

Harbor-UCLA Medical Center
Job Opportunity
Relief Nurse
Pediatric Ward and Progressive Care Unit

Position Summary: Seeking qualified individuals to fill the positions of Relief Registered Nurse to provide direct patient care for the Pediatric Ward and Progressive Care Unit.

Primary Job Duties:

- Ability to provide direct patient care, including assessment, planning, implementation and evaluation of nursing care, treatment or intervention in the pediatric unit
- Ability to work with physicians, nurses, and ancillary staff to facilitate optimal treatment for patients
- Perform work with integrity while demonstrating respect, empathy and regard for patients, visitors and co-workers to ensure a professional and courteous environment
- Assume accountability and responsibility of daily nursing activities to ensure compliance with standards of care and policies and procedures
- Possess critical thinking, decision making and problem solving skills
- Ability to work effectively with a diverse and challenging patient population

Qualifications:

- License to practice as a Registered Nurse issued by the California Board of Registered Nursing
- Being current and reachable on the RNI/RRN certification list or hold the title of RRN
- Current BCLS and PALS Certifications
- Strong written/verbal communication and people skills
- Excellent critical thinking, problem-solving skills and a high degree of initiative

Interested applicants, please submit a cover letter, a copy of your resume, performance evaluation and your attendance documentation for the past two years to:
