

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

March 19, 2013

Amendment to Item #12

The update to the County's Strategic Plan is intended to amend a document which will help guide our County's operations and ensure that the County achieves its highest goals over the next several years. However, in order to guarantee the County's success in these endeavors, we must be careful to use the clearest language possible.

In order to clarify the Board's wishes,

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Executive Officer to replace sub-bullet four under the "Health Reform Coordination" focus area under Goal 2, Strategic Initiative 1 with the following language:

"Coordinate with the Department of Community and Senior Services (CSS) to ensure safe and timely out-of-hospital placement of elderly adults who are in hospital emergency departments receiving Adult Protective Services; and coordinate with the Public Guardian in those instances where conservatorship is required."
