 COUNTY OF LOS ANGELES

 PATRICK OZAWA  
 ACTING EXECUTIVE OFFICER

Dear Supervisors:

**ACCEPT GRANT AWARD FROM THE BOARD OF THE STATE AND COMMUNITY  
 CORRECTIONS FOR FISCAL YEAR 2014 EDWARD BYRNE MEMORIAL  
 JUSTICE ASSISTANCE GRANT PROGRAM  
 (ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

Request Board approval authorizing the Sheriff of Los Angeles County (County) to accept and execute a grant award in the amount of \$1,248,156 from the Board of State and Community Corrections (BSCC), for the Fiscal Year (FY) 2014 Edward Byrne Memorial Justice Assistance Grant (JAG) Program, Agreement Number BSCC 656-14 (Agreement). The JAG Program is funded using Federal JAG grant funds, passing through the BSCC. The grant will fund the County's Drug Enforcement, Education, and Prevention (DEEP) Program.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Adopt the attached Resolution (Attachment I) authorizing the Sheriff, or his designee, as an agent for the County, to accept and execute the Agreement (Attachment II) in the amount of \$1,248,156 with no matching funds for the grant period from March 1, 2015, to December 31, 2015, and all future amendments, modifications, and reimbursement requests necessary to effectuate the FY 2014 DEEP Program.
2. Delegate authority to the Sheriff, as an agent for the County, to execute individual funding agreements to transfer JAG grant funds to the DEEP Program participating agencies, including but not limited to, the District Attorney's Office, Public Defender's Office, Los Angeles City Attorney's Office, City of Monrovia, and the City of La Verne for reimbursement of FY 2014 BSCC funds as set forth in Attachment III, and to execute, as necessary, all future amendments to such funding agreements.

3. Delegate authority to the Sheriff, as an agent for the County, to apply and submit a grant application to the BSCC for the DEEP Program in future FY's, and to execute all required grant application documents, including assurances and certifications, when and if such future funding becomes available.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The United States Department of Justice, Bureau of Justice Assistance, has released JAG funding through the BSCC to support efforts in the area of prevention and education, law enforcement and prosecution, courts, and defense. The grant award will fund the County's DEEP Program, which is designed to combine both proven and innovative enforcement programs involving multi-agency taskforces.

Historically, the various taskforces have been directly funded by the JAG Anti-Drug Abuse Grant Funds. This will be the first year that the Los Angeles County Sheriff's Department (Department) will serve as the applicant agency and will receive direct funding for all involved participating agencies for the DEEP Program.

On October 28, 2014, the County's Steering Committee for the DEEP Program determined how the funds will be distributed amongst the various agency projects (Attachment III). The BSCC's FY 2014 DEEP Program total allocation amount for the County is \$1,248,156.

### **Implementation of Strategic Plan Goals**

Approval of the recommended action is consistent with the County's Strategic Plan, Goal 1, Operational Effectiveness/Fiscal Sustainability, to maximize the effectiveness of the County's processes, structure, and operations to support timely delivery of customer-oriented and efficient public services; and Goal 3, Integrated Services Delivery, to maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services.

### **FISCAL IMPACT/FINANCING**

The total cost for the DEEP Program is \$1,248,156. Funding has been included in the Department's FY 2015-16 Budget. Funding agreements will be executed to transfer \$1,080,500 to participating agencies in accordance with Attachment III and the approved grant budget. There is no match requirement for the DEEP Program.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The County is the BSCC's awarded grantee for the DEEP Program. The Department will serve as the lead agency on behalf of the County. The BSCC requires the attached Resolution (Attachment I) to be adopted by the Board as evidence of the Sheriff's authority to execute the Agreement on behalf of the County, and any future modifications or amendments thereto.

The term of the Agreement is from March 1, 2015, through December 31, 2015. The County is solely responsible for the project activities as identified in the application for funding. The County assures and certifies compliance with all Federal statutes and regulations. The County agrees to indemnify,

defend, and save harmless the State of California, its officers, agents, and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of the Agreement, and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the County in performance of the Agreement.

County Counsel has approved the attached resolution as to form.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The DEEP Program may create workload increases for the District Attorney's Office as suspects are identified and subsequently charged with a crime. The Public Defender's Office has determined the DEEP Program will have a minimal impact on their current services.

**CONCLUSION**

Upon Board approval, please return two individually certified copies of the adopted Board letter and two original signed Resolutions to the Department's Grants Unit.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim McDonnell". The signature is stylized with a large, looping initial "J" and a cursive "McDonnell".

##### **ARTICLE 3. PROJECT COSTS**

The BSCC's *Grant Administration and Audit Guide (July 2012)* outlines eligible and ineligible project costs, as well as match and project income requirements. Grantee is responsible for ensuring that all invoices contain only eligible project costs.

##### **ARTICLE 4. GRANTEE'S GENERAL RESPONSIBILITY**

Grantee is solely responsible for the project activities as identified in the Application for Funding. Review and approval by the BSCC is solely for the purpose of proper administration of grant funds by the BSCC and shall not be deemed to relieve or restrict the Grantee's responsibility.

##### **ARTICLE 5. GRANTEE ASSURANCES AND COMMITMENTS**

###### **A. Compliance with Laws and Regulations**

This Grant Agreement is governed by and shall be interpreted in accordance with the laws of the State of California and the United States Department of Justice. ### D. Permits and Licenses

Grantee agrees to procure all permits and licenses necessary to complete the project, pay all charges and fees, and give all notices necessary or incidental to the due and lawful proceeding of the project work.

### E. Contracting Requirements

- 1) In accordance with the provisions of this Grant Agreement, the Grantee may contract with public or private contractors for services where activities are necessary for the program/project implementation. Grantee shall ensure that the contractor complies with all requirements of the Grant Agreement.
- 2) Grantee assures that for any contract awarded by the Grantee, such insurance and fidelity bonds, as is customary and appropriate, will be obtained.
- 3) All contracts, except for State construction projects that are funded in whole or in part by the Federal government, must contain a 30-day cancellation clause and the following provisions:
  - a. It is mutually understood between the parties that this contract may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if the contract were executed after that determination was made.
  - b. This contract is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the fiscal years 2014-2016 for the purpose of this program. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this contract in any manner.
  - c. The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this contract shall be amended to reflect any reduction in funds.
  - d. The department has the option to invalidate the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction in funds.
- 4) Grantee agrees to place appropriate language in all contracts for work on the project requiring the Grantee's contractors to:

a. Books and Records

Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the contractor's work on the project in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three (3) years after acceptance of the final grant project audit under the Grant Agreement, and shall be subject to examination and/or audit by the BSCC or designees, state government auditors or designees, or by federal government auditors or designees.

b. Access to Books and Records

Make such books, records, supporting documentations, and other evidence available to the BSCC or designees, the Department of General Services, the Department of Finance, the Bureau of State Audits, their designated representatives, and federal government auditors or designees, during the course of the project and for a minimum of three (3) years after acceptance of the final grant project audit. The Contractor shall provide suitable facilities for access, monitoring, inspection, and copying of books and records related to the grant-funded project.

c. Non-Discrimination Clause

During the performance of this Agreement, Contractor and its subcontractors shall comply with all Federal statutes relating to non-discrimination, including but not limited to prohibitions against discrimination on the basis of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition, age or marital status.

## **ARTICLE 6. PROJECT ACCESS**

Grantee shall insure that the BSCC, or any authorized representative, will have suitable access to the project activities, sites, and staff at all reasonable times during project implementation.

## **ARTICLE 7. RECORDS**

- A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions that have been taken with respect to the project, in accordance with generally accepted government accounting principles.
- B. The Grantee shall establish separate accounting records and maintain documents and other evidence sufficient to properly reflect the amount, receipt, and disposition of all project funds, including grant funds and any matching funds by the Grantee and the total cost of the project. Source documents include copies of all awards, applications, approved modifications, financial records, and narrative reports.

