SALARY PLACEMENT FOR PETER LOO UPON APPOINTMENT TO THE
POSITION OF CHIEF INFORMATION OFFICER (UC)**

The Chief Executive Officer requests approval to appoint Mr. Peter Loo to the position of Chief Information Officer, Item No. 2580, at an annual base salary of \$333,757. This notification is required because the base salary placement onto MAPP, Tier I, Salary Range R17, (Board approved range for this position), will place Mr. Loo above the control point of the range and the salary threshold per County Code Section 6.08.370C, which is currently set at \$213,000. This salary is recommended based on Mr. Loo's extensive experience and the role he will perform as the Chief Information Officer (CIO).

Mr. Loo will report to the executive over the Policy Implementation and Alignment Branch wherein he will serve as chief technology adviser to County departments. He will play a critical role in the conceptualization and implementation of the County's strategic goals related to technology. He will also play an integral role in the implementation of information technology policies and directives as well as the development of solutions and platforms to meet the current and anticipated needs of the County.
