ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

22 JANUARY 11, 2011

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**ADOPT AND ADVERTISE
SIDEWALK IMPROVEMENT PROJECT
WINTON AVENUE FROM GEMINI STREET TO SALAIS STREET
IN THE UNINCORPORATED COMMUNITY OF SOUTH SAN JOSE HILLS
(SUPERVISORIAL DISTRICT 1)
(3 VOTES)**

SUBJECT

This action is to approve a project to construct sidewalk on Winton Avenue from Gemini Street to Salais Street in the unincorporated community of South San Jose Hills; find the project categorically exempt from the provisions of the California Environmental Quality Act; adopt the plans and specifications; and call for bids.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this project is categorically exempt from the provisions of the California Environmental Quality Act.
2. Approve the project and adopt the plans and specifications for Winton Avenue from Gemini Street to Salais Street, sidewalk improvement, in the unincorporated community of South San Jose Hills, at an estimated cost between \$450,000 and \$600,000.
3. Call for bids to be received on February 8, 2011.
4. Instruct the Executive Officer of the Board of Supervisors to advertise the project and seal and return the plans and specifications to the Department of Public Works for filing.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of the project from your Board and to adopt the plans and specifications; advertise for bids for the construction of new sidewalk; and the performance of other appurtenant work.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The recommended actions will help meet these goals by providing improved pedestrian access in the community.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated construction cost to complete this project is in the range of \$450,000 to \$600,000. Funding for this project is included in the First Supervisorial District's Road Construction Program in the Fiscal Year 2010-11 Road Fund Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for sidewalk improvements, is part of the Department of Public Works (Public Works) ongoing highway construction and maintenance program. It will be advertised in accordance with Section 20392 of the State Public Contract Code.

This project is to be completed in 35 working days. It is estimated the work will start in June 2011 and be completed in August 2011.

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: the County of Los Angeles' (County) Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the County's Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

This project is categorically exempt pursuant to Section 15301(c) of the California Environmental Quality Act Guidelines, and Class 1, Subsections (h), (x)(14), (x)(16), and (x)(22) of the revised County Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987. These exemptions provide for the reconstruction of existing roadway pavement, curb and gutters, sidewalks, drive aprons, and drainage structures; sidewalk construction; the maintenance of existing roadway facilities; and the demolition of accessory structures.

CONTRACTING PROCESS

This project will be contracted on an open-competitive bid basis. A recommendation for award by your Board will be made after review of the bids and determination of the lowest responsive bid and responsible contractor meeting the criteria established by your Board and the State Public Contract Code.

To increase contractor awareness of Public Works' program to contract work out to the private sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

When the project is completed, it will have a positive impact by providing improved pedestrian access in the community.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division.

The Honorable Board of Supervisors

1/11/2011
