(b) The form of the Contract of Purchase is hereby approved. The Authorized Officers are, and each of them acting alone is, authorized and directed to execute and deliver the Contract of Purchase for and in the name and on behalf of the District, with such additions, changes or corrections therein as the Authorized Officer executing the same on behalf of the District may approve, in his or her discretion, as being in the best interests of the District including, without limitation, (i) such changes as may be necessary to obtain credit enhancement, including bond insurance or liquidity support, with respect to the Bonds, (b) should the Authorized Officers, or any of them, determine to sell the Bonds on a private placement basis, such changes as are necessary or desirable to reflect that the Bonds will be sold on such a basis rather than being sold to the public pursuant to a negotiated underwriting and (c) such changes as are necessary to reflect the final terms of the Bonds to the extent such terms differ from those set forth in this Resolution, such approval to be conclusively evidenced by such Authorized Officer's execution thereof, and (ii) any other documents required to be executed thereunder. The Authorized Officers are, and each of them acting alone is, hereby authorized and directed to determine the specific maturities and amounts of the 2003 Bonds or portions thereof to be refunded based upon market conditions existing at the time of the pricing of the Bonds. The Authorized Officers are, and each of them acting alone is, hereby authorized and directed to determine, in consultation with the District's financial advisor, whether it is in the District's best interests and in the best interest of the property tax payers to pursue a public sale of the Bonds through a negotiated underwriting or a private placement of the Bonds. In addition, the Authorized Officers are, and each of them acting alone is, hereby authorized to negotiate with the Underwriter the interest rates on the Bonds and the purchase price of the Bonds to be paid by the Underwriter, which purchase price shall reflect an underwriter's discount or placement agent's compensation of not more than one percent (1%) (not including original issue discount and any costs of issuance paid by the Underwriter) of the Principal Amount thereof. The interest rate on the Bonds shall not exceed a true interest cost of twelve percent (12%) per annum.

(c) The form of the Escrow Agreement is hereby approved. The Authorized Officers are, and each of them acting alone is, hereby authorized and directed, for and in the name of and on behalf of the District, to execute and deliver the Escrow Agreement in substantially the form on file with the District and considered at this meeting, with such changes

therein as the Authorized Officer executing the same on behalf of the District may approve, in his or her discretion, as being in the best interests of the District, such approval to be conclusively evidenced by the execution and delivery of the Escrow Agreement by such Authorized Officer. The Authorized Officers and each of them acting alone is hereby authorized and directed to make changes to the Escrow Agreement to achieve the purposes for which the Bonds are being executed and delivered.

(d) The form of the Continuing Disclosure Certificate is hereby approved. The Authorized Officers are, and each of them acting alone is, hereby authorized to execute and deliver the Continuing Disclosure Certificate on behalf of the District, with such changes therein as the officer executing the same on behalf of the District may approve, in his or her discretion, as being in the best interests of the District, such approval to be conclusively evidenced by such Authorized Officer's execution thereof, and any other documents required to be executed thereunder, and to deliver the same to the Underwriter. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered an event of default and shall not be deemed to create any monetary liability on the part of the District to any other persons, including owners of the Bonds.

(e) The form of the Preliminary Official Statement relating to the Bonds is hereby approved. This Board of Education also hereby authorizes the use and distribution of: (a) the Preliminary Official Statement with such changes as the Authorized Officer executing the certificate described below may approve, such approval to be conclusively evidenced by such Authorized Officer's execution of such certificate; and (b) an Official Statement in substantially the form of the Preliminary Official Statement with such changes as may be necessary or desirable in connection with the sale of the Bonds as determined by the Authorized Officer executing the Official Statement, such determination to be conclusively evidenced by the execution and delivery of the Official Statement by such Authorized Officer; and (c) any amendments or supplements to the Preliminary Official Statement or the Official Statement which an Authorized Officer may deem necessary or desirable, such determination to be conclusively evidenced by the execution of such amendment or supplement or of a certificate as described below by such Authorized Officer. The Authorized Officers are, and each of them acting alone hereby is, authorized to approve such additions, deletions or changes to the Preliminary Official Statement and Official Statement, as are necessary or desirable to effect the purposes of this Resolution and to comply with applicable laws and to deliver copies of the Preliminary Official Statement and the Official Statement. The Authorized Officers also are, and each of them acting alone hereby is, authorized to determine whether any Preliminary Official Statement and/or Official Statement shall be used in connection with the sale of the Bonds. Upon approval of the Preliminary Official Statement by such Authorized Officer as evidenced by execution of a certificate substantially in the form of Exhibit B attached hereto and by this reference incorporated herein, with such changes as may be necessary or desirable, the Preliminary Official Statement shall be deemed final as of its date except for the omission of certain information as provided in and pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934.

