

MOTION BY MAYOR MICHAEL D. ANTONOVICH

APRIL 7, 2015

The Sulphur Springs School District and Mint Canyon Elementary School have expressed concern regarding traffic at the intersection of Sierra Highway and Educational Highway (the entrance to Mint Canyon Elem. School), during the school’s arrival and dismissal times. Due to the high rate of motorist’s speeds on Sierra Highway, it is difficult for parents to make left-hand turns from Educational Highway onto Sierra Highway. In order to address this concern and enhance traffic flow, traffic signals are needed at the subject location.

**I, THEREFORE, MOVE** that the Board of Supervisors direct the Director of Public Works to install a traffic signal at the intersection of Sierra Highway and Education Highway (the entrance to the Mint Canyon Elementary School) in the unincorporated Canyon Country area and report back to the Board of Supervisors within 30 days with a schedule to install and activate the traffic signal.
