3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

Adopt the enclosed Resolution delegating the authority to the Director of Public Works to accept storm drain improvements on behalf of the Los Angeles County Flood Control District.

IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY OF THE COUNTY OF LOS ANGELES:

1. Approve the enclosed Ordinance for introduction.
2. Approve the standard form Multiple Agreement and standard form Park Development Agreement enclosed herewith.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Los Angeles County Flood Control District is authorized to accept the transfer and conveyance of storm drains and drainage systems constructed by other public agencies for operation and maintenance by the District. As a result of the passage of Senate Bill No. 1677 on August 23, 2004, counties and cities can delegate the authority for acceptance of storm drains and drainage systems by enacting local ordinances. The enclosed Ordinance delegates the authority to the Director of Public Works to act on behalf of the District with respect to the acceptance of storm drains and drainage systems from other public agencies by adding Section 2.18.022 to Title 2-Administration of the Los Angeles County Code.

The County is also authorized to require a subdivider to enter into an Agreement with the County to construct improvements related to the subdivision, at the subdivider's expense, as a condition precedent to the approval of the final map for that subdivision. The enclosed Ordinance clarifies the authority to the Director of Public Works and the Director of Parks and Recreation to execute subdivision improvement Agreements on behalf of the County of Los Angeles by amending Section 21.32.020 of Title 21-Subdivision of the Los Angeles County Code. The purpose of the proposed Ordinance is to reduce the time and expense involved in processing the transfer of storm drain systems to the District and in processing subdivision improvement Agreements by the County.

Additionally, once approved by your Board, the standard form Multiple and Park Development Agreements will be used as the template for the subdivision improvement Agreements entered into by the Directors of Public Works and Parks and Recreation.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Service Excellence since the proposed Ordinance will enable the District and County to facilitate the process of acceptance of storm drain systems and entering into subdivision improvement Agreements.

FISCAL IMPACT/FINANCING

Maintenance of storm drains, which have been accepted in the District's flood control system, is funded with District funds. There is no increase in net County cost as a result of the acceptance of these facilities. There is also no increase in net County cost as a result of the Ordinance approved for Multiple and Park Development Agreements.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 13-3/4 of the Los Angeles County Flood Control Act authorizes the District to accept a transfer and conveyance of a storm drain improvement or drainage system within or outside the territorial limits of the District if the improvement or system benefits property within the District and the governing body of the public agency that has constructed or acquired the improvement or system requests the District to accept the transfer and conveyance of the improvement or system. On August 23, 2004, Senate Bill No. 1677 amended Section 13-3/4 to authorize the Board of Supervisors of the District to "assign a designee to act on behalf of the District regarding the acceptance of a storm drain improvement and drainage system by the District."

Government Code Section 66462 provides that if, at the time of approval of the final map by the legislative body, any public improvements required by the local agency to be constructed by the subdivider in connection with the subdivision have not been completed, the legislative body, as a condition precedent to the approval of the final map, shall require the subdivider to enter into an agreement with the local agency upon mutual agreeable terms to thereafter complete the improvements at the subdivider's expense. Section 66462 also authorizes the legislative body of a county to provide, by ordinance, that subdivision improvement agreements may be entered into by a designated official in accordance with standards adopted by the county.

The Departments of Public Works and Parks and Recreation propose to have your Board approve a standard form Agreement to be used by each Department as the template for each Department's respective subdivision improvement Agreement.

THIS AGREEMENT, made and entered into on _____, 20_____, by and between the COUNTY OF LOS ANGELES acting by and through the Director of Parks and Recreation hereinafter called the COUNTY, and _____

(Name)

(Address)

hereinafter called the SUBDIVIDER.

WITNESSETH:

This Agreement is entered into between the parties pursuant to Title 7, Division 2 of the Government Code ("The Subdivision Map Act") and Title 21, Division 1 ("The Subdivision Ordinance") of the Los Angeles County Code and to comply with the final map conditions approved for the subdivision by the Los Angeles County Regional Planning Commission/Public Hearing Officer or Regional Planning Commission/Public Hearing Officer and the Board of Supervisors of the County of Los Angeles.

Whereas the SUBDIVIDER wishes to file with the COUNTY a final map or parcel map pursuant to all applicable State and County requirements, and will, by the filing of such map or other instrument grant deed or offer for public use park land and improvements to the COUNTY, needed for the public benefit and the general use of the lot owners in the subdivision;

Whereas the COUNTY, before acceptance of any grant deed or park site offered for dedication on the final map or parcel map, desires to insure that all improvements proposed to be constructed within said park site ("Park Improvements") which are attached hereto as Exhibit A and incorporated herein by reference, meet and comply with standards and plans previously approved and implemented by the COUNTY;

Whereas the COUNTY, before approving the Park Improvements as complete and accepting said improvements for maintenance, desires to insure that the Park Improvements are constructed according to standards and plans previously approved and implemented by the COUNTY;

FIRST: The SUBDIVIDER for and in consideration of the approval of the final map of that certain land division known as Tract No./Parcel Map No. _____ hereby agrees, at the SUBDIVIDER'S own cost and expense, to furnish all labor, materials and equipment necessary to perform and complete, and within twenty-four (24) months from the date of filing of said map, or such extensions as the COUNTY approves, to perform and complete in a good and workmanlike manner, the Park Improvements detailed in Exhibit A.

The above-mentioned Park Improvements are to be constructed within and without the boundaries of said land division according to the approved plans and/or applicable Standard Specifications for park construction, as amended, which are hereby made a part of this Agreement, on file in the office of the Director of Parks and Recreation ("Director") and/or other County officials as applicable and hereby made a part of this Agreement as though fully set forth herein. That said work shall be done under the inspection of, and to the satisfaction of, the Director and/or other County official as applicable, and shall not be deemed completed until all inspection fees are paid and the work and improvements are approved or approved and accepted for maintenance by the COUNTY.

Furthermore, the SUBDIVIDER shall maintain these improvements until accepted by the COUNTY. Such maintenance includes, but is not limited to, graffiti removal, debris removal, brush/weed removal, rodent control, and concrete/asphalt and fence repairs.

SECOND: As a condition of the County's acceptance of the Park Improvements, it is further agreed that Subdivider shall convey the public park by recordable grant deed showing the fee vested with the County of Los Angeles, and free of all encumbrances except those that, as shown on the American Land Title Association (ALTA) survey prepared by Subdivider, do not interfere with the use of the property for park or recreational purposes. Subdivider's designated title company shall: provide the County with an ALTA title policy issued by a State of California licensed title company in a value equal to the cost of the Park Improvements and naming the County as a policy beneficiary; record the park deed upon County's delivery of a Certificate of Acceptance; and deliver the recorded deed to the Chief Administrative Office Real Estate Division, Property Management Section, 222 South Hill Street, Third Floor, Los Angeles, California 90012.

THIRD: That the COUNTY shall not, nor shall any officer or employee thereof, be liable or responsible for any accident, loss or damage happening or occurring within the easements offered or dedicated for improvements or to the improvements specified in this Agreement prior to the completion, approval, and acceptance for maintenance of same. Nor shall the COUNTY, nor any officer or employee thereof, be liable or responsible to persons or property damaged or injured by reason of said improvements or by reason of the acts, omissions or services of the SUBDIVIDER, its agents or employees, in performance of the construction of said improvements prior to acceptance of said improvements by the COUNTY. All of said liabilities shall be assumed by the SUBDIVIDER. The SUBDIVIDER further agrees to indemnify, defend and save harmless the COUNTY, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with the acts, omissions or services of the SUBDIVIDER, its agents or employees hereunder, including any workers' compensation suits, liability, or expense, arising from or connected with the acts, omissions or services by any person pursuant to this Agreement, or arising out of the use of any patent or patented article in the construction of said improvements. For purposes of this paragraph, any work performed by the COUNTY, its agents or employees, under authority of Chapters 16.06 and/or 16.10 of Title 16 of the Los Angeles County Code, or under authority granted to the COUNTY by Government Code Section 831.3, where such work by the COUNTY has been initiated as a result of the failure of SUBDIVIDER to comply with any specification or requirement, or by failure of the SUBDIVIDER to complete any work contemplated by this Agreement, such work by the COUNTY shall be deemed to have arisen out of and from the acts, omissions or services of the SUBDIVIDER, and for which the SUBDIVIDER agrees to indemnify, defend, and save harmless the COUNTY.

