REVISED

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

22 December 11, 2012

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF SOLE SOURCE PHARMACEUTICAL REVERSE  
DISTRIBUTION SERVICES AGREEMENT  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Request approval to execute a Sole Source Agreement with EXP  
Pharmaceutical Services Corporation for pharmaceutical reverse  
distribution services.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Authorize the Director of Health Services (Director), or his designee, to execute a sole source Agreement, substantially similar to Exhibit I, with EXP Pharmaceutical Services Corporation (EXP), effective upon Board approval through May 31, 2015, for pharmaceutical reverse distribution services for County pharmacies, as listed in Attachment A.
2. Delegate authority to the Director, or his designee, to exercise a month-to-month extension option, not to exceed twelve months, through May 31, 2016, subject to review and approval by County Counsel, and notification to the Board and the Chief Executive Office.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Approval of the first recommendation will allow the Director, or his designee, to execute an Agreement with EXP, substantially similar to Exhibit I, to provide pharmaceutical reverse distribution services to County pharmacies.

EXP has agreed to execute an Agreement with Los Angeles County for pharmaceutical reverse distribution services at the same applicable rates under the Novation Agreement due to DHS' participation with University Health Systems Consortium Services (UHCS).

In November of 1997, the Board of Supervisors authorized DHS to participate in the University Health Systems Consortium Services (UHCS) group purchasing when County would achieve cost savings by purchasing medical, surgical, laboratory and pharmaceutical equipment and supplies through UHCS' commodity agreements established by Novation. EXP was selected through a Novation competitive solicitation. DHS reviewed and analyzed the Novation solicitation Agreement for pharmaceutical reverse distribution services and determined that the County would not be able to achieve a better result or cost savings by soliciting for these services on its own.

The Department is recommending a sole source Agreement with EXP on the basis that this company currently has an agreement with UHCS for these services that was a result of UHCS's contracting process. An approved Sole Source Checklist, Attachment B, is included.

Basic pharmaceutical reverse distribution services provided by EXP include, but are not limited to: 1) sorting pharmaceuticals by manufacturer, lot number, and expiration date; 2) generating return inventory reports and all necessary DEA forms; 3) providing all packaging materials and the boxing, packaging, and mailing/shipping of pharmaceuticals for return shipment to each manufacturer; 4) preparing returned drug summary reports with anticipated return value/credit; and 5) disposing of all non-returnable pharmaceuticals/drugs, upon request.

### **Implementation of Strategic Plan Goal**

The recommended action supports Goal 3, Integrated Services Delivery, of the County's Strategic Plan.

### **FISCAL IMPACT/FINANCING**

The County pharmacies will receive credits and partial refunds for pharmaceuticals that are returned to the manufacturer for redistribution. The only compensation EXP will receive for this service is the percentage withheld from the refunds received from pharmaceutical manufacturers. Accordingly, this Agreement does not increase the Department's expenses.

All services associated with the reverse distribution activities provided by EXP will be deducted from the manufacturers' credit compensation designated for each individual County pharmacy operation, listed on Attachment A.

EXP will receive 5.5 percent of the total refund received from pharmaceutical/drug manufacturers by participating County pharmacies, and \$0.49 per pound for disposal of non-hazardous waste and \$2.25 per pound for disposal of hazardous waste for the pharmaceutical/drug products that do not qualify for credit and cannot be reverse distributed.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Los Angeles County pharmacies must order pharmaceutical products in large quantities and maintain par levels of pharmaceuticals at all times to properly serve the patients and for contingency purposes at each of its locations. This includes maintaining pharmaceuticals on hospital wards, clinics, and outpatient facilities. Such large quantities of pharmaceutical stock need to be regularly monitored and adjusted to optimize pharmaceutical par levels without exceeding packaging expiration dates and thereby causing the pharmaceuticals to become non-dispensable.

On April 20, 2006 your Board approved an Agreement with EXP to provide County pharmacies with pharmaceutical reverse distribution services, effective July 1, 2006 through June 30, 2011 and subsequently extended through June 30, 2012. The pharmaceutical reverse distribution services Agreement with DHS expired June 30, 2012. The execution of a new agreement was delayed due to the completion of the Novation solicitation.

Under the Controlled Substance Act of 1970, the Drug Enforcement Agency (DEA) assigned numbers to drugs based on the amount of narcotic, or non-narcotic-like substances, present in a drug and its level of habit forming or addicting propensities. The scheduled numbers are "I" through "V" with "II" being the strongest and "I" being illegal. The handling of scheduled drugs requires a DEA license and the use of special control and inventory procedures prescribed by federal and state regulations. (Absence of such numbers on drug labels renders the drug non-scheduled [non-controlled] which can be handled and processed without DEA restrictions). EXP is a DEA-registered reverse distributor, licensed to handle all Scheduled (I through V) drugs and controlled substances, and also possesses other related licenses and permits (i.e., Environmental Protection Agency license, California Department of Health Services permit, and Weight master license) required to provide pharmaceutical reverse distribution services (including non-returnable pharmaceutical/drug products).

