The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

PATRICK O'GAWA
ACTING EXECUTIVE OFFICER

Dear Supervisors:

**REQUEST TO APPROVE A CONTRACT
WITH UPLIFT OUR FUTURE, ORG.
FOR INDEPENDENT LIVING PROGRAM UNIVERSITY SERVICES
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

SUBJECT

The Department of Children and Family Services (DCFS) requests approval of a contract with Uplift Our Future, Org. (Uplift), for Independent Living Program University (ILPU), a program that will provide Life Skills classes to DCFS Independent Living Program (ILP)-eligible Transition Age Youth (TAY), ages 16 to 21 years old.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of DCFS, or his designee, to execute a contract, substantially similar to Attachment B, with Uplift Our Future, Org., for a term of six months, effective January 1, 2016, or date of execution, whichever is later. The maximum contract sum for the six-month contract is \$100,000, which will be financed using 100 percent State Realignment Funds. There will be no impact on net County cost (NCC).
2. Delegate authority to the Director of DCFS, or designee, to execute amendments to the ILPU contract for any mergers or acquisitions; clarification of contract language; reallocation of funds, including carry-overs or unspent funds to meet unanticipated demands; any programmatic changes necessary to meet the objectives of the contract; or to increase or decrease fixed price and maximum annual contract sum, not to exceed ten percent, when such a change is necessitated by additional and necessary program services by a demonstrated increase in costs, provided sufficient funding is available. The approval of County Counsel will be obtained prior to executing such amendments, and the Director or his designee will notify the Board and the CEO in writing within ten

business days after execution.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Consolidated Omnibus Budget Reconciliation Act of 1985 [Public Law 99-272 (1986)] and The Foster Care Independence Act of 1999 [Public Law 106-169 (1999)] require that an Independent Living Program (ILP) for youth be implemented in the Child Welfare and Probation systems. Los Angeles County's current ILP program consists of two contracts for Individualized Transition Skills Program (ITSP) services that started on January 1, 2014. The Department is looking for ways to expand the services that are available to youth.

As indicated to the Board in the Department's July 22, 2015 Notice of Intent to Procure by Negotiation a Contract with Uplift Our Future, Org. for Independent Living Program (ILP) Services, in an effort to increase ILP services to our TAY population, in January 2015, DCFS initiated a pilot project through Uplift, a non-profit 501(c)(3) agency. The pilot program was titled "ILP University." Over the past several months, the ILP University has:

- Increased enrollments in ILP classes;
- Proportionately served more youth at a lower cost;
- Made key observations regarding the special needs of our aging out youth, including their mental health and literacy; and
- Motivated and created enthusiasm among these teenage participants.

Based on the need for ILP services and the success of this pilot, DCFS would like to enter into a sole source contract with Uplift for the continuation of the ILP University countywide. This will ensure that ILP services will continue to be provided to DCFS ILP-eligible youth. The Department will also engage the ITSP contractors and the ILP contractor to collaborate on outreach and referrals into these programs.

A sole source contract is justified in that DCFS has an emergent and obligatory responsibility to meet the needs of the TAY population and provide them with independent living skills designed for their successful adulthood. The Department is limited in what it currently offers to youth and there is a need to augment the array of services that are available to assist youth with living independently. Uplift has demonstrated results in its ability to engage, increase, and maintain the participation of our DCFS youth, as evidenced by increased youth attendance and course completion rates. The training that Uplift will provide through the ILP University will ensure the continuity of ILP services for TAY. The Department will concurrently work on a Request for Information to determine if there are other prospective contractors who provide a similar service.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of Countywide Strategic Plan (CSP) Goal #2 - Community Support and Responsiveness: Enrich lives of Los Angeles County residents by providing enhanced services, and effectively planning and responding to economic, social, and environmental challenges, and CSP Goal #3 - Integrated Services Delivery: Maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services.

FISCAL IMPACT/FINANCING

The estimated cost of the six-month contract is \$100,000, which will be financed using 100 percent State Realignment Funds. There will be no impact on net County cost (NCC). Sufficient funding is included in the DCFS' FY 2015-16 Final Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Consolidated Omnibus Budget Reconciliation Act of 1985 [Public Law 99-272 (1986)] and The Foster Care Independence Act of 1999 [Public Law 106-169 (1999)] require that an Independent Living Program for youth be implemented in county child welfare and probation systems. The proposed contract will augment additional ILP services through the ILP University and more youth will be able to benefit from this service.

The Department evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to these contracts. These services cannot be effectively performed by County employees because they require the development and utilization of resources that are not available in the County system.

The CEO and County Counsel have reviewed the attached proposed contract and this Board letter. The proposed contract has been approved as to form by County Counsel.

DCFS has confirmed that Uplift is not listed in the Contractor Alert Reporting Database (CARD).

