COUNTY OF LOS ANGELES

PATRICK OZAWA
ACTING EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF AMENDMENT NUMBER THREE TO AGREEMENT NUMBER 77676
WITH NETSMART TECHNOLOGIES, INC., FOR AN
INTEGRATED BEHAVIORAL HEALTH INFORMATION SYSTEM
FOR FISCAL YEAR 2014-15
(3 VOTES)
(ALL SUPERVISORIAL DISTRICTS)**

CIO RECOMMENDATION: APPROVE (X)

SUBJECT

Request approval of Amendment Number Three to Agreement Number 77676 with Netsmart Technologies, Inc., to add \$4,400,000 in Pool Dollars for Fiscal Year 2014-15 for County-requested Other Professional Services/Change Notices to support the Department of Mental Health in its implementation of the Integrated Behavioral Health Information System.

IT IS RECOMMENDED THAT THE BOARD:

Approve and authorize the Director of Mental Health (Director), or his designee, to prepare, sign, and execute Amendment Number Three, substantially similar in format to Attachment I, to the existing Department of Mental Health (DMH or Department) Integrated Behavioral Health Information System (IBHIS or System), Agreement Number 77676 with Netsmart Technologies, Inc. (Netsmart), effective upon Board approval to provide an additional \$4,400,000 in Pool Dollars for Other Professional Services/Change Notices and increase the Contract Sum by \$4,400,000 for a total of \$103,716,793, fully funded by the State Mental Health Services Act (MHSa) and 2011 Realignment revenues.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of the recommended actions will allow DMH to increase Pool Dollars from \$9,656,378 to \$14,056,378 for County-requested Other Professional Services/Change Notices needed to support DMH in its continued implementation and roll-out efforts of the IBHIS for Directly Operated clinics, Legal Entity (LE) Contract Providers, and Fee-for-Service (FFS) Contract Providers. IBHIS is the Department's new Electronic Health Record (EHR) System that will enable the Department to meet the federal and state mandates associated with health care reform and to meet County's Strategic Plan goal of achieving a seamless electronic exchange of selected health and human services data across organizational boundaries. Once IBHIS is fully deployed, both the Integrated System (IS) and the legacy Mental Health Management Information System will be retired.

The proposed Amendment will provide additional resources from Netsmart, under Other Professional Services, with practical experience and knowledge of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Electronic Data Interchange transactions and healthcare claiming systems to support DMH's Contract Provider preparation and system implementation efforts through December 31, 2015. LE and FFS Contract Providers have been limited in testing their electronic interfaces to IBHIS in preparation for the transition from the IS to IBHIS. There are changes to IBHIS being developed that are expected to make management of Contract Provider claims more efficient and less labor intensive. DMH is not staffed to handle Contract Providers testing starting May and June in anticipation of the go-live date for LE and FFS, effective July 1, 2015. Therefore, DMH has already planned for Contract Provider roll-out dates through December 31, 2015. Additional resources from Netsmart will likely be necessary to manage this extended roll-out.

The additional contracted resources from Netsmart will assist and support DMH with tasks required to prepare 116 LEs and 293 FFS Contract Providers to process test claims for IBHIS certification. The contractor resources will work closely with trained DMH employees to ensure that the claims certification process follows County procedures and protocols, LE and FFS Contract Providers receive clear information on achieving certification, and issues are identified and appropriately documented for resolution. Contractor resources will also provide additional support for production claims processing after LE and FFS contractors begin submitting claims to IBHIS.

County acquired additional resources from Netsmart, under Other Professional Services, to bridge a staffing gap and to provide ongoing transitional support to the DMH's Central Business Office through calendar year 2014. Acquiring these additional resources has nearly exhausted the \$6 million in Pool Dollars requested under Board-approved Amendment Number Two, dated December 17, 2013.

Implementation of Strategic Plan Goals

The recommended actions are consistent with County Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

Amendment Number Three will increase Pool Dollars by \$4,400,000 to fund additional professional services and system changes/modifications. The Amendment is fully funded with \$1,483,750 in State MHPA and \$2,916,250 in 2011 Realignment revenues. The revised total Contract Sum is \$103,716,793.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On October 18, 2011, your Board approved Agreement Number 77676 with Netsmart to provide DMH with an IBHIS, as well as ongoing Maintenance and Support Services, Hosting Services, application management, and other related services for an 11-year term and a total Contract Sum of \$93,316,793. IBHIS provides clinical, administrative, financial, and data sharing functionality to support the State of California Department of Mental Health Medi-Cal and Federal Medicare programs.

