Dear Supervisors:

**LEASE AGREEMENT BETWEEN THE COUNTY OF
LOS ANGELES AND FLAVIO BUGARIN FOR THE
OPERATION OF A RESTAURANT AT EL MONTE AIRPORT,
CITY OF EL MONTE
SUPERVISORIAL DISTRICT 1
4 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this lease is exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Approve and instruct the Chair of the Board to sign the enclosed Lease Agreement between the County of Los Angeles and Flavio Bugarin for approximately 2,623 square feet of building and patio space for the operation of a restaurant at El Monte Airport in the City of El Monte, for a term of five years, commencing upon the date of Board approval, and continuing until June 30, 2010, with two additional 5-year renewal options, at an initial rent of \$1,705 per month, reduced to \$500 for the first six months and set annual increases from the beginning of the second year through the fifth year, with annual adjustments thereafter based on changes in the Consumer Price Index (CPI).
3. Instruct the Acting Director of Public Works to make the necessary arrangements with the County's contract airport manager and operator for the collection of all rents to be paid.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

We are requesting that your Board approve and instruct the Chair of the Board to sign the enclosed Lease Agreement between the County of Los Angeles and Flavio Bugarin for approximately 2,623 square feet of building and patio space for the operation of a restaurant at El Monte Airport in the City of El Monte, for a term of five years, commencing upon the date of Board approval, and continuing until June 30, 2010, with two additional 5-year renewal options. The initial rent will be \$1,705 per month, reduced to \$500 for the first six months and set annual increases from the beginning of the second year through the fifth year, with annual increases thereafter based on changes in the CPI. We are also requesting your Board find that this lease is exempt from the provisions of CEQA, and instruct the Acting Director of Public Works to make the necessary arrangements with the County's contract airport manager for the collection of all rents to be paid.

The restaurant space in the administration building at El Monte Airport has been vacant since December 2004. After several months of soliciting proposals from prospective restaurant operators, we believe the proposal submitted by Flavio Bugarin demonstrates a well-thought-out business plan with an exceptional potential to provide quality food services at reasonable prices. Approval of this lease will allow for the vacant building space to be fully utilized, which will also increase airport revenues and reduce maintenance costs. The pilots and the surrounding community will benefit from the availability of the food services at the airport. This lease will be consistent with the adopted El Monte Airport Master Plan. It will also provide an increased revenue flow to the County's Aviation Enterprise Fund.

The terms of the lease were negotiated by our airport management contractor and appear to be fair and reasonable.

Implementation of Strategic Plan Goals

This action is consistent with the Strategic Plan Goal of Fiscal Responsibility as approving this lease will provide more revenue to the County which, in turn, will be used to maintain and upgrade the airports to meet current FAA standards. It also satisfies the Goal of Service Excellence by making the airport facility more accommodating to the demands of the flying public and providing additional services to the surrounding community.

FISCAL IMPACT/FINANCING

After the initial six months of reduced rent, the monthly rental rate will be \$1,705. At the beginning of the second year, and through the fifth year, negotiated annual increases have been set which are identified in the lease. After the fifth year, the rental rate will be adjusted every year based on changes in the CPI.

Our management contractor, American Airports Corporation (AAC), will collect the revenues. As provided for in our airport management contract agreement, AAC will distribute 45 percent of the initial annual lease payment into the Aviation Enterprise Fund.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This lease has been reviewed from a legal standpoint and approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed lease is a categorically exempt project, as specified in Class 1 (r) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57.

CONTRACTING PROCESS

It is not applicable for this lease.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of this lease would allow for a restaurant operator to provide food services to the pilots at El Monte Airport and the surrounding community. The restaurant is a much-needed amenity to the airport that would appeal to visiting pilots and the local community by giving them a reason to come to visit the airport while providing an additional service to the tenants.

CONCLUSION

The original and three (3) copies of the lease, executed by Flavio Bugarin, are enclosed.

STATE OF CALIFORNIA

LEASE AGREEMENT

THIS AGREEMENT made and entered into this day ____ of _____, 2005, by and between the County of Los Angeles (the "County"), a body corporate and politic, and Flavio Bugarin, d.b.a. Annia's Kitchen, a sole proprietorship, hereinafter referred to as "Lessee",

WITNESSETH:

WHEREAS, the County of Los Angeles is the owner of El Monte Airport (the "Airport"); and,

WHEREAS, County may, at its discretion, use the services of a designated Contract Airport Manager from time to time, hereinafter referred to as "Manager," for the purpose of collecting the rent payments, performing other property management functions, and enforcing the airport rules and regulation; and,

WHEREAS, the County and Lessee are mutually desirous of entering into a Lease for the use and occupancy of certain areas at the Airport;

NOW, THEREFORE, for and in consideration of the respective promises and mutual agreements made by the parties hereto hereinafter set forth, the County hereby grants to the Lessee the right to use and occupy the ground area at the Airport shown on Exhibit A together with all buildings, structures, improvements, additions and permanent installations constructed and installed therein or thereon (hereinafter called the "Leased Premises") during the term of this Agreement upon the following terms and conditions and it is hereby mutually agreed as follows:

SECTION 1
TERM

- 1.1 The term of this lease shall be for a five(5)-year period commencing and effective upon the date of approval by the County Board of Supervisors ("Commencement Date"), and expiring on June 30, 2010, hereinafter referred to as "Original Term," unless sooner terminated in accordance with the provisions hereof.
- 1.2 Lessee shall have the right to renew this Lease for two (2) additional periods of five (5) years, commencing upon the expiration of the Original Term, by the giving of prior written notice of Lessee's intent to renew the Lease to the Director of Public Works of the County of Los Angeles (the "Director") during the time period between 180 and 90 days prior to the expiration of the lease term, provided that any such renewal shall be upon standard terms, conditions, and provisions then in effect at the Airport.

SECTION 2
LEASED PREMISES

- 2.1 The Leased Premises shown on Exhibit A, attached hereto and made a part hereof, totals 2,623 square feet, and consists of the following:
 - 2.1.1 Kitchen area of approximately 593 square feet;
 - 2.1.2 Dining area (indoor) consisting of approximately 1,346 square feet.
 - 2.1.3 Dining area (patio) consisting of approximately 684 square feet.

SECTION 3
USE OF LEASED PREMISES

- 3.1 The Lessee shall continuously occupy and use the Leased Premises for the following purposes and for no other purpose whatsoever:
 - 3.1.1 For the operation of a full service restaurant, seven days per week (except Christmas Day, New Year's Day and Thanksgiving Day), with minimum hours of 7:00 a.m. to 2:00 p.m., and with counter service available until dusk;
 - 3.1.2 For in-flight catering for corporate aircraft;
 - 3.1.3 For catering special events, both on and off the Airport;
 - 3.1.4 For its business and operations offices in connection with purposes authorized hereunder; and,
 - 3.1.5 For any other activities directly related to activities permitted hereunder and other uses that may hereafter be permitted and authorized by Director in writing. Lessee shall not use the Leased Premises, or any portion thereof, for any other purpose unless Director or Manager approves such use in advance, in writing, said authorization not to be unreasonably withheld. County reserves the right to charge standard rates and fees for any uses they may permit.

SECTION 4
RENTS AND FEES

- 4.1 For Use and Occupancy of the Leased Premises herein granted, the Lessee agrees to pay to the County during the period commencing upon the Commencement Date, and ending June 30, 2006 a monthly rent of

\$1,705.00. The monthly rent during the Original Term of this Lease is more specifically outlined below in the following schedule:

- Year 1: \$7.80 per square foot per year (\$1,705.00 per month); however, provided Lessee is not in default of any terms of the Lease hereunder, Lessee shall receive rent abatement, such that the monthly rent charged from the Commencement Date until December 31, 2005 shall be \$500.00. From January 1, 2006, the full monthly rent of \$1,705.00 will resume. Upon execution of this Lease, Lessee shall pre-pay the first month's rent of \$500.00;
- Year 2: \$8.40 per square foot per year (\$1,836.00 per month);
- Year 3: \$9.00 per square foot per year (\$1,967.00 per month);
- Year 4: \$9.60 per square foot per year (\$2,098.00 per month);
- Year 5: \$10.20 per square foot per year (\$2,230.00 per month).

4.2 Right of Option. In the event the Lessee chooses to exercise its right of option(s), the monthly rent payable shall be adjusted to the standard rent in effect for users of the airport at that time, or the fair rental value, whichever is greater. In the event County and Lessee cannot agree upon the rental value before sixty (60) days prior to the commencement of each option period, the rental shall be determined as set out in this section and the following subsections.

