DONALD H. BLEVINS
Chief Probation Officer

January 4, 2011

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**AUTHORIZE THE CHIEF PROBATION OFFICER AND THE DISTRICT ATTORNEY
TO ENTER INTO A PROFESSIONAL SERVICES AGREEMENT WITH
THE CITY OF LOS ANGELES FOR CONTINUED COMMUNITY LAW
ENFORCEMENT AND RECOVERY PROGRAM (CLEAR) PARTICIPATION
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

This is to request that your Board authorize the Chief Probation Officer and the District Attorney to execute and enter into a Professional Services Agreement with the City of Los Angeles for continued participation in the Community Law Enforcement and Recovery (CLEAR) Program, a multi-agency gang intervention project funded by the United States Department of Justice, in accordance with the City's CLEAR Program requirements.

JOINT RECOMMENDATION WITH THE DISTRICT ATTORNEY THAT YOUR BOARD:

1. Authorize the Chief Probation Officer and the District Attorney to execute and enter into a Professional Services Agreement (PSA) substantially similar to the attached with the City of Los Angeles (City) in the amount of \$310,986 for CLEAR Program services provided by Probation (\$113,330) and the District Attorney's Office (\$197,656) at one CLEAR site: 77th Florence/Graham for the period of July 1, 2010 through February 28, 2012. The CLEAR Program is funded from the Fiscal Year (FY) 2009 Recovery Act Justice Assistance Grant (JAG) 09 Grant.

2. Delegate authority to the Chief Probation Officer and the District Attorney, or their designees to serve as Project Directors for their respective CLEAR Programs and to approve any subsequent amendments, modifications, and/or extensions of the PSA that do not increase the Net County Cost of the program.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The purpose of the recommended actions is to comply with CLEAR Program legislation which requires that this collaborative, multi-agency effort involving the Probation Department, District Attorney's Office, Los Angeles Police Department, and the Los Angeles City Attorney's Office be formalized in a PSA. The actions will also satisfy the City's prerequisite to release CLEAR Program funding.

In addition, your Board's approval will provide delegated authority to the Chief Probation Officer and the District Attorney, or their designees, to serve as Project Directors for their respective CLEAR Programs and to carry out the terms of the PSA, including any necessary amendments, modifications, and/or extensions.

Implementation of Strategic Plan Goals

Approval of the recommended actions is consistent with the Los Angeles County Strategic Plan Goal No. 1, Operational Effectiveness, to maximize the effectiveness of the County's processes, structure, and operations to support timely delivery of customer-oriented and efficient public services, and Strategic Plan Goal No. 5, Public Safety, to ensure that the committed efforts of the public safety partners continue to maintain and improve the safety and security of the people of Los Angeles County. The CLEAR Program is a collaborative effort between multiple jurisdictions committed to ridding neighborhoods of street violence.

FISCAL IMPACT/FINANCING

The PSA will be funded from the FY 2009 Recovery Act JAG 09 Grant for the period of: July 1, 2010 through February 28, 2012 (77th Florence/Graham).

The City will provide the County a total of \$310,986 as follows: \$113,330 to Probation to partially fund salaries and employee benefits for one Deputy Probation Officer II position and \$197,656 to the District Attorney's Office to partially fund the salary of one (1) Los Angeles County Deputy District Attorney III position, respectively.

These revenues are included in each respective Department's FY 2010-11 Final Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The CLEAR program is a multi-jurisdictional program that has brought together law enforcement, government, and community agencies in an effort to rid neighborhoods of

street violence since 1998. On May 6, 2008, your Board adopted the Chief Executive Officer's recommendations to avoid retroactive agreements and ensure timely payments from the City for the CLEAR Program. However, despite working with the City to avoid retroactive agreements, this problem still exists primarily due to delays resulting from the lengthy process to negotiate JAG funding allocations and the City's preparation and approval of the PSA.