CONTRACTING PROCESS

DCFS initially worked with Uplift in Compton to provide mentoring services to DCFS youth by matching them with male mentors. The Chief Executive Officer of Uplift was the chairperson of DCFS' Compton-Watts Faith-Based Collaborative. DCFS approached Uplift's CEO, and requested that she assist the department with recreating a similar service delivery model as a countywide initiative. This plan developed into the ILP University pilot program.

A Notice of Intent to negotiate a contract with Uplift was submitted to the Board on July 27, 2015. DCFS started negotiations with Uplift two weeks later for the continuation of the ILP University pilot program. The attached contract resulted from the negotiations. With your approval, the contract will be effective for six months starting January 1, 2016, or date of execution, whichever is later.

During the term of the contract, DCFS will conduct a Request for Information to solicit information and to determine the interest level of potential contractors

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the execution of the ILP University contract will ensure needed ILP services to eligible TAY, and will help maintain the County's ability to provide a safe environment to children and youth while assisting youth achieve self-sufficiency.

The contract will not infringe upon the role of the County in relationship to its residents, and the County's ability to respond to emergencies will not be impaired. There is no change in risk exposure to the County.

CONCLUSION

Upon approval by the Board of Supervisors, it is requested that the Acting Executive Officer/
Clerk of the Board send an adopted stamped copy of the Board letter and attachments to:

In either event, CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. The COUNTY may also require, at any time during the term of this Contract and at its sole discretion, that CONTRACTOR demonstrate to the COUNTY’s satisfaction that CONTRACTOR either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that CONTRACTOR continues to qualify for an exception to the Program.

CONTRACTOR shall maintain all records in accordance with California State records and retention regulations including the provisions of California Department of Social Services Manual, Section 23-353.

49.3 In the event that an audit of the CONTRACTOR is conducted specifically regarding this Contract by any federal or State auditor, or by any auditor or accountant employed by the CONTRACTOR or otherwise, then the CONTRACTOR shall file a copy of such audit report with the COUNTY's Auditor-Controller within 30 days of the CONTRACTOR's receipt thereof, unless otherwise provided by applicable federal or State law or under this

Contract. Subject to applicable law, the COUNTY shall make a reasonable effort to maintain the confidentiality of such audit report(s).

- 49.4 Failure on the part of the CONTRACTOR to comply with any of the provisions of this Section shall constitute a material breach of this Contract upon which the COUNTY may terminate or suspend this Contract.
- 49.5 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the COUNTY conduct an audit of the CONTRACTOR regarding the work performed under this Contract, and if such audit finds that the COUNTY's dollar liability for any such work is less than payments made by the COUNTY to the CONTRACTOR, then the difference shall be either: a) repaid by the CONTRACTOR to the COUNTY by cash payment upon demand; or b) at the sole option of the COUNTY's Auditor-Controller, deducted from any amounts due to the CONTRACTOR from the COUNTY, whether under this Contract or otherwise. If such audit finds that the COUNTY's dollar liability for such work is more than the payments made by the COUNTY to the CONTRACTOR, then the difference shall be paid to the CONTRACTOR by the COUNTY by cash payment, provided that in no event shall the COUNTY's maximum obligation for this Contract exceed the funds appropriated by the COUNTY for the purpose of this Contract.
- 49.6 CONTRACTOR shall be responsible for conducting annual financial audits of its agency and its subcontractor(s) if required by COUNTY and/or the California Department of Social Services (CDSS), to be conducted by an independent audit firm and in accordance with generally accepted auditing standards. Within 30 calendar days after issuance of such audit reports, CONTRACTOR shall forward copies of such reports to DCFS.

51.0 SAFELY SURRENDERED BABY LAW

- 51.1 Contractor's Acknowledgement of COUNTY's Commitment to the Safely Surrendered Baby Law.

The CONTRACTOR acknowledges that the COUNTY places a high priority on the implementation of the Safely Surrendered Baby Law. The CONTRACTOR understands that it is the COUNTY's policy to encourage all COUNTY Contractors to voluntarily post the COUNTY's "Safely

Surrendered Baby Law” poster in a prominent position at the CONTRACTOR’s place of business. The CONTRACTOR will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor’s place of business. The COUNTY’s Department of Children and Family Services will supply the CONTRACTOR with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

51.2 Notice to Employees Regarding the Safely Surrendered Baby Law

CONTRACTOR shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit B, Attachment H, of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

52.0 SHRED DOCUMENT

52.1 CONTRACTOR shall ensure that all confidential documents and papers, as defined under state law (including, but not limited to Welfare and Institutions Code section 10850) relating to this Contract must be shredded and not put in trash containers when CONTRACTOR disposes of these documents and papers. All documents and papers to be shredded are to be placed in a locked or secured container/bin/box and labeled "shred" until they are destroyed. No confidential documents and papers are to be recycled.