- 4.2.1 At least sixty (60) days prior to the commencement of the period for which rent is to be established, County and Lessee shall each appoint an appraiser to appraise the fair rental value and/or rate of return of the premises as appropriate, using methods recognized in the real estate appraisal profession as appropriate for such appraisals. The Parties shall exchange completed appraisals within sixty (60) days following appointment of the appraisers. Each party shall bear all costs and expenses of the appraiser appointed by it. Failure to comply with any time limit established in this section or any of its subsections shall be an incident of default under this Lease. For purposes of this section, all appraisers shall be MAI members of the American Institute of Real Estate Appraisers, or any successor organization, should the American Institute cease to exist.
- 4.2.2 If the two appraisals contain fair rental value determinations which are within Ten Percent (10%) of each other, the fair rental value shall be the arithmetic average of the values in the two appraisals;
- 4.2.3 In the event the two appraisals differ by more than Ten Percent (10%), the Parties shall, within ten (10) days following the exchange of appraisals, appoint an arbitrator who may be an appraiser, retired judge, or other person having experience in real estate evaluation or resolution of disputes. If the Parties cannot agree upon an arbitrator, they shall, within five (5) days, select a retired judge from the panel maintained by Judicial Arbitration and Mediation Services. The arbitrator, once appointed, shall within thirty (30) days following appointment review the two appraisals and select that one appraisal which in the opinion of the arbitrator most closely represents the fair rental value or rate of return of the Leased Premises as appropriate. The value set forth in the appraisal shall be used to establish the new rent for the Leased Premises. The arbitrator shall not hold a hearing, or receive testimony or evidence, but may request written comments from the Parties to be submitted on a specified date within the thirty (30) day period following his appointment. The only issues to be addressed by the arbitrator are those specified within this section and subsection. The locale for the arbitration shall be within the County of Los Angeles. The sole issue for determination by the arbitrator shall be the fair rental value of the Leased Premises in accordance with the principles set forth in this section. The expenses, subject to

assessment by the arbitrator, shall be borne equally by the Parties. The materials to be submitted to the arbitrator shall be limited to the data exchanged between the Parties prior to submission to arbitration. No motions or discovery shall be permitted as part of the arbitration process. The decision of the arbitrator shall be in writing. It shall have determined only the specified issue presented which will be either the rate of return, the fair market value or the fair rental value, or some combination of those three issues. The arbitrator may not impose any other awards except a sanction for failure to comply with an order made by the arbitrator. Each party shall bear its own costs of the arbitration, including one-half of the arbitrator's fees. The decision of the arbitrator shall be final and binding upon the Parties and shall be enforceable in any court of law as if it were a final judgment;

- 4.2.4 In the event the rent adjustment process is not completed prior to the beginning of a new lease year, Lessee shall continue to pay at the rate in effect at the beginning of the adjustment period until the adjustment rent is determined. Upon determination of the adjusted rent, Lessee shall pay the adjusted rental for all subsequent months and shall pay to Manager the difference between the amount paid between the beginning of the new lease year and the amount of the rent as adjusted for that period.
- 4.2.5 On the first anniversary of each option, and on each anniversary until expiration of each option period, the monthly rent shall be adjusted by the Consumer Price Index ("Index"), as hereinafter defined, as follows:
 - 4.2.5.1 The previous year's rent shall be adjusted by that percentage increase reported in the Index for that twelve (12) month period taken ninety (90) days prior to the date the annual adjustment is due. The product of the previous year's rent and the Index percentage is the additional amount payable to County or its Manager. If the adjusted rent is not finally determined until after the commencement of the successive year, Lessee shall nevertheless pay County or its Manager at the rate of the former year's rent, but only as a credit against the amount of the adjusted rental when finally determined.
 - 4.2.5.2 Notwithstanding anything to the contrary contained in this lease, the rental payable to County or its Manager shall never be adjusted to an amount less than the previous year's rent.
- 4.3 The term Index as used herein shall mean the Consumer Price Index for all Urban Consumers, All Items, for the Los Angeles-Riverside-Orange County area, as published by the Bureau of Labor Statistics of the United States Department for Labor, 1982-84 base =100. In the event the base year is changed, the CPI shall be converted to the equivalent of the base year 1982-84 =100.
 - 4.3.1 If the described Index is no longer published, another index generally recognized as authoritative shall be substitute as selected by the Chief Officer of the Bureau of Labor Statistics or its successors. If no such government index or computation is offered as a replacement, Director and Lessee shall mutually select a percentage for calculating future annual adjustments.
- 4.4 The monthly rent shall be paid on the first day of each month in advance at the office of the Airport Manager made payable to American Airports Corporation or at such other office as may be directed in writing by the Director or Manager.
- 4.5 In addition to all other rents and fees set forth in this Section, and commencing upon the Commencement Date, the Lessee shall pay to the County the following fees:
 - 4.5.1 Any other standard fees or charges that may be set, or imposed at any time by the County on the operations at the Airport, which charges shall be applicable to all similar users at the Airport. All

commercial uses shall be subject to the published rates and fees established for each use at the Airport. No tenant shall operate a commercial business on the airport without a permit and payment of the applicable fee.

- 4.6 Nothing contained in the foregoing shall affect the survival of the obligations of the Lessee as set forth in the Sections of this Agreement covering the survival of the Lessee's obligations.
- 4.7 Lessee acknowledges that late payment by Lessee to County of any Agreement fees will cause County to incur costs not contemplated by this Agreement, the exact amount of such costs being extremely difficult and impracticable to fix. Such costs include, without limitation, processing, accounting and interest charges. Therefore, if any installment of Agreement fees due from Lessee is not received by the tenth (10th) day after the due date, Lessee shall pay to County an additional sum of Five Percent (5%) of the amount due as an administrative processing charge. The Parties agree that this processing fee represents a fair and reasonable estimate of the costs that County will incur by reason of late payment by Lessee. Acceptance of any processing fee shall not constitute a waiver of Lessee's default with respect to the overdue amount, or prevent County from exercising any of the other rights and remedies available to County. Agreement fees not paid when due shall bear simple interest from date due until paid, at the rate of One-and-One-Half Percent (1.5%) per month.

SECTION 5 **SECURITY DEPOSIT**

- 5.1 Lessee must provide a Security Deposit in the amount equal to two (2) months' rent as a deposit to assure Lessee's faithful performance of the terms of this Lease. This sum shall be used and applied as follows:
- 5.1.1 The sum of \$3,410.00 shall be retained by County or its Manager as a guarantee to cover delinquent rent or other charges and may be so applied. In the event all or any part of said sum so deposited is applied against any charge due and unpaid, Lessee shall immediately reimburse said deposit upon demand by County or its Manager so that at all times during the life of this lease said deposit shall be maintained.
- 5.2 If Lessee fully and faithfully complies with all terms, provisions, covenants and conditions of this Lease, the security deposit shall be returned to Lessee at the expiration of the Lease term, or an accounting given by Manager as to the complete or partial use thereof, within fourteen (14) days of Lessee's surrender of the Leased Premises.

SECTION 6 **ACCEPTANCE, CARE, MAINTENANCE** **IMPROVEMENTS AND REPAIR**

- 6.1 Lessee warrants that it has inspected the Leased Premises and accepts possession of the Leased Premises and any improvements thereon if any "as is" in its present condition, and subject to all limitations imposed upon the use thereof by the rules and regulations of the Federal Aviation Administration and by ordinances of the County, and admits its suitability and sufficiency for the uses permitted hereunder. Except as may otherwise be provided for herein, the County shall not be required to maintain nor to make any improvements, repairs, or restorations of any kind upon or to the Leased Premises or to any of the improvements presently located thereon. County shall never have any obligation to repair, maintain or restore, during the term of this lease, any improvements placed upon the Leased Premises by Lessee, its successors and assigns.
- 6.2 Lessee shall throughout the term of this Agreement assume the entire responsibility, cost and expense, for all repair and maintenance on the Leased Premises and all improvements thereon in a good workmanlike manner, whether such repair or maintenance be ordinary or extraordinary, structural or otherwise.

Additionally, Lessee, without limiting the generality hereof, shall:

- 6.2.1 Keep at all times, in a clean and orderly condition and appearance, the Leased Premises, all improvements thereon and all of the Lessee's fixtures, equipment and personal property which are located on any part of the Leased Premises;
 - 6.2.2 Provide and maintain on the Leased Premises all obstruction lights and similar devices, and safety equipment required by law;
 - 6.2.3 Repair any damage caused by Lessee or its invitees, tenants, or contractors to paving, soils, water or other parts of the Leased Premises caused by any oil, gasoline, grease, lubricants, solvents, flammable liquids, or substances having a corrosive or detrimental effect thereon, and to remediate any release caused by Lessee or any of its invitees, tenants or contractors of any substance that has a harmful effect on human health or the environment as determined by any regulatory agency;
 - 6.2.4 Take measures to prevent erosion, including but not limited to, the planting and replanting of grasses with respect to all portions of the Leased Premises not paved or built upon, and in particular shall plant, maintain and replant any landscaped areas;
 - 6.2.5 Be responsible for the maintenance and repair of all utility service lines placed on the Leased Premises and used by Lessee exclusively, including, but not limited to, water lines, gas lines, electrical power and telephone conduits and cable lines, sanitary sewers and storm sewers.
 - 6.2.6 Lessee hereby waives any and all claims against County and its Manager for compensation for any and all loss or damage sustained by reason of any defect, deficiency, or impairment of any utility system, water supply system, drainage system, heating or gas system, or air conditioning system, electrical apparatus or wire serving the Leased Premises.
- 6.3 In the event Lessee fails: (a) to commence to maintain, clean, repair, replace, rebuild or repaint, within a period of thirty (30) days after written notice from the Director or his Manager to do any maintenance or repair work required to be done under the provisions of this Agreement, other than preventive maintenance; (b) or within a period of ninety (90) days if the said notice specifies that the work to be accomplished by the Lessee involves preventive maintenance only; (c) or to diligently continue to completion any repairs, replacement, rebuilding, painting or repainting as required under this Agreement; then, the Director or his Manager may, at his option, and in addition to any other remedies which may be available to it, enter the premises involved, without such entering causing or constituting a cancellation of this Agreement or an interference with the possession of the Leased Premises, and repair, replace, rebuild or paint all or any part of the Leased Premises or the improvements thereon, and do all things reasonably necessary to accomplish the work required, and the cost and expense thereof shall be payable to the County by Lessee on demand. Provided, however, if in the opinion of the Director, the Lessee's failure to perform any such maintenance endangers the safety of the public, the employees or property of the County or other tenants at the Airport, and the Director so states same in its notice to Lessee, the Director may, at his sole option, in addition to all other remedies which may be available to it, elect to perform such maintenance at any time after the giving of such notice, and Lessee agrees to pay to the County the cost and expense of such performance on demand. Furthermore, should the County, its officers, employees or agents undertake any work hereunder, Lessee hereby waives any claim for damages, consequential or otherwise, as a result thereof except for claims for damages arising from the County's sole gross negligence. The foregoing shall in no way affect or alter the primary obligations of the Lessee as set forth in this Agreement, and shall not impose or be construed to impose upon the County any obligations to maintain the Leased Premises, unless specifically stated otherwise herein.
- 6.4 Lessee shall provide detailed plans and specifications to the Aviation Division of the Department of Public Works of the County ("Aviation Division") for any and all major repairs, constructions, alterations,