Some non-returnable pharmaceuticals are considered pharmaceutical medical waste (divided into non-hazardous waste [usually non-scheduled pharmaceutical] and

hazardous waste [usually scheduled/controlled pharmaceutical]). However, many pharmaceuticals are returnable for credit or replacement.

The County will receive credits and partial refunds for pharmaceutical that are returned to the manufacturer for redistribution. The only compensation to EXP for these services is the percentage withheld from the refunds received from pharmaceutical manufacturers. Accordingly, this Agreement does not increase the Department's expenses.

County pharmacies will have the option to use EXP to directly dispose of both non-hazardous and hazardous pharmaceutical medical waste under this Agreement. EXP offers a more secure method of disposal than using the current medical waste contractors, especially when disposing of scheduled/controlled pharmaceuticals/drugs. EXP will only dispose of pharmaceutical medical waste that is a by-product of reverse distribution process.

The Agreement has been approved as to form by County Counsel.

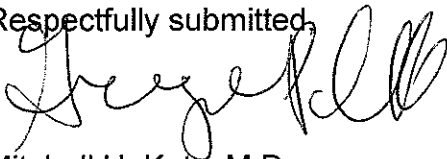

#### **CONTRACTING PROCESS**

Not applicable. An approved Sole Source Checklist (Attachment B) is included in accordance with Board Policy 5.100 Sole Source Contracts.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approvals of the recommended actions will allow pharmaceutical reverse distribution services to continue and provide County pharmacies with increased savings.

Respectfully submitted,

*MH* Mitchell H. Katz, M.D.  
Director

## SOLE SOURCE CHECKLIST

Check (√)	<b>JUSTIFICATION FOR SOLE SOURCE CONTRACTS</b>
	Identify applicable justification and provide documentation for each checked item.
	➤ Only one bona fide source for the service exists; performance and price competition are not available
	➤ Quick action is required (emergency situation)
	➤ Proposals have been solicited but no satisfactory proposals were received.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.
	➤ It is most cost-effective to obtain services by exercising an option under an existing contract.
X	➤ It is in the best interest of the County e.g., administrative cost savings, excessive learning curve for a new service provider, etc.
X	➤ Other reason. Please explain: EXP was awarded a UHC contract these for specific services based on a competitive solicitation performed by UHC.

The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.41.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

#### **8.42 PUBLICITY**

8.42.1 The Contractor shall not disclose any details in connection with this Agreement to any person or entity except as may

be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Agreement within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Agreement, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the Director or his/her designee. The County shall not unreasonably withhold written consent.

8.42.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Agreement with the County of Los Angeles, provided that the requirements of this subparagraph 8.42 shall apply.

#### **8.43 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT**

8.43.1 The Contractor shall maintain, and provide upon request by County, accurate and complete financial records of its activities and operations relating to this Agreement in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Agreement.

8.43.2 The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Agreement. All

such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Agreement and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.43.3 In the event that an audit of the Contractor is conducted specifically regarding this Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, including audits conducted by the Medicare and Medi-Cal programs, or both, then the Contractor shall file a copy of each such audit report, including Statement of Auditing Standards No. 70 Type 2 Reports, with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Agreement. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.43.4 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph 8.43 shall constitute a

material breach of this Agreement upon which the County may terminate or suspend this Agreement.

8.43.5 If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, representatives of the County conduct an audit of the Contractor regarding the work performed under this Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Agreement exceed the funds appropriated by the County for the purpose of this Agreement.

#### **8.44 RECYCLED BOND PAPER**

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Agreement.

#### **8.45 RESTRICTIONS ON LOBBYING**

If any Federal funds are to be used to pay for Contractor's services under this Agreement, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section 1352) and

any implementing regulations, and shall ensure that each of its subcontractors receiving funds provided under this Agreement also fully complies with all such certification and disclosure requirements.

#### **8.46 SUBCONTRACTING**

8.46.1 The requirements of this Agreement may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Agreement.

8.46.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.46.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the Contractor employees.

8.46.4 The Contractor shall remain fully responsible for all performances required of it under this Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.46.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Agreement. The Contractor is responsible to notify its subcontractors of this County right.