52.2 Documents for record and retention purposes in accordance with Subsection 49.2 (Record Retention and Inspection/Audit Settlement) of this Contract are to be maintained for a period of five (5) years.

53.0 SUBCONTRACTING

53.1 The requirements of this Contract may not be subcontracted by the CONTRACTOR **without the advance approval of the COUNTY**. Any attempt by the CONTRACTOR to subcontract without the prior consent of the COUNTY may be deemed a material breach of this Contract.

53.2 If the CONTRACTOR desires to subcontract, the CONTRACTOR shall provide the following information promptly at the COUNTY’s request:

53.2.1 A description of the work to be performed by the Subcontractor;

53.2.2 A draft copy of the proposed subcontract; and

53.2.3 Other pertinent information and/or certifications requested by the COUNTY.

53.3 CONTRACTOR shall indemnify and hold the COUNTY harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were CONTRACTOR employees.

53.4 CONTRACTOR shall remain fully responsible for all performances required of it under this Contract, including those that the CONTRACTOR has determined to subcontract, notwithstanding the COUNTY's approval of the CONTRACTOR's proposed subcontract.

53.5 COUNTY's consent to subcontract shall not waive the COUNTY's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The CONTRACTOR is responsible to notify its Subcontractors of this COUNTY right.

53.6 The COUNTY Program Manager is authorized to act for and on behalf of the COUNTY with respect to approval of any subcontract and Subcontractor employees.

53.7 CONTRACTOR shall obtain the following from each Subcontractor before any Subcontractor employee may perform any work under any subcontract to this Contract. CONTRACTOR shall maintain and make available upon request of COUNTY Program Manager all the following documents:

53.7.1 An executed Exhibit B, Attachment C-2, "CONTRACTOR's Employee Acknowledgment and Confidentiality Agreement", executed by each Subcontractor and each of Subcontractor's employees approved to perform work hereunder.

53.7.2 Certificates of Insurance which establish that the Subcontractor maintains all the programs of insurance required by Part I, Insurance Requirements, of this Contract, and

53.7.3 The Tax Identification Number of the subcontracting agency to be placed on the signature page of the subcontract. This Tax Identification Number shall not be identical to the CONTRACTOR's Tax Identification Number.

53.8 CONTRACTOR shall provide COUNTY Program Manager with copies of all executed subcontracts after COUNTY Program Manager's approval.

- 53.9 No subcontract shall alter in any way any legal responsibility of CONTRACTOR to COUNTY. CONTRACTOR shall remain responsible for any and all performance required of it under this Contract, including, but not limited to, the obligation to properly supervise, coordinate and perform all work required hereunder.
- 53.10 Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Contract.
- 53.11 CONTRACTOR shall be solely liable and accountable for any and all payments and other compensation to all Subcontractor's engaged hereunder and their officers, employees and agents. COUNTY shall have no liability or responsibility whatsoever for any payment or other compensation for any Subcontractors or their officers, employees and agents.

54.0 TERMINATION FOR CONTRACTOR'S DEFAULT

- 54.1 COUNTY may, by written notice to the CONTRACTOR, terminate the whole or any part of this Contract, if, in the judgment of COUNTY Program Manager:
- 54.1.1 CONTRACTOR has materially breached this Contract;
- 54.1.2 CONTRACTOR fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract; or
- 54.1.3 CONTRACTOR fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the COUNTY may authorize in writing) after receipt of written notice from the COUNTY specifying such failure.
- 54.2 In the event COUNTY terminates this Contract in whole or in part as provided in Sub-section 54.1, the COUNTY may procure, upon such terms and in such manner, as COUNTY may deem appropriate, services similar to those so terminated. CONTRACTOR shall be liable to the COUNTY for any and all excess cost incurred by the COUNTY, as determined by the

COUNTY, for such similar goods and services. The CONTRACTOR shall continue the performance of this Contract to the extent not terminated under the provisions of this Section.

- 54.3 Except with respect to defaults of any Subcontractor, the CONTRACTOR shall not be liable for any such excess costs of the type identified in Sub-section 54.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the CONTRACTOR. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the COUNTY in either its sovereign or contractual capacity, acts of federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the CONTRACTOR. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the CONTRACTOR and Subcontractor, and without the fault or negligence of either of them, the CONTRACTOR shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the required performance schedule. As used in this Sub-section, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.
- 54.4 If, after the COUNTY has given notice of termination under the provisions of this Section, it is determined by the COUNTY that the CONTRACTOR was not in default under the provisions of this Section or that the default was excusable under the provisions of Sub-section 54.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Part II, Termination for Convenience.
- 54.5 In the event the COUNTY terminates this Contract in its entirety due to the CONTRACTOR's default as provided in Sub-section 54.1, the CONTRACTOR and the COUNTY agree that the COUNTY will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the COUNTY's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the CONTRACTOR and the COUNTY agree that the COUNTY shall, at its sole option and in lieu of the provisions of Sub-section 50.2, be entitled to liquidated damages from the CONTRACTOR, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five (5) percent of the applicable year's Contract sum, whichever is less, as equitable compensation to the COUNTY for such actual damages. This amount of liquidated damages shall be either paid by the CONTRACTOR to the

COUNTY by cash payment upon demand or, at the sole discretion of COUNTY, or designee, deducted from any amounts due to the CONTRACTOR by the COUNTY, whether under this Contract or otherwise.

