Services for Special Populations

Rancho Los Amigos National Rehabilitation Center – Department of Dentistry

7601 E. Imperial Highway, HB-146, Downey, CA 90242

502-401-6860 (call for their policy and a referral form)

Populations Served: Adults and children with physical, developmental, or chronic medical disabilities such that they cannot access a regular dental office or such that there is not a dentist who can provide the specialized treatment that the patient requires because of his/her disability in the community or the Department of Health Services.

Developmental disabilities can include severe ADHD, autism, cerebral palsy, Down syndrome, etc. Rancho also serves the siblings or children of these patients, aged 0-16, irrespective of whether they meet the other criteria.

Services include: General dental services. Adult diabetic patients must be an established Rancho patient with a history of amputation or osteomyelitis.

Languages: English and Spanish-speaking staff; interpretation services available for all languages.
