**MICHAEL J. HENRY**  
DIRECTOR OF PERSONNEL

August 28, 2007

To: Each Supervisor

From: Michael J. Henry  
Director of Personnel

Subject: **ANNUAL REPORT ON OUTSIDE EMPLOYMENT**

In 1981, the Board adopted policies and procedures on outside employment of Department Heads and County employees. The Board further ordered that an annual review of compliance with outside employment and conflict of interest policies be conducted by departments and that the Board be informed of outside employment activities on the part of Department Heads. This review is to ensure compliance with Sections 5.44.050 and 6.16.010 of the County Code.

With the exception of the Director of Health Services, each Department Head has reported to the Executive Officer, Board of Supervisors regarding his or her outside employment activities and those of department employees effective May 1, 2007. These departmental reports are on file in the Department of Human Resources and are summarized for your information on Attachment I, "Annual Report on Outside Employment". Individual employee reports on outside employment activities are maintained by County departments.

In addition, each department has summarized the number of full-time, permanent employees engaged in outside employment, by employment/occupation categories. These departmental reports are contained in Attachment II, "Report on Outside Employment Activities/By Job Categories".

Upon our receipt and review of outside employment reports for the Department of Health Services from the Board's Executive Office, we will amend the attached reports and forward them to your Board.

If you have any questions, please call me or your staff may call Steven Hill, Principal Analyst, at (213) 974-2519.