54.5.3 These liquidated damages shall be in addition to any credits, which the COUNTY is otherwise entitled to under this Contract, and the CONTRACTOR's payment of these liquidated damages shall not in any way change, or affect the provisions of Part II, Indemnification.

54.6 The rights and remedies of the COUNTY provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

55.0 TERMINATION FOR CONVENIENCE

55.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the COUNTY, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by Notice of Termination to CONTRACTOR specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than 10 days after the notice is sent.

55.2 After receipt of a Notice of Termination and except as otherwise directed by COUNTY, the CONTRACTOR shall:

55.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and

55.2.2 Complete performances of such part of the work as shall not have been terminated by such notice.

55.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the CONTRACTOR under this Contract shall be maintained by the CONTRACTOR in accordance with Part II, Record Retention and Inspection/Audit Settlement.

56.0 TERMINATION FOR IMPROPER CONSIDERATION

56.1 COUNTY may, by written notice to CONTRACTOR, immediately terminate the right of the CONTRACTOR to proceed under this Contract if it is found that consideration, in any form, was offered or given by the

CONTRACTOR, either directly or through an intermediary, to any COUNTY officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the CONTRACTOR's performance pursuant to this Contract. In the event of such termination, the COUNTY shall be entitled to pursue the same remedies against CONTRACTOR as it could pursue in the event of default by the CONTRACTOR.

- 56.2 CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit such improper consideration. The report shall be made either to the COUNTY manager charged with the supervision of the employee or to the COUNTY Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 56.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

57.0 TERMINATION FOR INSOLVENCY

- 57.1 COUNTY may terminate this Contract forthwith in the event of the occurrence of any of the following:
- 57.1.1 Insolvency of the CONTRACTOR. The CONTRACTOR shall be deemed to be insolvent if it has ceased to pay its debts for at least 60 days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the CONTRACTOR is insolvent within the meaning of the Federal Bankruptcy Code;
- 57.1.2 The filing of a voluntary or involuntary petition regarding the CONTRACTOR under the Federal Bankruptcy Code;
- 57.1.3 The appointment of a Receiver or Trustee for the CONTRACTOR;
or
- 57.1.4 The execution by the CONTRACTOR of a general assignment for the benefit of creditors.

57.2 The rights and remedies of the COUNTY provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

58.0 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

CONTRACTOR and each COUNTY lobbyist or COUNTY lobbying firm, as defined in County Code Section 2.160.010, retained by CONTRACTOR, shall fully comply with the COUNTY's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of CONTRACTOR or any COUNTY lobbyist or COUNTY lobbying firm retained by the CONTRACTOR to fully comply with the COUNTY's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the COUNTY may, in its sole discretion, immediately terminate or suspend this Contract.

59.0 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the COUNTY shall not be obligated for the CONTRACTOR's performance hereunder or by any provision of this Contract during any of the COUNTY's future fiscal years unless and until the COUNTY's Board of Supervisors appropriates funds for this Contract in the COUNTY's budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The COUNTY shall notify the CONTRACTOR in writing of any such non-allocation of funds at the earliest possible date.

60.0 TIME OFF FOR VOTING

The CONTRACTOR shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

61.0 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

62.0 WAIVER

No waiver by the COUNTY of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the COUNTY to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

63.0 WARRANTY AGAINST CONTINGENT FEES

63.1 CONTRACTOR warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the CONTRACTOR for the purpose of securing business.

63.2 For breach of this warranty, the COUNTY shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

64.0 WARRANTY AGAINST EXCLUSION, DEBARMENT OR SUSPENSION

CONTRACTOR certifies that neither it nor its principals are presently debarred, excluded suspended, or proposed for debarment, or otherwise declared ineligible from participation in this Contract by any governmental department or agency. **AUDITOR–CONTROLLER CONTRACT ACCOUNTING
AND ADMINISTRATION HANDBOOK**

The following handbook is designed for inclusion in most contracts for services entered into by County departments. The purpose of the handbook is to establish accounting, internal control, financial reporting, and contract administration standards for organizations (contractors) who contract with the County.

AUDITOR-CONTROLLER CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK

The purpose of this Handbook is to establish required accounting, financial reporting, and internal control standards for entities (contractor), which contract with the Los Angeles County.

