The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF A CONTRACT WITH SENTINEL OFFENDER SERVICES, LLC TO PROVIDE AN
ADULT ELECTRONIC MONITORING PROGRAM FOR THE COUNTY OF LOS ANGELES
PROBATION DEPARTMENT**

(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Approval of a contract with Sentinel Offender Services, LLC to provide an Adult Electronic Monitoring Program for the County of Los Angeles Probation Department.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chairman to sign the attached contract (Attachment I) with Sentinel Offender Services, LLC to provide an Adult Electronic Monitoring Program (EMP) for an initial 12-month period commencing on December 1, 2013 through November 30, 2014.
2. Delegate authority to the Chief Probation Officer to prepare and execute contract amendments to extend the contract term for up to four (4) additional 12-month periods, upon approval as to form by County Counsel.
3. Delegate authority to the Chief Probation Officer to prepare and execute amendments to the contract for any decrease or increase not to exceed ten percent (10%) of the administrative fee and/or 180 days to the period of performance pursuant to the terms of the contract, upon approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of the attached contract (Attachment I) with Sentinel Offender Services, LLC to provide an EMP for the County of Los Angeles Probation Department (Probation).

Probation has administered an EMP provided by private companies since October 13, 1992. Contractor shall provide services necessary to operate a continuous EMP for low to high-risk offenders and/or adult probationers (participants) as an alternative to incarceration, detention, or court sanction. EMP provides supervision to offenders regardless of their ability to pay. EMP participants may reside in all areas of the State of California.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the Countywide Strategic Plan, Goal #1 Operational Effectiveness. Implementation of the recommendations will enable Probation to continue the electronic monitoring program for adult offenders.

FISCAL IMPACT/FINANCING

The contract will result in no net County cost (NCC). EMP costs are paid by participants being monitored, according to their ability to pay and subject to payment by the Contractor to the County of a non-refundable administrative fee per individual assessment to offset Probation overhead as listed below:

- \$57.00 for each suitable assessment that results in placement on EMP.
- \$28.50 for each suitable assessment which does not result in placement on EMP.
- \$28.50 for all unsuitable assessments.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Probation has contracted for an EMP since October 3, 1992. The proposed contract is for an initial 12 month term, with options to extend for four (4) additional 12 month periods and one six month period. The initial term of this contract shall be effective December 1, 2013 through November 30, 2014. There is no departmental employee relations impact since this is not a Proposition A contract. Probation has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contract.

The contract contains the Board's required contract provisions, including those pertaining to consideration of qualified county employees targeted for layoffs, as well as qualified GAIN/GROW participants for employment openings, compliance with Jury Service Ordinance, Safely Surrendered Baby Law and the Child Support Program. In accordance with the Chief Executive Office memorandum dated July 19, 2002, the proposed contractor has been instructed to register on WebVen.

The County will not request the Contractor to perform services that exceed the Board approved contract amount, scope of work or contract term.

County Counsel has reviewed and approved the proposed contract as to form.

CONTRACTING PROCESS

To solicit for these services, a competitive Request for Proposals (RFP) process was utilized and issued on November 16, 2012. Through the solicitation and competitive negotiation process, approximately seventy (70) letters were sent to service providers.

Advertisements were run in the Los Angeles Times, Eastern Group Publications and the Lynwood Journal. The solicitation information was also made available through the Internet on the County of Los Angeles Internal Services Department and Probation websites. As a result, eight (8) contractors registered for the Mandatory Proposers' Conference and seven (7) potential providers attended the conference.

Two (2) proposals were received and evaluated using the initial screening "pass/fail" process which was consistent with the Selection Process and Evaluation Criteria set forth in the RFP. The proposals submitted by 1) Sentinel Offender Services, LLC and 2) BI Incorporated passed the initial screening and proceeded to the final evaluation process.

An evaluation committee was formed to evaluate the two (2) proposals that passed the initial screening process. Financial subject matter experts evaluated the financial/budget portions of the proposals. Evaluation committee members objectively evaluated the proposals submitted by Sentinel Offender Services, LLC and BI Incorporated.

The proposals were rated and scored by an evaluation committee using a point system that covered: 1) proposer's qualifications, 2) proposer's approach to provide required services, and 3) proposer's quality control plan.

Sentinel Offender Services, LLC received the highest overall rating. Sentinel Offender Services, LLC submitted a responsive proposal that reflected a good understanding of the services to be provided. Sentinel Offender Services, LLC outlined a quality plan and demonstrated they were experienced and capable of providing the required services. There were no protests received as part of this solicitation. The current contract expires on November 30, 2013.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This contract will continue the current level of services.

However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of CONTRACTOR to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of COUNTY in accordance with applicable provisions of this Contract.
- 8.2.3 Any assumption, assignment, delegation, or takeover of any of the CONTRACTOR'S duties, responsibilities, obligations, or performance of same by any entity other than the CONTRACTOR, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without COUNTY'S express prior written approval, shall be a material breach of the Contract, which may result in the termination of this Contract. In the event of such

termination, COUNTY shall be entitled to pursue the same remedies against CONTRACTOR as it could pursue in the event of default by CONTRACTOR.

8.3 AUTHORIZATION WARRANTY

The CONTRACTOR represents and warrants that the person executing this Contract for the CONTRACTOR is an authorized agent who has actual authority to bind the CONTRACTOR to each and every term, condition, and obligation of this Contract and that all requirements of the CONTRACTOR have been fulfilled to provide such actual authority.

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of COUNTY employees and imposes similar reductions with respect to COUNTY Contracts, the COUNTY reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the CONTRACTOR under this Contract shall also be reduced correspondingly. Any legal defense pursuant to CONTRACTOR'S indemnification obligations under this Paragraph 8.6 shall be conducted by CONTRACTOR and performed by counsel selected by CONTRACTOR and approved by COUNTY. Notwithstanding the preceding sentence, COUNTY shall have the right to participate in any such defense at its sole cost and expense, except that in the event CONTRACTOR fails to provide COUNTY with a full and adequate defense, as determined by COUNTY in its sole judgment, COUNTY shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from CONTRACTOR for all

such costs and expenses incurred by COUNTY in doing so. CONTRACTOR shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of COUNTY without COUNTY'S prior written approval.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS

The CONTRACTOR hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The CONTRACTOR shall comply with *Exhibit D, Contractor's EEO Certification*.

8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the COUNTY'S ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as *Exhibit H, Jury Service Ordinance*, and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy.

1. Unless the CONTRACTOR has demonstrated to the COUNTY'S satisfaction either that the CONTRACTOR is not a "CONTRACTOR" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the CONTRACTOR qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the CONTRACTOR shall have and adhere to a written policy that provides that its Employees shall receive from the CONTRACTOR, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the CONTRACTOR or that the CONTRACTOR deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this Sub-paragraph, "CONTRACTOR" means a person, partnership, corporation or other entity which has a Contract with the COUNTY or a subcontract with a COUNTY CONTRACTOR and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more COUNTY Contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the CONTRACTOR. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the COUNTY or 2) CONTRACTOR has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the CONTRACTOR uses any Subcontractor to perform services for the COUNTY under the Contract, the Subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the CONTRACTOR is not required to comply with the Jury Service Program when the Contract commences, the CONTRACTOR shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the CONTRACTOR shall immediately notify the COUNTY if the CONTRACTOR at any time either comes within the Jury Service Program's definition of "CONTRACTOR" or if the CONTRACTOR no longer qualifies for an exception to the Jury Service Program. In either event, the CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. The COUNTY may also require, at any time during the Contract and at its sole discretion, that the CONTRACTOR demonstrate to the COUNTY'S satisfaction that the CONTRACTOR either continues to remain outside of the Jury Service Program's definition of "CONTRACTOR" and/or that the CONTRACTOR continues to qualify for an exception to the Program.
4. CONTRACTOR'S violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, COUNTY may, in its sole discretion, terminate the Contract and/or bar the CONTRACTOR from the award of future COUNTY Contracts

for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

8.9.1 No COUNTY employee whose position with the COUNTY enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the CONTRACTOR or have any other direct or indirect financial interest in this Contract. No officer or employee of the CONTRACTOR who may financially benefit from the performance of work hereunder shall in any way participate in the COUNTY'S approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the COUNTY'S approval or ongoing evaluation of such work.

8.9.2 The CONTRACTOR shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The CONTRACTOR warrants that it is not now aware of any facts that create a conflict of interest. If the CONTRACTOR hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the COUNTY. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-paragraph shall be a material breach of this Contract.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the CONTRACTOR require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the CONTRACTOR shall give first consideration for such employment openings to qualified, permanent COUNTY employees who are targeted for layoff or qualified, former COUNTY employees who are on a re-employment list during the life of this Contract.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.11.1 Should the CONTRACTOR require additional or replacement personnel after the effective date of this Contract, the CONTRACTOR shall give consideration for any such employment openings to participants in the County's Department of Public

Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the CONTRACTOR'S minimum qualifications for the open position. For this purpose, consideration shall mean that the CONTRACTOR will interview qualified candidates. The COUNTY will refer GAIN/GROW participants by job category to the CONTRACTOR.

- 8.11.2 In the event that both laid-off COUNTY employees and GAIN/GROW participants are available for hiring, COUNTY employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

A responsible CONTRACTOR is a CONTRACTOR who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the COUNTY'S policy to conduct business only with responsible CONTRACTORS.

8.12.2 Chapter 2.202 of the County Code

The CONTRACTOR is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the COUNTY acquires information concerning the performance of the CONTRACTOR on this or other Contracts which indicates that the CONTRACTOR is not responsible, the COUNTY may, in addition to other remedies provided in the Contract, debar the CONTRACTOR from bidding or proposing on, or being awarded, and/or performing work on COUNTY Contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the CONTRACTOR may have with the COUNTY.

8.12.3 Non-responsible Contractor

The COUNTY may debar a CONTRACTOR if the Board of Supervisors finds, in its discretion, that the CONTRACTOR has done any of the following: (1) violated a term of a Contract with the COUNTY or a nonprofit corporation created by the COUNTY, (2) committed an act or omission which negatively reflects on the CONTRACTOR'S quality, fitness or capacity to perform a Contract with the COUNTY, any other public entity, or a nonprofit

corporation created by the COUNTY, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the COUNTY or any other public entity.

8.12.4 Contractor Hearing Board

1. If there is evidence that the CONTRACTOR may be subject to debarment, the Department will notify the CONTRACTOR in writing of the evidence which is the basis for the proposed debarment and will advise the CONTRACTOR of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The CONTRACTOR and/or the CONTRACTOR'S representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the CONTRACTOR should be debarred, and, if so, the appropriate length of time of the debarment. The CONTRACTOR and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a CONTRACTOR has been debarred for a period longer than five (5) years, that CONTRACTOR may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The COUNTY may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the CONTRACTOR has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a

bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the COUNTY.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the CONTRACTOR has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The CONTRACTOR understands that it is the COUNTY'S policy to encourage all COUNTY CONTRACTORS to voluntarily post the COUNTY'S "Safely Surrendered Baby Law" poster in a prominent position at the CONTRACTOR'S place of business. The CONTRACTOR will also encourage its Subcontractors, if any, to post this poster in a prominent

8.20.2 Notwithstanding the foregoing, a default by a Subcontractor of CONTRACTOR shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both CONTRACTOR and such Subcontractor, and without any fault or negligence of either of them. In such case, CONTRACTOR shall not be liable for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit CONTRACTOR to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor" and "Subcontractors" mean Subcontractors at any tier.

8.24.4 Failure to Maintain Insurance

CONTRACTOR'S failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which COUNTY immediately may withhold payments due to CONTRACTOR, and/or suspend or terminate this Contract. COUNTY, at its sole discretion, may obtain damages from CONTRACTOR resulting from said breach. Alternatively, the COUNTY may purchase the Required Insurance, and without further notice to CONTRACTOR, deduct the premium cost from sums due to CONTRACTOR or pursue CONTRACTOR reimbursement.