(f) This Board of Education also hereby authorizes the preparation of a paying agent agreement in connection with the Bonds, in such form as shall be determined by an Authorized Officer, such determination to be conclusively evidenced by the execution and delivery of the paying agent agreement by such Authorized Officer.

SECTION 6. Authorization of Officers. The officers of the District, including but not limited to the Superintendent, and their authorized representatives are, and each of them acting alone is, hereby authorized to execute any and all documents and do and perform any and all acts and things, from time to time, consistent with this Resolution and necessary or appropriate to carry the same into effect and to carry out its purpose.

SECTION 7. Use of Bond Proceeds. Bonds of the District shall be issued in the name and on behalf of the District in an aggregate Principal Amount not to exceed \$25,000,000. The proceeds of the Bonds, together with other available funds, shall be applied to pay the principal of and interest and redemption premiums on the Prior Bonds as they become due or at designated dates prior to maturity and to pay Costs of Issuance.

SECTION 8. Designation and Form; Payment.

(a) An issue of Bonds entitled to the benefit, protection and security of this Resolution is hereby authorized in an aggregate initial Principal Amount not to exceed \$25,000,000. Such Bonds shall be general obligations of the District, payable as to Principal, premium, if any, and interest from ad valorem taxes to be levied upon all of the taxable property in the District. (b) The form of the Bonds shall be substantially in conformity with the standard forms of registered school district bonds, copies of which are attached hereto as Exhibit A-1, Exhibit A-2 and Exhibit A-3 and incorporated herein by this reference, with such changes as are necessary to reflect the final terms of the Bonds.

(c) Principal, premium, if any, and interest with respect to any Bond are payable in lawful money of the United States of America. Principal and premium, if any, is payable upon surrender thereof at maturity or earlier redemption at the office designated by the Paying Agent.

SECTION 9. Description of Current Interest Bonds.

(a) The Current Interest Bonds shall be issued in fully registered form, without coupons, in denominations of \$5,000 or any integral multiple thereof, except as provided in the Contract of Purchase. The Current Interest Bonds shall be dated and shall mature on the dates, in the years and in the Principal Amounts, and interest shall be computed at the rates, set forth in the Contract of Purchase.

(b) Interest on each Current Interest Bond shall accrue from its dated date as set forth in the Contract of Purchase. Interest on Current Interest Bonds shall be computed using a year of 360 days comprised of twelve 30-day months and shall be payable on each Interest Payment Date to the Owner thereof as of the close of business on the Record Date. Interest with respect to each Current Interest Bond will be payable from the Interest Payment Date next preceding the date of registration thereof, unless (i) it is registered after the close of business on any Record Date and before the close of business on the immediately following Interest Payment Date, in which event interest with respect thereto shall be payable from such following Interest Payment Date; or (ii) it is registered prior to the close of business on the first Record Date, in which event interest shall be payable from its dated date; provided, however, that if at the time of registration of any Current Interest Bond interest with respect thereto is in default, interest with respect thereto shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment. Payments of interest on the Current Interest Bonds will be made on each Interest Payment Date by check or draft of the Paying Agent sent by first-class mail, postage prepaid, to the Owner thereof on the Record Date, or by wire transfer to any Owner of \$1,000,000 Principal Amount or more of such Current Interest Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; provided, however, that payments of defaulted interest shall be payable to the person in whose name such Current Interest Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent which shall not be more than fifteen days and not less than ten days prior to the date of the proposed payment of defaulted interest.