On September 23, 2013, your Board approved Amendment Number One to revise standard County language regarding Contractor's Obligations as a Business Associate under HIPAA.

On December 17, 2013, your Board approved Amendment Number Two to add an additional \$6,000,000 in Pool Dollars for Other Professional Services/Change Notices; increase the Contract Sum by \$6,000,000, from \$93,316,793 to \$99,316,793; exclude certain Deliverables from the holdback provision; redistribute \$1,856,750 into a new Deliverable (Pilot 1 Production Use), originally tied to Final System Acceptance; modify Maintenance and Support Services and Hosting Services provisions to reflect that such services shall commence upon Production Use of the System; and add/update certain other County-required provisions of the Agreement.

In recognition of Netsmart's progress toward the full implementation of IBHIS, DMH, in accordance with its delegated authority, released \$3,044,810 in holdback funds, originally tied to Final Systems Acceptance under the terms of the Agreement, for DMH Directly Operated functionality via Change Notice Number Thirty-Nine, effective December 19, 2014. In consideration of that release, Netsmart agrees to suspend its receipt of Maintenance and Support and Hosting Services fees for a period of eight months or until Netsmart completes two consecutive successful claims cycles for Contract Providers newly in Production Use of IBHIS. DMH believes this will ensure Netsmart's performance and protection to the County. County Counsel, in consultation with outside counsel, determined that substitution of other security for the holdback amount, while not free from risk, provides County some consideration and security that can legally support the release of the holdback funds through said Change Notice. Notwithstanding these risks, DMH accepted the substitution of the suspended payments for release of the holdback funds as a reasonable business decision to protect the County in the event Netsmart does not fully perform pursuant to the conditions set forth in said Change Notice. DMH's decision is based on its determination that Netsmart has made progress and continues to work to provide necessary modifications to IBHIS to meet the unprecedented scale and complexity of claims processing. Due to the additional modifications that the IBHIS claiming module requires to achieve full implementation, the County and Netsmart have mutually agreed to an eight-month extension of Final System Acceptance.

The proposed Amendment addresses the need for supplemental resources, in the form of Change Notices, to timely fill gaps in DMH resources to keep the IBHIS project moving forward without further delay and to fund necessary changes to the IBHIS software.

This Amendment also references new Board policy language, "Consideration of Hiring Gain/Grow Participants" provision consistent with the County's standard contract language. Also, included are the Board-mandated provisions on "Data Destruction" and "Time Off for Voting." Exhibit O (Listing of Contractors Debarred in Los Angeles County), Exhibit P (IRS Notice 1015), Exhibit Q (Determination

of Contractor Non-Responsibility and Contractor Debarment), and Exhibit R (Background Resources: California Charities Regulation) were also updated.

The Amendment has been reviewed and approved as to form by County Counsel. The County's Chief Information Officer (CIO) reviewed this Amendment and determined that no CIO Analysis is required because the scope of services has not changed. The requested Amendment only provides for additional Pool Dollars to allow DMH to continue with the implementation of IBHIS.

Except as expressly provided in the Amendment, all other provisions and conditions of the Agreement will remain the same.

CONTRACTING PROCESS

On November 18, 2009, DMH issued a Request for Proposals to solicit proposals from qualified vendors to acquire, install, configure, implement, and maintain the IBHIS, under which Netsmart was the selected vendor. The resultant Agreement Number 77676 was approved by your Board on October 18, 2011, for an 11-year term to provide an EHR system consistent with the Department's requirements under MHSA that will support multiple simultaneous users and interface with several existing and planned County information systems.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended Amendment will allow DMH to continue the implementation and roll-out efforts of IBHIS and ensure a smooth transition of DMH's Contract Providers from the IS to IBHIS. Failure to approve this Amendment will mean that IBHIS implementation tasks and roll-out activities for Directly Operated clinics and Contractor Providers will be further and substantially delayed as resource constraints remain a serious issue. It will also not be possible to make necessary software changes essential to assuring successful claiming for Contract Providers within DMH resource constraints.

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2013)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2013 are less than \$51,567 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of \$800, he or she must file a 2013 tax return to get the \$800 refund.

2.202.010 - Findings and declarations.

- A. The board of supervisors finds that, in order to promote integrity in the county's contracting processes and to protect the public interest, the county's policy shall be to conduct business only with responsible contractors. The board of supervisors further finds that debarment is to be imposed only in the public interest for the county's protection and not for the purpose of punishment.
- B. Determinations of contractor non-responsibility and contractor debarment shall be made in accordance with the procedures set forth in the ordinance codified in this chapter and implementation instructions issued by the Internal Services Department.

