

REMEMBERING GILBERT MORENO

On Thursday, March 12, 2015, Gilbert Moreno passed away. Moreno retired a year ago after working for 30 years with the County of Los Angeles. He primarily worked for the Administrative Support Bureau here at the Department of Mental Health in the Special Services/Reprographics unit.

For many years, Moreno worked in ASB's Reprographics Unit preparing and printing flyers, bulletins, reports, forms and other documents for LACDMH. While you may not have personally known him, you may have been on the receiving end of documents he produced over the years.

His colleagues remember him fondly: "Gilbert was a caring, loving person. He was always courteous and accommodating to all employees. Gilbert was very involved in his church. He was an avid boxing and baseball fan. Gilbert was a nice guy and gentle soul. Always ready to assist at a moment's notice."