SECTION 10. Description of Capital Appreciation Bonds.

(a) The Capital Appreciation Bonds shall be issued in fully registered form in any denominations of their initial Principal Amounts but shall reflect denominations of \$5,000 Maturity Amount or any integral multiple thereof, except as otherwise provided in the Contract of Purchase. The Capital Appreciation Bonds shall be dated as of the date of their issuance, shall be issued in the aggregate Principal Amounts, shall mature on the dates, in the years and in the Maturity Amounts, and shall accrete interest with the yields to maturity all as set forth in the Contract of Purchase.

(b) Interest on each Capital Appreciation Bond shall be compounded semiannually on February 1 and August 1 of each year, commencing on the date set forth in the Contract of Purchase, until maturity, computed using a year of 360 days comprised of twelve 30-day months and shall be payable only at maturity as part of the Maturity Amount or upon prior redemption, if any, unless otherwise provided in the Contract of Purchase.

SECTION 11. Description of Convertible Capital Appreciation Bonds.

(a) The Convertible Capital Appreciation Bonds shall be issued in fully registered form in any denominations of their initial Principal Amounts but shall reflect denominations of \$5,000 Conversion Value or any integral multiple thereof, except as otherwise provided in the Contract of Purchase. The Convertible Capital Appreciation Bonds shall be dated the date of their issuance, shall be issued in the aggregate principal amounts as of the date of issuance, shall convert and mature on the dates, in the years and in the Conversion Value, and

shall, prior to the Conversion Date thereof, accrete interest at the accretion rate, and subsequent to the Conversion Date, bear interest on an amount equal to the Conversion Value thereof, all as set forth in the Contract of Purchase.

(b) Prior to the Conversion Date, interest on each Convertible Capital Appreciation Bond shall be accreted and compounded semiannually on February 1 and August 1 of each year, or such other dates as are set forth in the Contract of Purchase, until the Conversion Date thereof, commencing on the date set forth in the Contract of Purchase, computed using a year of 360 days comprised of twelve 30 day months and shall be payable only at maturity as part of the Conversion Value or upon prior redemption, if any, unless otherwise provided in the Contract of Purchase. No payment of interest will be made to the owners of Convertible Capital Appreciation Bonds prior to or on the Conversion Date.

(c) From and after the Conversion Date, the Convertible Capital Appreciation Bonds will bear interest on a principal amount equal to the Conversion Value thereof. Interest on each Convertible Capital Appreciation Bond shall be computed using a year of 360 days comprised of twelve 30 day months. After the Conversion Date, current interest with respect to each Convertible Capital Appreciation Bond shall be payable on each Interest Payment Date to the Owner thereof as of the close of business on the Record Date. Interest with respect to each Convertible Capital Appreciation Bond will be payable from the Interest Payment Date next preceding the date of registration thereof, unless (i) it is registered after the close of business on any Record Date and before the close of business on the immediately following Interest Payment Date, in which event interest with respect thereto shall be payable from such following Interest Payment Date; or (ii) it is registered prior to the close of business on the first Record Date preceding the first Interest Payment Date after the Conversion Date, in which event interest shall be payable from its Conversion Date; provided, however, that if at the time of registration of any Convertible Capital Appreciation Bond interest with respect thereto is in default, interest with respect thereto shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment. From and after the Conversion Date, payments of current interest with respect to the Convertible Capital Appreciation Bonds will be made on each Interest Payment Date by check or draft of the Paying Agent sent by first-class mail, postage prepaid, to the Owner thereof as of the close of business on the Record Date, or by wire transfer to any Owner of \$1,000,000 Conversion Value or more of such Convertible Capital Appreciation Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; provided, however, that payments of defaulted interest shall be payable to the person in whose name such Convertible Capital Appreciation Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent which shall not be more than fifteen days and not less than ten days prior to the date of the proposed payment of defaulted interest.

SECTION 12. Tax Covenant. In order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, this Board of Education hereby covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended. In furtherance of this covenant, the District agrees to comply with the covenants contained in the Nonarbitrage Certificate. The District hereby agrees to deliver instructions to the Paying Agent in order to comply with the Nonarbitrage Certificate.

