UPDATE TO MAY 6, 2024, MEMORANDUM REGARDING NOTICE OF SECOND SET OF RECOMMENDED CHANGES TO ALLOCATIONS IN PREVIOUSLY APPROVED AMERICAN RESCUE PLAN ACT SPENDING PLANS

On May 6, 2024, my office issued a memorandum entitled "[Notice of Second Set of Recommended Changes to Allocations in Previously Approved American Rescue Plan Act \(ARPA\) Spending Plans](#)" informing your Board of the reallocation of \$63,437,000 in available American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Funds (SLFRF) to support departmental requests. The memo detailed which ARPA programs would be impacted by the reallocation plan, including the reallocation of \$1,153,000 from the Department of Economic Opportunity's (DEO) Legal Aid for Small Business Owners program to the Executive Office's Chief Sustainability Office's (CSO) Community Food Resource Grants program.

To address questions raised by your offices, we paused the \$1,153,000 reallocation from DEO's Legal Aid for Small Business Owners program to CSO's Community Food Resource Grants Program. DEO then worked with my office to resolve contracting issues that were preventing the Legal Aid for Small Business Owners program from encumbering the \$1,153,000 in ARPA funding that was planned for reallocation. DEO now reports that it successfully reached an agreement with program's legal services provider and executed the final agreement on June 15, 2024.

Given DEO's pending contract with its legal services provider, we are no longer proceeding with the reallocation of funding from the program to CSO's Community Food Resource Grants.

Attached is a revised reallocation table reflecting these changes.