CONTRACTOR shall be responsible for verifying each Subcontractor complies with the Required Insurance provisions herein, and shall require that each Subcontractor name the COUNTY and CONTRACTOR as additional insureds on the Subcontractor's General Liability policy. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The COUNTY shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the COUNTY is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a Proposal marked "trade secret", "confidential", or "proprietary", the CONTRACTOR agrees to defend and indemnify the COUNTY

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The CONTRACTOR shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The CONTRACTOR shall also maintain accurate and complete employment and other records relating to its performance of this Contract. 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the COUNTY may conduct an audit of the CONTRACTOR regarding the work performed under this Contract, and if such audit finds that the COUNTY'S dollar liability for any such work is less than payments made by the COUNTY to the CONTRACTOR, then the difference shall be either: a) repaid by the CONTRACTOR to the COUNTY by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the CONTRACTOR from the COUNTY, whether under this Contract or otherwise. If such audit finds that the COUNTY'S dollar liability for such work is more than the payments made by the COUNTY to the CONTRACTOR, then the difference shall be paid to the CONTRACTOR by the COUNTY by cash payment, provided that in no event shall the COUNTY'S maximum obligation for this Contract exceed the funds appropriated by the COUNTY for the purpose of this Contract.

8.38.4 CONTRACTOR agrees to be bound by applicable COUNTY unsupported and disallowed cost procedures, rules and regulations, and to repay to COUNTY any amount, with its earned interest, which is found to violate the terms of this Contract or applicable COUNTY provisions.

8.40.4 The CONTRACTOR shall remain fully responsible for all performances required of it under this Contract, including those that the CONTRACTOR has determined to subcontract, notwithstanding the COUNTY'S approval of the CONTRACTOR'S proposed subcontract.

8.40.5 The COUNTY'S consent to subcontract shall not waive the COUNTY'S right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The CONTRACTOR is responsible to notify its Subcontractors of this COUNTY right.

8.40.6 The COUNTY'S Contract Manager is authorized to act for and on behalf of the COUNTY with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract

Failure of the CONTRACTOR to maintain compliance with the requirements set forth in Paragraph 8.14 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default by the CONTRACTOR under this Contract. Without limiting the rights and remedies available to the COUNTY under any other provision of this Contract, failure of the CONTRACTOR to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the COUNTY may terminate this Contract pursuant to Paragraph 8.43 - Termination for Default and pursue debarment of the CONTRACTOR, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the COUNTY, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the CONTRACTOR specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The

date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the COUNTY, the CONTRACTOR shall:

- CONTRACTOR fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- CONTRACTOR fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the COUNTY may authorize in writing) after receipt of written notice from the COUNTY specifying such failure.

8.43.2 In the event that the COUNTY terminates this Contract in whole or in part as provided in Sub-paragraph 8.43.1, the COUNTY may procure, upon such terms and in such manner as the COUNTY may deem appropriate, goods and services similar to those so terminated. The CONTRACTOR shall be liable to the COUNTY for any and all excess costs incurred by the COUNTY, as determined by the COUNTY, for such similar goods and services. The CONTRACTOR shall continue the performance of this Contract to

the extent not terminated under the provisions of this Sub-paragraph.

8.43.3 Except with respect to defaults of any Subcontractor, the CONTRACTOR shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the CONTRACTOR. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the COUNTY in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the CONTRACTOR. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the CONTRACTOR and Subcontractor, and without the fault or negligence of either of them, the CONTRACTOR shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

8.43.4 If, after the COUNTY has given notice of termination under the provisions of this Paragraph 8.43, it is determined by the COUNTY that the CONTRACTOR was not in default under the provisions of this Paragraph 8.43, or that the default was excusable under the provisions of Sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.42, Termination for Convenience.

8.43.5 The rights and remedies of the COUNTY provided in this Paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

8.44.1 The COUNTY may, by written notice to the CONTRACTOR, immediately terminate the right of the CONTRACTOR to proceed under this Contract if it is found that consideration, in any form, was offered or given by the CONTRACTOR, either directly or through an intermediary, to any COUNTY officer, employee, or agent with the intent of securing this Contract or securing favorable treatment

with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the CONTRACTOR'S performance pursuant to this Contract. In the event of such termination, the COUNTY shall be entitled to pursue the same remedies against the CONTRACTOR as it could pursue in the event of default by the CONTRACTOR.

8.44.2 The CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit such improper consideration. The report shall be made either to the COUNTY manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

The CONTRACTOR, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the CONTRACTOR, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the CONTRACTOR or any County Lobbyist or County Lobbying firm retained by the CONTRACTOR to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the COUNTY may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the COUNTY shall not be obligated for the CONTRACTOR'S performance hereunder or by any provision of this Contract during any of the COUNTY'S future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The COUNTY shall notify the CONTRACTOR in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the COUNTY of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the COUNTY to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The CONTRACTOR warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage,

brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the CONTRACTOR for the purpose of securing business.

CONTRACTOR acknowledges that COUNTY has established a goal of ensuring that all individuals and businesses that benefit financially from COUNTY through Contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon COUNTY and its taxpayers.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Angeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmale que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

It is the policy of the county of Los Angeles that sexual harassment is unacceptable and will not be tolerated. It is improper and against this policy for a county officer or employee to ask for or receive sexual favors from another county employee or prospective employee in return for or as a condition of county employment, promotion, job retention, a particular job or duty assignment, or any other action relating to county employment. It shall be the policy of the county of Los Angeles to:

- A. Dissuade such practices through communication, training and other appropriate methods that will sensitize employees and all persons involved with the county work force concerning sexual harassment issues;
- B. Investigate all observed or reported instances of sexual harassment, and take appropriate corrective action, including disciplinary action, when warranted;
- C. Provide an internal complaint process for employees who experience or witness a violation of the sexual harassment policy which will protect employee confidentiality to the extent legally permissible, shield the individual from retaliation, and allow for appropriate corrective action. 5.09.020 Sexual harassment defined.

- C. Such conduct has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile or offensive working environment. (Ord. 94-0074 § 2 (part), 1994.)