In order for the Probation Department and the District Attorney's Office to claim reimbursement from the City for the CLEAR Program, the attached PSA between the City and the County of Los Angeles must be signed by the County Departments to receive funding. The Mayor of Los Angeles will sign and fully execute the Agreement when it is received from the County, and the City will then reimburse the County. The PSA has been reviewed and approved as to form by County Counsel.

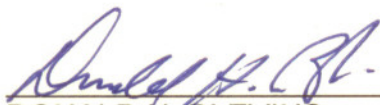

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommendations will maintain the existing level of services and will enable Probation and the District Attorney's Office to work with the Los Angeles Police Department and the City Attorney's Office to provide a flexible and coordinated response to crime perpetrated by criminal street gangs by identifying the gangs associated within each community and addressing each community's gang problem. Overall, the continued receipt of the City's reimbursement for CLEAR Program services will mitigate disruption in service delivery.

CONCLUSION

Upon approval by your Board, it is requested that the Executive Officer/Clerk of the Board send two (2) copies of the adopted board letter to: Los Angeles County Probation Department, Attention: Tasha Howard, Director, 9150 E. Imperial Highway, Room B83, Downey, CA 90242.

Respectfully submitted,

DONALD H. BLEVINS

A. General Description of CLEAR:

The primary purpose of the Los Angeles City/County Community Law Enforcement and Recovery (CLEAR) program is to facilitate the recovery of gang-infested communities by decreasing the criminal activity of targeted gangs in designated communities through an effective collaboration of City and County criminal justice agencies, and partnerships. This partnership forms the CLEAR's core collaborative agencies.

CLEAR's core collaborative agencies are:

- ◆ Los Angeles City Police Department (LAPD)
- ◆ Los Angeles County Probation Department
- ◆ Los Angeles City Attorney's Office (LACA)
- ◆ Los Angeles County District Attorney's Office (LADA)
- ◆ California Department of Corrections and Rehabilitation – Parole and Community Services Division, Region III (CDCR)

The key to CLEAR's success has been the immediate availability of police officers, deputy district attorneys, deputy city attorneys, probation officers and parole officers in the defined primary and secondary target areas. The role of each team member is outlined below:

- The LAPD deploys officers who are specifically designated to respond to gang-related criminal activity within their respective jurisdictions in the CLEAR target area;
- The California Department of Corrections provides intensive monitoring and closely supervises all parolees during their re-entry into society to avert them from engaging in criminal activity upon their release.
- Los Angeles County Probation Department collaborates with the City Attorney to ensure that gang members receive appropriate conditions of probation that prohibit association with other gang members through curfews and restrictions on returning to designated areas.

- The District Attorney's Office and City Attorney's Office engage in community-based and vertical prosecution to ensure effective prosecution of gang-related crimes;
 - Other Federal, State and local agencies and programs are requested to participate in a target area as the CLEAR Operational Team identifies additional areas of need.
- B. The County shall provide contractual services as set forth in, and in accordance with, §202, Exhibit A, and Exhibit A-1 of this Agreement. All work is subject to prior City approval. Failure to receive approval may result in withholding compensation pursuant to §301.
- C. There is one (1) CLEAR site within the City of Los Angeles to be funded from the FY 2009 Recovery Act JAG 09 Grant; LAPD 77th Florence/Graham. 77th Florence/Graham is to be assigned one (1) Los Angeles County Deputy District Attorney III and one (1) Los Angeles County Deputy Probation Officer II.

