SUBJECT: **NOTIFICATION OF THE PLANNED USE OF DELEGATED AUTHORITY TO ACCEPT A GRANT TRANSFER FROM THE ORIGINAL GRANTEE CITY OF LOS ANGELES TO USE MAINTENANCE & SERVICING FUNDING FROM PROPOSITION A 1992 MEASURE TO FUND THE REHABILITATION OF THE HANG GLIDER AREA AT DOCKWEILER STATE BEACH**

This is to notify you that I am exercising the delegated authority approved by your Board on August 10, 2021 (Attachment 1), to apply for and execute grant agreements from Federal, State, and local agencies, as well as private entities, to support County-owned and operated beach and Marina del Rey projects and programs, provided your Board is given advance notification of and an opportunity to object before grant transfer and acceptance.

On July 1, 1997, the City of Los Angeles (Grantee) and the Los Angeles County Regional Park and Open Space District (RPOSD) entered into Grant Agreement 58F6-97-0626 for the Dockweiler State Beach Improvements (Project) (Attachment 2). On April 27, 2000, the City of Los Angeles received Prop A 1992 Measure funding awarded from RPOSD. Since the completion of the initial project, the Department of Beaches and Harbors (Department) has been operating and maintaining the original project scope which includes a concession facility and hang-gliding area. The Department is seeking to complete the assignment and assumption process and have the City of Los Angeles, as grantee, assign the grant project to the Department (Attachment 3). This transfer will allow the Department to use the Prop A Maintenance and Servicing (M&S) funding that has

been allocated to the Department to restore the hang-gliding area at Dockweiler State Beach.

Unless otherwise instructed by your Board, the Department will proceed with executing the grant agreement once it has been received from RPOSD.