modifications, additions or replacements (hereinafter referred to as "improvements"), undertaken by the Lessee shall be submitted to and receive the written approval by the Director prior to commencement of any improvement. Upon receipt and proper review by Director of the plans and specifications for the proposed improvements, Director shall advise Lessee of his approval or disapproval of the proposed work, and in the event he disapproves, stating his reasons therefor. The purpose for the foregoing review and/or approval by the Director is solely to ascertain compliance with internal standards of the Aviation Division and shall not relieve or excuse any need to obtain building or other permits, from having to comply with all legal requirements, or relieve the Lessee from its obligation to indemnify the County under Sections 9 and 13 hereof. Absolutely no work shall be commenced on Leased Premises until building permits and all other agency approvals are obtained by Lessee.

- 6.5 If Lessee makes any improvements without Director's approval, then, upon notice to do so, Lessee shall remove the same or, at the option of Director, cause the same to be changed to the satisfaction of Director. If Lessee fails to comply with such notice within thirty (30) days or to commence to comply and pursue diligently to completion, County may effect the removal of or change to the improvement, and Lessee shall pay the cost thereof to the County. Lessee expressly agrees in the making of all improvements that, except with the written consent of Director, it will neither give nor grant, nor purport to give or grant any lien upon the Leased Premises or upon any improvements thereupon or which is in the process of construction or repair, nor allow any condition to exist or situation to develop whereby any party would be entitled, as a matter of law, to a lien against said Leased Premises and improvements thereon, and Lessee will discharge any such lien within thirty (30) days after notice of filing thereof. County hereby gives notice to all persons that no lien attaches to any such improvements.
- 6.6 Lessee agrees that any construction, additions, alterations, repairs or changes in the Leased Premises shall not obligate or impose any legal requirement, whatsoever, on County to extend the term of this Lease.
- 6.7 In the event of construction Lessee, shall furnish to County a Performance and Surety Bond as specified by County and Lessee further agrees to furnish County and its manager a set of "As-Built" Plans and Specifications, and a Master Plan of Electrical Circuitry and Plumbing for any additional construction.

SECTION 7

TITLE TO IMPROVEMENTS

- 7.1 Lessee's improvements, erected or constructed upon the Leased Premises, shall become the property of the County immediately upon completion, free and clear of all claims on the part of the Lessee on account of any repair or improvement work done under the terms hereof by Lessee. The vesting of title in the County at the time specified is a part of the consideration for this Lease. The County shall not be liable to Lessee or Lessee's contractors or sublessees for the value of any improvements constructed or located on the Leased Premises.

SECTION 8

STORM WATER

- 8.1 Notwithstanding any other provisions or terms of the Lease, Lessee acknowledges that the Airport is subject to federal storm water regulations, 40 CFR. Part 122, for "vehicle maintenance shops" (including vehicle rehabilitation, mechanical repairs, painting, fueling, and lubrication), equipment cleaning operations and/or deicing operations that occur at the Airport as defined in these regulations and, if applicable, state storm water regulations. Lessee further acknowledges that it is familiar with these storm water regulations; that it conducts or operates "vehicle maintenance" (including vehicle rehabilitation, mechanical repairs, painting, fueling and lubrication), equipment cleaning operations and/or deicing activities as defined in the federal storm water regulations; and that it is aware that there are significant penalties for submitting false information, including fines and imprisonment for knowing violations.

- 8 .1.1 Notwithstanding any other provisions or terms of the Lease, Lessee acknowledges that it has taken steps necessary to apply for or obtain a storm water discharge permit as required by the applicable regulations for the Airport, including the Leased Premises operated by the Lessee. Lessee acknowledges that the storm water discharge permit issued to the County or its Manager may name the Lessee as co-permittee.
- 8 .1.2 Notwithstanding any other provisions or terms of this Lease, including the Lessee's right to quiet enjoyment, County, its Manager and Lessee acknowledge that close cooperation is necessary to ensure compliance with any storm water discharge permit terms and conditions, as well as to ensure safety and to minimize costs. Lessee acknowledges that, as discussed more fully below, it may have to undertake to minimize the exposure of storm water (and snow melt) to "significant materials" generated, stored, handled or otherwise used by the Lessee, as defined in the federal storm water regulations, by implementing and maintaining "Best Management Practices."
- 8 .1.3 Lessee acknowledges that the Airport's storm water discharge permit is incorporated by reference into this Lease and any subsequent renewals.
- 8.2 Permit Compliance. County or its Manager will provide Lessee with written notice of those storm water discharge permit requirements, that are in the Airport's storm water permit, that Lessee will be obligated to perform from time to time, including, but not limited to: Certification of non-storm water pollution prevention of similar plans; implementation of "good housekeeping" measures or Best Management Practices; and maintenance of necessary records. Such written notice shall include applicable deadlines. Lessee, within seven (7) days of receipt of such written notice, shall notify County in writing if it disputes any of the storm water discharge permit requirements it is being directed to undertake. If Lessee does not provide such timely notice, it is deemed to assent to undertake such requirements. Lessee warrants that it will not object to written notice from the County for purposes of delay or avoiding compliance.
 - 8 .2.1 Lessee agrees to undertake, at its sole expense unless otherwise agreed to in writing between Director or Manager and Lessee, those storm water discharge permit requirements for which it has received written notice from the Director or Manager. Lessee warrants that it shall meet any and all deadlines that may be imposed on or agreed to by Director or Manager and Lessee. Lessee acknowledges that time is of the essence.
 - 8 .2.2 Director or Manager agrees to provide Lessee, at its request, with any non-privileged information collected and submitted to any governmental entity(ies) pursuant to applicable storm water regulations.
 - 8 .2.3 Lessee agrees that the terms and conditions of the Airport's storm water discharge permit may change from time to time and hereby appoints Director or Manager as its agent to negotiate with the appropriate governmental entity(ies) any such permit modifications.
 - 8 .2.4 Director or Manager will give Lessee written notice of any breach by Lessee of the Airport's storm water discharge permit or the provisions of this Section 8. Such a breach is material, and if of a continuing nature, Airport may seek to terminate this Lease pursuant to Section 22, Termination by County. Lessee agrees to cure promptly any breach.
 - 8 .2.5 Lessee agrees to participate in any Airport-organized task force or other work group established to coordinate storm water activities at the Airport.
 - 8 .2.6 Notwithstanding the foregoing, Lessee shall comply with all applicable laws and regulations relating to storm water discharge, and the County, Director or Manager's acts, or failure to act, shall not excuse Lessee from having to meet said requirements.