- C. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are required for consultants and contractors.
- D. The Grantee shall maintain documentation for donated goods and/or services, including the basis for valuation.
- E. Grantee agrees to protect records adequately from fire or other damage. When records are stored away from the Grantee's principal office, a written index of the location of records stored must be on hand and ready access must be assured.
- F. All Grantee records relevant to the project must be preserved a minimum of three (3) years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the BSCC or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

## **ARTICLE 8. ACCOUNTING AND AUDIT REQUIREMENTS**

All funds received by the Grantee shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. Grantee agrees that the audit and accounting procedures shall be in accordance with generally accepted government accounting principles and practices (see *Accounting Standards and Procedures for Counties*, California State Controller, Division of Local Government Fiscal Affairs) and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and invoices. The Grantee further agrees to the following audit requirements:

### **A. Federal Single Audit Act**

If the Grantee expends \$500,000 or more in a year in federal funds, Grantee agrees to comply with the provisions pursuant to the Federal Office of Management and Budget Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Circular No. A-133 requires non-federal entities that meet the expenditure criteria to have either a single or program-specific audit conducted for that expenditure year.

### **B. Interim Audit**

The BSCC reserves the right to call for a program audit or a system audit at any time between the execution of this Grant Agreement and the completion or termination of the project. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement, or take other remedies legally available.

### **C. Annual Audit**

- 1) Within 120 calendar days of this Grant Agreement end date, all Grantees must obtain and submit an annual program audit to the BSCC. Only Grantees expending \$500,000

or more in a year are authorized to use federal funds to pay the costs associated with performing the audit. Should the federal single audit report include this grant project, the Grantee may submit the federal single audit to satisfy the annual audit requirement. The audit shall be prepared in accordance with generally accepted auditing standards and government auditing standards for financial and compliance audits.

- 2) Since the audit function must maintain organizational independence, the Grantee's financial officer for this project shall not perform the annual audit. If the Grantee's internal auditor performs the audit, the auditor must be organizationally independent from the Grantee's accounting and project management functions. Additionally, Grantee's internal auditors who report to the financial officer, or to whom the financial officer reports, shall not perform the audit. The person conducting the audit shall be a certified public accountant, unless a Grantee auditor completes the audit.

## **ARTICLE 9. CHANGES**

- A. Grantee shall immediately advise the BSCC of any significant problems or changes that arise during the course of the project.
- B. No change or modification in the project will be permitted without prior written approval from the BSCC. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program components contained in the Application for Funding. Changes shall not be implemented by the project until authorized by the BSCC.

## **ARTICLE 10. DISBURSEMENT**

The Grantee shall be paid in arrears on invoices submitted to the BSCC on the forms or processes determined by the BSCC, certifying to the accuracy of the reports in accordance with generally accepted governmental accounting principles and BSCC regulations, guidelines, policies and procedures.

## **ARTICLE 11. WITHHOLDING OF GRANT DISBURSEMENTS**

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event that the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of federal funds allocated to the Grantee reaches five percent (5 percent), the BSCC shall withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including: 1) submittal and approval of the final invoice; 2) submittal and approval of the final progress report; 3) submittal and approval of any additional required reports; and 4) submittal and approval of the final audit.
- C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently discovered to be ineligible, the

BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the state by the Grantee.

- D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

## **ARTICLE 12. TERMINATION**

- A. This Grant Agreement may be terminated at any time by the BSCC, where it appears that there will be lack of grant funds available to fulfill this Grant Agreement, provided that after such termination, the Grantee shall be entitled to an amount that equals the eligible project costs that have been incurred by the Grantee prior to such termination.
- B. This Grant Agreement may be terminated after the award of the Grant Agreement but prior to completion of the project, by the BSCC, upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction by the Grantee includes but is not limited to:
  - 1) Substantial alteration of the scope of the grant project without the prior written approval of the BSCC;
  - 2) Refusal or inability to complete the grant project in a manner consistent with the Application for Funding or approved modifications;
  - 3) Failure to provide the required local match share of the total project costs; if applicable;
  - 4) Failure to meet prescribed assurances, commitments, Grant Agreement, and recording, accounting, auditing, and reporting requirements.
- C. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide the Grantee at least 30 days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with Article 13.

## **ARTICLE 13. DISPUTES**

- A. Grantee shall continue with the responsibilities under this Agreement during any dispute.