- 8.46.6 The Director or his/her designee is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.
- 8.46.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.46.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

**8.47 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM**

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.16 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Agreement. Without limiting the rights and remedies available to the County under any other provision of

this Agreement, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Agreement pursuant to sub-paragraph 8.50 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

**8.48 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

Failure of Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.17 - Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

**8.49 TERMINATION FOR CONVENIENCE**

8.49.1 This Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.49.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Agreement on the date and to the

extent specified in such notice, and

- Complete performance of such part of the work as shall not have been terminated by such notice.

8.49.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Agreement shall be maintained by the Contractor in accordance with sub-paragraph 8.43, Record Retention and Inspection/Audit Settlement.

## **8.50 TERMINATION FOR DEFAULT**

8.50.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Agreement, if, in the judgment of the Director or his/her designee.

- Contractor has materially breached this Agreement; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Agreement; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.50.2 In the event that the County terminates this Agreement in whole or in part as provided in sub-paragraph 8.50.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar

goods and services. The Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.50.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.50.2 if its failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or Contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.50.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.50, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.50, or that the default

was excusable under the provisions of sub-paragraph 8.50.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.49 - Termination for Convenience.

8.50.5 The rights and remedies of the County provided in this sub-paragraph 8.50 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

#### **8.51 TERMINATION FOR IMPROPER CONSIDERATION**

8.51.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.51.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Fraud Hotline at (800) 544-6861 or [www.lacountyfraud.org](http://www.lacountyfraud.org).

8.51.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

## **8.52 TERMINATION FOR INSOLVENCY**

8.52.1 The County may terminate this Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.52.2 The rights and remedies of the County provided in this subparagraph 8.52 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

## **8.53 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE**

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the

Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Agreement.

**8.54 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision of this Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

**8.55 UNLAWFUL SOLICITATION**

Contractor shall inform all of its officers and employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with section 6150) of Business and Professions Code of the State of California (i.e. State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of said provisions by its officers and employees. Contractor agrees that if a patient requests assistance in obtaining the services of any attorney, it will refer the patient to the attorney referral service of all those bar associations within Los Angeles County that have such a service.

**8.56 VALIDITY**

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this

Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

#### **8.57 WAIVER**

No waiver by the County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.57 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

#### **8.58 WARRANTY AGAINST CONTINGENT FEES**

8.58.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.58.2 For breach of this warranty, the County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

### **9.0 UNIQUE TERMS AND CONDITIONS**

#### **9.1 NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT**

Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary of this Agreement.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Amendment to be executed by its Director of Health Services and Contractor has caused this Amendment to be executed in its behalf by its duly authorized officer, the day, month, and year first above written.

County facilities are required to purchase and have available a certain amount of pharmaceutical/drug products at all times to properly serve the residents of Los Angeles County. A number of manufacturers offer partial credits and refunds and/or pharmaceutical/drug replacements for damaged and/or expired non-dispensable pharmaceutical/drug products which are returned to the manufacturer, not all damaged or expired pharmaceutical/drug products can be returned to the manufacturer for partial credits, refunds and/or replacements, and are considered non-returnable, and must be disposed of according to those laws governing bio hazardous (i.e., medical pharmaceutical drug) waste disposal. The selected vendor must have the capability to provide both pharmaceutical reverse distribution services and biohazardous waste disposal services. Therefore the County is soliciting for a qualified vendor licensed in the State of California to provide Pharmaceutical Reverse Distribution Services.

## **2.0 QUALITY CONTROL**

The Contractor shall establish and utilize a comprehensive Quality Control Plan to assure the County receives a consistently high level of service throughout the term of the Agreement. - 2.1 Method of monitoring to ensure that Agreement requirements are being met;

Verbal notification of an Agreement discrepancy will be made to the Contractor Project Manager as soon as possible whenever a discrepancy is identified. The problem shall be resolved within a time period mutually agreed upon by the County and the Contractor.

The Chief Pharmacy Officer will determine whether a formal Contractor Discrepancy Report shall be issued. Upon receipt of this document, the Contractor is required to respond in writing to the Chief Pharmacy Officer within five (5) business days with a plan for correction of all deficiencies identified in the Contractor Discrepancy Report.

### **3.2 County Observations**

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090  
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

**2.203.070. Exceptions.**

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

**CONTRACTOR'S OBLIGATIONS AS A "BUSINESS  
ASSOCIATE"**  
**UNDER THE HEALTH INSURANCE PORTABILITY AND  
ACCOUNTABILITY ACT OF 1996 AND THE HEALTH  
CARE INFORMATION TECHNOLOGY  
FOR ECONOMIC AND CLINICAL HEALTH ACT  
(BUSINESS ASSOCIATE AGREEMENT)**

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.

This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:
