

Join us for a Mandatory Orientation meeting to enroll in the..

Paraprofessional Mental Health Worker Training Program

Offered by
Pacific Clinics, Pasadena City College – Community Education Center & LACDMH

- ❖ **Take the fast track to job training**
- ❖ **Build a bridge to independence**
- ❖ **Seize the opportunity to make a difference in your life and the lives of others**

During the meeting you will:

- ❖ meet the Pacific Clinics MHW Training Program staff
- ❖ meet the course instructor
- ❖ receive an overview of the course
- ❖ meet past graduates
- ❖ complete course registration forms

In addition to 10-week classroom instruction, 48 hours of non-paid field work at a Pacific Clinics' or agency-partner site will be assigned by the program staff and must be completed to receive a certificate. This is a non-credit course that is designed to prepare students with basic skills and knowledge required for paraprofessional mental health workers.