The accounting, financial reporting and internal control standards described in this Handbook are fundamental. These standards are not intended to be all-inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Handbook represents the minimum required procedures and controls that must be incorporated into a CONTRACTOR's accounting and financial reporting systems. The internal control standards described are those that apply to organizations with adequate staffing. Organizations with a smaller staff must attempt to comply with the intent of the standards and implement internal control systems appropriate to the size of their staff/organization. The CONTRACTOR's Subcontractors must also follow these standards unless otherwise stated in the Contract.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 BASIS OF ACCOUNTING

Contractors may elect to use either the cash basis or accrual basis method of accounting for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions.

1.1 The County recommends the use of the accrual basis for recording financial transactions.

Accrual Basis

Under the accrual basis, revenues are recorded in the accounting period in which they are earned (rather than when cash is received). Expenditures are recorded in the accounting period in which they are incurred (rather than when cash is disbursed).

Accruals

Accruals shall be recorded observing the following:

- Only accruals where cash will be disbursed within six months of the accrual date should be recorded.
- Recorded accruals must be reversed in the subsequent accounting period.

1.2 If an agent elects to use the cash basis for recording financial transactions during the year:

- Necessary adjustments must be made to record the accruals at the beginning and the end of the contract.
- All computations, supporting records, and explanatory notes used in converting from cash basis to the accrual basis must be retained.

1.3 Prepaid Expenses

Prepaid expenses (e.g., insurance, service agreements, lease agreements, etc.) should only be expensed during a given Agreement year to the extent goods and services are received during that Agreement year.

2.0 **ACCOUNTING SYSTEM**

Each agent shall maintain a double entry accounting system (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. The County recommends that a Payroll Register also be maintained. Postings to the General Ledger and Journals should be made on a monthly basis.

2.1 General Journal

A General Journal shall be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

Example:	DR	CR
Rent Expense	100	
Rent Payable		100

To record accrued rent to March 31, 20XX

2.2 Cash Receipts Journal

A Cash Receipts Journal shall be maintained for recording all cash receipts (e.g., County warrants, contributions, interest income, etc.).

The Cash Receipts Journal shall contain (minimum requirements) the following column headings:

- Date
- Receipt number

- Cash debit columns
- Income credit columns for the following accounts:
 - County payments (one per funding source)
 - Contributions
 - Other Income (Grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)
- Description (Entries in the description column must specify the source of cash receipts.)

2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain (minimum requirements) the following column headings:

- Date
- Check number
- Cash (credit) column
- Expense account name
- Description

Note (1) Separate expense columns are recommended for salary expense and other recurring expense classifications for each program.

Note (2) Entries in the description column must specify the nature of the expense and the corresponding expense classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks.)

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same expense classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed on audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. (See Section A.3.2 and B.2.4) for additional guidance.

2.4 General Ledger

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, expenditures, and revenues. Separate accounts must be maintained for each County program's expenses and revenues.

2.5 Chart of Accounts

A Chart of Accounts shall be maintained:

- The County recommends that agents use the expense account titles on the monthly invoice submitted to the County.
- If the contractor uses account titles, which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.
- Contractor must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

2.6 Payroll Register

The County recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

- Name
- Position
- Social Security Number
- Salary (hourly wage)
- Payment Record including:
 - Accrual period
 - Gross pay
 - Itemized payroll deductions
 - Net pay amount
 - Check Number

If a Payroll Register is not used, the information in (2.6) must be recorded in the cash disbursement journal.

CONTRACTOR will ensure compliance with all applicable federal and State requirements for withholding payroll taxes (FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

Contractor will ensure compliance with Internal Revenue Service guidelines in properly classifying employees and independent contractors.

2.7 Contractor Invoices

Each agent shall present an invoice to the County each calendar month to report the financial activity of the month. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the contract period. Invoices shall be prepared in the manner prescribed by the County's contracting department.

3.0 RECORDS

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR's accounting records or supporting documentation shall be immediately reported to the County.

3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained for a minimum of five years after the termination of the CONTRACTOR's agreement.

3.2 Supporting Documentation

All revenues and expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts and canceled checks will be required to support an outlay of funds. Unsupported disbursements will be disallowed on audit. CONTRACTOR will be required to repay COUNTY for all disallowed costs. Photocopied invoices or receipts, any internally generated documents (i.e., vouchers, request for check forms, requisitions, canceled checks, etc.), and account statements do not constitute supporting documentation for purchases.

Supporting documentation is required for various types of expenditures as follows:

Payroll – time and attendance records signed by the employee and approved in writing by the supervisor, time distribution records by program accounting for total work time on a daily basis for all employees, records showing actual expenditures for Social Security and unemployment insurance, State and federal quarterly tax returns, federal W-2 forms, and federal W-4 forms.

Consultant Services – contracts, time and attendance records, billing rates, travel vouchers detailing purpose, time and location of travel,

purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided.

