Re: Design Control Board Signage Submittal for **Marine Parts Supplier, Inc.**

4629 Admiralty Way, Marina Del Rey CA 90292

Dear Director Kreimann:

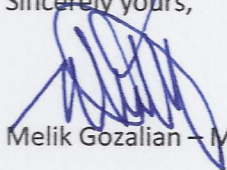

We are please to submit our plans for two (2) business signs. Both of them will be façade mounted.

The signs are solid MDO boards with Aluminum laminate on both sides. The edges are painted and sealed with waterproof protection. Dimensions are 18" (H) x 96" (W) x 5/8" (D). Lettering and background will be machine paint- print(white) flat letters, font style Helvetica Compact on blue backing.

Both signs will have eye hooks and chains mounted to the sign with edge reinforcing aluminum angles. They will be hang two (2) & ½ inches below the ceiling ( see picture) with four(4) existing 3-inch hooks.

We look forward to seeking the Design Control Board and LA County Department of Beaches and Harbors Director's approval of our sign.

Sincerely yours,

Melik Gozalian – Marine Parts Supplier