1. Los Angeles District Attorney

Los Angeles District Attorney's Office (LADA) shall dedicate one (1) full-time employee ("FTE") Deputy District Attorney level III or higher to the CLEAR 77th site. The CLEAR Deputy District Attorney shall be from LADA's Hardcore Gang Division, with a minimum of five years of experience as a Deputy District Attorney. The CLEAR Deputy District Attorney shall review all felony arrests of adult gang members made by the CLEAR Team and file charges as LADA deems appropriate. The CLEAR Deputy District Attorney shall vertically prosecute from the filing stage to sentencing, all violent gang-related felonies committed by the targeted gang or occurring in the targeted area. Additionally, the CLEAR Deputy District Attorney shall work with CLEAR investigators to ensure felony cases are fully prepared for trial. In cases where probation is granted, the CLEAR Deputy District Attorney shall advocate the imposition of gang terms and conditions such as prohibiting association with known gang members and possessing firearms or other deadly weapons. The CLEAR Deputy District Attorney will vigorously litigate felony probation violations that are filed on the targeted gang members, and shall also provide ongoing advice to CLEAR officers and investigators on legal issues and case preparation.

Subject to the terms set forth in this Agreement, LADA shall have sole discretion in personnel matters including the selection, tenure, supervision, and transfer of the CLEAR Deputy District Attorney assigned to the City, and sole and independent prosecutorial discretion to determine which matters should be filed as criminal cases and civil injunctions, and to give objective and impartial consideration to each individual case, including pleas and sentencing options.

2. Probation Department

The Probation Department will dedicate one (1) FTE Deputy Probation Officers level II or higher for the CLEAR 77th site. The CLEAR Deputy Probation Officer shall coordinate and conduct the following field-related activities: police ride-alongs, compliance sweeps, field visits, community-based organization contacts, search and seizures, warrant pickups; coordinate Community Impact Teams ("CIT") and co-facilitate the monthly team meetings with law enforcement, community representatives, community-based agencies, and other city and county agencies for the target neighborhood; serve as a liaison between the Probation Department, Los Angeles Police Department, Los Angeles Sheriff Department, District Attorney, City Attorney, State Parole, courts and community-based agencies in matters related to the program; monitor and enforce the terms and conditions of probation on both assigned and non-assigned cases; effect timely detection and verification of violations; impose conditions of probation specifically related to gang behavior; ensure that probation violations will lead to timely sanctioning; maintain awareness of gang and criminal activity; maintain efforts to discourage gang group activity and minimize gang cohesiveness; and redirect individual gang members into non-gang activities, etc. The Probation Department Specialized Enforcement Operations Officers coordinate with the LAPD and LASD (as well as other existing Probation resources) to participate in special operations, search and seizures, ride-alongs and selective enforcement. Probation Officers will also arrest probationers in violation and initiate violation proceedings with the court. Coordination with the LAPD, LASD, the City Attorney and the District Attorney CLEAR personnel ensures that gang members being placed on probation receive appropriate gang conditions. In contrast to existing Probation Officers, Probation Officers dedicated to the CLEAR Program do not carry caseloads and are more available to be in the field, enhancing visibility as well as the opportunity to engage in special projects. CLEAR Probation representatives also serve as liaisons to the local schools and communities, and may chair the local CLEAR CIT.

The Probation Department reserves the right to deploy the Deputy Probation Officer II in a manner deemed appropriate to the Department but in accordance with the terms and provisions of this Agreement.

3. The Time Period for funding each Deputy District Attorney III and Deputy Probation Officer II is as follows:

CLEAR site	Position	Time Period for funding
77th	Deputy District Attorney III	07/01/2010-02/28/2012

performance of this Agreement. Such requirements, regulations and guidance include, but are not limited to, the following:

1. County understands and agrees that Grantor (including OJP and the Office of the Inspector General (OIG)), and its representatives, and the Government Accountability Office (GAO), shall have access to and the right to examine all records (including, but not limited to, books, papers, and documents) related to this Recovery Act Grant, including such records of any contractor or subcontractor. County also understands and agrees that Grantor and GAO are authorized to interview any officer or employee of the County (or of any contractor or subcontractor) regarding transactions related to this Recovery Act Grant
2. County understands and agrees that this Recovery Act Grant award is a one-time award, and accordingly, that County's proposed project activities and deliverables are to be accomplished without additional Grantor funding.
3. Though Recovery Act funds may be used in conjunction with other non-Recovery Act grant funding sources to assist in the completion of the same or similar projects, Recovery Act funds may not be commingled with such other funds, and the tracking and reporting of Recovery Act funds must be separate. Thus, County agrees to track, account for, and report on all funds from this Recovery Act Grant award (including specific outcomes and benefits attributable to Recovery Act funds) separately from all other funds, including Grantor award funds from non-Recovery Act awards awarded for the same or similar purposes or programs. Accordingly, County's accounting systems must ensure that funds from this Recovery Act Grant are not commingled with funds from any other source. County further agrees that all personnel whose activities are to be charged to the award will maintain timesheets to document hours worked for activities related to this award and non-award related activities. County shall comply with all regulations and requirements regarding the supplanting of funds, and County shall prove that they are not supplanting by providing appropriate documentation. Please refer to the OJP's guidance on supplanting in OJP's Recovery Act Guidance on Supplanting at <http://www.ojp.gov/recovery/supplantingguidance.htm>.
4. County agrees to maintain records that identify adequately the source and application of Recovery Act funds, to maximize the transparency and accountability of funds authorized under the Recovery Act as required by the Recovery Act and in accordance with 2 CFR 215.21, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-profit Organizations" and OMB A-102 Common Rules provisions (relating to Grants and Cooperative Agreements with State and Local Governments). County shall specifically identify Recovery Act funding on its Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133.

5. County recognizes that the Recovery Act provides certain protections against reprisals for employees of non-Federal employers who disclose information reasonably believed to be evidence of gross management, gross waste, substantial and specific danger to public health or safety, abuse of authority, or violations of law related to contracts or grants using Recovery Act funds, pursuant to §1553 of the Recovery Act.
6. County agrees that none of the Grant funds may be used by any State or local government, or any private entity, for construction costs or any other support of any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool.
7. County agrees that it may not use any Grant funds for infrastructure investment absent submission of a satisfactory certification under §1511 of the Recovery Act.
8. County understands that this Grant award is subject to the provisions of §1605 of the Recovery Act (“Buy American”), which prohibits use of Recovery Act funds for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all the iron, steel, and manufactured goods used in the project are produced in the United States, subject to certain exceptions, including United States’ obligations under international agreements. County shall not use any Grant funds for iron, steel, or manufactured goods for a project for the construction, alteration, maintenance, or repair of a public building or public work, unless County provides advance written notice to City and a Grant Adjustment Notice is issued that modifies this special condition to add government-wide standard conditions that further implement the specific requirements or exceptions of §1605 of the Recovery Act.
9. County shall comply with the wage rate requirements as set forth in §1606 of the Recovery Act.
10. County understands and agrees that misuse of Grant funds may result in a range of penalties, including suspension of current and future funds, suspension and debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.
11. County shall comply with any modification or additional requirements that may be imposed by law and further OJP (including government-wide) guidance and clarification of Recovery Act requirements.
12. Recovery Act Reporting and Registration Requirements – This Recovery Act Grant award requires County to complete projects or activities which are funded under the Recovery Act and to report on use of Recovery Act funds provided by this Grant. Information from these reports will be made available to the public. For the duration of the Grant period (even if all Grant funds have been spent prior to the end of such Grant period), County

shall submit in a timely manner any and all data, information, and reports requested by the City or the City's CLEAR program evaluator (Harder and Company, or other City designee) in a format requested by the City or its designee as may be necessary to comply with all reporting and registration requirements of the Recovery Act and this Grant as it relates to the activities contemplated by this Agreement. County shall maintain auditable documentation supporting all reported data.

E. Noncompliance and Compliance with Special Conditions

County understands that failure to comply with any of the above assurances may result in suspension, termination or reduction of grant funds, and repayment by County to City of any unlawful expenditures.

§416. Federal, State and Local Taxes

Federal, State and local taxes shall be the responsibility of County as an independent party and not as a City employee.