SECTION 13. Book-Entry System.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such global Bond shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each global Bond shall bear a legend substantially to the following effect: "UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

With respect to Bonds registered in the Bond Register in the name of the Nominee, the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any Redemption Notice (as defined in Section 30 below), (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on the Bonds. The District and the Paying Agent may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose of giving Redemption Notices and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to the respective Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word Nominee in this Resolution shall refer to such new nominee of the Depository.

(b) In order to qualify the Bonds for the Depository's book-entry system, the District is hereby authorized to execute and deliver to such Depository a letter from the District representing such matters as shall be necessary to so qualify the Bonds (the "**Representation Letter**"). The execution and delivery of the Representation Letter shall not in any way limit the provisions of subsection (a) hereof or in any other way impose upon the District any obligation whatsoever with respect to persons having beneficial interests in the Bonds other than the Owners, as shown in the Bond Register. In addition to the execution and delivery of the Representation Letter, the District, and its deputies and designees, are hereby authorized to take any other actions, not inconsistent with this Resolution, to qualify the Bonds for the Depository's book-entry program.

(c) If at any time the Depository notifies the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the District within 90 days after the District receive notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the District shall cause the issuance of bonds representing the Bonds as provided below. In addition, the District may determine at any time that the Bonds shall no longer be represented by global bonds and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event the District shall cause the execution and delivery of bonds representing the Bonds as provided below. Bonds issued in exchange for global bonds pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the Depository shall instruct the District. The District shall cause delivery of such bonds representing the Bonds to the persons in whose names such Bonds are so registered.

If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or cause to be prepared a new fully-registered global bond for each of the maturities of Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the District and such securities depository and not inconsistent with the terms of this Resolution.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on such Bond and all notices with respect to such

Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(e) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

SECTION 14. Execution of the Bonds.

(a) The Bonds shall be executed in the manner required by the Authorizing Law. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been issued by the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed such Bonds had not ceased to hold such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 15. Transfer and Exchange. The registration of any Bond may be transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A-1, A-2 or A-3 hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require

the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 16. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur, the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this Section 16 in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

SECTION 17. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books. While the Bonds are held in the book-entry system, the Paying Agent is not required to keep the registration books.

SECTION 18. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the General Fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first-class mail, postage prepaid, not less than 90 days prior to the date of such payment to the effect that said

money has not been claimed and that after a date named therein any unclaimed balance of said money then remaining will be transferred to the General Fund of the District under the order of the County Office of Education. Thereafter, the Owners of such Bonds shall look only to the General Fund of the District for payment of such Bonds.

SECTION 19. Application of Proceeds; Escrow Agreements; Debt Service Fund.

(a) Proceeds from the sale of the Bonds, including any premium received by the District from the sale of the Bonds, shall be transferred to the Escrow Agent for deposit in an Escrow Fund established under the Escrow Agreement in an amount necessary to purchase the Defeasance Securities needed to defease and redeem the Prior Bonds, all as set forth in a certificate of a District official.

(b) Accrued interest, if any, shall be kept separate and apart in the fund hereby created and established and to be designated as the "El Rancho Unified School District General Obligation Refunding Bonds, Series 2012 Debt Service Fund" or as otherwise designated by the Treasurer (the "**Debt Service Fund**") and used only for payments of principal and interest on the Bonds. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of principal and interest on the Bonds.

(c) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds.

(d) On the Business Day immediately preceding each Interest Payment Date if the Paying Agent is not the Treasurer-Tax Collector, and on the Interest Payment Date if the Paying Agent is the Treasurer-Tax Collector, the District shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds (collectively, the "**Debt Service**") on such Payment Date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(e) The District shall cause moneys to be transferred to the extent needed to comply with the Nonarbitrage Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to the general fund of the District subject to any conditions set forth in the Nonarbitrage Certificate.

(f) Proceeds of the Bonds may be applied to pay Costs of Issuance as provided in Section 22 below.

SECTION 20. Payment and Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes a continuing direct ad valorem tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the principal of and interest on the Bonds when and as the same fall due (the

“Pledged Moneys”). The District covenants to cause the County to take all actions necessary to levy such ad valorem tax, in accordance with this Section and Section 53559 of the Government Code.

Except as required below to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay principal and interest on the Bonds when due.

SECTION 21. Establishment and Application of Excess Earnings Fund. There is hereby established in trust a special fund designated “El Rancho Unified School District General Obligation Refunding Bonds, Series 2012 Excess Earnings Fund” (the “**Excess Earnings Fund**”) which shall be held by the County Office of Education for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall transfer, or cause to be transferred, moneys to the Excess Earnings Fund in accordance with the provisions of the Nonarbitrage Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Nonarbitrage Certificate.

SECTION 22. Payments of Costs of Issuance. Proceeds of the sale of the Bonds necessary to pay all costs of issuing such Bonds shall be deposited in the fund of the District known as the “El Rancho Unified School District Cost of Issuance Fund” (the “**Cost of Issuance Fund**”) and shall be kept separate and distinct from all other District funds, and those proceeds shall be used solely for the purpose of paying Costs of Issuance of the Bonds. The Cost of Issuance Fund may be held and administered by the Paying Agent. Notwithstanding the foregoing, all or a portion of the costs of issuance may be paid by the Underwriter. Any amounts retained by the Underwriter for payment of Costs of Issuance and returned to the District pursuant to the Contract of Purchase shall be transferred to the Debt Service Fund to be applied to the payment of Principal of and/or interest on the Bonds.

SECTION 23. Negotiated Sale/Method of Sale.

(a) The Bonds shall be sold by negotiated sale to the Underwriter inasmuch as: (i) such a sale will allow the District to integrate the sale of the Bonds with other public financings undertaken, or to be undertaken, by the District in order to refinance outstanding debt or finance and fund public school facilities; (ii) such a sale will allow the District to utilize the services of consultants who are familiar with the financial needs, status and plans of the District; and (iii) such a sale will allow the District to control the timing of the sale of the Bonds to the municipal bond market and, potentially, take advantage of interest rate opportunities for favorable sale of the Bonds to such market.

(b) The Bonds may be sold either on a private placement basis or to the public pursuant to a negotiated underwriting, as follows:

(i) In the event that the Authorized Officers, or any of them, determine, upon the advice of the District’s financial advisor, that the sale of the Bonds through a private placement will be more favorable to the District and the property tax

payers than a negotiated underwriting would be, this Board of Education hereby authorizes the private placement of the Bonds with a financial institution that has provided a written commitment or other offer (the "Purchaser Commitment") to purchase the Bonds. In such event, this Board of Education authorizes the Authorized Officers, and each of them, to accept such Purchaser Commitment and to enter into a Contract of Purchase in the form of a placement agreement with the Underwriter, subject to the limitations set forth in Section 5 hereof.

(ii) In the event that the Authorized Officers, or any of them, determine, upon the advice of the District's financial advisor, that the public sale of the Bonds through a negotiated underwriting will be more favorable to the District and the property tax payers than a private sale would be, this Board of Education hereby authorizes the negotiated sale of the Bonds to the Underwriter pursuant to a Contract of Purchase in the form of a bond purchase contract with the Underwriter. The Authorized Officers, and each of them, is authorized to enter into such Contract of Purchase, subject to the limitations set forth in Section 5 hereof.

SECTION 24. Engagement of Consultants. Caldwell Flores Winters, Inc. has been selected to act as financial advisor to the District, Nixon Peabody LLP has been selected as the District's bond counsel and George K. Baum & Company has been selected to act as underwriter or placement agent. The estimated costs of issuance associated with the bond sale are \$138,000 or approximately 0.6% of the estimated par total of \$22,000,000, which include the financial advisor and bond counsel fees, costs of printing the Official Statement, rating agency fees, paying agent fees, and other related costs. In addition, the estimated Underwriter's discount, which is not included in the amount and percentage above, is 0.8% or \$176,000. An estimate of the itemized fees and expenses is on file with the Superintendent. Bond insurance, if purchased, is estimated to cost approximately \$146,000 in addition to the amounts set forth above.

SECTION 25. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the Treasurer-Tax Collector, the County Office of Education, the Paying Agent, or the District may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 26. Request for Necessary County Actions.

(a) The Board of Supervisors, the Auditor-Controller, the Treasurer, and other officials of the County, are hereby requested to take and authorize such actions as may be necessary pursuant to law to provide for the levy and collection of a property tax on all taxable property of the District sufficient to provide for payment of all principal of, redemption premium, if any, and interest on the Bonds as the same shall become due and payable as necessary for the payment of the Bonds, and the Clerk of the Board is hereby authorized and directed to deliver certified copies of this Resolution to the Clerk of the Board of Supervisors of the County, the Auditor-Controller of the County, and the Treasurer. The Board hereby agrees to reimburse the County for any costs associated with the levy and collection of said tax, upon such documentation of said costs as the District shall reasonably request.

(b) The Board of Supervisors, the Auditor-Controller, the Treasurer, and other officials of the County, are hereby requested to take and authorize such actions as may be necessary, upon, but only upon, the defeasance or redemption of the Prior Bonds from proceeds of the Bonds, to discontinue the levy of property taxes on all taxable property of the District for the payment of the Prior Bonds, pursuant to Section 53561 of the Government Code.

SECTION 27. Notice of Redemption of Prior Bonds.

The Escrow Agent is hereby authorized and directed to give notice of redemption of the Prior Bonds, pursuant to the terms of the resolution of the County Board of Supervisors authorizing the issuance thereof and pursuant to the terms of the Escrow Agreement.

SECTION 28. Redemption.

(a) The Current Interest Bonds and Convertible Capital Appreciation Bonds shall be subject to redemption as provided in the Contract of Purchase.

(b) The Capital Appreciation Bonds shall not be subject to optional redemption except as otherwise provided in the Contract of Purchase. The Capital Appreciation Bonds shall be subject to mandatory redemption prior to their maturity date, by lot, at the Accreted Value thereof, without premium, on the dates, if any, in the years and in an amount equal to the aggregate Accreted Values as and to the extent set forth in the Contract of Purchase.

SECTION 29. Selection of Bonds for Redemption. Whenever provision is made in this Resolution or in the Contract of Purchase for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Payment Date designated for such redemption, shall select Bonds for redemption in the manner directed by the District. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof, the portion of any Capital Appreciation Bond to be redeemed in part shall be in the Maturity Amount of \$5,000 or any integral multiple thereof and the portion of any Convertible Capital Appreciation Bond to be redeemed in part shall be in the Conversion Value of \$5,000 or any integral multiple thereof. The Accreted Value of any such Capital Appreciation Bond or Convertible Capital Appreciation Bond shall be determined by reference to a schedule to be provided to the Paying Agent.

SECTION 30. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Contract of Purchase, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Interest Payment Date designated for such redemption, shall give notice (a "**Redemption Notice**") of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in

part and, in the case of any Bond to be redeemed in part only, the Principal Amount or Accreted Value, as appropriate, of such Bond to be redeemed, and (g) the original issue date, interest or accretion rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state (a) that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed (i) the redemption price, together with the interest accrued to the redemption date in the case of Current Interest Bonds, (ii) the Accreted Value in the case of Capital Appreciation Bonds, (iii) in the case of Convertible Capital Appreciation Bonds from and after the Conversion Date, the redemption price, together with the interest accrued to the redemption date or (iv) in the case of Convertible Capital Appreciation Bonds on or prior to the Conversion Date, the Accreted Value, and (b) that from and after such date interest with respect thereto shall cease to accrue or accrete and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) In the event that the Bonds shall no longer be held in book-entry-only form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) In the event that the Bonds shall no longer be held in book-entry-only form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice shall be given by (i) first class mail, postage prepaid, or (ii) overnight delivery service, to the MSRB.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

SECTION 31. Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

SECTION 32. Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 28 hereof, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of Section 28 shall be cancelled upon surrender thereof and delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent upon written notice by the District given to the Paying Agent.

SECTION 33. Paying Agent; Appointment and Acceptance of Duties.

(a) The Treasurer or his or her designated agent is hereby appointed as the initial Paying Agent. All fees and expenses incurred for services of the Paying Agent, including its third party agents, shall be the sole responsibility of the District. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

SECTION 34. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 35. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

SECTION 36. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution.

SECTION 37. Ownership of Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Bonds.

SECTION 38. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The initially appointed Paying Agent may resign from service as Paying Agent at any time. Prior to such resignation a new Paying Agent shall be appointed by the District in accordance with applicable law, which shall be the Treasurer-Tax Collector or a bank or trust company doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$100,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District, a written acceptance thereof. Resignation of the initial or a successor Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) Any Paying Agent appointed may resign from service as Paying Agent and may be removed at any time by the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, a new Paying Agent shall be appointed in accordance with applicable law, which shall be either the Treasurer-Tax Collector or a bank or trust company doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$100,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District, a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(c) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor. The District shall promptly provide notice of the name and principal corporate trust office address of the Paying Agent appointed to replace any resigned or removed Paying Agent to the Owners of the Bonds by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

SECTION 39. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts, subject to any conditions set forth in the Nonarbitrage Certificate. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the Debt Service Fund shall remain on deposit in such respective funds.

SECTION 40. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

SECTION 41. Supplemental Resolutions With Consent of Owners.

This Resolution, and the rights and obligations of the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the District with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that so long as a Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 42. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(e) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

SECTION 43. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified

matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent thereof from taking any action pursuant thereto.

SECTION 44. Defeasance. If any or all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

- (1) by paying or causing to be paid the Principal, premium, if any, and interest on such Bonds, and when the same become due and payable;
- (2) by depositing with the Paying Agent, in trust, at or before maturity, cash which together with the amounts then on deposit in the Debt Service Fund (and the accounts therein other than amounts that are not available to pay Debt Service) together with the interest to accrue thereon without the need for further investment, is fully sufficient to pay such Bonds at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or
- (3) by depositing with an institution that meets the requirements of serving as successor Paying Agent pursuant to Section 38 selected by the District, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series) or obligations which are unconditionally guaranteed by the United States of America and permitted under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient to pay and discharge such Bonds at maturity or earlier redemption thereof, for which notice has been given or provided for, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the District and the Paying Agent under this Resolution with respect to such Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of such Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent under Section 36 hereof.

SECTION 45. Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if an Authorized Officer determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

SECTION 46. Approval of Actions; Miscellaneous.

(a) The Superintendent and the other officers of the District are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds or otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The County, its Board of Supervisors, officers, agents, and employees shall not be responsible for any proceedings or the preparation or contents of any resolutions, certificates, statements, disclosures, notices, contracts, or other documents relating to the sale and issuance of the Bonds.

(c) The Principal of and interest and redemption premium (if any) on the Bonds shall not constitute debt or an obligation of the County, its Board of Supervisors, officers, agents, or employees, and the County, its Board of Supervisors, officers, agents, and employees thereof shall not be liable thereon. In no event shall the Principal of and interest and redemption premium (if any) on any Bond be payable out of any funds or property of the County.

(d) The Clerk of the Board shall send a certified copy of this Resolution, together with the final debt service schedule for the Bonds, to the Treasurer-Tax Collector.

SECTION 47. Conflicts. If there is any inconsistency or conflict between any provision of this Resolution and any provision of the Contract of Purchase, the Contract of Purchase prevails to the extent of the inconsistency or conflict.

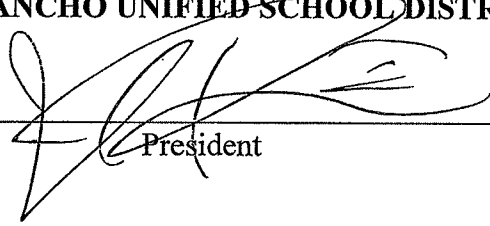

SECTION 48. Effective Date. This Resolution shall take effect immediately upon its passage.

Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally-recognized bond counsel, adversely affect the interests of the owners.

Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not

contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally-recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Maturity Amount, without premium, is duly provided therefor as specified in the Resolution, then interest shall cease to accrete with respect hereto from and after the date fixed for redemption.

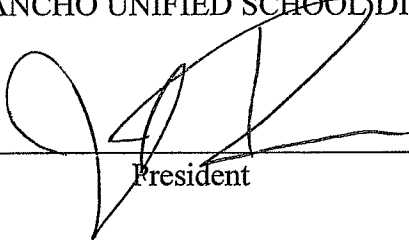

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Authorizing Law and that all of the proceedings of the Board of Education of the District and in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Authorizing Law and of the Constitution of the State of California.

After the Conversion Date, current interest on this Bond is payable on _____ 1, 20__ and semiannually thereafter on the first day of February and August (each an “**Interest Payment Date**”) in each year to the registered owner hereof from the Interest Payment Date next preceding the date on which this Bond is registered (unless it is registered after the close of business on the fifteenth calendar day of the month next preceding any Interest Payment Date (a “**Record Date**”) and before the close of business on the immediately following Interest

The Conversion Value hereof, [or the Accreted Value hereof in the event this Bond is redeemed prior to the Conversion Date,] is payable at the office of U.S. Bank National Association, as agent of the Treasurer-Tax Collector of the County, as paying agent (the **"Paying Agent"**), or at the office of a successor Paying Agent appointed pursuant to the Resolution. After the Conversion Date, the current interest hereon is payable by check or draft mailed by first class mail, postage prepaid, to each registered owner, as indicated in the Bond Register (the **"Owner"**), at his address as it appears on the registration books kept by the Paying Agent as of the Record Date, or by wire transfer to any Owner of \$1,000,000 Conversion Value or more of this Bond, to the account specified by the Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; provided, however, that payments of defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent which shall not be more than fifteen days and not less than ten days prior to the date of the proposed payment of defaulted interest.

The Bonds of this issue are comprised of \$_____ Principal Amount of El Rancho School District General Obligation Refunding Bonds, Series 2012. [The Bonds of this issue are comprised of \$_____ Convertible Capital Appreciation Bonds, of which this Bond is a part, \$_____ initial principal amount of Capital Appreciation Bonds, and \$_____ Principal Amount of Current Interest Bonds.] This Bond is issued by the District under and in accordance with the provisions of Articles 9 and 11 of Chapter 3 of Part 1 of Division 2 of Title 5 (commencing with Sections 53550 and 53580, respectively) of the Government Code of the State of California (the **"Authorizing Law"**), and pursuant to a resolution adopted by the Board of Education of the District on [_____], 2012 (the **"Resolution"**). Reference is hereby made to the Resolution, a copy of which is on file at the office of the Clerk of the Board of the District, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. The District's obligation to pay the principal and redemption premium of, and interest on, the Bonds to the respective Owners of the Bonds when due and the Owners' rights to institute suit against the District to enforce such payment are absolute and unconditional. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of fifty-five percent of the qualified electors of the District voting on the proposition at an election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to Conversion Value, [or as to Accreted Value, in the event this Bond is redeemed prior to the Conversion Date,] premium, if any, and interest from ad valorem taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Conversion Value, [or the Accreted Value, in the event this Bond is

redeemed prior to the Conversion Date,] or any part thereof, nor any interest or premium hereon, constitutes a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Conversion Value and in authorized denominations will be issued to the transferee in exchange herefor. The District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Bonds shall be subject to redemption as provided in the Resolution.

The rights and obligations of the District and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that so long as any Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof without the express consent of all Owners. No such supplemental resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything in the Resolution to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (6) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Conversion Value and, after the Conversion Date, accrued interest due with respect hereto, [or the Accreted Value, in the event this Bond is redeemed prior to the Conversion Date,] or such other amount required for redemption, without premium, are duly provided therefor as specified in the Resolution, then interest shall cease to accrete or accrue with respect hereto from and after the date fixed for redemption, and that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Authorizing Law.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Authorizing Law and that all of the proceedings of the Board of Education of the District in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Authorizing Law and of the Constitution of the State of California.

IN WITNESS WHEREOF, the El Rancho Unified School District has caused this Bond to be executed on behalf of the District as of the date hereof.