FOURTH: The SUBDIVIDER hereby grants to the COUNTY, the Surety upon any Bond, the financial institution of any improvement security, and to the agents, employees, and contractor of them the irrevocable permission to enter upon the lands of the subject land division for the purpose of completing the improvement. The permission shall terminate in the event that the SUBDIVIDER, financial institution, or the Surety has completed the work within the time specified or any extension thereof granted by the Director or other designated County official.

FIFTH: The SUBDIVIDER will at all times, from the approval of said land division to the completion of said work or improvement and acceptance for maintenance by the COUNTY as provided in the first paragraph above by the COUNTY, give good and adequate warning of each and every dangerous condition caused by the construction of said improvements and will protect the traveling public therefrom.

SIXTH: It is further agreed that the SUBDIVIDER shall have such control of the ground/area reserved for the installation of such work, and the streets in which they are to be placed, as is necessary to allow him/her to carry out this Agreement.

SEVENTH: The SUBDIVIDER hereby agrees to pay for the inspection of such work and improvements as may be required by the Director or other designated County official prior to the acceptance of said improvements by the COUNTY.

EIGHTH: The SUBDIVIDER shall give notice to the Director or other designated County official at least 24 hours before beginning any work or improvements contemplated by this Agreement and shall furnish said Director all reasonable facilities for obtaining full information respecting the progress and manner of work.

NINTH: The SUBDIVIDER agrees to grant to the COUNTY such easements and/or fee rights as are necessary for the upkeep and maintenance by the COUNTY of the improvements agreed to be constructed herein.

TENTH: The SUBDIVIDER shall perform any changes or alterations necessitated by field conditions and based on applicable standard specifications in the construction and installation of such improvements required by the COUNTY, provided that all such changes or alterations do not exceed ten percent of the original total estimated cost of such improvements. Said cost is to be borne by the SUBDIVIDER.

ELEVENTH: The SUBDIVIDER shall guarantee such improvements for a period of one year following acceptance for maintenance by the COUNTY against any defective work or labor done or defective materials in the performance of this Agreement by the SUBDIVIDER.

TWELFTH: It is further agreed that the SUBDIVIDER has filed with the COUNTY, an acceptable and sufficient improvement security in an amount not less than the estimated cost of the work and improvements, as above specified, for the faithful performance of the terms and conditions and guarantees of this Agreement and has also deposited with the COUNTY a good and sufficient payment security for labor and materials in the amount prescribed by law to secure the claims to which reference is made in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code. If said improvement security or payment security becomes insufficient in the Opinion of the COUNTY, the SUBDIVIDER agrees to renew said improvement security and/or payment security with good and sufficient improvement security and/or payment security within ten days after receiving demand therefor.

THIRTEENTH: If the SUBDIVIDER neglects, refuses, or fails to prosecute the work with such diligence as to insure its completion within the time specified, or within such extensions of said time as have been granted by the Director, or if the SUBDIVIDER violates or neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, or if the SUBDIVIDER neglects, refuses or fails to pay the inspection fees for the work and improvements, he shall be in default of this Agreement and notice in writing of such default shall be served upon him and upon any Surety or financial institution in connection with this Agreement. The Director or other designated County official, shall have the power to terminate all rights of the SUBDIVIDER in such Agreement, but said termination shall not affect or terminate any of the rights of the COUNTY as against the SUBDIVIDER, financial institution, or Surety then existing or which thereafter accrue because of such default. The determination by the Director or other designated County official of the question as to whether any of the terms of the Agreement or specifications have been violated, or have not been performed satisfactorily, shall be conclusive upon the SUBDIVIDER, his surety, and any and all other parties who may have any interest in the Agreement or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to the COUNTY under law.

FOURTEENTH: In the event legal action is brought upon this Agreement, the SUBDIVIDER hereby agrees to pay to the COUNTY reasonable attorney's fees and costs incurred in prosecuting such action, until such time as the COUNTY accepts the work and improvements completed pursuant to this Agreement.

FIFTEENTH: It is further agreed by and between the parties hereto, including the Surety or Sureties on any Bond attached to this Agreement or the financial institution guaranteeing the improvement security and payment security, that in the event it is deemed necessary by the COUNTY to extend the time of completion of the work contemplated to be done under this Agreement, said extension may be granted by the Director or other designated County official either at his/her own option or upon request of the SUBDIVIDER, and shall in no way affect the validity of this Agreement or release the Surety or Sureties on any Bond attached hereto or the financial institution guaranteeing the improvement security and payment security. SUBDIVIDER further agrees to maintain said improvement security and payment security in full force and effect during the terms of this Agreement, including any extensions of time as may be granted therein. The Director or other designated County official may condition any extension of time upon the provision of additional good and sufficient improvement security and payment security if the Director or other designated County official determines, in

his/her sole discretion, that the existing security is insufficient to guarantee the costs of completing the work and improvements.

SIXTEENTH: It is further agreed by and between the parties hereto that this Agreement firmly binds the parties, their heirs, executors, administrators, successors or assignees, jointly and severally. The SUBDIVIDER shall immediately notify the Director or other designated County official of any change in ownership or other event which alters the responsibility for completing the work and improvements.

IN WITNESS thereby, SUBDIVIDER has affixed his name and seal.

The SUBDIVIDER further agrees to indemnify, defend and save harmless the COUNTY, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with the acts, omissions or services of the SUBDIVIDER, its agents or employees hereunder, including any workers' compensation suits, liability, or expense, arising from or connected with the acts, omissions or services by any person pursuant to this agreement, or arising out of the use of any patent or patented article in the construction of said improvements. For purposes of this paragraph, any work performed by the COUNTY, its agents or employees, under authority of Chapters 16.06 and/or 16.10 of Title 16 of the Los Angeles County Code, or under authority granted to the COUNTY by Government Code Section 831.3, where such work by the COUNTY has been initiated as a result of the failure of SUBDIVIDER to comply with any specification or requirement, or by failure of the SUBDIVIDER to complete any work contemplated by this Agreement, such work by the COUNTY shall be deemed to have arisen out of and from the acts, omissions or services of the SUBDIVIDER, and for which the SUBDIVIDER agrees to indemnify, defend, and save harmless the COUNTY.

THIRD: The SUBDIVIDER hereby grants to the COUNTY, the Surety upon any Bond, the financial institution of any improvement security, and to the agents, employees, and contractor of them the irrevocable permission to enter upon the lands of the subject land division for the purpose of completing the improvement. The permission shall terminate in the event that the SUBDIVIDER, financial institution, or the Surety has completed the work within the time specified or any extension thereof granted by the Director of Public Works or other designated County official.

FOURTH: The SUBDIVIDER will at all times, from the approval of said land division to the completion of said work or improvement and acceptance for maintenance by the COUNTY as provided in the first paragraph above by the COUNTY, give good and adequate warning of each and every dangerous condition caused by the construction of said improvements and will protect the traveling public therefrom.

FIFTH: It is further agreed that the SUBDIVIDER shall have such control of the ground/area reserved for the installation of such work, and the streets in which they are to be placed, as is necessary to allow him/her to carry out this Agreement.

SIXTH: The SUBDIVIDER hereby agrees to pay for the inspection of such work and improvements as may be required by the Director of Public Works or other designated County official prior to the acceptance of said improvements by the COUNTY.

SEVENTH: The SUBDIVIDER shall give notice to the Director of Public Works or other designated County official at least 24 hours before beginning any work or improvements contemplated by this Agreement and shall furnish said Director of Public Works all reasonable facilities for obtaining full information respecting the progress and manner of work.

EIGHTH: The SUBDIVIDER agrees to grant to the COUNTY such easements and/or fee rights as are necessary for the upkeep and maintenance by the COUNTY of the improvements agreed to be constructed herein.

NINTH: The SUBDIVIDER shall perform any changes or alterations necessitated by field conditions and based on applicable standard specifications in the construction and installation of such improvements required by the COUNTY, provided that all such changes or alterations do not exceed ten percent of the original total estimated cost of such improvements. Said cost is to be borne by the SUBDIVIDER.

TENTH: The SUBDIVIDER shall guarantee such improvements for a period of one year following acceptance for maintenance by the COUNTY against any defective work or labor done or defective materials in the performance of this agreement by the SUBDIVIDER.

ELEVENTH: The SUBDIVIDER hereby agrees that all work on any County Highway, which existed prior to the filing of said map, shall be completed in accordance with the terms and provisions of Title 16, Division 1, of the Los Angeles County Code (Highway Permits). Said Code requires, in part, that once work is commenced, it shall be prosecuted in a diligent and workmanlike manner to completion. If the COUNTY determines that the SUBDIVIDER has failed to perform as therein specified, the COUNTY reserves the right to exclude the SUBDIVIDER from the site and complete the work contemplated by COUNTY forces or by separate contract. The SUBDIVIDER further agrees to reimburse the COUNTY for all charges accruing as a result of such construction by COUNTY forces or separate contract.

TWELFTH: It is further agreed that the SUBDIVIDER has filed with the COUNTY, an acceptable and sufficient improvement security in an amount not less than the estimated cost of the work and improvements, as above specified, for the faithful performance of the terms and conditions and guarantees of this Agreement and has also deposited with the COUNTY a good and sufficient payment security for labor and materials in the amount prescribed by law to secure the claims to which reference is made in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code. If said improvement security or payment security becomes insufficient in the Opinion of the COUNTY, the SUBDIVIDER agrees to renew said improvement security and/or payment security with good and sufficient improvement security and/or payment security within ten days after receiving demand therefor.

THIRTEENTH: If the SUBDIVIDER neglects, refuses, or fails to prosecute the work with such diligence as to insure its completion within the time specified, or within such extensions of said time as have been granted by the Director of Public Works, or if the SUBDIVIDER violates or neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, or if the SUBDIVIDER neglects, refuses or fails to pay the inspection fees for the work and improvements, he shall be in default of this Agreement and notice in writing of such default shall be served upon him and upon any Surety or financial institution in connection with this Contract. The Director of Public Works, or other designated County official, shall have the power to terminate all rights of the SUBDIVIDER in such contract, but said termination shall not

affect or terminate any of the rights of the COUNTY as against the SUBDIVIDER, financial institution, or Surety then existing or which thereafter accrue because of such default. The determination by the Director of Public Works or other designated County official of the question as to whether any of the terms of the Contract or specifications have been violated, or have not been performed satisfactorily, shall be conclusive upon the SUBDIVIDER, his surety, and any and all other parties who may have any interest in the Contract or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to the COUNTY under law.

FOURTEENTH: In the event legal action is brought upon this Contract, the SUBDIVIDER hereby agrees to pay to the COUNTY reasonable attorney's fees and costs incurred in prosecuting such action, until such time as the COUNTY accepts the work and improvements completed pursuant to this Agreement.

FIFTEENTH: It is further agreed by and between the parties hereto, including the Surety or Sureties on any Bond attached to this contract or the financial institution guaranteeing the improvement security and payment security, that in the event it is deemed necessary by the COUNTY to extend the time of completion of the work contemplated to be done under this Contract, said extension may be granted by the Director of Public Works or other designated County official either at his/her own option or upon request of the SUBDIVIDER, and shall in no way affect the validity of this contract or release the Surety or Sureties on any Bond attached hereto or the financial institution guaranteeing the improvement security and payment security. SUBDIVIDER further agrees to maintain said improvement security and payment security in full force and effect during the terms of this Agreement, including any extensions of time as may be granted therein. The Director of Public Works or other designated County official may condition any extension of time upon the provision of additional good and sufficient improvement security and payment security if the Director of Public Works or other designated County official determines, in his/her sole discretion, that the existing security is insufficient to guarantee the costs of completing the work and improvements.

SIXTEENTH: It is further agreed by and between the parties hereto that this contract firmly binds the parties, their heirs, executors, administrators, successors or assignees, jointly and severally. The SUBDIVIDER shall immediately notify the Director of Public Works or other designated County official of any change in ownership or other event which alters the responsibility for completing the work and improvements.

IN WITNESS thereby, SUBDIVIDER has affixed his name and seal.
