

KIM'S SKIN CARE TIPS: Great skin starts with great skin care maintenance. Try these simple tips to keep your skin looking great!

- **Rinse Your Face Thoroughly** – Make sure that you use enough water to rinse your cleanser off completely. And make sure no residue is left on your skin, so the next product you put on your face will be effective.
- **Try Green Tea to Wake up Skin** - Frozen green tea bags help wake up tired eyes. It's also good to cut open the tea bags and add it to your face wash to wake up your skin.
- **Exfoliate Depending on Your Skin Type** – Getting rid of dead skin cells help to create a great glow. Make sure that you use the proper product depending on your skin care needs to prevent irritation and breakouts
