Subject: **NEW WELLNESS PROGRAM**

We will soon be launching a new wellness program, *My Health is My Wealth*, for employees represented by Local 721. This is a major enhancement of the existing wellness program. It is aimed to improve employee productivity and attendance and lower health care costs. It should reduce the incidence of illness due to poor health and lifestyle choices. You will hear more about program specifics in the near future.

As a first step in launching this program, your departmental Human Resources Manager will be receiving posters and other communication materials from Kaiser Permanente and PacifiCare to promote the program. We appreciate your cooperation in posting and distributing the materials to create awareness of the program.

If you have any questions, please call me or Marian Hall, Senior Human Resources Manager, at 213-738-2255.
