Dear Supervisors:

**STREET LIGHTING DISTRICTS
ANNEXATION AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND
COUNTY LIGHTING DISTRICT LLA-1 (UNINCORPORATED ZONE) AND
NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES FOR APPROVED
TENTATIVE SUBDIVISION TERRITORIES IN THE UNINCORPORATED AREAS OF
ROWLAND HEIGHTS, AVOCADO HEIGHTS, WEST CARSON, LOS NIETOS,
EAST SAN GABRIEL, AND WILSONA
(SUPERVISORIAL DISTRICTS 1, 2, 4, AND 5)
(3 VOTES)**

SUBJECT

This action is to annex territories known as L 010-2007, L 021-2011, L 115-2003, Tract No. 67784, Tract No. 51864, Tract No. 66664, and L 025-9(A) located in the unincorporated areas of Rowland Heights, Avocado Heights, West Carson, Los Nietos, East San Gabriel, and Wilsona to County Lighting Maintenance District 1687 and County Lighting District LLA-1 (Unincorporated Zone) for street lighting purposes; order the levying of assessments; and approve the negotiated exchange of property tax revenues among those nonexempt taxing agencies whose service areas are subject to the jurisdictional changes.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and record of the action.

2. Adopt the Resolution of Intention to Annex Approved Tentative Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1 (Unincorporated Zone), and Order the Levying of Assessments within the Annexed Territories for Fiscal Year 2012-13, whose areas and boundaries are identified on the accompanying diagrams.

3. Set a date for a public hearing regarding the proposed annexations of approved tentative subdivision territories and levying of annual assessments based on the Fiscal Year 2011-12 Annual Engineer's Report, which establishes assessments based on land-use type for all zones within County Lighting District LLA-1 for street lighting purposes, with an annual base assessment rate for a single-family home of \$5 for the Unincorporated Zone.

4. Instruct the Executive Officer of your Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of _____, pursuant to section 53753 of the California Government Code. The mailed notice will include assessment ballots.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the annexations and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of street lights necessary to maintain service within the proposed annexation territories.

2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.

3. Determine whether a majority protest against each proposed annexation or assessment exists.

4. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in those subdivision territories where the proposed annexation and levying of assessments have been rejected, if any, as a result of a majority protest and refer the matter back to the Department of Public Works.

5. If there is no majority protest against the proposed annexations or assessments, adopt the Resolution Ordering Annexation of Approved Tentative Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1 (Unincorporated Zone), Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2012-13, either as proposed or as modified by your Board. The annexation and the exchange of property tax revenues shall not become effective unless the legal description for the annexation area is approved as to definiteness and certainty by the County Assessor and, when legally required, the final subdivision map is approved and recorded with the County of Los Angeles Registrar-Recorder/County Clerk. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2012-13.

6. Adopt the Joint Resolutions between your Board and other taxing agencies Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of subdivision territories to County Lighting Maintenance District 1687, as approved by the nonexempt taxing agencies.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to: (1) find that the project is exempt from the California Environmental Quality Act (CEQA); (2) annex specified tentative subdivisions to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) LLA-1 (Unincorporated Zone) (collectively, County Lighting Districts); (3) levy assessments in Fiscal Year 2012-13 on each lot or parcel lying within the proposed annexation territories based on land-use categories that designate usage units on the basis of benefits received; and (4) approve the exchange of property tax revenues between CLMD 1687 and other nonexempt taxing entities whose service areas are subject to the jurisdictional changes.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1). The annexation of territory to CLDs will provide street lighting services and delivery of customer-oriented public service. This action is consistent with Fiscal Sustainability (Goal 2). The levy of annual assessments and property tax transfer will provide funding necessary for the operation and maintenance of street lighting facilities with each annexed territory. In addition, this action is consistent with Integrated Services Delivery (Goal 3). Street lighting services will provide convenience and safety for the motoring public as well as the safety and security of the people and property.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Recommended Fiscal Year 2012-13 Budget for CLMD 1687 to fund the costs for the operation and maintenance of the street lights within the annexed territories should operation and maintenance charges incur prior to the end of Fiscal Year 2012-13. The annual operation and maintenance charges are estimated to be \$4,300.

In subsequent years, the ongoing operation and maintenance costs of the street lights within the annexed territories will be funded by the share of ad valorem property taxes supplemented by assessments annually approved by your Board from property owners within these annexed territories. The adoption of the Joint Resolutions will result in a minimal property tax growth transfer from the affected taxing entities, including the County General Fund; Los Angeles County Public Library; Los Angeles County Road Maintenance Districts 1, 2, 4, and 5; Los Angeles County Flood Control District; and the Consolidated Fire Protection District of Los Angeles County to CLMD 1687.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning ordinances as a condition of approval. The California Streets and Highways Code sections 5821.3 and 22608.2 provide that a territory owned by a subdivider subject to said ordinance may be annexed to a lighting district without notice and hearing or filing of an Engineer's Report or both. The Los Angeles County Code requires street lighting improvements by a subdivider. The posting and publishing requirements and filing of an Engineer's Report for the subdivision annexation projects are, therefore, not required.

However, the procedures for levying of assessments previously authorized by your Board under California Government Code section 53753, including the distribution, receipt, and tabulation of ballots at a public hearing, are required and will be followed for each subdivision annexation project

with the exception of L 025-9(A), where the proposed annexation consists only of road right-of-way since the fronting benefited parcels are already located within the boundaries of CLMD 1687 and CLD LLA-1 (Unincorporated Zone). The assessments will not be levied if the weighted majority of ballots returned are opposed to the assessment.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexations and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexations and/or assessments.

The Landscaping and Lighting Act of 1972 (California Streets and Highways Code section 22573) provides for the assessment of street lighting costs against the benefited properties within CLD LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each lot or parcel. A method of distributing the street lighting costs based on land-use was approved by your Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or -leased parcels. The same distribution method was used to compute the Fiscal Year 2011-12 base assessment rates for each zone within CLD LLA-1 as shown in the Fiscal Year 2011-12 Annual Engineer's Report on file with Public Works.

The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex a territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the street lights as part of the County-administered street lighting districts and will result in the project not being allowed to record or be issued a building permit.

The California Revenue and Taxation Code section 99 et seq. provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. For those agencies under your Board's jurisdiction, your Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency. The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues have been approved by all other nonexempt taxing agencies for all the proposed annexation projects, except for L 025-9(A), and are enclosed for your consideration. A Joint Resolution for the negotiated exchange of property tax revenue is not necessary for L 025-9(A) since the proposed annexation consists of annexing only a roadway segment of Coolwater Avenue east of 171st East and no fronting properties.

The approval of the proposed annexations, levying of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights in the annexed territories.

Following your Board's approval of the enclosed resolutions for the annexations, levying of assessments, exchange of property tax revenues, and the recordation of a final subdivision map and/or approval of the legal description by the County Assessor, Public Works will file the statement of boundary changes with the State Board of Equalization as required by California Government Code section 54900 et seq.

The enclosed resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed project is categorically exempt from the provisions of CEQA. The project to annex territories to CLMD 1687 and CLD LLA-1 (Unincorporated Zone) for the purpose of enhancing street lighting is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301(c) of the CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, which specifically include annexations to street lighting districts and installation of street lights and involves no expansion of use. In addition, there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territories to CLMD 1687 and CLD LLA-1 (Unincorporated Zone) will result in street lighting for these territories and will have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this letter and the signed resolutions to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the County Assessor, Ownership Services Section (Attention Angela Gadsden), and one to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

ANNEXED TERRITORIES FOR FISCAL YEAR 2012-13**

WHEREAS, the County of Los Angeles Board of Supervisors (Board of Supervisors) established County Lighting Maintenance District 1687, under the Improvement Act of 1911 (California Streets and Highways Code section 5000 et seq.), to fund the installation, operation, and maintenance of street lighting systems within its boundaries; and

WHEREAS, the Board of Supervisors subsequently approved the formation of County Lighting District LLA-1, under the Landscaping and Lighting Act of 1972 (California Streets and Highways Code section 22500 et seq.) to provide supplemental funds for the operation of street lights within various County Lighting Maintenance Districts, including County Lighting Maintenance District 1687; and

WHEREAS, the Board of Supervisors adopted the Fiscal Year 2011-12 Annual Engineer's Report that shows estimated operating costs and recommended assessments for the Unincorporated Zone within County Lighting District LLA-1; and

WHEREAS, the Improvement Act of 1911 (California Streets and Highways Code section 5821.3) provides that a territory owned by a subdivider may be annexed to an existing lighting district, without notice or hearing, in the event an ordinance requires installation of a street lighting system; and

WHEREAS, by the Los Angeles County Code, the subdivision territories are required to install a street lighting system, which may be accomplished by annexing to County Lighting Maintenance District 1687 and County Lighting District LLA-1 (Unincorporated Zone) (County Lighting Districts); and

WHEREAS, upon annexation to the County Lighting Districts, the annexed subdivision territories known as L 010-2007, L 021-2011, L 115-2003, Tract No. 67784, Tract No. 51864, Tract No. 66664, and L 025-9(A) located in the unincorporated area of Rowland Heights, Avocado Heights, West Carson, Los Nietos, East San Gabriel, and Wilsona will become subject to new assessments; and

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require and it is the intention of the Board of Supervisors to authorize, the annexation of the subdivision territories to County Lighting Maintenance District 1687 as applicable, pursuant to California Streets and Highways Code section 5837.

The needed amounts shall be assessed, levied, and collected in Fiscal Year 2012-13 upon each lot or parcel of land lying within the annexed territories based on land-use categories that designate usage units on the basis of benefits received, as defined in the County Assessor's report dated May 22, 1979, and amended on July 22, 1997, to include government-owned or -leased parcels, and which should be assessed to pay the expenses of the operation and maintenance of said improvements. The base assessment rates for a single-family residence, along with proportional increases for other land uses, are shown in the Fiscal Year 2011-12 Annual Engineer's Report for each zone within County Lighting District LLA-1. The same annual base assessment rate established for the Unincorporated Zone are proposed for all benefited properties within the proposed annexation territories.

WHEREAS, the Board of Supervisors of the County of Los Angeles on June 6, 2012, adopted a Resolution of Intention to Annex Approved Tentative Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1 (Unincorporated Zone) (County Lighting Districts), and Order the Levying of Assessments within the Annexed Territories for Fiscal Year 2012-13 (Resolution of Intention) to provide funds for the operation of street lights in the annexed subdivision territories pursuant to provisions of the Improvement Act of 1911 and the Landscaping and Lighting Act of 1972; and

WHEREAS, the Executive Officer of the Board caused the notice of public hearing to be mailed to all property owners within the territories subject to the proposed annexation and levying of assessments at least 45 days prior to the date set for public hearing; and

WHEREAS, the Department of Public Works mailed assessment ballots and notices to property owners of identified parcels within the subdivision territories proposed for annexation, pursuant to California Government Code section 53753, to indicate support of or opposition to the matter of an assessment; and

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles that:

SECTION 1. The Board of Supervisors hereby finds that the public interest and convenience require the operation and maintenance of the street lighting improvements within the subdivision territories proposed for annexation to the County Lighting Districts, provided that no majority protest exists within a proposed annexation territory.

SECTION 2. The Board of Supervisors hereby orders the annexation of subdivision territories listed in Appendix A to the County Lighting Districts, with the exception where a majority protest exists.

SECTION 6. The amounts to be assessed for the expense of the operation and maintenance of street lights, shall be levied and collected in the same manner and by the same officers as taxes for County purposes and shall be disbursed and expended for operation, maintenance, and service of said County Lighting Districts, all as described in the Resolution of Intention.

SECTION 7. The Executive Officer of the Board is hereby authorized and directed to file a certified copy of these resolutions upon their adoption with the County Assessor, Ownership Services Section (Attention Angela Gadsden), and with the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

SECTION 8. Notwithstanding the foregoing, the above annexation of the subdivision territories listed in Appendix A to the County Lighting Districts, is conditioned upon, and shall not become effective unless the legal description for an annexed territory is approved as to definiteness and certainty by the County Assessor and, when legally required, the final subdivision map is approved and recorded with the County of Los Angeles Registrar-Recorder/County Clerk.