10. Grantee agrees that within 120 days of award acceptance, each member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership ([www.ctfli.org](http://www.ctfli.org)). All current and new task force members are required to complete this training once during the life of the award, or once every four years if multiple awards include this requirement. This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. Additional information is available regarding this required training and access methods via BJA's and the Center for Task Force Integrity and Leadership's websites.

13. Grantee understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OJP, through the BSCC.
14. Grantee agrees to comply with any additional requirements that may be imposed during the grant performance period if the agency determines that the grantee is a high-risk grantee. Cf. 28 C.F.R. parts 66, 70.
15. Grantee agrees to comply with applicable requirements regarding Central Contractor Registration (CCR) and applicable restrictions on subawards to first-tier subgrantees that do not acquire and provide a Data Universal Numbering System (DUNS) number. The details of grantee obligations are posted on the Office of Justice Programs website at <http://ojp.gov/funding/Explore/SAM.htm> (Award condition: Central Contractor Registration and Universal Identifier Requirements), and are incorporated by reference here. This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
16. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages grantees and sub-grantees to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
17. Grantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval, and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events, including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies, and guidance is available at <http://ojp.gov/financialguide/PostawardRequirements/chapter15page1.htm>.
18. Grantee understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm>
19. Grantee agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this OJP award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds

are being provided under this OJP award, the grantee will promptly notify, in writing, the grant manager for this BSCC award, and if so requested by the BSCC, seek a budget-modification or change-of-project-scope modification to eliminate any inappropriate duplication of funding.

20. Grantee agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the grantee and first-tier subgrants of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of grantee obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs website at <http://www.fsrs.gov/> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own operate in his or her name).
21. Grantee agrees that all income generated as a direct result of this award shall be deemed program income. All program income earned must be accounted for and used for the purposes of funds provided under this award, including such use being consistent with the conditions of the award, the effective edition of the OJP Financial Guide and, as applicable, either (1) 28 C.F.R. Part 66 or (2) 28 C.F.R. Part 70 and 2 C.F.R. Part 215 (OMB Circular A-110). Further, the use of program income must be reported quarterly to the BSCC.
22. With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)
23. Grantee agrees to assist BJA and the BSCC in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact BJA.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Registrar of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://www.bja.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities; For any of the grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA and the BSCC in any preparation by BJA or the BSCC of a national or program environmental assessment of that funded program or activity.

- 24. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires grantees to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: [https://it.ojp.gov/gsp\\_grantcondition](https://it.ojp.gov/gsp_grantcondition). Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy and protects shared information, or provide detailed justification for why an alternative approach is recommended.
- 25. JAG funds may be used to purchase bulletproof vests for an agency, but may not be used as the 50 percent match for purposes of the Bulletproof Vest Partnership (BVP) program.
- 26. Grantee agrees to submit a signed certification to the BSCC that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subgrantees planning to utilize JAG funds for bulletproof vest purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for bulletproof vests. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty.
- 27. Bulletproof vests purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards. In addition, bulletproof vests purchased with JAG funds must be American-made. The latest NIJ standard

information can be found here: <http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm>.

28. The grantee agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the grantee may be fined as per 42 U.S.C. 2789g©-(d). The grantee may not satisfy such a fine with federal funds.
29. Grantee agrees to ensure that the State Information Technology Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the grantee agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <https://it.ojp.gov/default.aspx?area+policyandpractice&page=1046>.
30. Grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing “Equal Treatment for Faith Based Organizations” (the Equal Treatment Regulation”). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Grantees of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary’s religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See [http://www.ojp.gov/about/ocr/equal\\_fbo.htm](http://www.ojp.gov/about/ocr/equal_fbo.htm).
31. Grantee acknowledges that all programs funded through subawards, whether at the state or local levels, must conform to the grant program requirements as stated in BJA program guidance.
32. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.
33. Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information.

Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22, and in particular, section 22.23.

34. Grantee agrees to monitor subawards under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the OJP Financial Guide, and to include the applicable conditions of this award in any subaward. The grantee is responsible for oversight of subgrantee spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subgrantees. The grantee agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.
35. Grantee agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.