§417. Federally Funded Projects, Inventions, Patents and Copyrights

A. Reporting Procedure for Inventions

If any project funded under this Agreement produces any invention or discovery ("Invention") patentable or otherwise under Title 35 of the U.S.C., including, without limitation, processes and business methods made in the course of work under this Agreement, the County shall report the fact and disclose the Invention promptly and fully to the City. The City shall report the fact and disclose the Invention to the Grantor. Unless there is a prior agreement between the City and the Grantor, the Grantor shall determine whether to seek protection on the Invention. The Grantor shall determine how the rights in the Invention, including rights under any patent issued thereon, will be allocated and administered in order to protect the public interest consistent with the policy ("Policy") embodied in the Federal Acquisition Regulations System, which is based on Ch. 18 of title 35 U.S.C. §200 *et seq.* (Pub. L. 95-517, Pub. L. 98-620, 37 CFR part 401); Presidential Memorandum on Government Patent Policy to the Heads of the Executive Departments and Agencies, dated 2/18/1983); and EO 12591, 4/10/87, 52 FR 13414, 3 CFR, 1987 Comp., p. 220 (as amended by EO 12618, 12/22/87, 52 FR 48661, 3 CFR, 1987 Comp., p. 262). County hereby agrees to be bound by the Policy, and will require its personnel to be bound by the Policy.

B. Rights to Use Inventions

City and Grantor shall have an unencumbered right, and a non-exclusive, irrevocable, royalty-free license, to use, manufacture, improve upon, and allow others to do so for all government purposes, any Invention developed under this Agreement.

C. Copyright Policy

1. Unless otherwise provided by the terms of the Grantor or of this Agreement, when copyrightable material ("Material") is developed under this Agreement, the author or the City, at the City's discretion, may copyright the Material. If the City declines to copyright the Material, the City shall have an unencumbered right, and a non-exclusive, irrevocable, royalty-free license, to use, manufacture, improve upon, publish and allow others to do

so for all government purposes, any Material developed under this Agreement.

2. Pursuant to 28 CFR 66.34, 28 CFR 70.36 and 37 CFR Part 401, the Grantor shall have an unencumbered right, and a non-exclusive, irrevocable, royalty-free license, to use, manufacture, improve upon, publish and allow others to do so for all government purposes, any Material developed under this Agreement or any Copyright purchased under this Agreement.
3. County shall comply with 24 CFR 85.34.

D. Rights to Data

The Grantor and the City shall have unlimited rights or copyright license to any data first produced or delivered under this Agreement. "Unlimited rights" means the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, and perform and display publicly, or permit others to do so; as required by 48 CFR 27.401. Where the data are not first produced under this Agreement or are published copyrighted data with the notice of 17 U.S.C. §401 or 402, the Grantor acquires the data under a copyright license as set forth in 48 CFR 27.404(f)(2) instead of unlimited rights (48 CFR 27.404(a)).

E. Obligations Binding on Subcontractors

The County shall require all subcontractors to comply with the obligations of this section by incorporating the terms of this section into all subcontracts.

§418. Claims for Labor and Materials

The County shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Agreement so as to prevent any lien or other claim under any provision of law from arising against any City property (including reports, documents, and other tangible or intangible matter produced by the County hereunder), against the County's rights to payments hereunder, or against the City, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

It is the policy of the City to provide minority business enterprises (MBEs), women business enterprises (WBEs) and all other business enterprises an equal opportunity to participate in the performance of all the County contracts, including procurement, construction and personal services. This policy applies to the County and its subcontractors. Consistent with EO 11625, 12432, and 12138, the County shall provide opportunities for small, minority, and women's businesses to participate in contracting and procurement activities generated under this Agreement. The County shall:

1. Invite small, minority, and women's businesses to participate in procurements under this Agreement.
2. Divide total requirements into small requirements to permit maximum small, minority, and women's business participation whenever economically feasible.
3. Use the services and assistance of the Small Business Administration, the Minority Business Development Agency of the Department of Commerce, and the Community Services Administration (or its successor), as required.
4. The County shall include the requirements of this section in every subcontract for work in connection with this Agreement and project.

