

Reward Extension

On February 16th, 2013, 27-year-old Marcus Nieto was discovered on the Altadena Crest horse trail by two riders on horseback. The investigation by the Los Angeles County Sheriff's Department Homicide Bureau reveals that Marcus Nieto was last seen alive at his residence on February 15. Investigators have confirmed that Marcus Nieto left his residence to visit an acquaintance in the City of Pomona but may have returned to the Covina/Azusa area at some point before he went missing. The Medical Examiner-Coroner has determined the mode of death to be a homicide.

The \$20,000 reward reestablishment offer approved by this Board on July 1, 2014 is due to expire on September 29, 2014.

The Sheriff's Homicide Bureau is still seeking assistance from the public with information that may aid in their investigation of this heinous crime and requests the extension of this reward.

I, THEREFORE, MOVE that the Board of Supervisors extend the \$20,000 reward offer in exchange for information leading to the arrest and/or conviction of the suspect(s) responsible for this heinous act in the homicide of 27-year-old Marcus Nieto on or about February 16th, 2013.
