VACANCY ANNOUNCEMENT FOR

Clinical Psychologist I or II, Spanish Speaking

The County of Los Angeles Department of Mental Health Children's System of Care is seeking a bilingual Spanish speaking Clinical Psychologist to fill an available position in the San Fernando Valley at Valley Coordinated Children's Services.

The primary duties will include the following:

- Crisis assessment, intervention, stabilization and hospitalization (5585)
- Intensive outpatient child and family treatment, case management and advocacy
- Telephone consultation, triage and linkage with the systems of care

Desirable Qualifications:

- Prior experience providing direct clinical services to children, adolescents and their families
- Strong clinical and communication skills
- Ability to work collaboratively with other agencies
- Ability to work as part of a multi-disciplinary team
- Doctorate in Psychology
- Clinical license or license eligible (waivered)
- Bilingual Spanish speaking fluency required

Interested persons currently holding the payroll title of Clinical Psychologist I or II should submit their resume by e-mail or fax to:
