes. Interest on the Series 2010B Bonds is not excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or accrual or receipt of interest on, the Series 2010B Bonds. The proposed form of opinion of Bond Counsel is set forth in APPENDIX F – "Form of Opinion of Bond Counsel."

The following discussion summarizes certain U.S. federal tax considerations generally applicable to holders of the Series 2010B Bonds that acquire their Series 2010B Bonds in the initial offering. The discussion below is based upon laws, regulations, rulings, and decisions in effect and available on the date hereof, all of which are subject to change, possibly with retroactive effect. Prospective investors should note that no rulings have been or are expected to be sought from the IRS with respect to any of the U.S. federal income tax consequences discussed below, and no assurance can be given that the IRS will not take contrary positions. Further, the following discussion does not deal with all U.S. federal income tax consequences applicable to any given investor, nor does it address the U.S. federal income tax considerations applicable to categories of investors some of which may be subject to special taxing rules (regardless of whether or not such persons constitute U.S. Holders), such as certain U.S. expatriates, banks, REITs, RICs, insurance companies, tax-exempt organizations, dealers or traders in securities or currencies, partnerships, S corporations, estates and trusts, investors that hold their Series 2010B Bonds as part of a hedge, straddle or an integrated or conversion transaction, or investors whose "functional

currency” is not the U.S. dollar. Furthermore, it does not address (i) alternative minimum tax consequences or (ii) the indirect effects on persons who hold equity interests in a holder. In addition, this summary generally is limited to investors that acquire their Series 2010B Bonds pursuant to this offering for the issue price that is applicable to such Series 2010B Bonds (i.e., the price at which a substantial amount of the Series 2010B Bonds are sold to the public) and who will hold their Series 2010B Bonds as “capital assets” within the meaning of Section 1221 of the Code.

As used herein, “U.S. Holder” means a beneficial owner of a Series 2010B Bond that for U.S. federal income tax purposes is an individual citizen or resident of the United States, a corporation or other entity taxable as a corporation created or organized in or under the laws of the United States or any state thereof (including the District of Columbia), an estate the income of which is subject to U.S. federal income taxation regardless of its source or a trust where a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons (as defined in the Code) have the authority to control all substantial decisions of the trust (or a trust that has made a valid election under U.S. Treasury Regulations to be treated as a domestic trust). As used herein, “Non-U.S. Holder” generally means a beneficial owner of a Series 2010B Bond (other than a partnership) that is not a U.S. Holder. If a partnership holds Series 2010B Bonds, the tax treatment of such partnership or a partner in such partnership generally will depend upon the status of the partner and upon the activities of the partnership. Partnerships holding Series 2010B Bonds, and partners in such partnerships, should consult their own tax advisors regarding the tax consequences of an investment in the Series 2010B Bonds (including their status as U.S. Holders or Non-U.S. Holders).

For U.S. Holders

The Series 2010B Bonds are not expected to be treated as issued with original issue discount (“OID”) for U.S. federal income tax purposes because the stated redemption price at maturity of the Series 2010B Bonds is not expected to exceed their issue price, or because any such excess is expected to only be a de minimis amount (as determined for tax purposes).

Prospective investors that are not individuals or regular C corporations who are U.S. persons purchasing the Series 2010B Bonds for investment should consult their own tax advisors as to any tax consequences to them from the purchase, ownership and disposition of the Series 2010B Bonds.

Disposition of the Bonds. Unless a nonrecognition provision of the Code applies, the sale, exchange, redemption, defeasance, retirement (including pursuant to an offer by the Authority) or other disposition of a Series 2010B Bond, will be a taxable event for U.S. federal income tax purposes. In such event, in general, a U.S. Holder of a Series 2010B Bond will recognize gain or loss equal to the difference between (i) the amount of cash plus the fair market value of property received (except to the extent attributable to accrued but unpaid interest on the Series 2010B Bond which will be taxed in the manner described above) and (ii) the U.S. Holder’s adjusted tax basis in the Series 2010B Bond (generally, the purchase price paid by the U.S. Holder for the Series 2010B Bond). Any such gain or loss generally will be capital gain or loss. In the case of a noncorporate U.S. Holder of the Series 2010B Bonds, the maximum marginal U.S. federal income tax rate applicable to any such gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income if such U.S. holder’s holding period for the Series 2010B Bonds exceeds one year. The deductibility of capital losses is subject to limitations.

For Non-U.S. Holders

Interest. Subject to the discussion below under the heading “Information Reporting and Backup Withholding,” payments of principal of, and interest on, any Series 2010B Bond to a Non-U.S. Holder, other than (1) a controlled foreign corporation, as such term is defined in the Code, which is related to the

Authority through stock ownership and (2) a bank which acquires such Series 2010B Bond in consideration of an extension of credit made pursuant to a loan agreement entered into in the ordinary course of business, will not be subject to any U.S. withholding tax provided that the beneficial owner of the Series 2010B Bond provides a certification completed in compliance with applicable statutory and regulatory requirements, which requirements are discussed below under the heading "Information Reporting and Backup Withholding," or an exemption is otherwise established.