5.09.030 Responsibilities of county personnel.

A. County employees: All county employees are responsible for assuring that sexual harassment does not occur in the Los Angeles County work environment.

The Court then instructs the defendant to contact EM staff at (213) 893-5369 by then end of the next business day to complete an application. COUNTY JAIL REFERRALS

The Sheriff Community Based Alternatives to Custody (CBAC) personnel refer county jail inmates to be evaluated by Pretrial Services Electronic Monitoring Program for determination suitability for electronic monitoring release. CBAC Sheriff personnel have two methods of referral to PTS EM. The first method is by providing, each morning, an automated fully sentenced inmate list identified as potential candidates for EM consideration. The second method is by providing individual cases, such as special classified inmates, for EM evaluation. Beginning October 12th, 2004, LASD identified sentenced fully sentenced inmates with PC275.5 and PC243(e)1 convictions as a population potentially acceptable for the EM Program. With concurrence between LASD Administration, and Probation Department Administration, EMP staff began screening fully sentenced PC273.5 and Pc 243(e)1 inmates for EMP.

Only suitable assessed inmates by PTS EM will be released on electronic monitoring. All inmates assessed and determined to be ineligible or unsuitable will remain in custody. Sheriff personnel retain final release authority and may disqualify a suitable EM candidate if deemed necessary.

Criteria for referral

- County jail inmates fully sentenced to county jail time on misdemeanor or felony cases
- Inmates cannot be in custody on any excluded conviction charges
- Inmates can have no pending felony cases
- Inmates can have no outstanding warrants
- Inmates can have no custody holds
- Inmates can have no rehabilitation orders
- Inmates can have no disqualified custody special handling restrictions

Contractor Notification

EM staff will provide a copy of the completed Vendor Notification for all suitable assessments to the Contractor and Sheriff CBAC personnel. This will be done daily without exception. As inmates are approved, the names are given to the Contractor staff assigned to the jail location periodically throughout the day.

All suitable Vendor Notifications are faxed to the Contractor's enrollment center on a daily basis. There will be required communication from EM staff and the Contractor's enrollment staff to verify proper notification on all suitable EM candidates.

CIVIL REFERRALS

On occasion, Superior Court will refer Family Law matters (civil contempt) to the EM program. In most cases, the bench officers do not want an assessment. Referrals should be made from the court to Pretrial Services and will be handled in the same manner as criminal cases, except that there will be no criminal record check. In the event a Contractor should receive a referral directly from the court on a civil case, instruct the defendant to call Pretrial Services. Pretrial Services will complete a partial application and will check the address and telephone information only. The defendant will be given a Pretrial application number and will be told to call the Contractor for enrollment.

PART II

CONTRACTOR CASE PROCESSING

ENROLLMENT DATE REQUIREMENTS

Court Component

The court will complete a Sentencing Notice indicating, among other things, the date by which a participant must be enrolled. Contractor must make every effort to enroll a participant by the date ordered. If this is not possible because, for example, the participant waited until the last day to be enrolled before contacting the contractor, the contractor will call the court, explain the circumstances, and ask for an extension.

County Jail Component

Inmates approved for participation by Pretrial Services are processed for release from custody into EM with the assistance of Sheriff and Contractor personnel assigned to work at the jail location. Inmates released for EM participation must be enrolled the same day they are released from jail. *County jail inmates released to EM retain custody status until their sentence expires.*

- A. After confirming that the inmate is currently housed at county jail, Contractor personnel calls the person who will be picking up the inmate to provide the following instructions:
 - Expect to spend approximately 3-4 hrs on the release process.
 - Bring \$120 cash or certified funds, a telephone bill to confirm the participant's phone number and address of record.
 - Be prepared to drive the participant to his place of residence, making no stops, where he will remain on lockdown until his scheduled appointment with a branch office.
- B. Contractor personnel assigned to the jail will then explain the program rules and regulations (Appendix G) to the inmate. EM installation instructions and the consequences of non-compliance are explained to the inmate. If the inmate agrees to abide by the program guidelines, he will sign a consent form; which becomes a part of the inmate's custody jacket and participant case file.
- C. Sheriff's deputies will process the EM release, which includes a custody record and commitment document check. The inmate will be instructed to go directly home and report to a designated branch office for enrollment the following day.

II. PARTICIPANT ENROLLMENT

The Contractor will instruct the court-sentenced participant to bring in a copy of the Sentencing Notice, signed by the judge or court clerk. All participants will be instructed to provide picture identification, verification of income, and a recent telephone bill verifying the telephone number and address of record. The enrollment process consists of program orientation, fee assessment, equipment installation and receipt of a "good hook-up" message. Note: County Jail participants will have transmitters attached before release from custody; court participants will have transmitter attached by contractor staff at enrollment appointment. Contractor staff will provide all participants with installation instructions.

A. PARTICIPANT ORIENTATION

1. INTERVIEW

During the initial enrollment interview the case manager will establish a case file, as described in paragraph 2 below, familiarize the participant with program requirements, set curfew schedule, explain, in detail, the participant's responsibility to provide documentation to verify all time away from the residence, set program fees and advise participant of any additional administrative charges, i.e., enrollment fee, installation fee, equipment replacement due to participant caused damage. The orientation component of the enrollment process must include the following steps:

- a. Photocopy participant's picture ID and telephone bill for case file.
- b. Provide written rules and regulations to participant, explain each point, including grievance procedures and fee reduction procedures; have participant initial each page, including the fee agreement section and sign the last page acknowledging that he/she has read, understood and received a copy of the program guidelines and agrees to comply.
- c. Collect initial enrollment and monitoring fee.
- d. Schedule next office meeting according to risk level assessed by Pretrial Services:
 - STANDARD MONITORING - a minimum of once every 2 weeks. "Standard" participants who fail to comply with curfew schedules or other program guidelines will be changed to weekly meetings until such time as compliance improves substantially.

- ENHANCED MONITORING - a minimum of once every week for the first thirty (30) days of program participation; thereafter, "enhanced" participants who comply with all program guidelines may be seen once every 2 weeks.

Note: Participants sentenced on EM01 list of excluded charges will always be monitored at the ENHANCED level.

2. SETTING UP CASE FILE

Case files are established to provide a documented record of all EM participant activity. Participant case files are official Probation Department records and the information contained therein is confidential. The information contained in a case file is occasionally called into evidence at a court hearing. Should this occur, case managers are authorized to testify as to specific information contained in the file, but are precluded from releasing any documents or copies of any documents without authorization from the Probation Department.

Approved case files are divided into 2 sections with documents filed according to the chart below. All documents are filed in chronological order from bottom to top.

a. Section 1, Left Side

- Vendor Notification
- Sentencing Notice (and other court orders)
- Phone Bill
- Photo ID
- Database Record (DBR)
- Cash Receipts

b. Section 1, Right Side

- Orientation Forms, or Client Contract, must be dated and signed by participant and case manager. Included will be:
 - *Rules, regulations and consent form*
 - *Fee assessment and agreement form*
 - *Fee reduction procedures*
 - *Grievance procedures*
- Income Verification
- Chronological case notes

c. Section 2, Left Side

- Enrollment Notice
- All other court notices
- Completion/Termination Notice

d. Section 2, Right Side

- Original Schedule
- First transmit or good hook-up message
- Daily electronic monitoring activity reports
- Schedule changes
- Activity verification/documentation

3. SETTING FEES

The daily program fee is set based on the participant's ability to pay or the overall capability of the person to reimburse the costs, or a portion of the costs, of providing program services and shall include, but shall not be limited to, consideration of all of the following factors:

- Present financial position
- Reasonably discernible future financial position. In no event shall the contractor(s) consider a period of more than six (6) months from the date of acceptance into the program for purposes of determining reasonable discernible future financial position

- Likelihood that the person shall be able to obtain employment within the six (6) month period from the date of acceptance into the program
- Any other factor that may bear upon the person's financial capability to reimburse the contractor(s) for the cost of the program

A financial assessment must include, but is not limited to, the following steps:

- a. Have participant complete a Financial Information Worksheet (Appendix K).
- b. Obtain participant's gross household income verification such as paycheck stubs, proof of government benefits (AFDC, SSI, etc.), income tax returns, accounts receivable, etc.
- c. Consult the Sliding Scale (Appendix L) as a reference in setting the daily program fee.
- d. Have participant initial the fee agreement section of the Client Contract. *A signed, dated Client Contract form must be in the file before a participant can be terminated for failure to pay program fees (Appendix J).*

4. **SETTING CURFEW SCHEDULE**

Set curfew schedule based on the activities allowed by either the sentencing court or the Sheriff's Department and by information provided by the participant on the orientation forms. Under no circumstances shall a participant be allowed more time away from his or her residence than is needed to complete these authorized activities.

Court Component - The Sentencing Notice lists all activities ordered or allowed by the court. The Court must approve any requests for additional activities. If contractor does not have a copy of the Sentencing Notice during the initial interview, call the court immediately to request a faxed copy. The participant is to be on a "closed schedule" status that does not allow any activities until the Contractor can verify the court's order regarding permitted activities.

County Jail Component - The Sheriff's Department generally allows a participant to work or seek employment. Activities generally allowed may include court appointments, doctor/dental appointments, DMV, Social Services, Probation/Parole meetings, N/A or A/A meetings. Other activities allowed under certain circumstances are shopping/laundry (when participant lives alone) and hair cuts (if necessary for employment). All other activities must be verbally approved by a Sheriff Deputy assigned to EM.

Work Hours - Conventional Employment

It is expected that all participants will be allowed to work. Participant must provide his or her regular work schedule and the approximate travel time. Case manager will enter this information on the original scheduling form; which will be maintained in the participant's case file. Any changes to the permanent work schedule must be submitted at least 24 hours in advance must be noted in the case file.

- a. Set permanent curfew schedule to include work hours and travel time each way.
- b. Change schedule, as needed, for prior approved overtime, scheduled medical appointments, etc, noting reason for change in participant's case file. Instruct participant to provide appropriate documentation of the activity at the next office meeting.
- c. Maintain copy of participant's original schedule and any subsequent schedule changes in case file.

WORK HOURS - UNCONVENTIONAL

Many participants are either self-employed or do not report to a specific job every day. Setting curfew schedules for these cases must be handled on an individual basis according to the participant's type of employment. Participant is expected to provide case manager with a work schedule and be able to verify his/her activities.

Participant's work curfew schedule is not to be so broad as to allow the participant to come and go for 8, 10 or 12 hours throughout the day with no way to verify employment, unless the court is aware of the situation and authorizes participant to work with minimal or no verification. It is sometimes best, when a participant is self-employed, does "odd jobs" or "day work", to "close" his/her schedule (no time away from home) until he/she reports a specific day and time period which employment is scheduled.

Unemployed - Court authorizes job search

Participants will not generally be allowed an arbitrary 8 to 12 hours, 5 - 7 days per week to be away from his residence to seek employment.

- a. Set a minimum 3 to 4 hours per day, 2 or 3 days per week to allow participant to look for employment.
- b. Instruct participant, whenever possible, to provide a written list of prospective employers he/she plans to see, including the addresses. Participant is to provide a means of verifying his job search activities. Verification may include, but not be limited to, a duplicate job application, company business card signed by a representative of the company, or a signed attendance sheet. Discuss with the participant his responsibility to verify his whereabouts.

Note: If the participant is on formal probation, the DPO can authorize more time to search for employment.

Other court authorized activities

1. Participant must provide the Contractor with a schedule, including the date, time and location of any court authorized activities, such as drug or alcohol treatment meetings, counseling sessions, medical appointments, etc. (It is desirable, for scheduling purposes, to allow a participant to attend meetings on the same days and times each week.)

Note: Because most NA or AA evening meetings are held after 7:00 p.m., it is usually a good practice to require the participant to go directly home from work and then set a separate schedule to allow for attendance at a scheduled meeting.

Example: Participant works from 8:00 a.m. to 5:00 p.m. and he is allowed 1/2 hour travel time each way; he has a scheduled AA meeting from 8:00 p.m. to 9:30 p.m. and is allowed 15 minutes travel time each way. The schedule should be set to allow participant to leave at 07:30 and enter at 17:30; leave again at 19:45 and enter at 21:15. In most cases, the participant should not be allowed to be away from his residence for almost 14 hours (07:30 until 21:15) in one increment.

2. Participant is to be given an attendance sheet to be signed by authorized personnel and submitted for inclusion into case file.

B. Hook-up

1. Transmitter and strap are attached to participant's ankle, by an installer either at a branch office, Inmate Reception Center, or the participant's residence.
2. Record serial numbers of each piece of electronic monitoring equipment assigned to participant on computerized equipment log.
3. When the receiving unit is plugged in, if it is working properly, the computer will receive a "good hook-up" message. If this is done at a branch office, the participant is instructed on how and where to install the equipment in the home.

C. Installation

1. Unless the equipment is installed by a technician, at the place of residence, the participant will be given the equipment and instructed to install it at the residence no more than 2 hours after leaving the branch office. The receiver and/or BAT are plugged into the AC power lines and telephone lines according to the instructions given to the participant at the orientation interview.
2. Monitoring center will notify case manager if they do not receive a good hook-up message within the time specified.

III. DAILY CONTACT LIST (Appendix C)

Contractor is required notify PTS of all enrollments, completions and terminations on a daily basis. Although the Daily Contact List was developed for this purpose, it is permissible for Contractor to utilize a computerized version of the form, instead, provided it contains all the pertinent information.

- A. Fax contact list to PTS daily at the end of the day, whether or not there was any activity.
- B. List must be legible and shall include all enrollments, completions and terminations.
- C. If an enrollment or completion occurred after the list was faxed, i.e., weekends, evenings, include the information on the next day's list.

D. All follow-up documents (Enrollment, Completion, Termination Notices) must bear the same date shown on the list.

E. Proofread documents for accuracy in case name, number, dates.

IV. **SCHEDULE CHANGES**

A. Schedule changes shall not be approved for activities not authorized by the sentencing court. Schedule changes must be approved by authorized Contractor personnel in advance of the activity and a schedule change form must be maintained in the case file after appropriate case notes stating the reason for the change have been entered into the case file

B. Enter schedule changes into the monitoring computer prior to the activity; in the case of "one time only" changes, the original schedule must be reinstated into the computer upon participant's return.

V. **TYPE OF EQUIPMENT**

All program participants will be monitored by an active/continuous system, utilizing a random contact back-up system. Monitoring equipment must be equipped with a tamper alarm system. The monitoring system must have a very high degree of reliability and dependability. It is the contractors' responsibility to ensure that the monitoring equipment is working properly.

A. The battery life of the transmitter and receiver must either be sufficient to last throughout the entire term of participant's sentence or the battery must be replaced within 24 hours of "low battery" alarm being received, prior to battery failure.

B. Central monitoring computer must be set to perform an automatic monitor check-in with the field- monitoring device a minimum of every four (4) hours. If check-in is not received within five (5) hours, a documented monitor response is required.

VI. REPLACEMENT/REPAIR OF EQUIPMENT

If there appears to be any equipment problem; which compromises monitoring accuracy, contractors will provide for prompt repair or replacement of the equipment.

- A. All equipment malfunctions must be replaced or repaired within 24 hours of discovery of the malfunction.
- B. Place documented telephone calls to the participant every two (2) hours until equipment is repaired or replaced.

VII. TAMPER ALARMS

Contractors must provide immediate documented telephonic response to tamper alarms.

- A. After initial telephone contact, place documented telephone calls to the participant every two (2) hours until tamper is reset or transmitter replaced.
- B. Replacement, if necessary, must occur within 24 hours of initial tamper alarm.
- C. Replacement, repairs and resets must be documented in case file and in equipment logs.

VIII. REPORTING GUIDELINES

It is the Contractor's responsibility to track and report participant's adherence to program guidelines. Contractors will notify designated authorities of the probable violation of conditions within the time limits established by the Probation Department (Matrix, Appendix H); using only Probation Department approved forms (Appendix G). When sending notification to the sentencing court, the Contractor is to complete one notice, as applicable, for each application number corresponding to court case number.

A. TYPES OF REPORTS

- 1. **ABSCOND NOTICE** - Reports any time a participant is out during curfew and unable to be monitored for longer than 4 hours; Abscond Notices shall be sent to Pretrial Services, and, as applicable, to the sentencing court, Sheriff's Department, and DPO within the following time frames:

MONITORING ACTIVITY REPORTS

Daily Exception Reports

Case managers will review the daily monitoring activity "exception report" first thing each business day. This will bring to their attention routine curfew violations or units that were late to test for the previous day. The daily report will include mention of any telephone contacts between the 24- hour monitoring center staff and the person to whom they spoke at the participant's residence.

The 24-hour monitoring center staff will page Branch Managers, as needed, with immediate notification of serious violations, such as uncleared tamper alarms, unresolved late-to-test, knowledge of situations which may compromise public safety. Non-Compliance Reports and/or Abscond Notices for these incidents will be faxed by 11:00 a.m. the next business day to designated authorities. Non-Compliance Reports on less serious program violations, such as failure to provide documentation, curfew violations, unresolved or actual transmitter tampers can be mailed or faxed by the end of the business day.

All-activity Reports

Reports of all monitoring activity, including but not limited to, enters, leaves, monitor check-ins, late-to-test messages for the period between office visits will be printed for the file prior to each office visit. The report will be reviewed with the participant and documentation or verification of activities will be collected during the office visit. Non-Compliance Reports will be sent on any activity which was unauthorized or undocumented.

IX. NEW ARRESTS

In the event that the participant is arrested while on the court component of EMP, the court will determine whether the participant will remain on EM. The contractor shall follow the steps outlined below:

- A. Fax or mail a Non-Compliance Notice to the court, PTS and DPO, if applicable, that a new arrest has been verified.
- B. Fax or mail an Abscond Notice if the participant has not returned home within 4 hours and the participant's arrest has not yet been verified.
- C. Fax or mail a Status Report once it has been verified that the participant is in custody or has returned home.

In the event that the participant is arrested while on the jail component of EM, the Sheriff's Department will arrange for the participant to be returned to custody. A Termination Notice will be faxed or mailed to Pretrial Services, the Sheriff, and the DPO, if applicable.

X. PARTICIPANT VOLUNTARILY TERMINATES

- A. If a court sentenced participant voluntarily removes himself from the court component of EM and turns in his monitoring equipment, an ABSCOND NOTICE shall be sent to the sentencing court. PTS will follow up on court action.
- B. If a participant appears in court to requests to be removed from the EM program the court grants the request, for other than non-compliance, a COMPLETION NOTICE shall be sent.
- C. If a jail participant voluntarily returns to custody, not due to program violations, he will not be penalized but will remain in custody until his early release date. In this instance a COMPLETION NOTICE will be sent because this is not a program failure.
- D. If a CJ participant is remanded for non-compliance, it is considered a program failure; the inmate will remain in custody for the term of his sentence and is no longer eligible for any future release on EM. In this instance a TERMINATION NOTICE shall be sent.

XI. DEFENDANT WALK-INS

If a defendant comes in with a sentencing notice from court and contractor has not received a Vendor Notification, the Contractor will fax a copy of the Sentencing Notice to PTS, obtain an EM application number, and instruct the defendant call PTS from the office so that an application can be taken.

Note: Participants may not be enrolled without an EM application number. However, it is not necessary that the assessment be completed prior to enrollment. A number can be assigned once PTS has received a Sentencing Notice. Participant must be monitored at the Enhanced level until the Vendor Notification is received and contractor is notified otherwise.

XII. ENROLLMENTS AFTER INELIGIBLE RECOMMENDATION

Participants are required to have both a permanent residence and a telephone in order to participate in this program. Occasionally, a participant who does meet one or both of these requirements is referred by the court and is found ineligible for program participation. If the court subsequently orders the participant into the program, the contractor shall instruct the participant to call PTS during the enrollment interview. PTS will complete an application by telephone. The contractor will include the participant's address and telephone number on the ENROLLMENT NOTICE.

XIII. PARTICIPANT CHANGE OF ADDRESS**Court Component**

A court sentenced participant may not move without prior approval of the Court. Telephonic approval is acceptable, provided the phone call is documented in the case file and includes the date, time, and name of the person you spoke to, the name of the judge authorizing the change, the new address, telephone number, if applicable.

County Jail Component

Contractor has the permission of the Sheriff's Department to approve a change of address for CJ participants.

Whether Court or CJ component, the participant's new address and phone number must be reported to PTS on a STATUS REPORT within 24 hours.

- B. Case manager will send a STATUS REPORT to PTS and, as applicable, the sentencing court, the Sheriff's Department, and the DPO.
- C. Contractor will maintain a copy in the case file of participant's first monitoring activity report showing successful good hook-up message.

XIV. DOCUMENTATION

It is the Contractors' responsibility to account for the participant's whereabouts 24 hours a day. Make it clear to the participant at the time of enrollment that certain documentation is required to account for his/her work schedule and other court approved activity. Probation Department approved documentation must provide **independent** verification by a third party that the participant was where he/she claims to have been on any given date and time. The documentation provided must correspond to the participant's daily monitoring activity report showing "enters" and "leaves". Acceptable forms of documentation include but are not limited to:

 - 3. Note or letter detailing hours and days worked during a given week, signed by supervisor
- B. **Unconventional employment (self-employed, independent contractor, sales, field work, etc).**

Enrollment Notices for these participants will include a statement detailing the type of documentation to be provided. If participant subsequently obtains employment, a Status Report will be sent to appropriate agencies.

When a participant does not have a regular "9-5" job, it is sometimes difficult to find a way to verify his/her time at work. During the initial interview, make it clear to the participant that it is his/her responsibility to prove where he/she is when he/she is not at home. Discuss with the participant different methods of verifying his/her away time. For example:

- 1. Provide participant with an activity log, which requires a name, address, time, date, signature and telephone number of someone who can confirm the participant's whereabouts.
- 2. Instruct participant to provide a daily or weekly work schedule, including appointments, with contact name, address and telephone

numbers.

3. Instruct participant to provide invoices, which include date of a job, hours spent on a job, job location, contact person, amount charged and/or paid.
4. Instruct participant to provide daily itineraries, mileage claim forms or similar records used for billing purposes.

A functional performance test and evaluation of the electronic monitoring equipment, with documented results, each time the equipment is issued to and returned by a program participant; the Contractor will provide a written plan describing how its systems will be tested and how performance standards will be met.
- B. An inspection system assuring ongoing delivery of services; it must specify the activities to be audited/inspected on either a scheduled or unscheduled basis, how often audits/inspections will be accomplished, the title of the individual(s) who will perform and record the audits/inspections and the methods for identifying and preventing deficiencies in the quality of the system. All audits/inspection results must be documented and available for review by County during normal business hours.
- C. A computerized method of tracking equipment inventory, maintenance, battery life, and service records specific to each piece of equipment in accordance with suggested manufacturers maintenance specifications

COUNTY JAIL REFERRALS

The Sheriff Community Based Alternatives to Custody (CBAC) personnel refer county jail inmates to be evaluated by Pretrial Services Electronic Monitoring Program for determination suitability for electronic monitoring release. CBAC Sheriff personnel have two methods of referral to PTS EM. The first method is by providing, each morning, an automated fully sentenced inmate list identified as potential candidates for EM consideration. The second method is by providing individual cases, such as special classified inmates, for EM evaluation. Beginning October 12th, 2004, LASD identified sentenced fully sentenced inmates with PC275.5 and PC243 (e) 1 convictions as a population potentially acceptable for the EM Program. With concurrence between LASD Administration, and Probation Department Administration, EMP staff began screening fully sentenced PC273.5 and Pc 243(e) 1 inmates for EMP.

Only suitable assessed inmates by PTS EM will be released on electronic monitoring. All inmates assessed and determined to be ineligible or unsuitable will remain in custody. Sheriff personnel retain final release authority and may disqualify a suitable EM candidate if deemed necessary.

Criteria for referral

- County jail inmates fully sentenced to county jail time on misdemeanor or felony cases
- Inmates cannot be in custody on any excluded conviction charges
- Inmates can have no pending felony cases
- Inmates can have no outstanding warrants
- Inmates can have no custody holds
- Inmates can have no rehabilitation orders
- Inmates can have no disqualified custody special handling restrictions

Contractor Notification

EM staff will provide a copy of the completed Vendor Notification for all suitable assessments to the Contractor and Sheriff CBAC personnel. This will be done daily without exception. As inmates are approved, the names are given to the Contractor staff assigned to the jail location periodically throughout the day.

All suitable Vendor Notifications are faxed to the Contractor's enrollment center on a daily basis. There will be required communication from EM staff and the Contractor's enrollment staff to verify proper notification on all suitable EM candidates.

Appendix I**ELECTRONIC MONITORING PROGRAM
LOS ANGELES COUNTY PROBATION DEPARTMENT
PARTICIPANT CONTRACT**

You have been placed in the Los Angeles County Electronic Monitoring Program (EMP) as an alternative to incarceration. This program uses technology to alert a central monitoring station each time you leave and enter your home, or test positive for the consumption of alcohol. The computer will also report tampering with the equipment, power outages, and loss of phone service.

On the day you begin the program, a transmitter will be fitted to your ankle and a reporting unit will be installed on your telephone. Additional equipment may be necessary if enhanced monitoring is required. This equipment can be removed only after you complete the program, unless other direction is received from the Court.

While on the electronic monitoring program or "house arrest," you are required to remain inside your home except for activities authorized by the Court, Sheriff's Dept., or Probation. It is expected that you will have full-time employment, unless prohibited by your probation officer, the Sheriff's Dept., or the Court. Employment must be verified, in writing, by someone in a supervisory position. In addition, all timecards and paycheck stubs must be submitted as further verification of employment.

At the time of enrollment, a case manager will establish a schedule based on your permitted activities such as employment, counseling, drug or alcohol abuse treatment, and any other permitted activities. All overtime or other schedule changes require a case manager's approval 24 hours in advance. Your case manager will also establish scheduled mandatory compliance meetings that you will have to attend at the Sentinel branch office. At these meetings, you will be required to provide documentation for all outside activities and pay program fees.

PROGRAM COMPLIANCE

Participation in the program is voluntary. You should be advised that once you have been enrolled in EMP, section 1203.016 of the California Penal Code states that you can be taken into custody to serve the balance of your sentence for any of the following reasons:

- A. Failure to follow program rules and/or regulations (including providing all required documentation).*
- B. Failure to pay agreed upon program fees.*
- C. Failure of the equipment to perform for any reason which results in the inability to monitor you effectively.*

Client Initials _____

D. Any negative behavior resulting in the Court or Probation Officer's belief that you may not complete the program successfully.

If you willfully leave your residence without authorization or fail to return to your residence at the prescribed time, you can be prosecuted for escape under Penal Code section 4532.

A Non Compliance Report will be sent to the Court and /or Probation Officer for any program violation, including but not limited to:

1. Leaving the range of your monitoring equipment when you are scheduled to be at home.
2. Returning home later than your schedule allows.
3. Leaving home earlier than your schedule allows.
4. Missing scheduled appointments with your case manager.
5. Failing to provide acceptable verification of work and other Court/Probation authorized activities.
6. Failing to pay program fees.
7. Failing to answer all telephone calls when present at your residence.
8. Failing to maintain electrical power either by unplugging the equipment or neglecting to pay the electricity bill.
9. Failing to maintain telephone service for any reason.
10. Failing to remove custom features from your telephone line, such as call waiting, call forwarding, answering machine voicemail, etc...
11. Refusing to perform alcohol or drug tests as required by the Court/Probation or testing positive for either alcohol or drugs.

Client Initials _____

- 12. *If Breath Alcohol Testing (BAT) equipment is installed, failing to blow into the unit and transmit a picture when instructed by the monitoring center.*
- 13. *Failing to comply with any additional conditions set by the Court or the Probation Officer.*
- 14. *Tampering with or attempting to remove the ankle transmitter.*
- 15. *Tampering with or damaging any part of the electronic monitoring equipment.*
- 16. *Using alcohol or illegal drugs while on the program.*
- 17. *Possession of any weapons while on the program.*

PROGRAM EQUIPMENT

The transmitter fitted to your ankle, the in-home monitor attached to your telephone line, and any other equipment given to you by Sentinel Offender Services is your responsibility. If the equipment is damaged, lost or destroyed, you will be required to pay the following amounts:

<i>In-Home Monitor</i>	<i>\$1,500.00</i>	
<i>Ankle Transmitter</i>		<i>\$525.00</i>
<i>Ankle Strap</i>		<i>\$20.00</i>
<i>BAT</i>		<i>\$600.00</i>
<i>Visitel</i>		<i>\$600.00</i>

If any of the above equipment is not returned to Sentinel, a felony theft report will be filed with the local police department.

The ankle strap and transmitter are water resistant and lightweight. It must be worn under your sock, which should not interfere with your normal activities. You can shower while on the program, however, you should not submerge the transmitter in a bathtub, spa or pool.

The in-home unit is connected to the phone and electricity lines in your residence in a fashion similar to an answering machine. This unit transmits a signal through the telephone lines via a (800) phone number. You will not be charged for these calls.

Client Initials _____

This unit does not have audio recording capabilities and will not monitor your phone conversations. If you unplug either the power cord or the phone line, a Non

Compliance Report will be sent to the Court/Probation Dept. Upon program completion you must return all monitoring equipment to the Sentinel office.

PROGRAM SCHEDULES

*Your curfew schedule is set by your case manager based on your work schedule and other permitted activities. All requests for schedule changes must be handled by a case manager. Schedule changes can only be made by phone **Monday through Friday from 10:00am to 4:00pm, 24 hrs. in advance.** It is your responsibility to plan your approved activities in advance so that last minute schedule changes do not occur.*
