

Harbor-UCLA Medical Center  
Register Nurse I/ Relief Nurse  
Dialysis Unit (Evening Shift)

Harbor-UCLA Medical Center is currently seeking highly qualified Register Nurse I or Relief Nurse who is interested in working in Dialysis Unit. Responsibilities include, providing nursing care to the adult Inpatient and Outpatient population. The RNI or Relief Nurse performs increasingly complex patient assessment, independently assesses, plans, implements and evaluates patient care as part of the interdisciplinary team.

**Desirable Qualifications:**

- Ability to provide direct patient care, including patient assessment, planning, implementation and evaluation of nursing care, treatment or intervention in the acute care setting
- Able to recognize the need to prioritize patient care needs based on acuity and urgency, in collaboration with all members of the healthcare team
- Ability to identify and evaluate the appropriateness of patient discharge in collaboration with physicians to effectively and safely obtain timely disposition
- Perform work with integrity while demonstrating respect, empathy and regard for patients, visitors and co-workers to ensure a professional and courteous environment
- Serve as a professional role model and effective resource person for others
- Assume accountability for leadership of the unit/shift when called upon to do so
- Effective critical thinking, decision making and problem solving skills
- Ability to work effectively with a diverse and challenging patient population

**Desirable Requirements:**

- Licensed to practice as a registered nurse issued by the California BRN
- Six months of ICU/PCU experience.
- American Heart Association Basic Cardiac Life Support
- Advance Cardiac Life Support
- Completion of IV certification
- Completion of Basic EKG Interpretation Class
- Effective critical thinking, decision making and problem solving skills

**Applicant must currently be on the certified list for Register Nurse 1/Relief Nurse.**
