

MOTION BY SUPERVISOR DON KNABE

October 30, 2012

The Pancreatic Cancer Action Network is seeking support from the Los Angeles County Board of Supervisors in declaring November as Pancreatic Cancer Awareness Month in Los Angeles County.

The Pancreatic Cancer Action Network is a nationwide network of people dedicated to working together to advance research, support patients and create hope for those affected by pancreatic cancer.

The organization raises money for direct private funding of research—and advocates for more aggressive federal research funding of medical breakthroughs in prevention, diagnosis and treatment of pancreatic cancer.

I, THEREFORE, MOVE THAT the Board of Supervisors declare the month of November 2012 as Pancreatic Cancer Awareness Month and strongly urge the citizens of Los Angeles County to observe November by practicing safe and healthy behaviors in all aspects of their lives.