Disposition of the Bonds. Subject to the discussion below under the heading "Information Reporting and Backup Withholding," any gain realized by a Non-U.S. Holder upon the sale, exchange, redemption, retirement (including pursuant to an offer by the Authority) or other disposition of a Series 2010B Bond generally will not be subject to U.S. federal income tax, unless (i) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business within the United States; or (ii) in the case of any gain realized by an individual Non-U.S. Holder, such holder is present in the United States for 183 days or more in the taxable year of such sale, exchange, redemption, retirement (including pursuant to an offer by the Authority) or other disposition and certain other conditions are met.

U.S. Federal Estate Tax. A Series 2010B Bond that is held by an individual who at the time of death is not a citizen or resident of the United States will not be subject to U.S. federal estate tax as a result of such individual's death, provided that at the time of such individual's death, payments of interest with respect to such Series 2010B Bond would not have been effectively connected with the conduct by such individual of a trade or business within the United States.

Information Reporting and Backup Withholding. U.S. information reporting and "backup withholding" requirements apply to certain payments of principal of, and interest on the Series 2010B Bonds, and to proceeds of the sale, exchange, redemption, retirement (including pursuant to an offer by the Authority) or other disposition of a Series 2010B Bond, to certain noncorporate holders of Series 2010B Bonds that are United States persons. Under current U.S. Treasury Regulations, payments of principal and interest on any Series 2010B Bonds to a holder that is not a United States person will not be subject to any backup withholding tax requirements if the beneficial owner of the Series 2010B Bond or a financial institution holding the Series 2010B Bond on behalf of the beneficial owner in the ordinary course of its trade or business provides an appropriate certification to the payor and the payor does not have actual knowledge that the certification is false. If a beneficial owner provides the certification, the certification must give the name and address of such owner, state that such owner is not a United States person, or, in the case of an individual, that such owner is neither a citizen nor a resident of the United States, and the owner must sign the certificate under penalties of perjury. If a financial institution, other than a financial institution that is a qualified intermediary, provides the certification, the certification must state that the financial institution has received from the beneficial owner the certification set forth in the preceding sentence, set forth the information contained in such certification, and include a copy of such certification, and an authorized representative of the financial institution must sign the certificate under penalties of perjury. A financial institution generally will not be required to furnish to the IRS the names of the beneficial owners of the Series 2010B Bonds that are not United States persons and copies of such owners' certifications where the financial institution is a qualified intermediary that has entered into a withholding agreement with the IRS pursuant to applicable U.S. Treasury Regulations.

In the case of payments to a foreign partnership, foreign simple trust or foreign grantor trust, other than payments to a foreign partnership, foreign simple trust or foreign grantor trust that qualifies as a withholding foreign partnership or a withholding foreign trust within the meaning of applicable U.S. Treasury Regulations and payments to a foreign partnership, foreign simple trust or foreign grantor trust that are effectively connected with the conduct of a trade or business within the United States, the partners of the foreign partnership, the beneficiaries of the foreign simple trust or the persons treated as the owners of the foreign grantor trust, as the case may be, will be required to provide the certification discussed

above in order to establish an exemption from withholding and backup withholding tax requirements. The current backup withholding tax rate is 28% (subject to future adjustment).

In addition, if the foreign office of a foreign "broker," as defined in applicable U.S. Treasury Regulations pays the proceeds of the sale of a Bond to the seller of the Series 2010B Bond, backup withholding and information reporting requirements will not apply to such payment provided that such broker derives less than 50% of its gross income for certain specified periods from the conduct of a trade or business within the United States, is not a controlled foreign corporation, as such term is defined in the Code, and is not a foreign partnership (1) one or more of the partners of which, at any time during its tax year, are U.S. persons (as defined in U.S. Treasury Regulations Section 1.1441-1(c)(2)) who, in the aggregate hold more than 50% of the income or capital interest in the partnership or (2) which, at any time during its tax year, is engaged in the conduct of a trade or business within the United States. Moreover, the payment by a foreign office of other brokers of the proceeds of the sale of a Series 2010B Bond, will not be subject to backup withholding unless the payer has actual knowledge that the payee is a U.S. person. Principal and interest so paid by the U.S. office of a custodian, nominee or agent, or the payment by the U.S. office of a broker of the proceeds of a sale of a Series 2010B Bond, is subject to backup withholding requirements unless the beneficial owner provides the nominee, custodian, agent or broker with an appropriate certification as to its non-U.S. status under penalties of perjury or otherwise establishes an exemption.

BOOK-ENTRY ONLY SYSTEM

BOOK-ENTRY ONLY SYSTEM

The information in this Appendix D concerning The Depository Trust Company ("DTC"), New York, New York, and DTC's book entry system has been obtained from DTC, and the Authority, the County and the Underwriters take no responsibility for the completeness or accuracy thereof. The Authority, the County and the Underwriters cannot and do not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Series 2010 Bonds, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Series 2010 Bonds, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Series 2010 Bonds, or that they will do so on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix D. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Series 2010 Bonds. The Series 2010 Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered security certificate will be issued for each Series and maturity of the Series 2010 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org. The information set forth on such websites is not incorporated by reference.