SECTION 9
HAZARDOUS WASTE

- 9.1 The Lessee shall be solely responsible for the proper management, storage, and disposal of hazardous substances and hazardous wastes used, generated, stored, disposed, treated, or caused to be present on the leased premises by the activities of the Lessee. Notwithstanding any other provision of the Lease, the Lessee shall not treat or dispose of hazardous wastes on the County's premises. The Lessee shall provide all required notices, including those mandated under right-to-know laws, of the presence or use on the leased premises of hazardous substances, extremely hazardous substance, or hazardous wastes, shall provide all notices to appropriate authorities and to County of any releases to the environment of hazardous substances, extremely hazardous substances, or hazardous wastes, and shall obtain all permits necessary for the generation, storage, disposal, or treatment of hazardous wastes. The Lessee shall manage used oil and other petroleum products as required by Federal and state law and regulations. The Lessee shall be solely liable for the investigation, corrective action, or remediation of any release to the environment caused by the Lessee, its invitees, employees, agents, or contractors of any hazardous waste, hazardous substance, extremely hazardous substance, oil or other petroleum based substance.
- 9.2 For the purposes of this Lease, the terms "hazardous waste" and "hazardous substances" shall be deemed to include:
- 9.2.1 Hazardous, toxic or radioactive substances as defined in California Health and Safety Code Section 25316 as amended from time to time, or the same or a related defined term in any successor or companion statutes, crude oil or byproducts of crude oil other than that which exists on the property as a natural formation, and those chemicals and substances identified pursuant to Health and Safety Code Section 25249.8;
- 9.2.2 Substances which require investigation or remediation under any Federal, State or Local statute, regulation, ordinance, order action, policy or common law;
- 9.2.3 That which is or becomes defined as hazardous waste, hazardous substances, pollutant or contaminant under any Federal, State or Local statute, regulation, ordinance or amendment thereto, including, without limitation, the Federal Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) and/or the Resource Conservation and Recovery Act (RCRA);
- 9.2.4 That which is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic, or likewise hazardous and is or may become regulated by any governmental authority, agency, department, commission, board of instrumentality of the United States, the State of California or any political subdivision thereof;
- 9.2.5 Substances present on or about the Leased Premises which cause or threaten to cause a nuisance thereupon or to adjacent properties or pose a hazard to the health and safety of persons on or about such property;
- 9.2.6 Without limitation, substances containing gasoline, diesel fuel or other petroleum hydrocarbon;
- 9.2.7 Without limitation, substances containing polychlorinated biphenyls (PCBs), asbestos or urea formaldehyde foam insulation.
- 9.3 Indemnification. Notwithstanding any other provisions of this Lease, Lessee agrees to release, indemnify, defend, save and hold harmless the County and other tenants for any and all claims, demands, costs (including attorneys fees), fees, fines, penalties, charges and demands by and liability proximately caused by Lessee's actions or omissions, including failure to comply with Lessee's obligations under this

Section 9, applicable regulations, or permits, unless the result of County's or third party's sole negligence. This indemnification shall survive any termination or non-renewal of this Lease.

- 9.4 Lessee will provide containers and be responsible for the collection and disposal of waste oils and solvents generated by Lessee's or sublessees' activities.
- 9.5 In the event of spillage, leakage, or escape ("release") of any hazardous substances for any reason, Lessee shall immediately notify County at 1(800) 675-4357 (HELP), and make necessary repairs and erect necessary restraints and impoundments to prevent discharge into any property, channel, ocean drainage system or underground reservoirs. Lessee shall also promptly remove any and all hazardous substances that may have leaked, spilled or escaped, and restore the Leased Premises and all other affected properties and/or facilities to their former condition or equivalent, to the County's satisfaction.

SECTION 10 **ADDITIONAL OBLIGATIONS OF LESSEE**

- 10.1 Lessee may store aircraft components, equipment, parts, non-flammable and non-hazardous bulk liquids, scrap lumber, metal, machinery or other materials related to the conduct of its business on the Premises, provided, however, that such storage shall be done only within a fully enclosed area screened from view. No storage may be done on any apron, ramp or taxiway, without prior written approval of the Manager.
- 10.2 Derelict aircraft, inoperative ground vehicles, unused ramp equipment, scaffolding, hoists and related items not regularly and routinely in use as part of Lessee's business shall not be kept on the Premises unless such materials are maintained within a fully enclosed permanent structure.
- 10.3 Violation of the requirements of this Section 10.1 and 10.2 shall be deemed a default if the condition has not been cured to the satisfaction of the Manager within thirty (30) days of posting of the property or notice to Lessee to remove said stored equipment or materials.
- 10.4 Lessee shall conduct its operations hereunder in an orderly and proper manner, considering the nature of such operation so as not to unreasonably annoy, disturb, endanger or be offensive to others.
- 10.5 Further, Lessee shall take all reasonable measures not to produce on the Airport any disturbance that interferes with the operation by the County or the Federal Aviation Administration of air navigational, communication or flight equipment on the Airport.
- 10.6 Lessee shall control the conduct and demeanor of its officers, agents, employees, invitees and, upon objection from Director or Manager concerning the conduct or demeanor of any such person, Lessee shall immediately take all lawful steps necessary to remove the cause of the objection.
- 10.7 Lessee shall comply with all environmental, health and safety laws and requirements and any other Federal, state or municipal laws, ordinances, rules, regulations and requirements, applicable to the Leased Premises and the improvements thereon and its operations at the Airport hereunder. Lessee agrees to allow the Director or Manager access to premises and records to investigate compliance with all applicable laws if there is reason to suspect negligence or willful non-compliance.
- 10.8 Lessee shall comply with all written instructions of the Director and applicable Federal, state, and local laws, ordinances, and regulations in disposing of trash, garbage and other refuse. The frequency of removal thereof from the Airport premises shall at all times be subject to the rules, regulations and approval of the Director or Manager. All disposal of trash, garbage, refuse and wastes shall be at regular intervals and at the expense of the Lessee.

- 10.9 Lessee shall not commit, nor permit to be done, anything, which may result in the commission of a nuisance, waste, or injury on the Leased Premises.
- 10.10 Lessee shall not do, nor permit to be done, anything which may interfere with the effectiveness or accessibility of the drainage system, sewerage system, fire protection system, sprinkler system, alarm system and fire hydrants and hoses, if any, installed or located on the Leased Premises.
- 10.11 Lessee shall take measures to insure security in compliance with Federal Air Regulations and the Airport Security Plan.
- 10.12 Lessee shall not do, nor permit to be done, any act or thing upon the Leased Premises, which may constitute a hazardous condition so as to increase the risks attendant upon the operations permitted by the Agreement.
- 10.13 Lessee shall use only a working supply of flammable liquids within any covered or enclosed portion of the Leased Premises. The term "working supply", as used in this Section 10.13, shall mean the amount consumed by Lessee during any normal workday. Any other supplies of such liquids shall be kept and stored in safety containers of a type approved by the Underwriters Laboratories.
- 10.14 Except for services permitted under Section 3 hereof to be performed by Lessee or Lessee's subcontractors, Lessee shall provide prompt written notice to the County of any person, firm or corporation performing aircraft maintenance work, flight instruction of any sort, air taxi, aircraft charter or aircraft leasing of any sort on the Leased Premises for commercial purposes without a valid permit from the County.
- 10.15 In connection with the conduct of Lessee's business, the Lessee shall maintain, in accordance with generally accepted accounting principles, consistently applied during the term hereof, Lessee's records and books of account, recording all transactions at, through or in any way connected with the Airport. Such records and books of account shall be kept at all times at the Lessee's place of business at the Airport.
- 10.16 Lessee shall permit in ordinary business hours during the term hereof and for one year thereafter the examination and audit by employees or representatives of the County of such records and books of account. If such inspection is made by said representatives and it is determined as a result thereof that Lessee has underpaid County by more than five percent (5%) of the amount to which it is entitled under Section 4.4 hereof, Lessee shall reimburse County for its costs of making such inspection of said books and records, and this obligation or reimbursement shall be in addition to all other obligations of Lessee hereunder. Termination of this agreement for fraud shall not serve to nullify such obligations.
- 10.17 It is the intent of the Parties hereto that noise, including, but not limited to, noise caused by aircraft engine operation, shall be held to a minimum. To this end, Lessee will conduct its operations in such a manner as to keep the noise produced by aircraft engines and component parts thereof, or any other noise, to a minimum by the use of such methods or devices as are practicable, considering the extent and type of the operations of the Lessee, but in no event less than those devices or procedures that are required by Federal, state or local law. In addition, Lessee shall use its best efforts to minimize prop or jet blast interference to aircraft operating on or to buildings, structures and roadways now located on, or which, in the future, may be located on areas adjacent to the Leased Premises.

SECTION 11 **INGRESS AND EGRESS**

- 11.1 The Lessee shall have the right of ingress and egress to and from the Leased Premises and the public landing areas at the Airport by means of roadways and connecting taxiways, to be used in common with others having rights of passage thereon, except when the Airport is closed to the public.

- 11.2 The use of any such roadway or taxiway shall be subject to the Rules and Regulations of the Airport which are now in effect or which may hereafter be promulgated. County may, at any time, temporarily or permanently, close or consent to or request the closing of, any such roadway or taxiway and any other way at, in or near the Leased Premises presently or hereafter used as such, so long as a reasonable means of ingress and egress as provided above remains available to the Lessee. The Lessee hereby releases and discharges the County, its officers, employees and agents; and all municipalities and other governmental authorities and their respective successors and assigns, of and from any and all claims, demands, or causes of action which the Lessee may now or at any time hereafter have against any of the foregoing, arising or alleged to arise out of the closing of any street, roadway or other area, provided that a reasonable means of access to the Leased Premises remains available to the Lessee whether within the Leased Premises or outside the Leased Premises at the Airport unless otherwise mandated by safety considerations or lawful exercise of police power. The Lessee shall not do or permit anything to be done which will interfere with the free access and passage of others to space adjacent to the Leased Premises or in any streets or roadways near the Leased Premises.

