ADDRESS ALL CORRESPONDENCE TO:
P.O. BOX 1460
ALHAMBRA, CALIFORNIA 91802-1460

April 08, 2014

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

42 April 8, 2014

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**ADOPT AND ADVERTISE
CATCH BASIN CLEANOUT 2014
SANTA CLARA RIVER WATERSHED, ET AL.
IN VARIOUS CITIES AND UNINCORPORATED COMMUNITIES
(SUPERVISORIAL DISTRICTS 3 AND 5)
(3 VOTES)**

SUBJECT

This action is to approve and advertise the project to clean catch basins of trash and debris in various cities and unincorporated communities within the Santa Clara River Watershed, find this project categorically exempt from the provisions of the California Environmental Quality Act, adopt the specifications, and delegate certain responsibilities to the Chief Engineer or her designee to carry out this project.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:

1. Find this project is categorically exempt from the provisions of the California Environmental Quality Act.
2. Approve and advertise the project and adopt the specifications that are on file in the Construction Division of the Department of Public Works for Catch Basin Cleanout 2014, Santa Clara River Watershed, et al., in various cities and unincorporated communities within the Santa Clara River Watershed, at an estimated maintenance cost between \$135,000 and \$160,000.
3. Instruct the Executive Officer of the Board of Supervisors to advertise for bids in accordance with

BIDS: May 6, 2014 at 11:00 a.m.

the Instruction Sheet for Publishing Legal Advertisement, and which are to be received before 11 a.m. on May 6, 2014, in accordance with the Notice Inviting Bids.

4. Delegate to the Chief Engineer or her designee the following authority in connection with this contract: (1) approve and execute change orders within the same monetary limits delegated to the Director of Public Works or her designee under Section 2.18.050 of the Los Angeles County Code relative to the construction of County buildings; (2) allow substitution of subcontractors and relief of bidders upon demonstration of the grounds set forth in Public Contract Code Sections 4100 et seq. and 5100 et seq., respectively; (3) accept the project upon its final completion; (4) release retention money withheld consistent with the requirements of Public Contract Code Sections 7107 and 9203; and (5) extend the date and time for the receipt of bids consistent with the requirements of Public Contract Code Section 4104.5.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is for the Board, acting as the governing body of the Los Angeles County Flood Control District (LACFCD), to approve and advertise the project, adopt the specifications, and delegate certain responsibilities to the Chief Engineer or her designee to carry out this project.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Integrated Services Delivery (Goal 3). The recommended actions will help achieve these goals by reducing the potential of flooding due to plugged catch basins and preventing debris from entering the receiving waters.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated maintenance cost to complete this project is in the range of \$135,000 to \$160,000. The total project cost is estimated to be \$260,000. In addition to the maintenance cost, the total project cost includes the preparation of specifications, consultant services, survey, materials testing, inspection, contract administration, change order contingency, and other County services.

Sufficient funds for this project are available in the Fiscal Year 2013-14 Flood Control District Fund Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for the cleaning of catch basins, is part of the Department of Public Works' program for cleaning out catch basins in the flood control system prior to the 2014-15 storm season. It will be advertised in accordance with Section 20991 of the State Public Contract Code.

This project is to be completed in 50 working days. It is estimated the work will start in July 2014 and be completed in September 2014.

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel.

The award of the contract will not result in authorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the County's Defaulted Property Tax Reduction Program, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the LACFCD to award contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the LACFCD to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the LACFCD to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

This project is categorically exempt pursuant to Section 15301(c) of the California Environmental Quality Act Guidelines and Class 1, Subsection (e) of the revised County Environmental Document Reporting Procedures and Guidelines adopted by the Board on November 17, 1987. These exemptions provide for the cleaning of catch basins.

CONTRACTING PROCESS

This project will be contracted on an open-competitive bid basis. A recommendation for award by the Board will be made after review of the bids. The contract will be awarded to a responsible contractor who submits the lowest responsive bid meeting the criteria established by the Board and the State Public Contract Code.

To increase contractor awareness of Public Works' program to contract work out to the private

sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

When the project is completed, it will have a positive impact by providing cleaner catch basins and waterways.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division.

Respectfully submitted,

GAIL FARBBER

Director