§427. Faith-Based Activities

Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the grant-funded program. However, a Contractor that participates in a grant-funded program shall comply with the following provisions if it is deemed to be a religious or faith-based organization.

- A. The County may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this Agreement. If the County conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this Agreement, and participation must be voluntary for the beneficiaries of the grant-funded programs or services.
- B. A religious or faith-based Contractor will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct grant funds to support any inherently religious activities, such as worship, religious instruction, or proselytization.
- C. A religious or faith-based Contractor may use space in their facilities to provide grant-funded services, without removing religious art, icons, scriptures, or other religious symbols.

A religious or faith-based Contractor retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.
- E. A religious or faith-based Contractor shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.
- F. Grant funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities.
- G. Grant funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this Section. Where a structure is used for both eligible and inherently religious activities, grant funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to grant funds herein. Sanctuaries, chapels, or other rooms that a grant-funded religious congregation uses as its principal place of worship, however, are ineligible for grant-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property dispositions.

EXHIBIT A
THE LOS ANGELES CITY/COUNTY
COMMUNITY LAW ENFORCEMENT AND RECOVERY PROGRAM

The Community Law Enforcement and Recovery (CLEAR) Program was funded initially by the U.S. Department of Justice at the request of the Mayor's Office. CLEAR is a multi-jurisdictional program that brings together law enforcement, government and community agencies in an unprecedented, focused effort to rid neighborhoods of street violence. Core participants include the Los Angeles Police Department, Probation, City Attorney, District Attorney, Mayor's Office, and community stakeholders. CLEAR first targeted the violent Avenues gang in northeastern Los Angeles and in subsequent years, CLEAR has expanded to include a total of nine areas. In the last five years, gang-related violent crime has remarkably decreased due to CLEAR.

Crime reduction and enhanced quality of life in gang strongholds in all CLEAR sites are a direct result of the infusion of funds and resources, and the corresponding ability to implement proactive, rather than reactive strategies. CLEAR features a number of joint activities by its core members who are co-located in the target areas. These include: police ride-alongs with the Los Angeles Police Department; gang information and data sharing across departments and between the City and the County; gang conditions of probation, witness protection; and a Community Impact Team in which community members and law enforcement work together to prioritize and address local problems. The representative from the District Attorney's Office chairs the monthly Executive Steering Committee, which is responsible for program planning and oversight. A representative from the Los Angeles Police Department co-chairs (with the District Attorney) the monthly Operations Team Committee, which is responsible for site coordination and day-to-day program operations.

City Attorney's Office

The CLEAR sites shall be staffed by experienced Deputy City Attorney IIIs from the City Attorney Gang Unit. The Deputy City Attorney IIIs assigned to each CLEAR team shall vertically prosecute all misdemeanor offenses and local ordinance violations committed by targeted gang members, focus on gang-related nuisance and quality of life issues, work cooperatively with the other team members, and participate in the respective Community Impact Teams. The Deputy City Attorney IIIs shall also attend and participate in community meetings and events related to CLEAR operations. The assigned attorneys shall be co-located with the other members of the CLEAR Operations Team.

Los Angeles Police Department

The CLEAR sites shall be staffed by a Detective and a Sergeant. These staff members are assigned to the CLEAR team to investigate all gang-related crimes that occur within the designated areas, work cooperatively with the other team members, and participate in the respective Community Impact Teams. They shall also attend and participate in community meetings and events related to CLEAR operations. Overtime funds allow the

officers to increase the amount of time dedicated to investigations and to participate in task force events related to CLEAR sites.