SECTION 12
INSURANCE, DAMAGE OR DESTRUCTION

- 12.1 To safeguard the interest of the County, the Lessee at its sole cost and expense shall procure and maintain throughout the term of this lease insurance protection for "all risk" coverage on the structure and improvements of which the Leased Premises is a part, to the extent of one hundred percent (100%) of the actual replacement cost thereof, in insurance companies licensed to do business in the State of California. If said insurance company becomes financially incapable of performing under the terms of said policy, the Lessee shall promptly obtain a new policy issued by a financially responsible carrier and shall submit such new policy as previously provided.
- 12.1.1 The above stated property insurance shall name the County and American Airports Corporation as Additional Insured, provide thirty (30) days' notice of cancellation or material change, by registered mail to the Office of the Airport Manager, and have a deductible amount not to exceed one thousand dollars \$1,000.00 per occurrence.
- 12.1.2 The Lessee shall provide a copy of the above stated property insurance policy to the Office of the Airport Manager at least seven (7) days prior to the inception of the Lease Agreement. Upon the failure of the Lessee to maintain such insurance as above provided, the County, at its option, may take out such insurance and charge the cost thereof to Lessee with the next installment of the monthly fee due hereunder or may declare a default hereunder pursuant to Section 22 herein.
- 12.2 In the event any improvements, insurable or uninsurable, on the Leased Premises are damaged or destroyed (except damage or destruction caused by Lessee as set forth in Section 12.6 hereof) to the extent they are unusable by Lessee for the purposes for which they were used prior to such damage, or same are destroyed, Lessee shall promptly repair, rebuild, or replace the damaged or destroyed portion of the Leased Premises as they were immediately prior to such casualty, except for requirements of construction codes, which shall be as of the time of repair or replacement.
- 12.3 In the event of damage or destruction to any of the improvements upon the Leased Premises, the County shall have no obligation to repair or rebuild the improvements or any fixtures, equipment or other personal property installed by Lessee pursuant to this Agreement. Upon the failure of Lessee to repair or rebuild the County may, as agent of the Lessee, repair or rebuild such damage or destruction at the expense of Lessee which expense shall be due and payable on demand.

- 12.4 Upon completion of all the work, the Lessee shall certify by a responsible officer or authorized representative that such rebuilding and repairs have been completed, that all costs in connection therewith have been paid by the Lessee and said costs are fair and reasonable and said certification shall also include an itemization of costs. If the insurance proceeds are not sufficient the Lessee agrees to bear and pay the deficiency. Nothing herein contained shall be deemed to release the Lessee from any of its repair, maintenance or rebuilding obligations under this lease.
- 12.5 Lessee shall, at its expense, repair and replace any and all fixtures, equipment and other personal property necessary to properly and adequately continue its airport business on the Airport, but in no event shall Lessee be obligated to provide equipment and fixtures in excess of those existing prior to such damage or destruction. During such period of repair or reconstruction, but not to exceed a period of 6 (six) months, the rentals provided for elsewhere herein shall be proportionately abated during the period from the date of such damage, destruction or loss until the same is repaired, replaced, restored or rebuilt, provided, Lessee does not use said damaged Leased Premises or the location thereof for any purposes other than the repair or rebuilding of same. Such abatement shall not exceed the actual time required for arranging for and the doing of such work. The proportional amount of reduction of rentals will be directly related to the percent of Airport business adversely affected. Lessee agrees that such work will be promptly commenced and prosecuted to completion with due diligence; subject to delays beyond Lessee's control.
- 12.6 In the event the improvements on the Leased Premises are damaged or destroyed by fire or other cause by reason of any negligent act or omission of the Lessee or its employees, this Lease Agreement shall continue in full force and effect, notwithstanding the provisions of Sections 12.2, 12.3, 12.4 and 12.5 hereof, and the Lessee shall repair or rebuild the improvements so damaged or destroyed, at Lessee's own cost and expense, in a good workmanlike manner to the same standards existing at the time of the casualty, subject to applicable building codes existing at the time of repair or rebuilding.

SECTION 13

LIABILITIES AND INDEMNITIES

- 13.1 County shall not in any way be liable for any cost, liability, damage or injury, including cost of suit and reasonable expenses of legal services, claimed or recovered by any person whomsoever, or occurring on the Leased Premises, or as a result of any operations, works, acts or omissions performed on the Leased Premises, or the Airport, by Lessee, its sublessees or tenants, or their guest or invitees unless said cost, liability, damage or injury was proximately caused by gross negligence by the County or one of its officers, agents, servants, employees or contractors or said County or individual gross negligence were a substantial factor in the occurrence thereof.
- 13.2 Notwithstanding and in addition to the Lessee's obligation to indemnify County pursuant to Section 9 above, Lessee agrees to indemnify, save and hold harmless the County, its officers, agents, servants and employees of and from any and all costs, liability, penalties, damages and expense (including costs of suit and reasonable expenses of legal services) claimed or recovered, justly or unjustly, false, fraudulent or frivolous, by any person, firm, governmental entity or corporation by reason of injury to, or death of, any person or persons, and damage to, destruction or loss of use of any and all property, including County personnel and County property, and any claim of violation of any permit or state, Federal or local law or regulation protecting human health or the environment, or any governmental requirement under Section 19 below or any other section of this Lease, directly or indirectly arising from or resulting from, any operations, works, acts or omissions of Lessee, its agents, servants, employees, contractors, invitees, sublessees or tenants. Provided, however, that upon the filing with the County by anyone of a claim for damages arising out of incidents for which Lessee herein agrees to indemnify, defend, save and hold the County harmless, the County shall notify Lessee of such claim and in the event that Lessee does not settle or compromise such claim, then Lessee shall undertake the legal defense of such claim both on behalf of Lessee and behalf of the County. It is specifically agreed, however, that the County at its own cost and expense may participate in the legal defense of any such claim. Any final judgment rendered against the

County for any cause for which Lessee is liable hereunder shall be conclusive against Lessee as to liability and amount upon the expiration of the time for appeal. Any and all release, indemnity, defense and hold harmless provisions in this Lease, including without limitation, the entire Sections 9 and 13 herein, shall survive the termination of this Lease.

- 13.3 In addition to Lessee's undertaking, as stated in this Section 13, and as a means of further protecting the County, its officers, agents, servants and employees, Lessee shall at all times during the term of this Agreement obtain and maintain in effect Public Liability and Automotive Liability Insurance coverage as set forth in Exhibit B attached hereto and made a part hereof. In this connection, Lessee agrees to require its contractors doing work on the Airport, and Lessee's tenants and sublessees, to carry adequate insurance coverage, and if Lessee so desires, it may accomplish same by an endorsement to Lessee's policies to include such persons or parties as additional named insureds. The County reserves the right to increase the minimum liability insurance set forth in Exhibit B when in the County's opinion the risks attendant to Lessee's operations hereunder have increased.
- 13.4 The Lessee represents that it is the owner of or fully authorized to use any and all services, processes, machines, articles, marks, names or slogans used by it in its operations under or in anywise connected with this Agreement. The Lessee agrees to save and hold the County, its officers, employees, agents and representatives free and harmless of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Lessee under or in anywise connected with this Agreement.
- 13.5 The Lessee represents and warrants that no broker has been concerned on its behalf in the negotiation of this Agreement and that there is no such broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the County of and from any claim for commission or brokerage made by any such broker when such claim is based, in whole or in part, upon any act or omission of the Lessee.
- 13.6 If, for any reason, Lessee shall neglect or fail to insure, or cause to insure and keep insured, those policies shown on Exhibit B required by this Lease, or to pay the premiums therefore, County may, at its option, procure or renew such insurance and pay the premiums thereon. Any amount paid for said insurance by County shall become immediately due and payable by Lessee to County. The premiums paid by County shall accrue simple interest at a rate of one-and-one-half percent (1.5%) per month until paid in full by the Lessee.

SECTION 14

RULES AND REGULATIONS

- 14.1 From time to time, County may adopt and enforce rules and regulations with respect to the occupancy and use of the Airport. Lessee agrees to observe and obey any and all rules and regulations and all other Federal, state and municipal rules, regulations and laws and to require its officers, agents, employees, contractors, suppliers, tenants, sublessees, and invitees to observe and obey the same. County reserves the right to deny access to the Airport and its facilities to any person, firm or corporation that fails or refuses to obey and comply with such rules, regulations or laws. Lessee hereby acknowledges receipt of a current copy of such County rules and regulations, attached as Exhibit C.

SECTION 15

SIGNS

- 15.1 Lessee shall have the right to install and maintain one or more signs on the Leased Premises identifying it and its operations, provided, however, the subject matter, type, design, number, location and elevation of such signs, and whether lighted or unlighted, shall be subject to and in accordance with the written approval

of the Director or Manager, and said approval shall not be withheld unreasonably. No sign will be approved that may be confusing to aircraft pilots or automobile drivers or other traffic or which fails to conform to the architectural scheme of the Airport or meet the requirements of the County.