Travel – travel policies of the CONTRACTOR (written); travel expense vouchers showing location, date and time of travel, purpose of trip, and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and mileage. Travel related to conferences should include conference literature detailing purpose of the conference. Reimbursement rates for mileage shall not exceed applicable federal guidelines.

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum County's reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel dates. Maximum reimbursable lodging amount is the maximum COUNTY reimbursement rate for employees for a single occupancy hotel accommodation.

Operating Expenses (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide contracts or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, the CONTRACTOR may maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc.

Outside Meals - receipts and/or invoices for all meals, a record of the nature and purpose of each meal, and identification of the participants.

3.3 Payments to Affiliated Organizations or Persons

CONTRACTOR shall not make payments to affiliated organizations or persons for program expenses (e.g., salaries, services, rent, etc.) that exceed the lower of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to the CONTRACTOR or its members by blood, marriage, or through legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Agreement. County shall be solely responsible for the determination of affiliation unless otherwise allowed and approved by the State or federal agencies.

Payments to affiliated organizations or persons will be disallowed on audit to the extent the payments exceed the lower of actual costs or the reasonable costs for such items.

3.4 Filing

All relevant supporting documentation for reported program expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks – numerically
- Invoices – vendor name and date
- Vouchers – numerically
- Receipts – chronologically
- Timecards – pay period and alphabetically

3.5 Referencing

Accounting transactions posted to the CONTRACTOR's books shall be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on the CONTRACTOR's books be cross-referenced to the supporting documentation as follows:

- Invoices – vendor name and date
- Checks – number
- Vouchers – number
- Revenue – receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one check, all related invoices should be bound together and cross-referenced to the check issued for payment.

4.0 **DONATIONS AND OTHER SOURCES OF REVENUE**

Restricted donations and other sources of revenue earmarked specifically for the Contract must be utilized on allowable contract expenditures.

5.0 **AUDITS**

The agent will make available for inspection and audit to County representatives, upon request, during working hours, during the duration of the contract and for a period of five years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through the County. All such books and records shall be maintained at a location within Los Angeles County.

5.1 Single Audit Requirements

OMB Circular 133, "Audits of State, Local Governments and Non Profit Organizations" requires that certain organizations receiving federal awards, including pass-through awards, have annual audits. Details are contained in the respective Circular.

A copy of any Single Audit reports must be filed with the County within the timeframes prescribed by the applicable Circular.

6.0 SUBCONTRACTS

No CONTRACTOR shall subcontract services without the prior written consent of the County.

CONTRACTOR shall provide County with copies of all executed subcontracts and shall be responsible for the performance of their Subcontractors.

B. **INTERNAL CONTROLS**

Internal controls safeguard the CONTRACTOR's assets from misappropriations, misstatements or misuse. Each CONTRACTOR shall prepare necessary written procedures establishing internal controls for its personnel. The CONTRACTOR shall instruct all of its personnel in these procedures and continuously monitor operations to ensure compliance with them.

1.0 CASH RECEIPTS

1.1 Separate Fund or Cost Center

All contract revenues shall be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on the accounting records through the use of cost centers or separate accounts.

1.2 Deposits

All checks shall be restrictively endorsed upon receipt.

Cash received shall be recorded on pre-numbered receipts. Checks shall be recorded on a check remittance log at the time of receipt.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one day of receipt. Collections of less than \$500 may be held and secured and deposited weekly or when the total reaches \$500, whichever occurs first.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable).

1.3 Separation of Duties

An employee who does not handle cash shall record all cash receipts.

1.4 Bank Reconciliation

Bank statements should be received and reconciled by someone with no cash handling, check writing, or bookkeeping functions.

Monthly bank reconciliation should be prepared within 30 days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliation should be signed by both the preparer and the reviewer. Reconciling items should be resolved timely.

2.0 **DISBURSEMENTS**

2.1 General

All disbursements for expenditures, other than petty cash, shall be made by check.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature shall be required on all checks, unless otherwise specified in contract.

If the bookkeeper signs checks, a second signature shall be required on the checks, regardless of limits specified in contract.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent reuse or duplicate payments.

Disbursements without adequate supporting documentation will be disallowed on audit.

2.2 Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing of checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by the CONTRACTOR (e.g., postage due, small purchases of office supply items, etc.). The CONTRACTOR must obtain written approval from the County to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, etc., then documentation shall be considered as proper supporting documentation on a basis of reasonableness. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

2.4 Credit Cards

The use of credit cards, both CONTRACTOR issued credit cards and an employee's personal credit cards used on behalf of the CONTRACTOR, should be limited to purchases where normal purchasing and disbursement practices are not suitable.

Credit cards issued in the CONTRACTOR's name must be adequately protected and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item

purchased and the employee making the purchase. Credit card statements are not sufficient support for credit card purchases.

3.0 TIMEKEEPING

3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of the CONTRACTOR's programs. Time estimates do not qualify as support for payroll expenditures and will be disallowed on audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time.

3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals.

Personnel and payroll records should include (but not be limited to) the following:

- Employee's authorized salary rate
- Employee information sheet
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license, etc.)
- Performance evaluations
- Criminal record clearance
- Citizenship Status
- Benefit balances (e.g., sick time, vacation, etc.)

Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

Limitations on Positions and Salaries

The CONTRACTOR shall pay no salaries higher than those authorized in the contract, or the attachments thereto, except as proscribed by state or federal law.

If an employee serves in the same or dual capacities under more than one Agreement or program, the employee may not charge more than 100 percent of their time to the contracts or programs taken as a whole.

Salaried employees who work less than 40 hours per week shall be paid a salary that corresponds with the employee's work schedule.

The salary expense of salaried employees working on more than one Agreement or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

The CONTRACTOR will make no retroactive salary adjustment for any employee without written approval from the County.

Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll, or reconciling bank accounts.

All employee hires and terminations, or pay rate changes, shall be approved by authorized persons independent of payroll functions.

All employee hires and terminations, or pay rate changes shall be approved in writing by authorized persons independent of payroll functions.

4.0 FIXED ASSETS

A fixed asset is defined as an article of nonexpendable tangible personal property having a useful life of more than two years. The County recommends all fixed assets with an acquisition cost of \$1,000 or more per unit be capitalized.

Acquisition cost means the net invoice unit price of an item, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired.

4.1 Acquisition

Fixed asset purchases shall be approved by the Agency's Board of Directors or their authorized representative.

4.2 Identification and Inventory

All fixed assets purchased with Contract funds are to be used solely for the benefit of the Contract and should be appropriately tagged.

Each CONTRACTOR shall maintain a current listing of fixed assets, including the item description, serial number, date of purchase, acquisition cost and sources of funding.

An inventory of all fixed assets should be conducted at least once each year to ensure that all fixed assets are accounted for and maintained in proper working order.

4.3 Security

Physical security should be adequately maintained over fixed assets to prevent misuse and theft of County property.

4.4 Property Management

The CONTRACTOR shall assume responsibility and accountability for the maintenance of all non-expandable property purchased, leased, or rented with Contract funds.

The CONTRACTOR shall report promptly, in writing, to the County all cases of theft, loss, damage, or destruction of fixed assets. The report shall contain at a minimum, item identification, recorded value, facts relating to loss, and a copy of the law enforcement report.

CONTRACTOR shall dispose of or return to the County all fixed assets, in accordance with their Contract.

5.0 BONDING

All officers, employees, and agents who handle cash or have access to the agent's funds shall be bonded.

C. COST PRINCIPLES

1.0 POLICY

It is the intent of the COUNTY to provide funds for the purpose of CONTRACTOR providing services required by the Agreement. CONTRACTOR shall use these funds on actual expenses in an economical and efficient manner and ensure they are reasonable, proper and necessary costs of providing services and are allowable in accordance with the applicable OMB Circular.

1.1. Limitations on Expenditures of Program Funds

CONTRACTOR shall comply with the Agreement and the applicable OMB Circular. The Circular defines direct and indirect costs, discusses allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically addresses the allowability of a variety of different costs.

If a CONTRACTOR is unsure of the allowability of any particular type of cost or individual cost, the CONTRACTOR should request advance written approval from the County prior to incurring the cost.

1.2 Expenses Incurred Outside the Agreement Period

Expenses charged against program funds may not be incurred prior to the effective date of the Agreement or subsequent to the Agreement termination date.

1.3 Budget Limitation

Expenses may not exceed the maximum limits shown on the contract budget.

1.4 Unspent Funds

The County will determine the disposition of unspent program funds upon termination of the contract.

1.5 Necessary, Proper and Reasonable

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable.

2.0 ALLOCATION OF COST POOLS

For CONTRACTORS that provide services in addition to the services required under contract, the CONTRACTOR shall allocate expenditures that benefit programs or funding sources on an equitable basis.

In accordance with the applicable OMB Circular, agencies shall define their allocable costs as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible.

The CONTRACTOR shall maintain documentation related to the allocation of expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated costs be charged to an extent greater than 100 percent of actual costs or the same cost be charged both directly and indirectly.

