The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**ACCEPT A GRANT AWARD FROM THE STATE OF CALIFORNIA
GOVERNOR'S OFFICE OF EMERGENCY SERVICES FOR THE
2026 COUNTER-UNMANNED AIRCRAFT SYSTEMS
GRANT PROGRAM AND APPROVE BUDGET ADJUSTMENT
(ALL DISTRICTS) (4-VOTES)**

SUBJECT

Requesting Board approval to authorize the Sheriff of Los Angeles County (County) to accept a grant award in the amount of \$8,652,000 from the State of California (State) Governor's Office of Emergency Services (Cal OES) for the Counter-Unmanned Aircraft System (C-UAS) Grant Program (Program), for the grant performance period of July 4, 2025, through June 30, 2028.

IT IS RECOMMENDED THAT THE BOARD:

1. Adopt the attached Resolution delegating authority to the Sheriff, or his designee, as an agent for the County, to execute the 2026 C-UAS Program award and take the actions necessary for the purpose of applying for, accepting, and administering federal financial assistance provided by the U.S. Department of Homeland Security, through the Federal Emergency Management Agency (FEMA), and sub-granted through the State of California for the C-UAS Grant Program for the current funding and all future funding years, including executing all applications, grant agreements, amendments, extensions, and closeout documents required by the grant program.

211 WEST TEMPLE STREET, LOS ANGELES, CALIFORNIA 90012

A Tradition of Service
— Since 1850 —

2. Delegate authority to the Sheriff, or his designee, as an agent for the County, to accept and execute the Cal OES grant agreement, in the amount of \$8,652,000 with no match requirement, to support the Program for the grant performance period of July 4, 2025, through June 30, 2028.
3. Delegate authority to the Sheriff, or his designee, as an agent for the County, to execute and submit all required grant documents, including, but not limited to, applications, agreements, modifications, extensions, annual expenditure reports, final reports, and payment requests, which may be necessary for the completion of the Program.
4. Delegate authority to the Sheriff, or his designee, as an agent for the County, to apply and submit a grant application to Cal OES for this Program in future fiscal years (FYs), and to execute all required grant application documents, including assurances and certifications, when and if such future funding becomes available.
5. Delegate authority to the Sheriff, or his designee, as an agent for the County, to accept all grant awards for the Program in future FYs, if awarded by Cal OES, and execute all required grant award documents, including, but not limited to, agreements, modifications, extensions, annual expenditure reports, final reports, and payment requests, which may be necessary for completion of the Program in future FYs.
6. Authorize the Internal Services Department, as the County's Purchasing Agent, to proceed with the procurement of grant-funded capital assets in excess of \$250,000.
7. Approve an appropriation adjustment to increase the Department's appropriation by \$8,652,000 (\$8,352,000 for Capital Assets – Equipment, \$120,000 for Salaries and Employee Benefits – Overtime, and \$180,000 for Services and Supplies).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The C-UAS Grant Program, administered by the U.S. Department of Homeland Security (DHS) through the Federal Emergency Management Agency (FEMA), was established under the One Big Beautiful Bill Act, 2025, to enhance state and local government capabilities to detect, identify, track, and monitor unmanned aircraft systems (UAS) that pose a threat to public safety, critical infrastructure, mass gatherings, and sensitive government operations. The program was created in response to increasing national security concerns related to the unlawful or malicious use of UAS and prioritizing jurisdictions supporting high-profile events and elevated threat environments.

The DHS, through FEMA, has awarded the County funding under the C-UAS Grant Program to strengthen the ability of the Los Angeles County Sheriff's Department (Department) to prevent, protect against, and respond to UAS-related threats in a manner consistent with applicable federal, state, and local laws. Grant funding supports the acquisition of detection and identification equipment, associated training, and the development of coordinated operational capabilities that enhance situational awareness and interoperability with regional, state, and federal partners.

Implementation of Strategic Plan Goals

The requested actions support the County Strategic Plan's North Star II: Foster Vibrant and Resilient Communities; Focus Area C: Enhance the safety of the public and our communities by addressing the risks, danger, harm, and conditions that cause, drive, or can help mitigate unlawful activity and crime, and supports law enforcement accountability and transparency.

FISCAL IMPACT/FINANCING

The C-UAS Grant is fully funded by DHS through Cal OES. There is no matching fund requirement or impact on net County cost.

Funding for this grant will be processed via a Budget Adjustment request for \$8,652,000 (\$8,352,000 for Capital Assets – Equipment, \$120,000 for Salaries and Employee Benefits – Overtime, and \$180,000 for Services and Supplies), to be offset with an equivalent amount of revenue from the C-UAS Grant.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The C-UAS Grant Program is administered by FEMA under the U.S. Department of Homeland Security. All grant-funded activities must comply with federal, state, and County requirements, including procurement standards and grant administration regulations. The Department will administer the grant in accordance with applicable guidelines and reporting requirements.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Acceptance of the C-UAS grant funds will have a positive impact on current services by enhancing the Department's ability to address emerging UAS-related threats and improve overall public and officer safety.

Grant Project Title and Description:

Fiscal Year 2026 Counter-Unmanned Aircraft Systems (C-UAS)

The C-UAS Grant Program, offered by the Department of Homeland Security as a FEMA pass-through, provides funding for public safety agencies to acquire technology that can detect and track unauthorized drones and the persons operating them, along with funding for training and planning to support these capabilities. Accepting grant funding and acquiring the technology and training would improve situational awareness, enhance security at county facilities and major events (e.g., FIFA World Cup, Olympics, etc.), and serve as a force multiplier for detecting potential drone threats in real time.