SECTION 16 **ASSIGNMENT AND SUBLEASE**

- 16.1 Lessee covenants and agrees that it will not sell, convey, transfer, mortgage, pledge or assign this Agreement or any part thereof, or any rights created thereby, without the prior written consent of the Director, which consent shall not be unreasonably withheld.
- 16.2 Any assignment or transfer of this Agreement, or any rights of Lessee hereunder, without the consent of the Director, shall entitle the County at its option to forthwith cancel this Agreement.
- 16.3 Any assignment of this Agreement, approved and ratified by the Director, shall be on the condition that the assignee accepts and agrees to all of the terms, conditions and provisions of this Agreement, and agrees to accept and discharge all of the covenants and obligations of Lessee hereunder, including but not limited to the payment of all sums due and to become due by Lessee under the terms hereof.
- 16.4 Subject to all of the terms and provisions hereof, Lessee may, with the prior written consent of the Director, said approval shall not be withheld unreasonably, sublet a portion or portions of the Leased Premises to a person, partnership, firm or corporation engaged in a business that is in the opinion of the County compatible with Lessee's authorized Airport business, but in no event shall the Lessee sublet all or any portion of the Leased Premises to a fixed base operation or other commercial operator.
- 16.5 No consent by the Director to subleasing by Lessee of portions of the Leased Premises shall in any way relieve Lessee of any of its obligations to the County set forth or arising from this lease and a termination of Lessee's rights hereunder shall ipso facto terminate all subleases.
- 16.6 No consent to subleasing by the Lessee to a person, corporation or partnership conducting any business for profit derived from activities at the Airport shall be granted by the Director without a duly executed Permit Agreement between the Director or Contractor and the sublessee.
- 16.7 If the Lessee assigns, sells, conveys, transfers, mortgages, or pledges this Agreement or sublets any portion of the Leased Premises in violation of the foregoing provisions of this Section 16, or if the Leased Premises are occupied by anyone other than the Lessee, County may collect from any assignee, sublessee or anyone who claims a right to this Agreement or who occupies the Leased Premises any charges or fees payable by it and may apply the net amount collected to the rents herein reserved; and no such collection shall be deemed a waiver by County of the agreements contained in this Section 16 nor of acceptance by County of any assignee, claimant or occupant, nor as a release of the Lessee by County from the further performance by the Lessee of the agreements contained herein.
- 16.8 For the purposes of this Section 16, any assignment of stock by merger, consolidation or liquidation, or any change in the ownership of or power to vote a majority of the outstanding voting stock of lessee from owners of such stock or those controlling the power to vote such stock on the date of this Agreement, shall be considered an assignment.

SECTION 17 **CONDEMNATION**

- 17.1 In the event that the Leased Premises or any material part thereof shall be condemned and taken by authority of eminent domain for any purpose during the term of this lease, rentals for that portion of the Leased Premises so taken shall be abated from the date that Lessee is dispossessed therefrom; provided,

however, if the remaining portion of the Leased Premises is insufficient for Lessee's operations authorized hereunder, Lessee may terminate this Agreement and all of its rights and unaccrued obligations hereunder effective as of the date it is dispossessed of the condemned portion (or effective as of any date thereafter and within ninety (90) days of the date of such dispossession) by giving County thirty (30) days written notice of such termination.

SECTION 18

NON-DISCRIMINATION

- 18.1 The Lessee, for it, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the Leased Premises for a purpose for which a United States Government program or activity is extended, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
- 18.2 The Lessee, for itself, its personal representatives, successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Leased Premises; (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; and (3) that the Lessee shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
- 18.3 In this connection, the County reserves the right to take whatever action it might be entitled by law to take in order to enforce this provision. This provision is to be considered as a covenant on the part of the Lessee, a breach of which, continuing after notice by County to cease and desist, will constitute a material breach of this Agreement and will entitle the County, at its option, to exercise its right of termination as provided for herein, or take any action that it deems necessary to enforce compliance herewith.
- 18.4 The Lessee shall include the foregoing provisions in every agreement or concession pursuant to which any person or persons, other than the Lessee, operates any facility at the Leased Premises providing service to the public and shall include thereon a provision granting the County, a right to take such action as the United States may direct to enforce such covenant.
- 18.5 The Lessee shall indemnify and hold harmless County from any claims and demands of third persons including the United States of America resulting from the Lessee's noncompliance with any of the provisions of this Section 18 and the Lessee shall reimburse County for any loss or expense incurred by reason of such noncompliance.

SECTION 19

GOVERNMENTAL REQUIREMENTS

- 19.1 The Lessee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Lessee's operations at the Leased Premises which may be necessary for the Lessee's operations thereat.

- 19.2 The Lessee shall pay all taxes, license, certification, permit and examination fees and excise taxes which may be assessed, levied, exacted or imposed on the Leased Premises or operation hereunder or on the gross receipts or income to Lessee there from, including any possessory right which Lessee may have in or to premises covered hereby or improvements thereon by reason of its possessory rights, use or occupancy thereof, and shall make all applications, reports and returns required in connection therewith. Lessee shall be solely responsible for the payment of such taxes, assessments, fees or charges. In the event any such taxes or assessments described in this Section 19 are charged to Manager, Manager shall notify Lessee in writing of the amount due and Lessee shall pay Manager said amount within thirty (30) days of such notice. In the event of failure to pay said taxes before delinquency and/or pay Manager the required amount within thirty (30) days, County or Manager may elect to treat such failure as a material breach of this Lease by Lessee.

SECTION 20
RIGHTS OF ENTRY RESERVED

- 20.1 The County and its Manager, by their officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the Leased Premises for any and all purposes, provided, such action by the County, its officers, employees, agents, representatives and contractors does not unreasonably interfere with the Lessee's use, occupancy, or security requirements of the Leased Premises.
- 20.2 Without limiting the generality of the foregoing, the County, by its officers, employees, agents, representatives, contractors and furnishers of utilities and other services, shall have the right, at its own cost and expense, whether for its own benefit, or for the benefit of others than the Lessee at the Airport, to maintain existing and future utility, mechanical, electrical and other systems and to enter upon the Leased Premises at all reasonable times to make such repairs, replacements or alterations thereto, as may, in the opinion of the County, be deemed necessary or advisable, and from time to time to construct or install over, in or under the Leased Premises such systems or parts thereof and in connection with such maintenance use the Leased Premises for access to other parts of the Airport otherwise not conveniently accessible, provided, however, that in the exercise of such right of access, repair, alteration or new construction, the County shall not unreasonably interfere with the actual use and occupancy of the Leased Premises by the Lessee. It is specifically understood and agreed that the reservation of the aforesaid right by the County shall not impose or be construed to impose upon the County any obligation to repair, replace or alter any utility service lines now or hereafter located on the Leased Premises for the purpose of providing utility services only to the Leased Premises.
- 20.3 In the event that any personal property of Lessee shall obstruct the access of the County, its officers, employees, agents or contractors, or the utility company furnishing utility service to any of the existing utility, mechanical, electrical and other systems, and thus shall interfere with the inspection, maintenance or repair of any such system, Lessee shall move such property, as directed by the County or said utility company, in order that access may be had to the system or part thereof for inspection, maintenance or repair. If Lessee shall fail to so move such property after direction from County or said utility company to do so, the County or the utility company may move it, and the Lessee hereby agrees to pay the cost of such moving upon demand, and further Lessee hereby waives any claim for damages as a result therefrom, except for claims for damages arising from the County's sole negligence.
- 20.4 At any reasonable time, and from time to time during the ordinary business hours, the County, by its officers, agents and employees, whether or not accompanied by a prospective lessee, occupier or user of the Leased Premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same, subject to Lessee's reasonable security requirements.

- 20.5 Exercise of any or all of the foregoing rights, by the County, or others under right of the County, shall not be, nor be construed to be, an eviction of Lessee, nor be made the grounds for any abatement of rental nor any claim or demand for damages, consequential or otherwise.

SECTION 21
ADDITIONAL RENTS AND CHARGES

- 21.1 Except as provided in Section 6.3 (b), in the event Lessee fails within thirty (30) days after receipt of written notice from Director or Manager to perform or commence to perform any obligation required herein to be performed by Lessee, County may enter the Leased Premises (without such entering causing or constituting a cancellation of this Agreement or an interference with the possession of such Leased Premises by Lessee) and do all things reasonably necessary to perform such obligation, charging to Lessee the cost and expense thereof, and Lessee agrees to pay to the County upon demand such charge in addition to other amounts payable by Lessee hereunder. Provided, however, that if Lessee's failure to perform any such obligation endangers the safety of the public or employees or property of the County, or other tenants of the Airport, and County so states in its notice to Lessee, the County may perform such obligation of Lessee at any time after the giving of such notice, and charge to the Lessee the reasonable cost and expense thereof which Lessee shall pay upon demand.
- 21.2 If the County elects to pay any sum or sums or incur any obligation or expense by reason of the failure, neglect or refusal of Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement, or as the result of any act or omission of Lessee contrary to said conditions, covenants or agreements, Lessee hereby agrees to pay the sum or sums so paid or expense so incurred by the County as the result of such failure, neglect or refusal of Lessee, including interest, not to exceed the greater of fifteen percent (15%) per annum or the rate which is four percent (4%) per annum above the prime rate as published by the *Wall Street Journal*, together with all costs, damages and penalties. In such event, the total of such amounts may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent recoverable by the County in the same manner and with like remedies as if it were originally a part of the rent provided for in this Agreement.