Los Angeles County District Attorney

The Los Angeles County District Attorney's Office ("LADA") shall dedicate one (1) FTE Deputy District Attorney level III or higher to the CLEAR 77th site. The CLEAR Deputy District Attorney III shall be from LADA's Hardcore Gang Division, with a minimum of five years of experience as a Deputy District Attorney. The CLEAR Deputy District Attorney shall review all felony arrests of adult gang members made by the CLEAR team and file charges as LADA deems appropriate. The CLEAR Deputy District Attorney shall vertically prosecute from the filing stage to sentencing, all violent gang-related felonies committed by the targeted gang or occurring in the targeted area. Additionally, the CLEAR Deputy District Attorney shall work with CLEAR investigators to ensure felony cases are fully prepared for trial. In cases in which probation is granted, the CLEAR Deputy District Attorney shall advocate the imposition of gang terms and conditions such as prohibiting association with known gang members and possessing firearms or other deadly weapons. The CLEAR Deputy District Attorney shall vigorously litigate felony probation violations that are filed on the targeted gang members, and shall also provide ongoing advice to CLEAR officers and investigators on legal issues and case preparation.

Subject to the terms set forth in this Agreement, LADA shall have sole discretion in personnel matters including the selection, tenure, supervision, and transfer of the CLEAR Deputy District Attorneys assigned to the CLEAR site. LADA shall have the sole and independent prosecutorial discretion to determine which matters should be filed as criminal cases and civil injunctions, and to give objective and impartial consideration to each individual case, including pleas and sentencing options.

Los Angeles County Probation Department

The Los Angeles County Probation Department shall dedicate one (1) FTE Deputy Probation Officer level II or higher for the CLEAR 77th site. The CLEAR Deputy Probation Officer shall coordinate and conduct the following field-related activities: police ride-alongs, compliance sweeps, field visits, community-based organization contacts, search and seizures, warrant pickups; coordinate CITs and co-facilitate the monthly team meetings with law enforcement, community representatives, community-based agencies, and other city and county agencies for the target neighborhood; serve as a liaison between the Probation Department, Los Angeles Police Department, Los Angeles Sheriff Department, District Attorney, City Attorney, State Parole, courts and community-based agencies in matters related to the program; monitor and enforce the terms and conditions of probation on both assigned and non-assigned cases; effect timely detection and verification of violations; impose conditions of probation specifically related to gang behavior; ensure that probation violations will lead to timely sanctioning; maintain awareness of gang and criminal activity; maintain efforts to discourage gang group activity and minimize gang cohesiveness; and redirect individual gang members into non-gang activities, etc. The Probation Department Specialized Enforcement Operations Officers coordinate with the LAPD and LASD (as well as other existing Probation resources) to participate in special operations, search and seizures, ride-alongs and

selective enforcement. Probation Officers will also arrest probationers in violation and initiate violation proceedings with the court. Coordination with the LAPD, LASD, the City Attorney and the District Attorney CLEAR personnel ensures that gang members being placed on probation receive appropriate gang conditions. In contrast to existing Probation Officers, Probation Officers dedicated to the CLEAR Program do not carry caseloads and are more available to be in the field, enhancing visibility as well as the opportunity to engage in special projects. CLEAR Probation representatives also serve as liaisons to the local schools and communities, and may chair the local CLEAR CIT.

1. The Time Period for funding each Deputy District Attorney III and Deputy Probation Officer II is as follows:

CLEAR site	Position	Time Period for funding
77 th	Deputy District Attorney III	07/01/2010-02/28/2012
77 th	Deputy Probation Officer II	07/01/2010-12/31/2011

3. Reports

The County shall ensure that it and its CLEAR assigned personnel comply in a timely manner with all requests from the City's contract evaluator to provide information and statistics related to this grant-funded CLEAR program for use by the CLEAR Executive Board and the City and to provide monthly data to the City and Grantor as may be requested by City and/or Grantor.

The County shall submit all other reports and data on time and as required by BJA and/or the City.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this document, the prospective recipient of Federal assistance funds is providing the certification as set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to which this agreement is entered, if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous, when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing EO 12549.
5. The prospective recipient of Federal assistance funds agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective recipient of Federal assistance funds further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Procurement or Non Procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