(Ord. 2014-0035 § 1, 2014: Ord. 2005-0066 § 1, 2005: Ord. 2000-0011 § 1 (part), 2000.)

2.202.020 - Definitions.

For purposes of this chapter, the following definitions apply:

- A. "Contractor" means a person, partnership, corporation, or other entity who has contracted with, or is seeking to contract with, the county or a nonprofit corporation created by the county to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county. A contractor includes a contractor, subcontractor, vendor, or any of their respective officers, directors, owners, co-owners, shareholders, partners, managers, employees, or other individuals associated with the contractor, subcontractor, or vendor who participated in, knew of, or should reasonably have known of conduct that results in a finding of non-responsibility or debarment.
- B. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county.
- C. "Debarment" means an action taken by the county which results in a contractor being prohibited from bidding or proposing on, being awarded and/or performing work on a contract with the county. A contractor who has been determined by the county to be subject to such a prohibition is "debarred."
- D. "Department head" means either the head of a department responsible for administering a particular contract for the county or the designee of same.
- E. "County" means the county of Los Angeles, any public entities for which the board of supervisors is the governing body, and any joint powers authorities of which the county is a member that have adopted county contracting procedures.
- F. "Contractor hearing board" means the persons designated to preside over contractor

debarment hearings and make recommendations on debarment to the board of supervisors.

G. Determination of "non-responsibility" means an action taken by the county which results in a contractor who submitted a bid or proposal on a particular contract being prohibited from being awarded and/or performing work on that contract. A contractor who has been determined by the county to be subject to such a prohibition is "non-responsible" for purposes of that particular contract.

H. "Bid or proposal" means a bid, proposal, or any other response to a solicitation submitted by or on behalf of a contractor seeking an award of a contract.

(Ord. 2014-0035 § 2, 2014: Ord. 2005-0066 § 2, 2005: Ord. 2004-0009 § 1, 2004: Ord. 2000-0011 § 1 (part), 2000.)

2.202.030 - Determination of contractor non-responsibility.

A. Prior to a contract being awarded by the county, the county may determine that a contractor submitting a bid or proposal is non-responsible for purposes of that contract. In the event that the county determines that a contractor is non-responsible for a particular contract, said contractor shall be prohibited from being awarded and/or performing work on that contract.

B. The county may declare a contractor to be non-responsible for purposes of a particular contract if the county, in its discretion, finds that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor's quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to find a contractor non-responsible for a particular contract is within the discretion of the county. The seriousness and extent of the contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection 2.202.040 (E) below, may be considered by the county in determining whether a contractor should be deemed non-responsible.

D. Before making a determination of non-responsibility pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed non-responsibility determination, and shall advise the contractor that a non-responsibility hearing will be scheduled on a date certain. Thereafter, the department head shall conduct a hearing where evidence on the proposed non-responsibility determination is presented. The contractor and/or attorney or other authorized representative of the contractor shall be afforded an opportunity to appear at the non-responsibility hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence. After such hearing, the department head shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be found non-responsible with respect to the contract(s) at issue. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the department head. A non-responsibility finding shall become final upon approval by the board of supervisors.

(Ord. 2005-0066 § 3, 2005: Ord. 2004-0009 § 2, 2004: Ord. 2000-0011 § 1 (part), 2000.)

2.202.040 - Debarment of contractors.