2.1 Direct Costs

Direct costs are those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program, etc.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on employees' timecards and the payroll expense should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees in each program
- Square footage occupied by each program
- Other equitable methods of allocation

2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits, supplies, and other costs related to general administration of the organization, depreciation and use allowances, and the salaries and expenses of executive officers, personnel administration, and accounting.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital expenditures and other distorting items such as Subcontractor payments)

2.3 Acceptable Indirect Cost Allocation Methods

OMB Circulars describe the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

Example

Agency-wide indirect costs	\$250,000
Less Capital expenditures	<u>10,000</u>
Allocable indirect costs	240,000
Total agency-wide indirect salaries	\$1,000,000
Indirect cost rate (\$240,000/\$1,000,000)	24%
Program direct salaries	\$100,000
Program indirect costs (24% x \$100,000)	<u>\$24,000</u>

Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are treated as direct costs. Joint costs for depreciation, rental, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

2.4 Cost Allocation Plan

If the CONTRACTOR has a negotiated indirect cost rate approved by a federal agency, it shall submit a copy of the approval letter when requested by County.

If the CONTRACTOR does not have a negotiated indirect cost rate, CONTRACTOR shall submit an annual Agency-wide Cost Allocation Plan when requested by County. The Cost Allocation Plan shall be prepared in accordance with County instructions and the applicable OMB Circular and include the following information:

1. CONTRACTOR general accounting policies:
 - Basis of accounting (cash or accrual)
 - Fiscal year
 - Method for allocating indirect costs (simplified, direct, multiple, negotiated rate)
 - Indirect cost rate allocation base
2. Identify the CONTRACTOR's direct and indirect costs (by category) and describe the cost allocation methodology for each category.
3. Signature of CONTRACTOR management certifying the accuracy of the plan.

Negotiated Indirect Cost Rates

Agencies have the option of negotiating an indirect cost rate or rates for use on all their federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency providing the most funds to the organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR shall submit a copy of the approval letter to COUNTY upon request.

D. UNALLOWABLE COSTS

OMB Circulars address the allowability of a variety of different costs. For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

- Bad debts
- Contingency provisions
- Contributions and donations
- Fines and penalties
- Fundraising activities
- Interest expense (unless expressly allowed by federal guidelines)
- Losses on other awards

E. OVERPAYMENTS

If upon audit, or at any time during the Agreement year, it is determined that invoices submitted to the County and used as a basis for payments to the CONTRACTOR were inaccurate, County shall determine the total overpayment and require the CONTRACTOR to repay County. The County may withhold payments from CONTRACTOR's future payments for any amounts not returned to the COUNTY or credited to the Contract unless otherwise prohibited by State or federal regulations.

F. MISCELLANEOUS REQUIREMENTS

1.0 INSURANCE

CONTRACTOR is responsible for securing and maintaining insurance coverage as required by the Agreement. CONTRACTOR must notify County when insurance is revoked, reduced to a level or coverage less than required, or otherwise made ineffective.

Insurance shall include an endorsement naming the COUNTY as an additional insured.

2.0 ACTIVITY

No funds, materials, property, or services contributed to the COUNTY or the CONTRACTOR under this Agreement shall be used in the performance of any political activity, the election of any candidate, or the defeat of any candidate for public office.

Department of the Treasury
Internal Revenue
Service

Notice 1015

(Rev. December 2011)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2011 are less than \$49,078 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2012.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2011 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2011 and owes no tax but is eligible for a credit of \$829, he or she must file a 2011 tax return to get the \$829 refund.

Can My Employees Get Advance EIC Payments?

After 2010, your employees can no longer get advance payments of the credit in their pay during the year as they could in 2010 and earlier years, because the law changed. However, if they are eligible, they will still be able to claim the credit on their tax return.

Form W-5, Earned Income Credit Advance Payment

Certificate, is no longer in use.

CERTIFICATION FORM AND APPLICATION FOR EXCEPTION**

The County's solicitation for this Request for Proposals is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program), Los Angeles County Code, Chapter 2.203. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the proposer is excepted from the Program.

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

- My business does not meet the definition of "contractor," as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

“Contractor Employee Jury Service”

Los Angeles County Code Sections 2.203.010 through 2.203.090

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002).

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- B. “Employee” means any California resident who is a full-time employee of a contractor under the laws of California.
- C. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county.
- D. “Full time” means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard as determined by the chief administrative officer.
- E. “County” means the County of Los Angeles or any public entities for which the Board of Supervisors is the governing body. (Ord. 2002-0015§ 1 (part), 2002).

2.203.040 Contractor Jury Service Policy.

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees’ regular pay the fees received for jury service. (Ord. 2002-0015 § 1 (part), 2002).

2.203.050 Other Provisions.

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. 2.203.060 Enforcement and Remedies.

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

- 1. Recommend to the board of supervisors the termination of the contract; and/or,
- 2. Pursuant to chapter 2.202, seek the debarment of the contractor. (Ord. 2002-0015 § 1 (part), 2002)

2.203.070. Exceptions.

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:
 - 1. Has ten or fewer employees during the contract period; and,
 - 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
 - 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

(Ord. 2002-0015 § 1 (part), 2002)

2.203.090. Severability.

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. (Ord. 2002-0015 § 1 (part), 2002).

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
