Subject: **HUMAN RESOURCES STATUS REPORT ON KING/DREW MEDICAL CENTER (KDMC)**

This status report reflects information as of April 6, 2006. Please keep in mind that this information changes daily; therefore, the information in this report is a snapshot in time.

### **DISCIPLINE**

Overall, since January 2004, we have taken disciplinary actions against 435 employees at KDMC. Of this number, 224 actions have resulted in discharges or resignations. A total of 51 disciplinary actions have been taken against physicians and 36 physicians have been discharged or resigned.

Since our last report, we have closed four cases and have opened three additional cases. As a result, our open caseload is currently 64 (detailed summary information is contained in Attachments I and II).

One of the new cases involves a physician. The case relates to a physician who allegedly permitted a nurse to perform functions outside the scope of her duties. Another new case involves a nurse who allegedly performed duties outside the scope of a critical care nurse.

### **RECRUITMENTS**

KDMC's Nurse Recruiters are attending job fairs next week at Mt. San Antonio College, Harbor Community College, and Cypress College. In addition, on April 26, 2006, KDMC will host a tour for nursing students enrolled in the Los Angeles Trade Technical College Registered Nursing (RN) Program. The students will have an opportunity to meet with