- A. The county may debar a contractor who has had a contract with the county in the preceding three years and/or a contractor who has submitted a bid or proposal for a new contract with the county.
- B. The county may debar a contractor if the county finds, in its discretion, that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor's quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.
- C. The decision by the county to debar a contractor is within the discretion of the county. The seriousness and extent of the contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection (E) below, may be considered by the county in determining whether to debar a contractor and the period of debarment. Generally, the period of debarment should not exceed five years. However, if circumstances warrant, the county may impose a longer period of debarment up to and including permanent debarment.
- D. To impose a debarment period of longer than five years, and up to and including permanent debarment, in addition to the grounds described in Subsection (B) above, the county shall further find that the contractor's acts or omissions are of such an extremely serious nature that removal of the contractor from future county contracting opportunities for the specified period is necessary to protect the county's interests.
- E. Mitigating and aggravating factors that the county may consider in determining whether to debar a contractor and the period of debarment include but are not limited to:
 - (1) The actual or potential harm or impact that results or may result from the wrongdoing.
 - (2) The frequency and/or number of incidents and/or duration of the wrongdoing.
 - (3) Whether there is a pattern or prior history of wrongdoing.
 - (4) A contractor's overall performance record. For example, the county may evaluate the contractor's activity cited as the basis for the debarment in the broader context of the contractor's overall performance history.
 - (5) Whether a contractor is or has been debarred, found non-responsible, or disqualified by another public entity on a basis of conduct similar to one or more of the grounds for debarment specified in this Section.
 - (6) Whether a contractor's wrongdoing was intentional or inadvertent. For example, the county may consider whether and to what extent a contractor planned, initiated, or carried out the wrongdoing.
 - (7) Whether a contractor has accepted responsibility for the wrongdoing and recognizes the seriousness of the misconduct that led to the grounds for debarment and/or has taken corrective action to cure the wrongdoing, such as establishing ethics training and implementing programs to prevent recurrence.
 - (8) Whether and to what extent a contractor has paid or agreed to pay criminal, civil, and administrative liabilities for the improper activity, and to what extent, if any, has the contractor made or agreed to make restitution.

- (9) Whether a contractor has cooperated fully with the county during the investigation, and any court or administrative action. In determining the extent of cooperation, the county may consider when the cooperation began and whether the contractor disclosed all pertinent information known to the contractor.
- (10) Whether the wrongdoing was pervasive within a contractor's organization.
- (11) The positions held by the individuals involved in the wrongdoing.
- (12) Whether a contractor participated in, knew of, or tolerated the offense.
- (13) Whether a contractor brought the activity cited as a basis for the debarment to the attention of the county in a timely manner.
- (14) Whether a contractor has fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the county.
- (15) Whether a contractor had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.
- (16) Whether a contractor has taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.
- (17) Other factors that are appropriate to the circumstances of a particular case.

(Ord. 2014-0035 § 4, 2014: Ord. 2005-0066 § 4, 2005: Ord. 2004-0009 § 3, 2004: Ord. 2000-0011 § 1 (part), 2000.)

- F. Before making a debarment determination pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed debarment, and shall advise the contractor that a debarment hearing will be scheduled on a date certain. The contractor hearing board shall conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or attorney or other authorized representative must be given an opportunity to appear at the debarment hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence at that hearing. After such hearing, the contractor hearing board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred and, if so, the appropriate length of time for the debarment. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A debarment finding shall become final upon the approval of the board of supervisors.
- G. In making a debarment determination, the board of supervisors may also, in its discretion and consistent with the terms of any existing contracts that the contractor may have with the county, terminate any or all such existing contracts. In the event that any existing contract is terminated by the board of supervisors, the county shall maintain the right to pursue all other rights and remedies provided by the contract and/or applicable law.
- H. With respect to a contractor who has been debarred for a period longer than five years, the contractor may, after the debarment has been in effect for at least five years, request that the county review the debarment determination to reduce the period of debarment or terminate the debarment. The county may consider a contractor's request to review a debarment determination based upon the following circumstances: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the county. A request for review shall be in

writing, supported by documentary evidence, and submitted to the chair of the contractor hearing board. The chair of the contractor hearing board may either: 1) determine that the written request is insufficient on its face and deny the contractor's request for review; or (2) schedule the matter for consideration by the contractor hearing board which shall hold a hearing to consider the contractor's request for review, and, after the hearing, prepare a proposed decision and a recommendation to be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A reduction of the period of the debarment or termination of the debarment shall become final upon the approval of the board of supervisors. (Ord. 2005-0066 § 4, 2005: Ord. 2004-0009 § 3, 2004: Ord. 2000-0011 § 1 (part), 2000.)

2.202.050 - Pre-emption.

In the event any contract is subject to federal and/or state laws that are inconsistent with the terms of the ordinance codified in this chapter, such laws shall control.

(Ord. 2000-0011 § 1 (part), 2000.)

2.202.060 - Severability.

If any section, subsection, subpart or provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of the provisions of this chapter and the application of such to other persons or circumstances shall not be affected thereby.

(Ord. 2000-0011 § 1 (part), 2000.)

AMENDMENT NUMBER THREE TO
AGREEMENT NUMBER 77676

ATTACHMENT 5

Exhibit R (Background Resources: California Charities Regulation) -
(Replaced in its entirety by revised Exhibit R
Under Amendment Number Three of Agreement)

EXHIBIT R

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://oag.ca.gov/> contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7.