SECTION 22
TERMINATION BY COUNTY

- 22.1 In the event of a default on the part of Lessee in the payment of rents, or any other charges required by this Agreement to be paid to the County, the Director or Manager shall give written notice to Lessee of such default, and demand the cancellation of this Agreement, or the correction thereof. If, within thirty (30) days after the date Director or Manager gives such notice, Lessee has not corrected said default, and paid the delinquent amount in full, this Agreement and all rights and privileges granted hereby in and to the Leased Premises shall terminate.
- 22.2 This Agreement together with all rights and privileges granted in and to the Leased Premises shall terminate automatically, upon the happening of any one or more of the following events:
- 22.2.1 The filing of Lessee of a voluntary petition in bankruptcy, or any assignment for benefit of creditors of all or any part of Lessee's assets; or,
- 22.2.2 Any institution of proceedings in bankruptcy against Lessee; provided, however, that the Lessee may defeat such termination if the petition is dismissed within thirty (30) days after the institution thereof; or,
- 22.2.3 The filing of a petition requesting a court to take jurisdiction of Lessee or its assets under the provisions of any Federal reorganization act; or

- 22.2.4 The filing of a request for the appointment of a receiver or trustee of Lessee's assets by a court of competent jurisdiction, or the request for the appointment of a receiver or trustee of Lessee's assets by a voluntary agreement with Lessee's creditors; or,
- 22.2.5 The abandonment by Lessee of the conduct of its authorized Airport business at the Airport, and in this connection, suspension of operations for a period of fifteen (15) days, will be considered abandonment in the absence of a satisfactory explanation which is accepted in writing by the Director, unless said abandonment is necessitated by the occurrence of a natural disaster which renders the premises unfit for occupation or its intended purpose.
- 22.3 Upon the default by Lessee in the performance of any covenant or conditions required to be performed by Lessee, and the failure of Lessee to remedy such default for a period of thirty (30) days after receipt from the Director or Manager of written notice to remedy the same (except as otherwise provided in Section 6.3 (b) above) and, except default in the timely payment of any money due the County, the Director or Manager shall have the right to cancel this Agreement for such cause.
- 22.4 Upon the default of Lessee, and the giving of notice by the Director or Manager to cancel this Agreement as provided for elsewhere herein, said notice of cancellation shall be final; provided however, that should the Director or Manager determine that Lessee is diligently remedying such default to completion, and so advises Lessee in writing, said notice of cancellation shall be held in abeyance. If, however, the Director or Manager determines that such default is no longer being diligently remedied to conclusion, the Director or Manager shall so advise Lessee in writing, and said notice of cancellation shall no longer be held in abeyance for any reason and shall become final without further notice to Lessee. The determination of the Director or Manager in this regard shall in all events be conclusive and binding upon Lessee.
- 22.5 Upon the cancellation or termination of this Agreement for any reason, all rights of the Lessee, tenants and any other persons in possession shall terminate, including all rights or alleged rights of creditors, trustees, assigns, and all others similarly so situated as to the Leased Premises. Upon said cancellation or termination of this Agreement for any reason, the Leased Premises, except for such personal property which may be removed from said Leased Premises as provided for elsewhere herein, shall be free of all encumbrances and all claims of Lessee, its tenants, creditors, trustees, assigns and all others, and the County shall have immediate right of possession to the Leased Premises.
- 22.6 Failure by the County, Director or Manager to take any authorized action upon default by Lessee of any of the terms, covenants or conditions required to be performed, kept and observed by Lessee shall not be construed to be, nor act as, a waiver of said default nor of any subsequent default of any of the terms, covenants and conditions contained herein to be performed, kept and observed by Lessee. Acceptance of rentals by the County or Manager under the terms hereof, for any period or periods after a default by Lessee of any the terms, covenants and conditions herein required to be performed, kept and observed by Lessee shall not be deemed a waiver or estoppel of any right on the part of the County, Director or Manager to cancel this Agreement for any subsequent failure by Lessee to so perform, keep or observe any of said terms, covenants or conditions.
- 22.7 If Lessee becomes delinquent in lease payments or any other unpaid amount owed County or Manager, Lessee hereby grants to County or Manager a lien against Lessee's aircraft and all personal property, which Lessee may, from time to time, store in or upon the Leased Premises. This lien shall exist and continue to exist for all unpaid amounts which Lessee may owe County or Manager, from time to time, and the assertion of the lien shall not relieve Lessee from the obligation to pay the monthly fees as herein provided. In the event Lessee does not fully and immediately discharge all unpaid amounts, County or Manager is hereby granted and shall have the right to take and recover possession of Lessee's aircraft and satisfy its lien in accordance with §§ 1208.61 through 1208.70, inclusive, of the Code of Civil Procedure of the State of California, or any successor sections. County or Manager may also take and recover possession of any

personal action, and exercise its lien against the same and, in addition thereto, recover all costs and expenses including attorney's fees in connection with the repossession of said personal property and assertion of its lien.

SECTION 23

TERMINATION BY LESSEE

- 23.1 In addition to any other right or cancellation herein given to Lessee, or any other rights to which it may be entitled to by law, equity or otherwise, as long as Lessee is not in default in payment to County or Manager of any amounts due County or Manager hereunder this Agreement, Lessee may cancel this Agreement and thereby terminate all of its rights and unaccrued obligations hereunder, by giving County written notice upon or after the happening of the following events:
- 23.1.1 Issuance by a court of competent jurisdiction of an injunction which in any way substantially prevents or restrains the use of the Leased Premises, or any part thereof necessary to Lessee's business operations on the Airport, and which injunction remains in force for a period of at least thirty (30) days after the party against whom the injunction has been issued has exhausted or abandoned all appeals or one hundred twenty (120) days whichever is shorter, if such injunction is not necessitated by or issued as a result of an act or omission of Lessee; or,
- 23.1.2 The assumption by the United States Government, or any authorized agency thereof, of the operation, control or use of the Airport and its facilities, or any substantial part thereof, in such a manner as substantially to restrict Lessee from operating its authorized Airport business for a continuous period of at least ninety (90) days.

SECTION 24

SURRENDER AND RIGHT OF RE-ENTRY

- 24.1 Upon the cancellation or termination of this Agreement pursuant to any terms hereof, Lessee agrees peaceably to surrender up the Leased Premises to the County or Manager in the same condition as they are at the time of the commencement of the term hereof, and as they may hereafter be repaired and improved by Lessee; save and except, (a) such normal wear and tear thereof as could not have been prevented by ordinary and usual repairs and maintenance, (b) obsolescence in spite of repair, and (c) damage to or destruction of the leasehold improvements for which insurance proceeds are received by the County. Upon such cancellation or termination, the County may re-enter and repossess the Leased Premises together with all improvements and additions thereto, or pursue any remedy permitted by law for the enforcement of any of the provisions of this Agreement, at County's election. Furthermore, upon such cancellation or termination, and for a reasonable time thereafter (not exceeding thirty (30) days after such cancellation or termination, and for which period Lessee will pay to the County or Manager current lease rentals), or during the term of this Agreement, if Lessee is not in default in rentals or any other charges or obligations due the County or Manager, Lessee shall have the right to remove its personal property, fixtures and trade equipment which it may have on the Leased Premises, provided the removal thereof does not impair, limit or destroy the utility of said Leased Premises or building for the purpose for which they were constructed or improved, and provided, further, that Lessee repairs all damages that might be occasioned by such removal, and restores the building and site to the condition above required.

SECTION 25

SERVICES TO LESSEE

- 25.1 County covenants and agrees that during the term of this Agreement it will operate the Airport as such for the use and benefit of the public provided, however, that the County may prohibit or limit any given type, kind, or class of aeronautical use of the Airport if such action is necessary for the safe operation of the Airport or necessary to serve the civil aviation needs of the public. The County further agrees to use its best

efforts to maintain the runways and taxiways in good repair. County agrees to keep in good repair hardsurfaced public roads for access to the Leased Premises.

- 25.2 Lessee will contract with the furnishers of all utilities for the furnishing of such services to the Leased Premises and shall pay for all water, gas, electricity, sanitary sewer service, other utilities, telephone, burglary and fire protection services furnished to the Leased Premises.
- 25.3 Lessee will also contract with the furnishers of all other utilities and services they may require for the furnishing of such services to the Leased Premises and shall pay for all other utilities and services.

SECTION 26 **SURVIVAL OF THE OBLIGATIONS OF THE LESSEE**

- 26.1 In the event that the Agreement shall have been terminated in accordance with a notice of termination as provided in Section 22 hereof, all the obligations of the Lessee under this Agreement shall survive such termination, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to County or Manager to the same extent, at the same time or times, and in the same manner as if no termination, re-entry, regaining or resumption of possession had taken place. County or Manager may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term of the Agreement.
- 26.2 The amount of damages for the period of time subsequent to termination (or re-entry, regaining or resumption of possession) on account of the Lessee's rental obligations, shall be the sum of the following:
 - 26.2.1 The amount of the total of all installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first (1st) day of the month in which the termination is effective shall be prorated for the part of the month the Agreement remains in effect on the basis of the total days in the month;
 - 26.2.2 An amount equal to all expenses incurred by County or Manager in connection with regaining possession, restoring the Leased Premises, acquiring a new lease for the Leased Premises, legal expenses (including but not limited to attorney's fees), putting the Leased Premises in order, maintenance and brokerage fees.
 - 26.2.3 An amount equal to any deficiency for the remaining term of the Lease, computed in accordance with the provisions of Section 26.2.1.

SECTION 27 **USE SUBSEQUENT TO CANCELLATION OR TERMINATION**

- 27.1 The County, upon termination or cancellation pursuant to Section 22 hereof, may occupy the Leased Premises or may enter into an agreement with another lessee and shall have the right to permit any person, firm or corporation to enter upon the Leased Premises and use the same. Such use may be of part only of the Leased Premises or of the entire Leased Premises, together with other premises, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement.

- 27.2 County shall also, upon said termination or cancellation, or upon re-entry, regaining or resumption of possession, have the right to repair and to make structural or other changes in the Leased Premises, including changes which alter its character and the suitability thereof for the purpose of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder, provided, that any structural changes shall not be at Lessee's expense.
- 27.3 In the event either of use by others or of any actual use and occupancy by County, there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said Leased Premises or portion thereof during the balance of the term of use and occupancy as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the Leased Premises as County may itself during such period actually use and occupy, all expenses, costs and disbursements incurred or paid by County in connection therewith. No such use and occupancy shall be or be construed to be an acceptance of a surrender of the Leased Premises, nor shall such use and occupancy constitute a waiver of any rights of County hereunder. County will use its best efforts to minimize damages to Lessee under this Section.

SECTION 28
LIMITATION OF RIGHTS AND PRIVILEGES GRANTED

- 28.1 Except the exclusive right of Lessee to possession of the Leased Premises, no exclusive rights at the Airport are granted by this Agreement and no greater rights or privileges with respect to the use of the Leased Premises or any part thereof are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly and specifically granted hereby.

SECTION 30
HOLDING OVER

- 30.1 No holding over by Lessee, after the termination of this lease, shall operate to extend or renew this lease for any further term whatsoever, but Lessee will, by such holding over, become the tenant-at-will of County after written notice by County or Manager to vacate such premises; and continued occupancy thereof by Lessee shall constitute Lessee a trespasser.
- 30.2 Any holding over by Lessee beyond the thirty (30) day period permitted for removal of fixtures without the written consent of the County or Manager shall make the Lessee liable to the County for damages equal to double the rentals provided for herein and which were in effect at the termination of the lease.
- 30.3 All insurance coverage that Lessee is required under the provisions hereof to maintain in effect shall continue in effect for so long as Lessee or any of Lessee's sublessees or tenants occupies the Leased Premises or any part thereof.

SECTION 31
INVALID PROVISIONS

- 31.1 The invalidity of any provisions, articles, paragraphs, portions, or clauses of this Agreement shall have no effect upon the validity of any other part or portion hereof, so long as the remainder shall constitute an enforceable Agreement.

SECTION 32
MISCELLANEOUS PROVISIONS

- 32.1 Remedies to be Nonexclusive.
All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of, or exclusive of, each other, or of any other remedy available to the County, or Lessee, at law or in equity, and the exercise of any remedy, or the existence herein of other remedies or indemnities shall not prevent the exercise of any other remedy.
- 32.2 Non-Waiver of Rights.
The failure by either party to exercise any right, or rights accruing to it by virtue of the breach of any covenant, condition or agreement herein by the other party shall not operate as a waiver of the exercise of such right or rights in the event of any subsequent breach by such other party, nor shall other party be relieved thereby from its obligations under the terms hereof.
- 32.3 Force Majeure.
Neither party shall be deemed in violation of this Agreement if it is prevented from performing any of its obligations hereunder by reason of labor disputes, acts of God, acts of the public enemy, acts of superior governmental authority or other circumstances for which it is not responsible or which is not in its control provided, however, that this section shall not excuse Lessee from paying the rentals herein specified.
- 32.4 NOT APPLICABLE.

32.5 Quiet Enjoyment.

The County covenants that as long as Lessee is not in default of any provision of this Agreement, Lessee shall and may peaceably and quietly have, hold and enjoy the Leased Premises exclusively to it during the term hereof unless sooner canceled as provided in this Agreement.

General Provisions.

- 32.6 Lessee shall not use, or permit the use of, the Leased Premises, or any part thereof, for any purpose or use other than those authorized by this Agreement.
- 32.7 This Agreement shall be performable and enforceable in El Monte, California, and shall be construed in accordance with the laws of the State of California.
- 32.8 This Agreement is made for the sole and exclusive benefit of the County and Lessee, their successors and assigns, and is not made for the benefit of any Third Party.
- 32.9 In the event of any ambiguity in any of the terms of this Agreement, it shall not be construed for or against any party hereto on the basis that such party did or did not author the same.
- 32.10 All covenants, stipulations and agreements in this Agreement shall extend to and bind each party hereto, its legal representatives, successors and assigns.
- 32.11 The titles of the several articles of this Agreement are inserted herein for convenience only, and are not intended and shall not be construed to affect in any manner the terms and provisions hereof, or the interpretation or construction thereof.
- 32.12 Nothing herein contained shall create or be construed to creating a co-partnership between the County and the Lessee or to constitute the Lessee an agent of the County. The County and the Lessee each expressly disclaim the existence of such a relationship between them.
- 32.13 County Lobbyist Ordinance.
Each County lobbyist, as defined in Los Angeles County Code Section 2.160.010, retained by Lessee, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of any County lobbyist, retained by Lessee, to fully comply with the County Lobbyist Ordinance shall constitute a Material Breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

SECTION 33
SUBORDINATION CLAUSES

- 33.1 This Agreement is subject and subordinate to the following:
- 33.1.1 County reserves the right to develop and improve the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance by or on behalf of Lessee, provided, Lessee is not deprived of the use of or access to the Leased Premises.
- 33.1.2 County reserves the right to take any action it considers necessary to protect the aerial approaches to the Airport against obstruction, together with the right to prevent Lessee from erecting or permitting to be erected any building or other structure on the Airport which, in the opinion of the County, would limit the usefulness of the Airport or constitute a hazard to aircraft.

- 33.1.3 This Agreement is and shall be subordinate to the provisions of existing and future agreements between County and the United States relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the obtaining or expenditure of Federal funds for the benefit of the Airport.
- 33.1.4 During the time of war or national emergency, County shall have the right to lease all or any part of the landing area or of the Airport to the United States for military or naval use, and if any such lease is executed, the provisions of this Agreement insofar as they may be inconsistent with the provisions of such lease to the Government, shall be suspended, but such suspension shall not extend the term of this Agreement. Abatement of rentals shall be determined by the County in proportion to the degree of interference with Lessee's use of the Leased Premises.
- 33.1.5 Except to the extent required for the performance of any obligations of Lessee hereunder, nothing contained in this Agreement shall grant to the Lessee any rights whatsoever in the airspace above the Leased Premises other than those rights where subject to Federal Aviation Administration rules, regulations and orders currently or subsequently effective.

SECTION 34
ENTIRE AGREEMENT

- 34.1 The Agreement consists of Sections 1 to 34, inclusive, and Exhibit A, Exhibit B, and Exhibit C.
- 34.2 It constitutes the entire Agreement of the parties hereto and may not be changed, modified, discharged or extended except by written instrument duly executed by the County and the Lessee. The parties agree that no representations or warranties shall be binding upon the County or the Lessee unless expressed in writing in this Agreement of Lease.

IN WITNESS WHEREOF, the Lessee has executed this Lease, or caused it to be duly executed, and the County of Los Angeles, by order of its Board of Supervisors, has caused this Lease to be executed on its behalf on the day, month, and year first written above.

(Ord. 9979 Art. 1 § 1, 1970.)

AIRPORTS AND HARBORS

- 19.04.030 Applicability of provisions.** The provisions of this chapter shall apply to any person, firm or corporation using such county airports or any navigation facility or portion thereof or space therein, provided that in no case shall the public be deprived of its rightful, equal and uniform use of the landing area or air navigation facilities. (Ord. 6703 §§ 2 and 3, 1955.)

19.08.020 Board of supervisors findings. The board of supervisors finds that high-tension wires carrying in excess of 66,000 volts in close proximity to airports present an extreme hazard to human life because of the possibility of contact with such wires by planes due to engine failure or other difficulties. (Ord. 6703 § 1, 1955.)

19.08.030 High-tension electrical lines prohibited where. A person shall not construct, establish or maintain any high-tension line carrying more than 66,000 volts of electricity within 2,000 feet of the outer boundaries of any airport unless all parts of such wire or wires are not more than 65 feet above the highest portion of such outer boundaries of the airport. (Ord. 6703 § 4, 1955.)

19.08.040 Exceptions to chapter applicability. This chapter does not apply to any high-tension line existing on June 14, 1955, the day that the ordinance codified in this chapter was adopted, unless the voltage in such line is subsequently increased or such line is raised or its position changed so as to bring it nearer to the outer boundaries of any airport. (Ord. 6703 § 5, 1955.)

AIRPORTS AND HARBORS

- 19.08.050 Violation - Penalty.** Violation of this chapter is punishable by a fine of not more than \$500.00 or by imprisonment in the County Jail for a period of not more than six months, or by both such fine and imprisonment. Each day during any portion of which any violation of any provision of this chapter is committed, continued or permitted is a separate offense. (Ord. 6703 § 7, 1955.)
- 19.08.060 Severability.** If any portion of the ordinance codified in this chapter or the application thereof to any person or circumstance is held invalid, the remainder of such ordinance and the application of such provision to other persons or circumstances shall not be affected thereby. (Ord. 6703 § 6, 1955.)
