The Honorable Board of Commissioners
Community Development Commission of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Commissioners:

**APPROVE COMMUNITY DEVELOPMENT BLOCK GRANT REIMBURSABLE CONTRACT WITH
VETERANS IN COMMUNITY SERVICE
(DISTRICT 4) (3 VOTES)**

SUBJECT

This letter recommends approval of a Community Development Block Grant (CDBG) Reimbursable Contract between the County of Los Angeles and Veterans in Community Service in the amount of \$100,000 for their Handyworker project.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the approval of a CDBG Reimbursable Contract between the County of Los Angeles and Veterans in Community Service for their Handyworker project is exempt from the provisions of the California Environmental Quality Act (CEQA), as described herein, because the project includes activities that will not have the potential for causing a significant effect on the environment.
2. Approve a CDBG Reimbursable Contract with Veterans in Community Service, Inc., presented in substantially final form, for their Handyworker project to rehabilitate homes of eligible low- and moderate-income households, using \$100,000 in CDBG funds allocated to the Fourth Supervisorial District, following approval as to form by County Counsel and execution by all parties, through June 30, 2011.
3. Instruct the Executive Director or his designee to execute the standard CDBG Reimbursable Contract on behalf of the County of Los Angeles, following approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Handyworker project provides minor home repairs and rehabilitation services to eligible low- and moderate-income households within targeted unincorporated areas of the Fourth Supervisorial District. Veterans in Community Service, Inc. is located at 10260 Matern Place in the City of Santa Fe Springs.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The proposed CDBG Reimbursable Contract will be funded with \$100,000 in CDBG funds allocated to the Fourth Supervisorial District. There are sufficient CDBG funds included in the Commission's approved Fiscal Year 2010-2011 budget for the expenses related to this project.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On May 25, 2010, your Board approved the 2010-11 One-Year Action Plan (Action Plan) for the Thirty-sixth Program Year (July 1, 2010 through June 30, 2011) to receive CDBG funds from the U.S. Department of Housing and Urban Development (HUD). The Action Plan contains the County's One-Year Plan to carry out housing and community development activities funded by the CDBG program. The proposed CDBG Reimbursable Contract is consistent with the purposes set forth in the Action Plan.

Should Veterans in Community Service, Inc. require additional or replacement personnel after the effective date of this CDBG Reimbursable Contract, it shall give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the agency's minimum qualifications for the positions in question.

ENVIRONMENTAL DOCUMENTATION

Pursuant to 24 Code of Federal Regulation, Part 58, Sections 58.35 (a)(3)(i) and (a)(3)(ii), this project is excluded from the National Environmental Policy Act (NEPA), because it involves activities that will not alter existing environmental conditions. It is exempt from the provisions of CEQA, pursuant to State CEQA Guidelines 15301, because it involves negligible or no expansion of use beyond what currently exists and does not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The project meets the HUD national objective of serving low- and moderate-income persons.

The Honorable Board of Supervisors

1/11/2011

HUD guidelines on LEP were published in the Federal Register on January 22, 2007, and were effective February 21, 2007. By requiring subrecipients to complete the "Charitable Contributions Certification" form attached hereto as Exhibit C, the County seeks to ensure that all non-profit agencies that contract with the County and receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A subrecipient that receives or raises charitable contributions without complying with its obligation under California law commits a material breach, upon which the County may immediately terminate this Contract, and the Operating Agency shall be liable for any and all damages incurred by the County and/or any federal agency as a result of such breach.

impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope of breadth, such provision shall be deemed valid to the extent of the scope of breadth permitted by law.

14. INTERPRETATION. No provision of this Contract shall be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if both parties drafted it hereto.
15. WAIVER. No breach of any provision hereof can be waived unless in writing. Waiver of breach of any provision herein shall not be deemed to be a waiver of additional breaches of the same provision or breach of any other provision herein.
16. PROGRAM EVALUATIONS AND REVIEW. The County will monitor, evaluate and provide guidance to the Operating Agency in the performance of the CDBG Program. 30. SUBCONTRACTING. The requirements of this Contract may not be subcontracted by the Operating Agency without compliance of procurement standards and methods as outlined in 24 CFR, Part 85, Section 85.36 of the Common Rule. Any attempt by the Operating Agency to subcontract without

adherence to federal regulations as required by the County may be deemed a material breach of this Contract.

If the Operating Agency desires to subcontract, the Operating Agency shall provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

The Operating Agency shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Operating Agency's employees.

The Operating Agency shall remain fully responsible for all performances required of it under this Contract, including those that the Operating Agency has determined to subcontract, notwithstanding the County's approval of the Operating Agency's proposed subcontract.

The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Operating Agency is responsible to notify its subcontractors of this County right.

The Commission's Executive Director, or his designee is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the Commission, the Operating Agency shall forward a fully executed subcontract to the County for their files.

The Operating Agency shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

The Operating Agency shall obtain and maintain on site certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. In the event of a CDBG funding reduction by HUD, the County may, in its sole discretion, reduce the compensation amount of this Contract in whole or in part, or may limit the rate of the Operating Agency's use of both its uncommitted and its unspent funds. The Commission, through its Executive Director, or his designee, may act for the County in implementing and effecting such a reduction in the compensation amount of this Contract.

Where the Commission, through its Executive Director, or his designee, has reasonable grounds to question the fiscal accountability, financial soundness, or compliance with this Contract of the Operating Agency, the Commission, through the Executive Director, or his designee, may suspend this Contract for up to sixty (60) days, upon three (3) days notice to Operating Agency, pending an audit or other resolution of such questions. In no event, however, shall a revision made by the County affect expenditures and legally binding commitments made by the Operating Agency before it received notice of such revision, provided that such amounts have been committed in good faith and are otherwise allowable, that such commitments are consistent with HUD cash withdrawal guidelines, and that CDBG funds are available to County to satisfy such expenditures or legally binding commitments.

33. USE OF FUNDS FOR ENTERTAINMENT, MEALS OR GIFTS. Operating Agency certifies and agrees that it will not use funds provided through this Contract to pay for entertainment, meals or gifts.

Upon execution of this Contract and during its term, as appropriate, the Operating Agency shall, disclose in writing to the County any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely

develop a conflict of interest between the County's and/or Commission's interest and the interests of the third parties.

35. BUDGET MODIFICATIONS. The Executive Director or his designee, who shall be a Division Director or higher, may grant budget modifications to this Contract for the movement of funds between the budget categories identified in Exhibit A, when such modifications:

Audits may also be conducted by Federal, State or local funding source agencies. The County or its authorized representatives shall, at all times during the term of this Contract, and for a period of five (5) years thereafter, have access, for the purpose of audit or inspection, to any and all books, documents, papers, records, property, and premises of the Operating Agency. The Operating Agency's staff will cooperate fully with authorized auditors when they conduct audits and examinations of the Operating Agency's program. A financial audit of the Operating Agency's performance under this Contract shall be conducted at County's discretion. If indications of misappropriation or misapplication of the funds of this Contract cause the County to require a special audit, the cost of the audit will be encumbered and deducted from this Contract's budget.

Failure of Operating Agency to comply with the requirements of this Section shall constitute a material breach of contract upon which the Commission, through its

Executive Director or his designee may cancel, terminate or suspend this Contract.

39. INDEPENDENT CONTRACTOR. Both parties hereto in the performance of this Contract will be acting in an independent capacity and not as agents, employees, partners, joint ventures or associates of one another. All monies so paid by County shall be repaid by the Operating Agency to County upon demand or County may offset the cost of the premiums against any monies due to the Operating Agency from County.

Construction Entity shall not be required to indemnify, defend, and hold harmless Public Agencies from any Liabilities that arise from the active negligence, sole negligence or willful misconduct of Public Agencies, Public Agencies' agents, servants, or independent contractors who are directly responsible to Public Agencies. This indemnification clause shall remain in full force and effect following the expiration and/or termination of the Operating Agency-Construction Entity Contract.

In the event that Operating Agency provides design professional services in relation to a project related in any way to this Contract, Operating Agency agrees to indemnify, defend, and hold harmless Public Agencies from and against any and all Liabilities that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Operating Agency.

46. FINANCIAL CLOSE OUT PERIOD. The Operating Agency agrees to complete all necessary financial close out procedures required by the County, within a period of not more than sixty (60) calendar days from the expiration date of this Contract. This time period will be referred to as the financial close out period. The County is not liable to provide reimbursement for any expenses or costs associated with this Contract after the expiration of the financial close out period. After the expiration of the financial close out period, those funds not paid to the Operating Agency under this Contract, if any, may be immediately reprogrammed by the County into other eligible activities in the County. The Commission, through its' Executive Director, or his designee, may request a final financial audit for activities performed under this Contract at the expiration of the financial close out period.
47. NEPOTISM. Operating Agency shall not hire nor permit the hiring of any person to fill a position funded through this Contract if a member of that person's immediate family is employed in an administrative capacity by Operating Agency, unless this action is approved by the Operating Agency's governing body and waived by the County. Operating Agency shall maintain, and permit on site inspections of such property, personnel, financial and other records and accounts as are considered necessary by County to assure proper accounting for all Contract funds during the term of this Contract and for a period of five (5) years thereafter. Operating Agency will ensure that its employees and board members furnish such information, which, in the judgment of County representatives, may be relevant to a question of compliance with contractual conditions, with County or granting agency directives, or with the effectiveness, legality and achievements of the program.

51. EXPENDITURES. Expenditures made by Operating Agency in the operation of this Contract shall be in strict compliance and conformity with the Budget set forth in Exhibit A, unless prior written approval for an exception is obtained from the Commission, through its Executive Director or his designee.

54. RESIDENTIAL ANTIDISPLACEMENT AND RELOCATION ASSISTANCE PLAN. Section 104(d) of the Housing and Community Development Act of 1974, also known as the Barney Frank Amendment, requires relocation assistance for displaced low-income families and requires one-for-one replacement of low/moderate income dwelling units that are demolished or converted to other use. When CDBG funds are used in a project, including financing for rehabilitation, or project delivery costs, Section 104(d) is triggered. CDBG Regulations further describe the requirements under 24 CFR Section 570.606 Displacement, Relocation, Acquisition, and Replacement of Housing.

Operating Agency must adopt and make public a Residential Antidisplacement and Relocation Assistance Plan as part of its administrative requirements to HUD. Before Operating Agency enters into a Contract committing it to provide funds for any activity that will directly result in the demolition, or conversion to another use, of low/moderate-income dwelling units, it must make public and submit to HUD the information as described in Sections 24 CFR Sections 570.457; 570.496 (a); 570.606 (c); and 570.702 (f).

In the event of such termination, the County shall be entitled to pursue the same remedies against Operating Agency as it could pursue in the event of default by the Operating Agency.

Operating Agency shall immediately report any attempt by the County officer or employee to solicit such improper consideration. The Report shall be made to the Executive Director or the County Auditor-Controller's Employee Fraud Hotline (800) 544-6861.

Operating Agency acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Operating Agency's duty under this Contract to comply with all applicable provisions of law, Operating Agency warrants that it is now in compliance and shall during the term of this Contract maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or District Attorney Notices of

58. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM. Failure of Operating Agency to maintain compliance with the requirements set forth in Section 57, Operating Agency's Warranty of Adherence to County's Child Support Compliance Program shall constitute a default by Operating Agency under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure to cure such default within ninety (90) days of notice by the Los Angeles County Child Support Services Department (CSSD) shall be grounds upon which the Executive Director or his designee may terminate this Contract pursuant to Section 62, Termination for Cause.
59. POST MOST WANTED DELINQUENT PARENTS LIST. The Operating Agency acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The Operating Agency understands that it is County's policy to voluntarily post a list entitled L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Operating Agency's place of business. The CSSD will supply the Operating Agency with the poster to be used.
60. COUNTY'S QUALITY ASSURANCE PLAN. The County will evaluate the Operating Agency's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Operating Agency's compliance with all Contract terms and performance standards. Operating Agency's deficiencies, which County determines are severe or continuing and that may place performance of the Contract in jeopardy, if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Operating Agency. If improvement does not occur consistent with the corrective measure, County may terminate this Contract, pursuant to Sections 61 or 62, or impose other penalties as specified in this Contract.
61. TERMINATION FOR CONVENIENCE. The County reserves the right to cancel this Contract for any reason at all upon 30 days' prior written notice to Operating Agency. In the event of such termination, Operating Agency shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination. If the County exercises its' rights under this section 61, than the Operating Agency shall have the right to terminate this contract for convenience.
62. TERMINATION FOR CAUSE. This Contract may be terminated by the County upon written notice to the Operating Agency for just cause (failure to perform satisfactorily) with no penalties incurred by the County upon termination or upon the occurrence of any of the following events in i, ii, iii, iv, or v:

- i. Should the Operating Agency fail to perform all or any portion of the work required to be performed hereunder in a timely and good workmanlike manner or properly carry out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Operating Agency, and should the Operating Agency neglect or refuse to provide a means for satisfactory compliance with this Contract and with the direction of the County within the time specified in such notice, the County shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.
 - ii. Should the Operating Agency fail within five days to perform in a satisfactory manner, in accordance with the provisions of the Contract, or if the work to be done under said Contract is abandoned for more than three days by the Operating Agency, then notice of deficiency thereof in writing will be served upon the Operating Agency by the County.
 - iii. Should the Operating Agency fail to comply with the terms of said Contract within five days, upon receipt of said written notice of deficiency, the Commission, through its Executive Director, or his designee shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.
 - iv. In the event that a petition of bankruptcy shall be filed by or against the Operating Agency.
 - v. If, through any cause, the Operating Agency shall fail to fulfill in timely and proper manner the obligations under this Contract, or if the Operating Agency shall violate any of the covenants, Contracts, or stipulations of this Contract, the County shall thereupon have the right to terminate this Contract by giving written notice to the Operating Agency of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Operating Agency or under this Contract shall, at the option of the County become its property and the Operating Agency shall be entitled to receive just and equitable compensation for any work satisfactorily completed.
63. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT. The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that insure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of residential structure as defined in 24 CFR Section 40.2 or the definition of building as defined in 41 CFR Part 101, is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 for residential structures

and Appendix A to 41 CFR Parts 101-19 for general type buildings). The Americans with Disabilities Act (42 U.S.C. Section 12131; 47 U.S.C. Sections 155.201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy after January 26, 1993 that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.

64. USE OF RECYCLED-CONTENT PAPER PROJECTS. Consistent with the County Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, the Operating Agency agrees to use recycled-content paper to the maximum extent possible.
65. EMPLOYEES OF OPERATING AGENCY. *Workers' Compensation:* Operating Agency understands and agrees that all persons furnishing services to the County pursuant to this Contract are, for the purposes of Workers' Compensation liability, employees solely of the Operating Agency. Operating Agency shall bear sole responsibility and liability for providing Workers' Compensation benefits to any person for injuries arising from an accident connected with services provided to the County under this Contract.

Professional Conduct: The County does not and will not condone any acts, gestures, comments or conduct from the Operating Agency's employees, agents or subcontractors which may be construed as sexual harassment or any other type of activities or behavior that might be construed as harassment. The County will properly investigate all charges of harassment by residents, employees or agents of the County against any and all Operating Agency's employees, agents or subcontractors providing services for the County. The Operating Agency assumes all liability for the actions of the Operating Agency's employees, agents or subcontractors and is responsible for taking appropriate action after reports of harassment are received by the Operating Agency.

66. CONTRACTOR RESPONSIBILITY AND DEBARMENT. A responsible contractor is a contractor, consultant, vendor, or operating agency who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the policy of the Commission, Housing Authority, and County to conduct business only with responsible contractors.
- a. The Operating Agency is hereby notified that if the County acquires information concerning the performance of a contractor on this or other contracts which indicates that the contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the contractor from bidding or proposing on, or being awarded, and/or performing

work on County, Commission, and/or Housing Authority contracts for a specified period of time, which generally will not to exceed five years but may exceed five years or be permanent if warranted by circumstances, and terminate any or all existing contracts the contractor may have with the County, Commission, and/or Housing Authority.

- b. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Operating Agency to cure such default within 10 days of notice shall be grounds upon which County may suspend or terminate this contract pursuant to the County's Defaulted Property Tax Reduction Program found at Los Angeles County Ordinance No. 2009-0026 and codified at Los Angeles County Code, Chapter 2.206.
75. WARRANTY OF AUTHORITY. The undersigned signatory for the Operating Agency covenants, warrants and guarantees that he/she is empowered and authorized to sign this Contract on behalf of Operating Agency in accordance with the terms and conditions stated herein.

INSURANCE REQUIREMENTS FOR OPERATING AGENCY

«Agency_Name»
«Agency_Address»

«Project_Name»
«Project_Number»

In order for the Operating Agency to meet its obligations to the community and insure its continuance, the Community Development Commission of the County of Los Angeles (“CDC”), the Housing Authority of the County of Los Angeles (“HA”) and the County of Los Angeles (“County”) requires that prior to the execution of this contract, the Operating Agency must provide evidence that all insurance requirements have been met. Without limiting Operating Agency's indemnifications as set in the attached agreement, Operating Agency shall procure and maintain, at Operating Agency's sole expense, for the duration of this agreement, the insurance policies described herein. Such insurance shall be secured from carriers admitted in California, or authorized to do business in California. Carriers shall be in good standing with the California Secretary of State’s Office and the California Department of Insurance. Such carriers must be approved by the California Department of Insurance and must be included on the California Department of Insurance List of Eligible Surplus Line Suppliers (hereinafter “LESLI”). Carriers must have a minimum rating of or equivalent to A: VIII in Best's Insurance Guide. Operating Agency shall, prior to the execution of this agreement, deliver to the CDC **Certificates of Insurance** with original endorsements evidencing the insurance coverage required by this agreement. The certificates and endorsements shall be signed by a person authorized by the insurers to bind coverage on its behalf. The CDC reserves the right to require complete certified copies of all policies at any time. Said insurance shall be in a form acceptable to the CDC and may provide for such deductibles as may be acceptable to the CDC.

Any self-insurance program and self-insured retention must be separately approved by the CDC. In the event such insurance does provide for deductibles or self-insurance, Operating Agency agrees that it will defend, indemnify and hold harmless the CDC, County, and HA, and each of their elected and appointed officers, officials, representatives, employees, and agents in the same manner as they would have been defended, indemnified and held harmless if full coverage under any applicable policy had been in effect. Each such certificate shall stipulate that the CDC be given at least thirty (30) days’ written notice in advance of any cancellation or any reduction in limit(s) for any policy of insurance required herein. Operating Agency shall give the CDC immediate notice of any insurance claim or loss which may be covered by insurance. Operating Agency represents and warrants that the insurance coverage required herein will also be provided by any entities with which Operating Agency contracts, as detailed below. All **Certificates of Insurance** and additional insured endorsements shall carry the following information, as identified in the top portion of this document: *Agency Name, Address, Project Name and Number.*

The insurance policies set forth herein shall be primary insurance with respect to the CDC. The insurance policies shall contain a waiver of subrogation for the benefit of the CDC. Failure on the part of Operating Agency, and/or any entities with which Operating Agency contracts, to

procure or maintain the insurance coverage required herein may, upon the CDC's sole discretion, constitute a material breach of this agreement pursuant to which the CDC may immediately terminate this agreement and exercise all other rights and remedies set forth herein, at its sole and absolute discretion, and without waiving such default or limiting the rights or remedies of the CDC, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by the CDC shall be immediately repaid by the Operating Agency to the CDC upon demand including interest thereon at the default rate. In the event of such a breach, the CDC shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. Operating Agency's failure to assert or delay in asserting any claim shall not diminish or impair the CDC's rights against the Operating Agency or the insurance carrier.

When Operating Agency is naming the CDC as an additional insured on any of the insurance policies set forth herein, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 10 01. When any entity with which Operating Agency is contracting, is naming the CDC as an additional insured on any of the insurance policies set forth herein, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 11 85.

Any failure to maintain the insurance required herein, may be deemed, at the sole discretion of CDC, a material breach of this Agreement. No funds will be advanced, reimbursed, or disbursed until all of the above mentioned insurance requirements have been met. There absolutely will be no reimbursement of costs for the default and cure periods.

Exceptions to the insurance requirements as set forth herein, would be granted only on a case by case basis. Prior to the Operating Agency receiving funds, the CDC or the HA will review the activities of the Operating Agency. Those Operating Agencies whose activities present no meaningful exposure to the CDC, the HA and the County may have certain insurance coverages waived by the CDC Risk Management Administrator upon the written request of the Operating Agency.

The following insurance policies shall be obtained and maintained by Operating Agency:

A. GENERAL LIABILITY INSURANCE (written on ISO policy form CG 20 10 85 or it's equivalent) including coverage for personal injury, death, property damage and contractual liability with limits of not less than the following:
