Dear Supervisors:

**APPROVAL OF AMENDMENT TO PATIENT SATISFACTION SURVEY
SERVICES AGREEMENT
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

Mitchell H. Katz, M.D.
Director

Hal F. Yee, Jr., M.D., Ph.D.
Chief Medical Officer

Christina Ghaly, M.D.
Deputy Director, Strategic Planning

SUBJECT

Request approval to amend the current Agreement with Press Ganey Associates, Inc., to (i) extend the term of such Agreement for a period of six months, increase the volume of surveys and increase the maximum obligation, and provide the option to further extend the term for up to an additional six months; and (ii) request delegated authority to execute a successor agreement with the University HealthSystem Consortium's selected contractor.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize the Director of Health Services (Director), or his designee, to execute an Amendment to the Patient Satisfaction Survey Agreement No. H-703322 (County Agreement) with Press Ganey Associates, Inc. (Press Ganey), effective upon Board approval, to extend the Agreement term for a period of six months, from January 1, 2015 through June 30, 2015, for the continued provision of services, and increase the number of outpatient satisfaction surveys Press Ganey sends on behalf of primary care clinics throughout the Department of Health Services (DHS or Department), with an increase in the Agreement maximum obligation of \$153,787 for the extension period, and with option to further extend the Agreement term up to six (6) additional months, on a month to month basis, through December 31, 2015.

2. Delegate authority to the Director, or his designee, to amend the Agreement to extend the Agreement term on a month-to-month basis for up to six additional months, and to increase the County's maximum obligation for such extension periods by an amount not to exceed \$25,631 per month, on average, subject to review and approval by County Counsel, and with notice to the Board and Chief Executive Office (CEO).

3. Delegate authority to the Director, or his designee, to negotiate and execute a successor County agreement with the contractor who is awarded the successor agreement to the University HealthSystem Consortium's (UHC) current agreement with Press Ganey, effective upon execution by the parties and co-terminus with the new UHC agreement, with an annual maximum obligation not to exceed \$338,000, subject to review and approval by County Counsel, and with two weeks advance written notice to the Board and CEO.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department's mission is, "To ensure access to high-quality, patient-centered, cost effective health care to Los Angeles residents". In order to achieve this goal, DHS, as a member of UHC, has utilized UHC's selected vendor, Press Ganey, to ensure it has a reliable instrument of measurement and valid patient sample size to determine the quality of its services and patient satisfaction. As a member of UHC, DHS has access to utilize group purchasing services agreements, including patient satisfaction surveys and benchmarking services provided by Press Ganey. UHC agreements are competitively solicited. Bid/proposal opportunities are publically posted, and procurement processes adhere to the American Bar Association Model Procurement Code.

On December 11, 2007, the Board approved the current County Agreement with Press Ganey for inpatient satisfaction surveys at Harbor-UCLA Medical Center (H-UCLA MC), Olive View-UCLA Medical Center (OV-UCLA MC), and LAC+USC Medical Center (LAC+USC MC). This Agreement was subsequently amended to add inpatient and outpatient satisfaction surveys at Rancho Los Amigos National Rehabilitation Center (RLANRC), and outpatient satisfaction surveys for all DHS primary care clinics. This Agreement expires on December 31, 2014.

In addition, the Board previously delegated authority to the Director or his designee to extend the County Agreement if UHC continues to contract with Press Ganey. UHC is currently contracting with Press Ganey but is in the process of completing a new competitive bid and selection process for a successor contract. Since UHC's competitive bidding is not finalized, DHS needs to extend the current County/Press Ganey Agreement so there is no disruption in services.

Approval of the first recommendation will allow the Director to execute an Amendment, substantially similar to Exhibit I, to extend the County Agreement term, for the continued provision of services, increase the number of outpatient satisfaction surveys Press Ganey is to send out during the extension period from 11,453 to 40,000 for the primary care clinics throughout DHS, and adjust the County's maximum obligation accordingly.

The Department is recommending an increase to the number of outpatient satisfaction surveys to be sent out by Press Ganey in order to achieve a valid patient sample size to determine the quality of DHS' services and patient satisfaction. Under current methods, DHS complies with State reporting requirements under the Delivery System Reform Incentive Program, which requires the Department to receive a minimum of 300 completed surveys each year, enterprise-wide. However, the response rates are low for the purpose of providing DHS a reliable statistically significant sample size. Therefore, the Department's goal is to achieve a higher response rate by increasing the number of

outpatient surveys that are sent, from 22,906 to 80,000 annually. Increasing the number of sent surveys should provide DHS better data to support internal quality improvement outcomes, by facility, with the goal to obtain insight into the quality of health care being delivered to our DHS patients.

Approval of the second recommendation will allow the Director, or his designee to exercise the option to extend the term of the County Agreement for up to six additional months, through December 31, 2015, should there be any delay in UHC negotiating a successor agreement.

Approval of the third recommendation will allow the Director, or his designee, to negotiate a successor agreement with UHC's selected vendor following UHC's execution of its successor agreement. Sustaining patient satisfaction survey services is necessary for DHS to comply with regulatory requirements and to continue monitoring and improving the quality of its services and patient satisfaction.

Implementation of Strategic Plan Goals

The recommended action(s) support(s) Goal 1, Operational Effectiveness/Fiscal Sustainability; Goal 2, Community Support and Responsiveness; and Goal 3, Integrated Services Delivery, of the County's Strategic Plan Goals.

FISCAL IMPACT/FINANCING

The total estimated cost for the extension period of January 1, 2015 through June 30, 2015 is \$153,787. If exercised, the estimated cost for the optional month-to-month extension, to a maximum of six months effective July 1, 2015 through December 31, 2015 is \$153,787. Attachment A provides a breakdown of the estimated costs for services provided by Press Ganey, Inc. Funding for this services is included in the Fiscal Year 2014-15 Final Budget and will be requested in future years, as necessary.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

UHC has contracted with Press Ganey since October 2000 for the provision of Patient Satisfaction Survey Services.

On December 11, 2007, the Board approved the current Agreement with Press Ganey for inpatient satisfaction surveys at H-UCLA MC, OV-UCLA MC, and LAC+USC MC.

On May 1, 2012 the Board authorized the addition of outpatient satisfaction surveys for all DHS primary care clinics, as well as the addition of RLANRC to this Agreement for inpatient and outpatient survey services.

Services have been extended through December 31, 2014, as UHC continues to contract with Press Ganey.

County Counsel has approved Exhibit I as to use and form.

CONTRACTING PROCESS

UHC/Novation agreements are competitively solicited. Bid/proposal opportunities are publically posted, and procurement processes adhere to the American Bar Association Model Procurement Code. Leveraging its UHC membership and the credibility of UHC's procurement methods, the current County Agreement was awarded to Press Ganey.

UHC is currently negotiating with Press Ganey for a new agreement as a result of a recent competitive solicitation process, and DHS is waiting for news of UHC's final award. If UHC does not award Press Ganey the next contract, DHS will seek to negotiate a successor County agreement with the contractor who is awarded the successor agreement to the UHC current agreement with Press Ganey.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of these actions will ensure DHS' continued ability to improve its service delivery through feedback received from patients.
