INFORMATION ON PROPOSED SETTLEMENT OF LITIGATION

CASE NAME	<u>Wesam Abouelata, et al v. County of Los Angeles, et al.</u>
CASE NUMBER	YC056377
COURT	Los Angeles Superior Court Southwest District
DATE FILED	December 7, 2007
COUNTY DEPARTMENT	Sheriff
PROPOSED SETTLEMENT AMOUNT	\$30,812.87
ATTORNEY FOR PLAINTIFF	Imad Elias The Law Offices of Mann & Elias (323) 857-9500
COUNTY COUNSEL ATTORNEY	Gary P. Gross Principal Deputy County Counsel (213) 787-2421
NATURE OF CASE	Driver Wesam Abouelata and passengers Sabah Hashalh and Ebtessam Hashalh were involved in an auto collision with a Sheriff's Department unmarked vehicle driven by Sergeant Tressa Gunnels. Gunnels was parked facing southbound on Hawthorne Boulevard in Hawthorne when she received a call for backup. She turned on her lights and siren, cleared the third lane of traffic, saw that traffic in the second lane was yielding to her, and merged across lanes to conduct a left or u-turn at 141 st Street. When she entered the first lane of traffic, her vehicle collided with the vehicle driven by Abouelata, which was traveling southbound on Hawthorne Boulevard.

Abouelata and his passengers stated that they did not see emergency lights or hear a siren prior to the collision. A police report at the time of the incident cited Abouelata's failure to yield to an emergency vehicle as the cause of the accident. Subsequent investigation by the Sheriff's Department concluded that Sergeant Gunnels could have prevented the accident by clearing each lane of traffic individually before crossing.

Each of the plaintiffs suffered soft tissue injuries and received treatment from a chiropractor for several months, after which their injuries were resolved. In addition, plaintiff Ebtessam Hashalh suffered a laceration to her forehead and was transported by ambulance to Little Company of Mary Hospital where she was treated and released. The plaintiff's vehicle was declared a total loss.

Due to the risks and uncertainties of litigation, the County Counsel proposes a full and final settlement of this case in the amount of \$30,812.87.

Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	<p style="text-align: center;"><u>Wesam Abouelata et al. v. County of Los Angeles, et al.</u> (Summary Corrective Action Plan #2009-003)</p> <p style="text-align: center;">Wednesday, March 1, 2006; 7:08 p.m.</p>
Briefly provide a description of the incident/event:	<p>On Wednesday, March 1, 2006, at approximately 7:08 p.m., a Los Angeles County deputy sheriff was driving an unmarked patrol vehicle south on Hawthorne Boulevard, Hawthorne, responding to a radio call of another deputy sheriff holding a suspect at gunpoint. The deputy sheriff driving the unmarked patrol vehicle had activated the vehicle's emergency lights and siren.</p> <p>As the deputy sheriff was in the process of turning east onto 141st Street, the vehicle she was driving (a 2005 Ford Crown Victoria; County Vehicle Number SD5070) collided with the plaintiff's vehicle (a 1995 Toyota Camry; California License Number 3MFE633).</p>

1. Briefly describe the root cause of the claim/lawsuit:

Pursuant to California Vehicle Code Section 17004, a public employee who is operating an authorized emergency vehicle in the line of duty while responding to an emergency call is immunized from liability for injuries caused by such operation. California Vehicle Code Section 17001, however, holds the public entity liable for injuries caused by the employee's negligent operation of the motor vehicle. While an employee driving an emergency vehicle with lights and siren to an emergency call is exempt from certain traffic laws, California Vehicle Code Section 21807 nevertheless requires the employee to drive with due regard for the safety of all persons using the highway. The Los Angeles County Sheriff's Department's Manual of Policy and Procedures conforms to this driving standard.

The deputy sheriff, despite the activation of her vehicle's emergency lights and siren, failed to ensure traffic was clear before the collision with the plaintiff's vehicle.

The plaintiffs assert that as a result of the collision, each (total of three) suffered soft tissue damage to the head, neck, shoulders and arms, while one plaintiff further sustained a laceration to her head. She was transported to a nearby medical facility for treatment.

The plaintiff's vehicle was declared a total loss.

The deputy sheriff did not sustain any injuries.

The vehicle the deputy sheriff was driving sustained major damage.

County of Los Angeles
Summary Corrective Action Plan

2. Briefly describe recommended corrective actions:
(Include each corrective action, due date, responsible party, and any disciplinary actions, if appropriate.)

The Los Angeles County Sheriff's Department had adequate policies and procedures/protocols in effect at the time of this incident.

The Los Angeles County Sheriff's Department's current training curriculum sufficiently addresses the circumstances which occurred in this incident.

This traffic collision was thoroughly investigated by a representative of the Los Angeles County Sheriff's Department. The Department's formal administrative review concluded the deputy sheriff violated established policies and/or procedures. Appropriate administrative action was taken.

A full and final settlement at this time will avoid further litigation expenses and a potential jury verdict which *may* exceed the recommended settlement amount.

RECOMMENDED SETTLEMENT AMOUNT: \$30,812.87

This summary corrective action plan has no countywide implications (refer to #3 below).

3. State if the corrective actions are applicable to only your department or other County departments:
(If unsure, please contact the Chief Executive Office Risk Management Branch for assistance)

- Potentially has Countywide implications.
- Potentially has implications to other departments (i.e., all human services, all safety departments, or one or more other departments).
- Does not appear to have Countywide or other department implications.

NATURE OF CASE	On July 26, 2006, a Sheriff's Deputy activated the overhead emergency lights of his marked patrol unit and initiated a mid-block U-turn to attend to an accident scene that he had just passed in the opposite traffic lanes. The deputy began the U-turn on eastbound Victory Boulevard near the intersection at Forbes Avenue, Van Nuys, from the far right lane and would cross three lanes of traffic. CASE NUMBER	N/A
COURT	N/A
DATE FILED	No litigation was filed; InSight provided notice of claim on October 16, 2008.
COUNTY DEPARTMENT	Department of Health Services
PROPOSED SETTLEMENT AMOUNT	\$132,283.00
ATTORNEY FOR PLAINTIFF	Richard Ellingsen, Esq.
COUNTY COUNSEL ATTORNEY	Julia Weissman, Esq.
NATURE OF CASE	<p>This is a case involving damage to an MRI scanner owned by a contractor, which occurred when a County employee who was repairing an electrical fixture tripped and activated the "magnet quench" button.</p> <p>Pursuant to a contract with the County, InSight operates an MRI center that is adjacent to Olive View Medical Center. On October 11, 2008, an electrical helper was repairing an electrical fixture in the ceiling, when he tripped and activated the "magnet quench" button. This caused the magnet to "quench," or to shut off immediately by transferring the magnetic field energy to the cooling agent in the MRI scanner. The quench button is meant to be used only in an emergency, because quenching the magnet typically causes severe damage to the equipment.</p>

InSight requested reimbursement for \$147,283.00, for the out-of-pocket costs it incurred for the repairs to the MRI scanner and for rental of a mobile MRI unit while the MRI scanner was out of service. The parties agreed to settle InSight's claim prior to litigation for \$132,283.00.