Purchases of the Series 2010 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2010 Bonds on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2010 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive

certificates representing their ownership interests in the Series 2010 Bonds, except in the event that use of the book-entry system for the Series 2010 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2010 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2010 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2010 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2010 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2010 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2010 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of the Series 2010 Bonds may wish to ascertain that the nominee holding the Series 2010 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2010 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed, unless otherwise provided.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2010 Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2010 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal of and interest and premium, if any, on the Series 2010 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee), the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal of and interest and redemption premium, if any, on the Series 2010 Bonds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

NONE OF THE AUTHORITY, THE COUNTY, THE UNDERWRITERS OR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS WITH RESPECT TO THE PAYMENTS OR THE

PROVIDING OF NOTICE TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS OR THE SELECTION OF SERIES 2010 BONDS FOR PREPAYMENT.

None of the Authority, the County or the Trustee can give any assurances that DTC, DTC Participants, Indirect Participants or others will distribute payments of principal of, premium, if any, and interest on the Series 2010 Bonds paid to DTC or its nominee, as the registered Owner, or any redemption or other notice, to the Beneficial Owners or that they will do so on a timely basis or that DTC will serve and act in a manner described in this Official Statement.

DTC may discontinue providing its services as depository with respect to the Series 2010 Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered. The Authority may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2010 Bond certificates will be printed and delivered. In the event that the book-entry system is discontinued as described above, the requirements of the Indenture will apply.

APPENDIX F

FORM OF OPINION OF BOND COUNSEL

Upon delivery of the Series 2010 Bonds, Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority, proposes to render its final opinion in substantially the following form:

Los Angeles County Public Works Financing Authority
Los Angeles, California

Los Angeles County Public Works Financing Authority
Lease Revenue Bonds (Multiple Capital Projects I), 2010 Series A
(Tax-Exempt)

and

Los Angeles County Public Works Financing Authority
Lease Revenue Bonds (Multiple Capital Projects I), 2010 Series B
(Build America Bonds/Recovery Zone Economic Development Bonds)
(Final Opinion)

Ladies and Gentlemen:

We have acted as bond counsel to the Los Angeles County Public Works Financing Authority (the "Authority") in connection with the issuance of its Los Angeles County Public Works Financing Authority Lease Revenue Bonds (Multiple Capital Projects I), 2010 Series A (Tax-Exempt) (the "Series 2010A Bonds"), in the aggregate principal amount of \$ _____, and its Los Angeles County Public Works Financing Authority Lease Revenue Bonds (Multiple Capital Projects I), 2010 Series B (Build America Bonds/Recovery Zone Economic Development Bonds) (the "Series 2010B Bonds" and together with the Series 2010A Bonds, the "Series 2010 Bonds"), in the aggregate principal amount of \$ _____. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

In such connection, we have reviewed the Master Indenture, dated as of November 1, 2010 (the "Indenture"), by and among the Authority, the County of Los Angeles (the "County") and U.S. Bank National Association, as trustee (the "Trustee"), the Master Site Lease, dated as of November 1, 2010 (the "Site Lease"), by and between the County and the Authority, the Master Sublease, dated as of November 1, 2010 (the "Sublease"), by and between the County and the Authority, the Tax Certificate and Agreement, dated the date hereof, relating to the Series 2010A Bonds (the "Tax Certificate"), opinions of counsel to the Authority, the County, the Trustee and others, certificates of the Authority, the County, the Trustee and others and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this opinion speaks only as of its date and is not intended to, and may not, be relied upon in connection with any such actions, events or matters. Our engagement with respect to the Series 2010 Bonds has concluded with their issuance, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Authority and the County. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Indenture, the Site Lease, the Sublease and the Tax Certificate, including (without limitation) covenants and agreements compliance with

which is necessary to assure that future actions, omissions or events will not cause interest on the Series 2010A Bonds to be included in gross income for federal income tax purposes.

We call attention to the fact that the rights and obligations under the Series 2010 Bonds, the Indenture, the Site Lease, the Sublease and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against joint powers authorities and counties in the State of California. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the foregoing documents nor do we express any opinion with respect to the state or quality of title to or interest in any of the real or personal property described in the Site Lease or the Sublease or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Series 2010 Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Series 2010 Bonds constitute the valid and binding special obligations of the Authority, payable solely from the Lease Revenues and the other assets pledged therefor under the Indenture.

2. The Indenture has been duly executed and delivered by, and constitutes a valid and binding obligation of, the Authority.

3. The Indenture, the Site Lease and the Sublease have been duly executed and delivered by, and constitute valid and binding obligations of, the County.

4. Interest on the Series 2010A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and interest on the Series 2010 Bonds is exempt from State of California personal income taxes. Interest on the Series 2010A Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes. We express no opinion regarding other tax consequences related to the accrual or receipt of such interest or the ownership or disposition of the Series 2010 Bonds.

Faithfully yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP
