**Please Conserve Paper – This Document and Copies are Two-Sided
Intra-County Correspondence Sent Electronically Only**

4. Authorize the Planning Committee, with staff support from the Office of Child Care (OCC) within the Service Integration Branch of the CEO, to implement the contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Acceptance of this contract will support the ongoing implementation of local child development planning activities mandated in the California Education Code, Sections 8499-8499.7. These Sections of the Education Code mandate that local planning councils provide a forum for the identification of local priorities for child development services and the development of policies to meet these needs.

In addition, the Education Code requires that the County Superintendent of Schools and the Board of Supervisors appoint the Planning Committee members from the following five categories, and that each category account for 20 percent of the total membership. The categories are:

1. Persons who are currently using child development services or have used them in the past 36 months;
2. Representatives of licensed family child care homes, licensed child development centers, and license-exempt child care providers;
3. Public agency representatives;
4. Community representatives who do not hold contracts with the CDE to provide child development services; and
5. Discretionary appointments.

The membership roster includes a nominee or placeholder from each Board office, meets the requirements of the Education Code, and has been approved by the Planning Committee and endorsed by the County Superintendent of Schools. The proposed membership of the Planning Committee represents the ethnic, programmatic, and geographic diversity of the County of Los Angeles. Proposed members are individuals with expertise in a variety of fields, which can contribute to the ongoing efforts to improve the availability and quality of child development services in Los Angeles County.

Formal approval of the Planning Committee contract and membership are required to comply with the Education Code, to seat new members, and to secure funding to support the ongoing work of the Planning Committee.

Implementation of Strategic Plan Goals

The work of the Planning Committee and the Roundtable positively impacts achievement of Goal 2 of the County's Strategic Plan: Children, Family, and Adult Well-Being. This work includes efforts to increase the capacity of and access to quality child development, including for

children and families who use other County services, and to improve the quality of the early childhood workforce. These efforts also support the healthy development of children and the economic self-sufficiency of families. The Planning Committee is an effective conduit for information among state-funded, federally-funded, and private child development service providers in the County, promotes a Countywide perspective on child development services, and plays a unique role in providing leadership on these issues.

FISCAL IMPACT/FINANCING

Approval of this CDE contract will provide \$188,799 to fund the operations of the Planning Committee, including salaries and employee benefits for staff in the OCC, data, equipment, document development, printing and distribution, and travel and training. Planning Committee members serve as uncompensated volunteers.

This contract has a maximum reimbursable amount of \$188,799 and includes a Maintenance of Effort requirement (net County cost) of \$64,000. Funding is included in the CEO Fiscal Year 2011-12 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Planning Committee has been operating under contract with CDE since 1995. The Education Code defines a number of specific tasks for local planning councils to address, including to:

- Operate within the parameters of the Education Code, including the appointment of members by the Board and the County Superintendent of Schools.
 - The Planning Committee began recruiting new members in March 2011. Applications were distributed to all school districts within the County, individuals on the Planning Committee's contact lists, attendees at monthly Planning Committee meetings, and through outreach efforts of individual members. In addition, the application for membership was posted on the OCC Web site.
 - The membership roster reflects the Planning Committee's efforts to arrive at a body which represents the geographic, programmatic, ethnic, and cultural diversity of the County, while also complying with the mandates of the Education Code. The membership includes individuals nominated by each member of the Board of Supervisors and a representative of the County Superintendent of Schools, as well as a representative from the Los Angeles County Department of Public Social Services.
- Conduct a Countywide child care needs assessment at least once every five years.
 - The Planning Committee facilitated the creation of a data partnership with Los Angeles County Office of Education Head Start and Los Angeles Universal

Preschool for the purpose of conducting a joint Countywide needs assessment. The results of the data collection and analysis will be available in the fall of 2011.

- Prepare a comprehensive County plan to address the issues identified in the needs assessment.
 - The Planning Committee developed, "Forging the Future: County of Los Angeles Strategic Plan for Child Care and Development 2003-2013" (Strategic Plan). This Strategic Plan was approved by your Board in September 2003 and endorsed by the Superintendent of Schools in March 2004. The Strategic Plan was revised and approved by your Board in January 2008. In 2011-12, the Planning Committee will undertake the development of a new 10 year Strategic Plan for Child Care and Development for Los Angeles County which will be presented to your Board in 2013.
- Design a system to consolidate the waiting lists of local CDE/Child Development Division-funded child development programs.
 - The Planning Committee implemented the County of Los Angeles Centralized Eligibility List (LACEL), which was administered by the OCC and contained over 30,000 active child records and was used by 150 CDE-funded contractors. With the budget bills approved and signed by the Governor for 2011-12, funding for all Centralized Eligibility Lists was deleted. The Planning Committee, through the OCC will monitor the impact of this and will work with groups of child development contractors to determine the feasibility of developing smaller, regional CELs so that parents have easier access to subsidized child care and development programs.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The mission of the Planning Committee is to engage parents, child care providers, allied organizations, the community, and public agencies in collaborative planning efforts to improve the overall child development infrastructure of Los Angeles County, including the quality, continuity, affordability, and accessibility of child development services for all families.

To advance its mission in the coming year, the Planning Committee will:

- Support ongoing implementation of the Steps to Excellence Project (STEP) to promote quality;
- Support implementation of Cycle 13 of the AB 212 - Investing in Early Educators Program;
- Work with a variety of local partners to continue to facilitate the expansion of child development services;

- Complete and disseminate a comprehensive Needs Assessment Report on Child Care and Development in Los Angeles County; and
- Develop a new Strategic Plan for Child Care and Development for the County of Los Angeles.

CONCLUSION

Upon approval by your Board, the following documents will require signatures:

- Attachment A – includes one complete contract plus two additional face-sheets, each requiring an original signature by the Mayor.
- Attachment B – includes the Resolution Form, to be completed and signed by the Executive Officer of the Board, and

If the materials were developed in part with contract funds, the income from the sale of the materials that shall be used in the child development program shall be computed in direct proportion to the share of contract funds used in development of the materials.

Materials developed with contract funds shall contain an acknowledgement of the use of State (general) or Federal funds in the development of materials and a disclaimer that the contents do not necessarily reflect the position or policy of the CDE.

F. Contractor's Termination for Convenience

1. General Termination for Convenience

A contractor may terminate the contract for any reason during the contract term. The contractor shall notify the CDD of its intent to terminate the contract at least ninety (90) calendar days prior to the date the contractor intends to terminate the contract. Within fifteen (15) days from the date the contractor notifies the CDD of its intent to terminate the contract, the contractor shall submit:

- a. Current inventory of equipment purchased in whole or in part with contract funds
- b. The names, addresses and telephone numbers of all families served by the contract and all staff members funded by the contract
- c. Contractors shall also submit the names, addresses, and telephone numbers of all providers of subsidized services funded with subcontracts under the contract

Upon receipt of a notice of intent to terminate, the CDD will transfer the program to another agency as soon as practicable.

The State shall only be obligated to compensate the contractor for net reimbursable program costs in accordance with the contract through the date of termination. There shall be no other compensation to the contractor. The State shall offset any monies the contractor owes the State against any monies the State owes under the contract.

2. Changes in Laws or Regulations

The CDE/CDD shall notify contractors in writing of changes in laws or regulations prior to the effective date or as soon as possible after enactment. If any laws or regulations are changed substantially during the contract period, the contractor shall have the option to discontinue performance and be relieved of all obligations for further performance.

The contractor has thirty (30) calendar days from receipt of notification of pending changes to notify the CDD in writing of the contractor's intent to terminate if the required changes are unacceptable to the contractor. The contract shall be deemed terminated sixty (60) calendar days after receipt of the notification of the intent to terminate.

G. Eligibility for Funding

A contractor is not eligible for additional funds, as defined in Section I above, if the contractor has received final notification, as specified in Section VIII.A below, that its contract has been terminated.

A contractor is not eligible for additional funds if the contractor has demonstrated fiscal and/or programmatic noncompliance and has received final notification, as specified in Section IX.A below, that:

1. Its contract will be placed on conditional status
2. It will not be offered continued funding

H. Continued Funding

Contractors have no vested right to a subsequent contract. Contractors that are not on conditional contract status but which have evidenced fiscal or programmatic noncompliance with the provisions of this contract, law or regulations shall receive an administrative review in accordance with Section IX.A below to determine whether they will receive an offer for continued funding.

Contractors currently on conditional status that do not meet the requirements specified in the Conditional Status Addendum, as specified in Section IX.C below, may not be offered a subsequent contract and shall be so notified by the CDD at least ninety (90) calendar days prior to the end of the current contract period.

Contractors that intend to accept the offer to continue services in the subsequent contract period shall respond to a continued funding application request from the CDD in accordance with the instructions and timelines specified in the request. Failure to respond within the timelines specified in the continued funding application request shall constitute notification to the CDD of the contractor's intent to discontinue services at the end of the current contract period unless the contractor has received a written extension of the original timeline from the CDD.

I. Applicability of *Corporations Code*

Except for partnerships and sole proprietorships, private contractors shall be subject to all applicable sections of the *Corporations Code* including standards of conduct and management of the organization.

J. Conflicts of Interest for Local Planning Councils program

For any transaction to which the contractor is a party and the other party is:

1. An officer or employee of the contractor or of an organization having financial interest in the contractor
2. A partner or controlling stockholder or an organization having a financial interest in the contractor
3. A family member of a person having a financial interest in the contractor, the transaction(s) shall be fair and reasonable and conducted at arm's length

Based on corporate law (*Corporations Code*, sections 310, 5233-5234, 7233 and 9243 as applicable) the general rules that would be followed to ensure that transactions are conducted "at arm's length" include:

1. Prior to consummating the transaction, the governing body should authorize or approve the transaction in good faith and the board should require the interested party, or parties, to make full disclosure to the board both in writing and during the board meeting where the transaction is being discussed.
2. All parties having a financial interest in the transaction should refrain from voting on the transaction and it should be so noted in the board minutes.

If the transaction involves the renting of property, either land or buildings, owned by affiliated organizations, officers or other key personnel of the contractor or their families, the board of directors shall request the interested party to obtain a "fair market rental estimate" from an independent appraiser, licensed by the California Office of Real Estate Appraisers. If the contractor has no board or is a sole proprietor, the requirement for a "fair market rental estimate" shall also apply. The contractor has the burden of supporting the reasonableness of rental costs. If the property is owned by the contractor, rental costs are not reimbursable and costs may be claimed only as depreciation or use allowance. Any transaction described in this paragraph shall be disclosed by the auditor in the notes to the financial statement in the annual audit. (OMB A-110, Subpart D)

Rental costs for equipment owned by affiliated organizations, officers or other key personnel of the contractor or their families are allowable only as use or depreciation allowance.

K. Unlawful Denial of Services (*Government Code*, Section 11135 and *California Code of Regulations*, Title 5, Section 4900)

1. No person in the State of California shall, on the basis of race, national origin, ethnic group identification, religion, age, sex, sexual orientation,

- gender, ancestry, color, or mental or physical disability, be unlawfully denied full and equal access to the benefits of, or be unlawfully subjected to discrimination under, any program or activity that is conducted, operated, or administered by the state or by any state agency, is funded directly by the state, or receives any financial assistance from the state.
2. With respect to discrimination on the basis of disability, programs and activities subject to subdivision (a) shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, except that if the laws of this state prescribe stronger protections and prohibitions, the programs and activities subject to subdivision (a) shall be subject to the stronger protections and prohibitions.

As used in this section, "disability" means any mental or physical disability as defined in *Government Code* Section 12926.

L. Computer Software Copyright Compliance

By signing this agreement, the contractor certifies that it has appropriate systems and controls in place to ensure that state (general) and Federal funds will not be used in the performance of this contract for the acquisition, operation or maintenance of computer software in violation of copyright laws.

M. Uniform Complaint Procedures (5CCR sections 4600-4687)

The 5CCR Section 4610 authorizes the CDE responsibility over Uniform Complaint Procedures (UCP) and Child Care and Development programs are covered under UCP which includes Alternative Payment, CalWORKs State 2 and 3, Exceptional Needs, Family Child Care Homes, General, Migrant, Protective Services, Resource and Referral, School-Age, Severely Handicapped, and State Preschool complaints under the UCP procedures. For additional general information on Uniform Complaint Procedures, contact the Categorical Programs Complaint Management Office, California Department of Education, Legal and Audits Branch, 1430 N Street, Suite #5408, Sacramento, CA 95814; telephone 916-319-0929, or visit our Web site at <http://www.cde.ca.gov/re/cp/uc>.

III. FACILITIES AND EQUIPMENT

A. Depreciation and Use Allowance

Taxes, insurance and maintenance may be claimed as part of actual and allowable costs for buildings or building improvements related to the child development program and equipment necessary for the operation of the program. Within the limits specified below, depreciation or use allowance may also be claimed. Depreciation shall not be claimed on land, donated assets or

assets purchased with public funds, on any fully depreciated asset or on idle or excess facilities. A use allowance shall not be claimed on land or assets purchased with contract funds or on assets for which depreciation has been claimed.

Depreciation is a cost in the current fiscal year based on acquisition costs, less any estimated residual value, computed on a straight line method from the original date of acquisition (based on the normal, estimated useful life expectancy of the asset). When depreciation is applied to assets acquired in prior years, the annual charges shall not exceed the amounts that would have resulted had depreciation been claimed from the date of acquisition.

A use allowance is the alternate method for compensation when depreciation costs are not claimed. The use allowance for buildings and improvements is computed at an annual rate not to exceed two percent (2%) of acquisition costs. The use allowance for equipment is computed at an annual rate not to exceed six and two-thirds percent (6-2/3%) of acquisition costs.

B. Capital Outlay

Capital outlay expenditures are those that result in the acquisition of or additions to capital assets. Capital outlay expenditures are subdivided into two categories:

1. Sites and improvement of sites; buildings; improvement of buildings; building fixtures; and services systems
2. Equipment which includes personal property of a relatively permanent nature and/or of significant value. (See the California School Accounting Manual for categorization of various items)

Capital outlay expenditures for category (1) are only reimbursable as depreciation or use allowance. Capital outlay expenditures for licensable facilities in the community served by the program are reimbursable as lease payments, down payments, payments of principal and interest on loans incurred to acquire, rehabilitate or construct licensable facilities as long as the costs do not exceed fair market rents existing in the community in which the facility is located. A fair market rental estimate must be obtained from an independent appraiser, licensed by the California Office of Real Estate Appraisers. In addition, to be reimbursable, interest paid on private sector debt for the purchase, lease-purchase, repair or renovation of child care and development facilities owned or leased by contractors providing center-based care must not exceed interest calculated using a fair market rate of interest.

To be reimbursed as direct costs, prior written approval by the CDD is required to acquire, rehabilitate, improve, or construct licensable depreciation and use allowance, as provided in Section III.A above.

Title to real property acquired in whole or part with state child care and development (CD) funds shall vest in the contractor subject to the condition that the contractor shall use the real property for the authorized purpose of the CD program as long as it has a contract with the CDE/CDD and shall not encumber the property without the prior written approval of the CDD. If the contractor wishes to share the use of real property among multiple programs, the associated reimbursable capital expenditures shall be prorated among the programs according to the benefits received. When the real property is no longer needed for the purpose of any CDD program, the contractor shall request disposition instructions from the CDD, which shall observe one of the following three disposition instructions:

1. The CDD may permit the contractor to retain title without further obligation to the CDD after the contractor compensates the CDD for that percentage of the current fair market value of the property, net of reasonable and necessary selling costs, attributable to the CDD's share of the acquisition cost.
2. The contractor may be directed to sell the property under guidelines provided by the CDD and pay the CDD for that percentage of the current fair market value of the property, net of reasonable and necessary felling and fix-up costs, attributable to the CDD's share of the acquisition cost.
3. The contractor may be directed to transfer title to the property to the CDE or to an eligible third party, provided that, in such cases, the contractor shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

C. Equipment Bidding and Approval Requirements

All equipment purchases in excess of seven thousand five hundred dollars (\$7,500) per item (including tax) shall be approved in writing in advance by the CDD. In determining if an equipment purchase exceeds the threshold, all expenses associated with a purchase that are necessary for it to perform the intended purpose should be included in calculating the purchase cost. Example: A computer system could include, but is not limited to, individual items such as a central processing unit (CPU), computer monitor, computer stand, modems, disk drives, software, printer, etc. or hardware and software to install a local area network (LAN) system.

In addition, the following requirements apply:

1. Private agencies:

All equipment purchases exceeding five thousand dollars (\$5,000 including tax) will not be approved unless at least three (3) bids or estimates have been obtained.

2. Public agencies:

Public agencies shall comply with the applicable sections of the *Public Contract Code*.

If bids are required, the contractor shall purchase the goods or services from the lowest responsible bidder. If three (3) bids or estimates cannot be obtained, the contractor shall provide adequate documentation of the reason(s) why three (3) bids or estimates could not be obtained (e.g., emergency situations).

Bids, if applicable, shall be attached to the Request for Approval of Equipment (CD-2703) when submitted to the CDD for approval. One copy of the Request shall be retained by the CDD and one copy returned to the contractor approved or disapproved within thirty (30) calendar days of receipt. If the request for approval of an equipment purchase is disapproved, the contractor may appeal the decision in accordance with instructions specified in Section X. below.

Equipment replacement and lease-purchase agreements are subject to the above requirements. An inventory of all equipment shall be maintained

D. Equipment Inventory

Property records must be maintained that include a description of the equipment, serial number or other identification number, the source of the equipment, the acquisition date, the cost of the equipment, the location, use and condition of the equipment and any ultimate disposition date including date of disposal and sale price if applicable. A physical inventory of equipment must be taken at least every two years and reconciled with property records. A control system must be developed to ensure adequate safeguards to prevent loss, damage or theft (any loss, damage or theft must be investigated) and adequate maintenance procedures must be developed to keep the equipment in good condition.

E. Title, Use, Disposition and Retention

1. Title - When equipment is purchased with State funds, title shall vest with the contractor only for such period of time as the contractor has a contract with the CDE.
2. Retention of Equipment - The CDE/CDD may provide written authorization for the contractor to retain the equipment for the contractor's own use if a fair compensation is paid to the State for the State's share of the cost of the equipment. Fair compensation shall be determined by the State using the State's share of original acquisition

- cost, less depreciation, computed on a straight-line method over the estimated useful life expectancy of the equipment.
3. Use - When equipment is purchased in whole or in part with State funds, the contractor shall use the equipment exclusively in the program(s) from which funds were used to purchase the equipment. If the contractor wishes to share the use of the equipment between/among two (2) or more programs, the cost of such equipment shall be prorated between/among the programs.
 4. Disposition - The contractor may dispose of obsolete equipment and remove the asset at its recorded value. If the sale of equipment originally purchased with State funds occurs, the proceeds from the sale of the equipment must be returned to the program. If the contractor no longer has a contract with the CDE, the contractor shall dispose of the equipment in accordance with written directions from the CDE/CDD.

IV. SUBCONTRACTS

A. Subcontracts Excluded from Requirements of this Section

The following types of relationships are not subject to the requirements contained in Section IV:

1. Employment agreements
2. Facility rental or lease agreements
3. Medical or dental service agreements
4. Bookkeeping/auditing agreements, except for Section IV.B
5. Janitorial and grounds keeping agreements
6. A subcontract with a public agency
7. Subcontracts with an individual for less than ten thousand dollars (\$10,000), except for Section IV.B.

However, no subcontract shall in any way relieve the contractor of any responsibility for performance under this contract.

All subcontracts, rental agreements, and other contractual arrangements should include a termination for convenience clause permitting termination of such agreements without cost to the contractor.

B. Bids for Subcontracts

Private contractors shall obtain at least three (3) bids or estimates for subcontracts that exceed five thousand dollars (\$5,000). The subcontract shall be awarded to the lowest responsible bidder. If three (3) bids or estimates cannot be obtained, the private contractor shall:

1. Maintain documents in its records that establish the reasons why three (3) bids or estimates could not be obtained

2. The reasonableness of the proposed expenditure without three (3) bids or estimates

Subcontracts subject to the approval of the CDD shall be rebid at least once every three (3) years or more often if specified by the CDD in its annual approval of the subcontract. Public agencies shall award subcontracts in accordance with the *Public Contract Code*. The contractor shall not split subcontracts to avoid competitive bidding requirements. Subcontracts for direct child development services between a public agency contractor and a private subcontractor are exempt from bidding but not from advance approval by the CDD if they are for ten thousand dollars (\$10,000) or more.

C. Prior Child Development Division Approval

If directed by CDD, contractors will obtain prior written approval from the CDD for subcontracts of ten thousand dollars (\$10,000) or more that are otherwise not excluded from the provisions of Section IV.A above.

- Prior to execution of a subcontract and commencement of work, the contractor shall submit two (2) copies of the proposed subcontract to the CDD for approval, including a proposed line-item budget which shows the costs of the services to be performed. The budget for a proposed subcontract for renovation and repair shall show the total cost of labor and the total cost of materials. Bids, if applicable, shall be submitted to the CDD when requesting approval. If three (3) bids were not obtained, the contractor shall provide written justification when the subcontract is submitted to the CDD for prior approval. Contractors shall demonstrate that approval of the subcontract is cost effective to the State. For proposed renovation and repair subcontracts, private agencies shall include documents showing that the bidder selected by the contractor has obtained a payment bond in an amount not less than one-half (1/2) the amount of the proposed subcontract. Requests for approval of subcontracts for transportation services shall include a Certificate of Insurance for the subcontractor in an amount not less than \$1 million per occurrence (or a greater amount if required by the Public Utilities Commission regulations), listing the contractor and the State as additional named insured.

One copy of the subcontract will be retained by the CDD and the other copy returned to the contractor approved or disapproved within thirty (30) calendar days of receipt of all required documents. No reimbursement shall be made to the contractor or subcontractor for work performed prior to CDD approval. A disapproved contract will include a statement of the reason(s) for not approving the subcontract. If the request for approval of a subcontract is denied, the contractor may appeal the decision in accordance with instructions specified in Section X. below.

The State does not assume any responsibility for performance of approved subcontracts nor does the State assume responsibility for any unpaid debt of the contractor resulting from subcontracting liens.

Subcontracts which increase the contractor's cost of performance are nonreimbursable. Subcontracts which contain a provision for reimbursement for cost-plus-a-percentage-of-cost are not reimbursable.

D. Required Subcontract Provisions

Every subcontract shall specify:

1. The dates within which the subcontractor is to perform the contract. The time for subcontractor performance shall not begin prior to, nor shall the time extend beyond, the time period of the contract between the contractor and the State
2. The dollar amount of the subcontract or specify an amount not to exceed a maximum dollar amount
3. The service(s) to be provided under the subcontract
4. The responsibilities of each party under the subcontract
5. That the subcontractor, and the agents and employees of the subcontractor, in the performance of the subcontract, are acting in an independent capacity and not as officers or employees or agents of the State of California
6. That modifications of the subcontract shall be in writing, and that for subcontracts in excess of the amount stated in the annual child development contract, prior written CDD approval is required unless the subcontract is otherwise exempt from prior CDD approval
7. That the subcontract is the complete and exclusive statement of the mutual understanding of the parties and that the subcontract supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of the subcontract
8. Remedies, in case of a breach of contract, for subcontracts in excess of ten thousand dollars (\$10,000)
9. That the State of California retains title to any equipment or supplies purchased with State funds and that the equipment shall be returned to the contractor upon termination of the subcontract. The subcontract shall also specify that the subcontractor shall obtain prior written approval from the contractor and the CDD for any unit of equipment that costs in excess of seven thousand five hundred dollars (\$7,500)
10. That the subcontractor shall be reimbursed for travel and per diem expenses only at rates that do not exceed the rates paid to the CDE's non-represented employees computed in accordance with State Department of Personnel Administration regulations, Title 2 California *Code of Regulations*, Subchapter 1
11. That the subcontractor agrees to indemnify and hold harmless the State of California, its officers, agents and employees from any and all claims and losses occurring or resulting to any and all contractors, subcontractors, materialmen, laborers and any other person, firm or corporation furnishing or supplying work, services, materials or supplies in connection with the performance of the subcontract, and from any and all claims and losses occurring or resulting to any person, firm or corporation that may be injured or damaged by the subcontractor in the performance of the subcontract

12. For management and/or direct service subcontracts, the subcontractor shall maintain records for program review, evaluation, audit and/or other purposes and make the records available to agents of the State for a period of five (5) years
13. The provisions of the "Nondiscrimination Clause" included in the prime contract as specified in Title 2 California *Code of Regulations*, Chapter 5, Section 8107

E. Recommended Subcontract Provisions

The following items are suggested for inclusion in subcontracts to protect the interests of the contractor:

1. Funding of the subcontract should be made subject to the appropriation and availability of funds from the State.
2. All subcontracts should contain a provision that the subcontractor is liable for any audit exception caused by, or as a result of, the subcontractor's lack of performance as required by the subcontract.
3. The subcontract should provide that the subcontractor, its agents and employees, in the performance of the subcontract, are acting in an independent capacity and not as agents or employees of the contractor.
4. Unless exempt from CDD approval above, subcontracts for ten thousand dollars (\$10,000) or more cannot become effective and binding on either the prime contractor or the subcontractor until approved in writing by the CDD, and any work performed by the subcontractor prior to the date of such approval shall not be used as a claim against the State.
5. The consideration paid to the subcontractor, as provided in the subcontract, should be stated to be the full compensation for all the subcontractor's expenses incurred in the performance of the subcontract.

F. Audit Requirements for Subcontracts

Subcontracts for management and/or direct services shall be audited in accordance with the CDE Audit Guidelines. The cost of the audit shall be reimbursable and shall be borne by the contractor either directly or as an allowance in the subcontract. The audit of the subcontract shall be submitted to the A&I along with the contractor's audit as specified in Section VI.E below.

V. COSTS , EARNINGS AND REIMBURSEMENTS

A. Reasonable and Necessary Costs

Contractors will be reimbursed for actual costs that are reasonable and necessary to the performance of the contract as defined in Section I above. The funds apportioned by CDE to the LPC must be used to supplement and not supplant any local efforts to increase collaboration of child care agencies and children's service interest groups that may already be in place.

B. Indirect Costs

If indirect costs are claimed, an indirect cost allocation plan must be on file with the contractor and available for review by the CDD and auditors. The maximum indirect cost rate is eight percent (8%). This rate is applied to budget categories 1000-5000 only in determining the maximum amount of indirect costs that are reimbursable under the contract. School districts and county offices of education shall use the CDE approved rate if it is less than eight percent (8%).

The amount of cost allocable to this contract shall not exceed the benefits to this contract. The allocation method must quantify this benefit among all similar programs and then distribute the costs accordingly.

The indirect cost rate shall not include consideration of any costs otherwise nonreimbursable. If a depreciation or use allowance is included in the indirect cost rate, such allowance shall not be claimed on the asset.

C. Administrative Costs

Contractors may claim costs as defined in Section I above which are related to the administration of the child care and development programs. Reimbursement of administrative costs shall not exceed fifteen percent (15%) of net reimbursable program costs or actual administrative costs, whichever is less. The fifteen percent (15%) includes any allowance for indirect costs and audits. Contractors shall maintain written documentation of the rationale used in determining direct and administrative costs.

D. Costs for Travel and Per Diem

Contractors and subcontractors shall be reimbursed for travel and per diem expenses at rates not exceeding those amounts paid to the CDE's non-represented employees computed in accordance with State Department of Personnel Administration regulations, Title 2 California *Code of Regulations*, Subchapter 1. Contractors with collective bargaining agreements allowing higher rates of reimbursement shall not pay the difference out of contract funds. The CDD shall notify the contractor of a change in expense rates within thirty (30) calendar days after the CDD has received notification of a change in rates from the State Department of Personnel Administration.

Contractors shall be reimbursed for out-of-state travel expenses only with prior written approval from the CDD. The CDD shall not approve out-of-state travel expenses:

1. For more than one employee per contract per year
2. For contractors with delinquent accounts payable which are delinquent more than ninety (90) calendar days after the date of the original invoice
3. For contractors on conditional status
4. When there is no clear benefit to the State

5. When the benefit to the State can be obtained within California

The CDD shall approve or deny the request for out-of-state travel within thirty (30) calendar days of the receipt of the request. If the request is denied, the contractor may appeal the decision in accordance with instructions specified in Section X below.

E. Specific Items of Reimbursable Costs

Reimbursable costs include, but are not limited to, the following:

1. Administrative costs as specified in Section V.C above
2. Employee compensation, including fringe benefits, and personal service contracts
3. Equipment and equipment replacement with prior CDD approval if required in Section III.C above
4. Taxes, insurance, and maintenance for building and/or equipment
5. Depreciation based on the useful life of an asset in accordance with Section III.A above.
6. A use allowance for buildings and improvements in accordance with Section III.A above
7. Travel and per diem expenses, including approved out-of-state travel, in accordance with Section V.D above
8. An indirect cost rate based on an approved indirect cost plan, in accordance with Section V.B above

F. Nonreimbursable Costs

The following costs shall not be reimbursable under the child development contract:

1. Bad debts, including losses arising from uncollectible accounts and any related legal costs. Uncollected parent fees are not considered to be bad debts if documentation of collection attempts exists
2. Contributions
3. Costs of amusement or entertainment
4. Costs of fines or penalties
5. Costs incurred after the contract has been terminated
6. Fund raising costs
7. Consumer interest except:
 - a. Interest on borrowed funds when apportionments are withheld because of a delay or error attributable to the State and the amount of interest claimed is approved by the CDD
 - b. When interest is part of a lease purchase agreement
8. Investment management costs
9. Costs of organization of a nonprofit corporation such as incorporation fees or consultant fees

10. Public relations consultant fees
11. Costs of legal, consulting and accounting services incurred in prosecution of claims against the State
12. State and federal income taxes
13. Bonuses unless part of a collective bargaining agreement
14. Compensation to the members of the board of directors except for:
 - a. Reimbursement for travel and/or per diem, computed in accordance V.D above, incurred while the members are conducting business for the organization
 - b. As provided in the *Corporation Code*, Section 5227, et seq.
15. Costs of subcontracts which increase the contractor's cost or subcontracts which contain a provision for reimbursement for cost-plus-a-percentage-of-costs
16. Costs incurred in prior or future years

G. Charging of Expenditures

Net reimbursable program costs must be incurred during the contract period. Contractors shall not use current year contract funds to pay prior or future year obligations. However, the cost of the annual independent audit may be claimed either in the contract period which was the subject of the audit or during the contract period in which the audit is completed.

H. Recoup Advanced Contract Funds

The CDE shall recoup any payments made for costs which were not reasonable and necessary. The amount that is recouped shall be the excess payment over the reasonable or fair market value, or one hundred percent (100%) of the cost, if the cost was not necessary. The CDE may elect to recover any costs of recoupment, including collection services or attorney fees.

I. Determination of Reimbursable Amount

Contractors shall be reimbursed for an audited claim that is the least of the following:

1. The maximum reimbursable amount as stated in the annual child development contract
2. The actual and allowable net costs

J. Reduction, Withholding, and Canceling Apportionments to Contractors

The CDE shall reduce, withhold or cancel any scheduled apportionment when one or more of the following conditions exist:

1. The contractor has not submitted an acceptable audit for any prior year of operation on or before the date due.
2. The contractor has not submitted the reports required by Section VI below on or before the date due.
3. The contractor will not earn the full contract amount based on the current year projected net reimbursable program costs as determined by the CDFS.
4. A creditor of the contractor has placed a lien on the contractor's scheduled apportionments.
5. The contractor has accounts payable which are:
 - a. more than ninety (90) days delinquent to the CDE; and
 - b. not under appeal as specified in either Section VIII.A or Section X below.

If any apportionment is to be reduced, withheld or cancelled, the CDE shall provide the contractor prior written notice of the intended action.

K. Order of Expenditure

Expenditure from the Child Development Fund established pursuant to Section VI.B below shall occur in the following order:

1. Fees collected from parents of certified children shall be first in and first out.
2. State or federal contract funds apportioned by the CDE shall be second in and second out.
3. Interest received on advanced contract funds shall be last in and last out.

VI. ACCOUNTING AND REPORTING REQUIREMENTS

A. General Requirements

Contractors shall follow the accounting procedures specified in the most recent edition of the *California School Accounting Manual*. Contractors shall report expenditures on an accrual basis.

B. Child Development Fund and Interest Bearing Accounts

All contractors shall establish a fund to be known as the "Child Development Fund" as specified in *EC*, Section 8328, except that private contractors shall establish the fund in a federally insured banking institution located in California.

Contractors with multiple fund sources shall establish separate program cost accounts for each source of funds.

If the contractor places advanced contract funds in an interest bearing account, the interest bearing account shall be a separate account within the Child

Development Fund. Interest earned shall be retained by the contractor if it is expended on reimbursable costs.

C. General Record Keeping Requirements

All records shall be retained for a minimum period of five (5) years. Claims for reimbursement shall not be paid unless there are documents to support the claims. The contractor has the burden of supporting claims for reimbursement.

If the contractor has more than one CDE program, then the method used to allocate administrative costs must be documented.

If an individual is multi-funded on a time accounting basis, then the individual's time sheet must indicate the actual amount of time spent in each program per day.

State employees or representatives shall be allowed access to all program related or fiscal records during normal work hours.

D. Other Report Data

Contractors shall submit statistical, cost and program data as requested by the CDE in order for the CDE to prepare various legislatively mandated reports, to meet state and federal reporting requirements and for the effective administration of child care and development programs.

Contractors submitting data to the CDE will include a certification that the data are correct and complete; and the signature of the person authorized by the contractor to certify the data. The signature may be electronic as specified by the CDE.

Contractors shall submit complete, accurate data to the CDE by the data specified, and as specified, in the CDE's request for this information. Incomplete, inaccurate, or incorrectly formatted reports, and reports not received by the required date shall be considered delinquent. Penalties for delinquent reporting are specified in Section V.J. above.

E. Annual Financial and Compliance Audits

Contractors shall submit to the CDE's A&I an acceptable annual financial and compliance audit. All audits shall be performed by:

1. A Certified Public Accountant who possesses a valid license to practice within the State of California
2. A Public Accountant licensed on or before December 31, 1970 and currently certified and licensed by the State of California
3. A member of the CDE's staff of auditors

4. Public agencies may have their audits prepared by in-house auditors if the public contractor has internal audit staff that performs auditing functions and meets the tests of independence found in the Government Auditing Standards issued by the Comptroller General of the United States.

Non-school district contractors shall submit the audit for the 2010–2011 contract periods by the 15th day of the fifth month following the end of the contractor's fiscal year, or earlier if specified by CDE (audits of community college districts shall be submitted by December 31, 2011). If a contractor receives less than twenty-five thousand dollars (\$25,000) per year from any state agency, the audit shall be conducted and submitted biennially, unless there is evidence of fraud or other violation of state law in connection with the contract.

In addition to the audit required by the preceding paragraph, non-school district contractors shall also submit an audit for the current year's contract period by the 15th day of the fifth month following the end of the contractor's fiscal year, or earlier if specified by the CDE, unless the contract is terminated during the contract period, in which case the audit required under this paragraph shall cover the period from the beginning of the contract through the date of termination.

The audits for school districts and county offices of education for FY 2010–2011 shall be submitted to the State Controller and the A&I by December 15, 2011 in accordance with *EC* Section 41020 and extensions shall only be granted in accordance with *EC* Section 41020.2.

Private agencies (including proprietary entities) that expend \$500,000 or more in total federal funds are required to have an Organization Wide Audit (OWA) performed in accordance with OMB Circular A-133 and the "Guide for Auditing Child Development, Nutrition and Adult Education Programs (Audit Guide)" prepared by A&I. Governmental and other public agencies (excluding school districts, county offices of education and community college districts) must comply with the requirements of OMB Circular A-133 and the CDE's "Audit Guide." All other agencies (excluding school districts, county offices of education and community colleges) must submit a contractor audit performed in accordance with the CDE's "Audit Guide."

Management subcontracts shall be audited in accordance with the requirements stated in Section IV.F above.

F. Review of Audit by the CDE's Audits and Investigations Division

The A&I shall conduct a review of the audit to determine whether the audit is acceptable and to determine the contractor's net reimbursable program costs. The A&I's determination of earnings shall be the final accounting of any amount payable to or receivable from the contractor pursuant to the contract.

The contractor may appeal the A&I's findings according to the procedures specified in Section VIII.A below if the amount of the demand for remittance meets or exceeds the threshold specified in EC Section 8402(c).

G. Delinquent Audits and One-Time-Only Extensions

If an audit is not received on or before the required due date and an extension has not been granted, the audit shall be considered delinquent and all apportionments shall be withheld as specified in Section V.J above.

Except for contractors on conditional status, the A&I may grant a contractor a one-time-only, thirty (30) calendar day extension of the audit due date provided the inability of the contractor to submit the audit by the due date was beyond the fault and control of the contractor.

Contractors shall be liable for all CDE costs incurred in obtaining an independent audit if the contractor fails to produce or submit an acceptable audit.

H. Bureau of State Audits

Contractors shall be subject to the examination and audit of the Bureau of State Audits for a period of three (3) years after final payment under this contract.

VII. CONTRACT CLASSIFICATIONS

A. Clear Status

Contractors that are in full compliance with applicable laws, regulations and contract provisions are awarded clear contracts.

B. Provisional Status

New contractors and contractors with new contracts shall be on "provisional" status (stamped on the face sheet of the contract) for a period of not less than twelve (12) months. Contractors on provisional status shall submit monthly fiscal reports to the CDFS.

C. Conditional Status

Contractors receiving "conditional" contracts (stamped on the face sheet of the contract) shall be on conditional status until the CDE issues a contract rider formally clearing the contract as specified in Section IX.D below. While on conditional status the contractor shall submit monthly fiscal reports to the CDFS. The first monthly report shall include a current inventory of equipment purchased in whole or in part with contract funds.

VIII. TERMINATION, SUSPENSION AND MAJOR REDUCTIONS IN CONTRACT PAYMENTS

A. Independent Appeal Procedures

Pursuant to the requirements of *EC* sections 8400 through 8409, an independent appeal procedure shall be available to any contractor whose contract is terminated or suspended, or whose total reimbursable contract amount is reduced by four percent (4%) or twenty-five-thousand dollars (\$25,000), whichever is less. Such appeals shall be heard by independent hearing officers in accordance with procedures established by the Office of Administrative Hearings (OAH) as specified in *California Code of Regulations*, Title 1 sections 1121 through 1126, described below in Section VIII.B.

Termination or suspension of a contract during the contract period may occur when:

1. A contractor fails to correct items of fiscal or programmatic noncompliance within six (6) months of receiving a conditional contract which includes an addendum stating the specific items of noncompliance and the corrective actions necessary to come into compliance; or
2. A contractor engages in serious misconduct posing an immediate threat to health and safety or to State funds for any of the reasons listed in *EC* Section 8406.7; or
3. A contractor fails or refuses to make available for examination or copying by an authorized employee of the California Department of Education any records or documents that the contractor is required to retain, upon request by that employee to examine or copy such records or documents; or
4. A contractor refuses to permit an authorized employee of the California Department of Education to enter a facility operated by the contractor during the days and/or hours of operation on file with the California Department of Education, for the purpose of reviewing administrative operations of the contractor or for observing child care and development services provided by the contractor.

Any action by the CDD to terminate or suspend a contract or to reduce the total reimbursable contract amount, as stated in *EC* Section 8402(a) through (c), shall be preceded by a notice stating the specific reasons for the action and describing the contractor's appeal rights. If the action is appealed, a copy of this information shall also be submitted to the OAH.

Unless the termination or suspension is for reason(s) specified in *EC* Section 8406.7 or imminent danger to the health and welfare of children, the contractor may continue to operate during the appeal process.

B. Formal Appeals Procedures

1. Appeal Petition

The contractor may contest the noticed action by filing an appeal petition by registered mail with the CDD requesting a hearing before the OAH, not later than fifteen (15) calendar days from the service of the notice of action. The petition shall include:

- a. A clear, concise statement of the action being appealed
- b. The reasons the action is unwarranted
- c. Any written documentation in support of the appeal

2. Hearing

If the contractor requests a hearing, it will be held within thirty (30) calendar days of receipt of the petition by the CDD, but at least ten (10) calendar days' written notice will be given of the time and place of the hearing. An OAH hearing officer will hear evidence submitted by the State and the contractor during the hearing. The hearing will be recorded. The hearing officer may continue hearings, if deemed necessary.

3. The Decision

The hearing officer shall issue a final decision, in writing, within thirty (30) calendar days after the submission of the case. The decision shall be sent by registered mail or personally served on the representatives of the parties by OAH. The decision shall be the final administrative action afforded the contractor.

4. Request for Additional Written Materials on File at CDE

Contractors may request, in writing, any public documents on which the CDE intends to rely from the CDE files at a cost of six (6) cents per page, payable in advance. The CDE will mail the material requested not later than ten (10) days from the receipt of the request.

C. Contractor's Responsibility After Notice of Termination

After receiving notice of the CDD's decision to terminate the contract or to make no offer of continued funding, the contractor shall submit copies to or make available for copying by the CDD all of the following:

1. A current inventory of equipment purchased in whole or in part with contract funds

2. The names, addresses and telephone numbers of all staff members funded by the contract

The State shall only be obligated to compensate the contractor for net reimbursable program costs in accordance with this contract through the date of termination. There shall be no other compensation to the contractor. The State shall offset any monies the contractor owes the State against any monies the State owes under this contract.

IX. CONTRACT STATUS CHANGE PROCEDURES

A. Administrative Review of Changes in Contract Status

Contract performance shall be reviewed at least annually by CDD staff who shall determine by April 1 of each year whether to offer continued funding on a clear contract, continued funding on a conditional basis or to make no offer of continued funding.

If the staff recommends conditional status or no offer of continued funding, the contractor shall be notified in writing of the reasons for the proposed change in contract status by April 7. The notice of proposed action shall be sufficiently specific to allow the contractor to respond to the factual basis for the proposed action.

If the contractor disagrees with the proposed action, the contractor's response shall be received by the CDD within ten (10) calendar days of receipt of the notice of proposed action. The contractor's response shall include any written materials in support of its position and, if the contractor intends to make an oral presentation, the response shall so specify.

If the action is being appealed, the staff recommendation and the contractor's response shall be reviewed by an administrative review panel convened by the Director of the CDD within seven (7) calendar days of receipt of the contractor's response. The review panel will consist of representatives of CDD management, the CDFS and CDE's Legal Office, A&I and Contracts Office and a representative of a child care and development service provider familiar with the type(s) of program(s) operated by the contractor.

Upon review of the written submissions, the panel will do one of the following:

1. Issue a final decision upholding or modifying the proposed change in status if no oral presentation has been requested
2. Schedule a time and place for an oral presentation by the contractor
3. Issue a final decision to not change the contract status

If an oral presentation has been requested, the contractor will be notified by telephone of the time and place of the presentation. The oral presentation will

be scheduled no later than fourteen (14) calendar days from receipt of the contractor's response.

At the oral presentation, the contractor or the contractor's representative will have an opportunity to explain any material submitted in its response. While the contractor may present any information or arguments that are relevant to the proposed action, the review panel may set reasonable limits on the scope of the presentation.

Within seven (7) calendar days after the oral presentation, the review panel shall issue and mail to the contractor a decision upholding, reversing or modifying the proposed change in contract status. The decision of the review panel shall be the final action of the CDE with regard to that contract.

B. Conditional Status Imposed During the Contract Period

If the contractor demonstrates fiscal or programmatic noncompliance during the contract period, based on such information as an annual audit report, a contract compliance review, a program quality review, or a change in licensing status, the CDD may place the contract on conditional status for the remainder of the contract period.

The contractor shall receive notice and may request an administrative review of the proposed action as set forth in Section IX.A above, in the event such a change in contract status is recommended by staff of the CDD.

If the contract is placed on conditional status during the last ninety (90) days of the contract period and the contractor is offered continued funding, the contract for the subsequent contract period will also be on conditional status.

C. Conditional Status Addendum

A conditional status contract shall contain a bill of particulars as specified in *EC* Section 8406.6 called a Conditional Status Addendum explaining the contract conditions. The Addendum shall include the following:

1. The specific item(s) of noncompliance which the contractor must correct
2. The specific corrective action(s) which must be taken
3. The time period within which the contractor must complete the corrections
4. Notice that failure to make required corrections will result in termination of the contract or no offer of continued funding

If the contractor is placed on conditional status during the contract period a Conditional Status Addendum will be issued by the CDE and the Conditional Status Addendum shall be considered a part of the annual child development contract and binding on the contractor.

D. Duration of Conditional Contract Status

A contractor shall remain on conditional contract status until the contractor has corrected deficiencies and/or has met requirements identified in the Conditional Status Addendum. A contractor with a repayment plan shall remain on conditional contract status and not receive any apportionments until full repayment is made.

A contractor on conditional contract status that is not on a repayment plan shall remain in that status until:

1. The CDE issues written notice to the contractor that the conditional status has been cleared;
2. The contractor is issued a clear contract; or
3. The contract terminates according to its terms

A contractor may request written verification from the CDD that some of the deficiencies have been corrected even if the contractor will not be removed from conditional contract status.

X. RESOLUTION OF CONTRACT ADMINISTRATION DISPUTES

The procedure specified in this Section shall be used to resolve disputes between contractors and the CDE that may arise regarding the interpretation and application of any term or condition of a contract, including, but not limited to, requests for waivers, approval of subcontracts or expenditures requiring approval, requests for reimbursement rate adjustments, or reductions in the total amount of contract reimbursement that are not appealable under Section VIII.A above.

The contractor shall attempt to resolve contract disputes at the lowest staff level within the CDE. If the dispute is not resolved at the lowest staff level, the contractor may appeal the decision by submitting a written description of the issues and the basis for the dispute to the Regional Administrator of the CDD having jurisdiction over the contractor's service delivery area. The Regional Administrator shall make a determination and shall send a written notification of the decision to the contractor, together with the reasons for the decision, within thirty (30) calendar days of the receipt of the appeal by the Regional Administrator.

The contractor may appeal the decision of the Regional Administrator to the Assistant Director of the CDD by submitting a written description of the issues in dispute, and a copy of the Regional Administrator's decision. The Assistant Director of the CDD shall send notification of the decision to the contractor and shall specify the reason(s) for the decision within thirty (30) calendar days of the receipt of the appeal by the Assistant Director. The decision of the Assistant Director of the CDD shall be the final administrative action afforded the contractor.

XI. PROGRAM REQUIREMENTS

It is the intent of the Legislature that local child care and development planning councils shall provide a forum for the identification of local priorities for child care and the development of policies to meet the needs identified within those priorities (*EC*, Section 8499.3). It is further the intent of the Legislature that communities implementing new programs or initiatives connect with existing program strategies and build upon existing local collaboratives, when possible, to provide a unified integrated system of service for children and families (*EC*, Section 54744)

The following program requirements are provided to assist the designated legal entity in meeting the legislative intent.

A. Responsibilities of the County Board of Supervisors (CBS) and County Superintendent of Schools (CSS)

Pursuant to statutes, *EC*, sections 8499.3 and 8499.5, both county boards of supervisors (CBS) and county superintendents of schools (CSS) are mandated to be involved in the local child care planning process. Specifically, the CBS and CSS are directed to:

1. Appoint members to the LPC according to the guidelines prescribed in statute;
2. Publicize their intention and invite local organizations to submit nominations before selecting the members;
3. Establish the term of appointments for the members of the LPC;
4. Approve the priorities that are developed by the LPC for submission to the California Department of Education (CDE), for new state and federal child care funding for the county;
5. Approve the results of the needs assessment developed by the LPC prior to submission to the CDE;
6. Identify member(s), as prescribed in *EC*, Section 8499.5, to serve as part of the team that reviews and scores contract child care service applications submitted to the CDE.

B. Membership of the Local Planning Council (LPC)

The statute provides guidelines for the composition of the LPC membership and how appointments are made. The statute specifically requires that every effort should be made by the appointing agencies to assure that the ethnic, racial, and geographic composition of the LPC is reflective of the population of the county. Members shall be appointed from each of the five following categories of representation:

1. 20 percent consumers, defined as a parent or person who receives, or who has received within the past 36 months, child care services.
2. 20 percent child care providers, defined as a person who provides child care services or represents persons who provide child care services.

3. 20 percent public agency representatives, defined as a person who represents a city, county, city and county, or local education agency.
4. 20 percent community representatives, defined as a person who represents an agency or business that provides private funding for child care services, or who advocates for child care services through participation in civic or community-based organizations but is not a child care provider and does not represent an agency that contracts with the CDE to provide child care and development services.
5. The remaining 20 percent are to be appointed from any of the above categories or outside of these categories at the discretion of the appointing agencies.

The CBS and CSS are each to appoint one-half of the LPC members. In the case of uneven membership, both appointing entities will agree on the odd-numbered appointee.

No member of the LPC shall participate in a vote if he or she has a proprietary interest in the outcome of the matter.

The LPC is required to adhere to the requirements in the Ralph M. Brown Act; *Government Code*, sections 54950-54963, in the conduct and public notification of LPC meetings scheduled.

C. LPC Responsibilities

When legislation does not identify specific target populations or geographic areas to be served in allocating expansion funds, the CDD will use the LPC priorities for the purpose of allocating new state and federal funds within each county. Priorities shall be submitted in accordance with *EC*, Section 8499.5. The LPC shall meet the requirements of Section 8499.5 of the Education Code to the extent feasible and to the extent data is readily accessible.

The priorities shall be identified in a manner that ensures that all child care needs in the county are met to the greatest extent possible. To accomplish this, the LPC shall do all of the following:

1. Elect a chairperson.
2. Employ, as a LPC Coordinator, a staff person, as funding permits. The staff person shall assist the LPC in meeting the mandates set forth in Title 1, Division 1, Part 6, Chapter 2.3 of the *EC*.
3. Conduct an assessment of child care needs at least once every five years, as funding permits. The needs assessment shall meet the requirements as specified in *EC*, Section 8499.5(b).

4. Document information gathered during the needs assessment which shall include, but need not be limited to, data on supply, demand, cost, and market rates for each category of child care in the county.
5. Submit the results of the needs assessment and the local priorities identified by the LPC to the CBS and CSS for approval before submitting them to CDE.
6. Prepare a comprehensive countywide child care plan designed to mobilize public and private resources to address identified needs.
7. Encourage public input in the development of the LPC priorities. Opportunities for public input shall include at least one public hearing during which members of the public can comment on the proposed priorities.
8. Conduct a periodic review of child care programs funded by the CDE and CDSS to determine if identified priorities are being met.
9. Collaborate with all interested parties, including but not be limited to, subsidized and non-subsidized child care providers, county welfare departments, human service agencies, regional centers, job training programs, employers, integrated child and family service councils, local and state children and families commissions, parent organizations, early start family resource centers, family empowerment centers on disabilities, and local child care resource and referral programs, to foster partnerships designed to meet local child care needs.
10. Facilitate community-based efforts to coordinate part-day programs, including state preschool and Head Start, with other child care and development services to provide full-day, full-year child care and development services based on guidelines and funding models approved by state and federal agencies.
11. Develop and implement a training plan to provide increased efficiency, productivity, and facilitation of LPC meetings.
12. Report significant activities and challenges quarterly and complete an annual self-evaluation review by November 15, and submit reports and the annual self-evaluation review to CDD.

D. Local Match Requirement

Each contractor shall contribute a match, in the form of monetary and/or in-kind services, equal to 25% of the annual 1998/99 LPC grant award amount. The local contribution for this contract is shown on the face sheet. This amount must be reported on the CD-6003 Quarterly Expenditure Report and the CDFS 9529 Expenditure and Revenue Report Form in Section I—Revenue under Match Requirement.
