The Trustee may further require all information it deems necessary to allow the Trustee to comply with any applicable reporting or withholding obligations under the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information. To the extent any such information is not timely provided or is incomplete or inaccurate in any respect, the Trustee will be entitled to report or withhold on any payments hereunder, without liability, to the extent it determines in its discretion such reporting or withholding, as applicable, is required under the Code.

Section 2.08 Registration of Bonds. The Trustee will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient records for the registration and registration of transfer of

the Bonds, which shall at all times during normal business hours be open to inspection and copying by the Successor Agency, upon reasonable prior notice to the Trustee; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books Bonds as hereinbefore provided.

Section 2.09 [Reserved]

Section 2.10 Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Successor Agency, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory to it and indemnity satisfactory to it shall be given, the Successor Agency, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond has matured or has been called for redemption, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee and the Successor Agency). The Successor Agency may require payment by the Owner of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.10 and of the expenses which may be incurred by the Successor Agency and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Successor Agency whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

Section 2.11 Book-Entry System.

(a) Original Delivery. The Bonds shall be initially delivered in the form of a separate single fully registered Bond without coupons (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, neither the Successor Agency nor the Trustee shall have any responsibility or obligation to any Depository System Participant or to any person on behalf of which the Depository System Participant holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, neither the Successor Agency nor the Trustee shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bondowner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the Successor Agency elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bondowner as shown in the Registration Books,

of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Successor Agency and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bondowner shall receive a Bond evidencing the obligation of the Successor Agency to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Successor Agency shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Successor Agency shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Successor Agency or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bondowners. The Trustee agrees to comply with all provisions in such letter with respect to the giving of notices thereunder by the Trustee. In addition to the execution and delivery of such letter, upon written request of the Depository or the Trustee, the Successor Agency may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Successor Agency determines to terminate the Depository as such, then the Successor Agency shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Successor Agency and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Successor Agency fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Trustee with the names and addresses of the Depository System Participants and respective ownership interests thereof.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with

respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

Section 2.12 Applicability of Provisions to Parity Debt. Unless otherwise provided in a Supplemental Indenture, the provisions of Sections 2.05 through 2.11 shall apply to all Bonds.

ARTICLE III

Section 3.01 Issuance of Bonds. Upon the execution and delivery of this Indenture, the Successor Agency shall execute and deliver to the Trustee the 2018 Bonds in the aggregate principal amount of \$_____ and the Trustee shall authenticate and deliver the 2018 Bonds upon the Written Request of the Successor Agency.

Section 3.02 Application of Proceeds of Sale and Certain Other Amounts. On the Closing Date the proceeds of sale of the 2018 Bonds received by the Trustee shall be applied as follows:

(a) The Trustee shall deposit the amount of \$_____ in the Costs of Issuance Fund.

(b) The Trustee shall deposit \$_____ in the Refunding Fund.

Section 3.03 Costs of Issuance Fund. There is hereby established a separate fund to be known as the “Costs of Issuance Fund”, which shall be held by the Trustee in trust. The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance with respect to the 2018 Bonds upon submission of a Written Request of the Successor Agency stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Request of the Successor Agency shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. On the date which is six (6) months following the Closing Date with respect to the 2018 Bonds, or upon the earlier Written Request of the Successor Agency, all amounts (if any) remaining in the Costs of Issuance Fund shall be withdrawn therefrom by the Trustee and transferred to the Interest Account within the Debt Service Fund, and the Costs of Issuance Fund shall be closed.

Section 3.04 Refunding Fund. There shall be established a separate and segregated fund to be known as the “2018 Refunding Fund” (the “Refunding Fund”). On the Closing Date with respect to the 2018 Bonds, the Trustee shall disburse the \$_____ on deposit in the Refunding Fund as follows:

(a) \$_____ shall be transferred to the Escrow Bank for deposit pursuant to the 1999 Bonds Escrow Agreement;

(b) \$_____ shall be transferred to the Escrow Bank for deposit pursuant to the 2003A Bonds Escrow Agreement;

(c) \$_____ shall be transferred to the Escrow Bank for deposit pursuant to the 2003C Bonds Escrow Agreement;

(d) \$_____ shall be transferred to the Escrow Bank for deposit pursuant to the 2011A Bonds Escrow Agreement; and

(e) \$_____ shall be transferred to the Escrow Bank for deposit pursuant to the 2011B Bonds Escrow Agreement.

Upon making such transfers, the Trustee shall close the Refunding Fund.

Section 3.05 Issuance of Parity Debt. In addition to the 2018 Bonds, the Successor Agency may issue Parity Debt to refund any outstanding 2018 Bonds, other Parity Debt [or the County Agreement] in such principal amount as shall be determined by the Successor Agency. The Successor Agency may issue and deliver any such Parity Debt subject to the following specific conditions all of which are hereby made conditions precedent to the issuance and delivery of such Parity Debt:

(a) No Event of Default hereunder or an event of default under any Parity Debt Instrument shall have occurred and be continuing unless cured by the issuance of such Parity Debt;

(b) The Parity Debt shall provide savings to the Successor Agency in compliance with Health and Safety Code Section 34177.5;

(c) In the event the Successor Agency issues Parity Debt as Bonds pursuant to a Supplemental Indenture, the Successor Agency shall cause the amount on deposit in the Reserve Account to equal the Reserve Requirement;

(d) [With respect to Parity Debt issued to refund all or a portion of the County Agreement, the Pledged Tax Revenues for the then current Fiscal Year plus, at the option of the Successor Agency, the Additional Allowance as set forth in a Written Certificate of the Successor Agency filed with the Trustee, shall be equal to [one hundred twenty-five percent (125%)] of Maximum Annual Debt Service on all Bonds and Parity Debt (including any Policy Costs owed to the 2018 Insurer) which will be Outstanding following the issuance of such Parity Debt; and]

(e) The Successor Agency shall deliver to the Trustee a Written Certificate of the Successor Agency certifying that the conditions precedent to the issuance of such Parity Debt set forth above have been satisfied.

Section 3.06 Issuance of Subordinate Debt. Notwithstanding the foregoing, no provision herein shall prevent the Successor Agency from issuing additional bonds or incurring other loans, advances or indebtedness payable from Pledged Tax Revenues on a subordinate basis to the 2018 Bonds and Parity Debt.

ARTICLE IV

SECURITY OF BONDS; FLOW OF FUNDS

Section 4.01 Security of Bonds; Equal Security. Subject to the provisions of Section 4.02 and Section 6.06 hereof allowing for the application of Pledged Tax Revenues, all Pledged Tax Revenues and the Redevelopment Obligation Retirement Fund, including the Special Fund therein and all amounts in the Redevelopment Property Tax Trust Fund, including without limitation any override tax revenues attributable to tax rate overrides levied by taxing agencies within the Project Area that were pledged to the Refunded Obligations, are irrevocably pledged under this Indenture to secure the payment of the principal of and interest or redemption premium (if any) on the 2018 Bonds and all Parity Debt without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery. Such pledge shall constitute a first and exclusive lien on and security interest in the Pledged Tax Revenues and the Redevelopment Obligation Retirement Fund, including the Special Fund therein, and all amounts in the Redevelopment Property Tax Trust Fund, including without limitation any override tax revenues attributable to tax rate overrides levied by taxing agencies within the Project Area that were pledged to the Refunded Obligations, and will attach, be perfected and be valid and binding against all parties having claims of any kind in tort, contract or otherwise against the Successor Agency, irrespective of whether such parties have notice of this Indenture; provided however, the parties hereto acknowledge that the County Auditor-Controller is authorized by Section 34183(a) of the Dissolution Act to use Pledged Tax Revenues to pay the County's administrative costs allowed under Section 34182 and Section 95.3 of the Revenue and Taxation Code and is required by Section 34183(a)(1) of the Dissolution Act to pay Pledged Tax Revenues to taxing entities pursuant to Pass-Through Agreements and Sections 33607.5, 33607.7 and 33676 of the Law (unless such payments are subordinated to payments on the 2018 Bonds and Parity Debt pursuant to Section 33607.5(e) of the Law or 34177.5(c) of the Dissolution Act). Except for the Pledged Tax Revenues, such amounts and such funds and accounts, no other moneys, funds, accounts or properties of the Successor Agency are pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the 2018 Bonds or Parity Debt except as provided in the following paragraph with respect to the 2018 Bonds and other Bonds.

The Debt Service Fund and any fund or account or sub-accounts created under this Indenture, including amounts on deposit therein (including proceeds of the 2018 Bonds), are irrevocably pledged under this Indenture to secure the payment of the principal of and interest or redemption premium (if any) on the 2018 Bonds and other Bonds without preference or priority for series issue, number, dated date, sale date, date of execution or date of delivery. Such pledge shall constitute a first and exclusive lien on and security interest in the Debt Service Fund and any other fund or account created under this Indenture, and including amounts on deposit therein (including proceeds of the 2018 Bonds), and will attach, be perfected and be valid and binding against all parties having claims of any kind in tort, contract or otherwise against the Successor Agency, irrespective of whether such parties have notice of this Indenture.

The parties acknowledge that Section 34177.5(g) of the Dissolution Act provides that the 2018 Bonds and Parity Debt are further secured by a pledge of, and lien on moneys deposited in the Redevelopment Property Tax Trust Fund held by the County Auditor Controller related to the Successor Agency, which moneys, subject to the payment by the County Auditor Controller of certain amounts to the County for administrative costs allowed under Section 34182 and Section 95.3 of the Revenue and Taxation Code and to taxing entities pursuant to Pass-Through Agreements and

Sections 33607.5, 33607.7 and 33676 of the Law (unless such payments are subordinated to payments on the 2018 Bonds and Parity Debt pursuant to Section 33607.5(e) of the Law or Section 34177.5(c) of the Dissolution Act), constitute Pledged Tax Revenues as defined herein.

In consideration of the acceptance of the 2018 Bonds and other Bonds by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Successor Agency and the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Successor Agency shall be for the equal and proportionate benefit, security and protection of all Owners of the 2018 Bonds and other Bonds without preference, priority or distinction as to security or otherwise of any of the 2018 Bonds and other Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

Section 4.02 Redevelopment Obligation Retirement Fund; Special Fund; Deposit of Pledged Tax Revenues. There is hereby established a special fund to be known as the “Special Fund” which is to be held by the Successor Agency within the Redevelopment Obligation Retirement Fund. The Special Fund shall be held by the Successor Agency separate and apart from other funds of the Successor Agency.

The Successor Agency shall deposit all of the Pledged Tax Revenues received with respect to any ROPS Period into the Special Fund promptly upon receipt thereof by the Successor Agency in accordance with Section 5.13 hereof. Except as may be provided to the contrary in this Indenture or in any Supplemental Indenture or Parity Debt Instrument, upon receipt by the Successor Agency of money from the Redevelopment Property Tax Trust Fund requested in accordance with Section 5.13, subdivisions (b) or (c), as applicable, on each January 2 and June 1 or other date(s) on which Redevelopment Property Tax Trust Fund moneys are distributed to the Successor Agency, and deposit of such amounts into the Special Fund, all Pledged Tax Revenues received by the Successor Agency in excess of such amounts shall be released from the pledge and lien hereunder and shall be applied in accordance with the Law and the Dissolution Act, including but not limited to the payment of debt service on any Subordinate Debt. Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Bonds and the payment in full of all other amounts payable hereunder and under any Supplemental Indentures or other Parity Debt Instrument, the Successor Agency shall not have any beneficial right or interest in the moneys on deposit in the Special Fund, except as may be provided in this Indenture and in any Supplemental Indenture or other Parity Debt Instrument.

Section 4.03 Deposit of Amounts by Trustee. There is hereby established a trust fund to be known as the Debt Service Fund, which shall be held by the Trustee hereunder in trust. If Parity Debt is issued, the Trustee shall establish subaccounts within each account for each issue of Parity Debt, including a separate subaccount of the Reserve Account as security for Parity Debt pursuant to a Supplemental Indenture to the extent provided under Section 3.05 hereof, if applicable. Moneys in the Special Fund shall be transferred by the Successor Agency to the Trustee in the following amounts, at the following times, and deposited by the Trustee in the following respective special accounts, which are hereby established in the Debt Service Fund, and in the following order of priority (provided further that, if on the fifth (5th) Business Day prior to the date the Successor Agency is required to transfer amounts on deposit in the Special Fund to the Trustee there are not amounts on deposit therein sufficient to make the following deposits, taking into account amounts required to be transferred with respect to Bonds other than the 2018 Bonds, the Successor Agency

shall immediately notify the Trustee of the amount of any such insufficiency and the Trustee shall deposit amounts received from the Successor Agency into sub-accounts of the Interest Account and/or Principal Account, as applicable, on a pro-rata basis):

(a) Interest Account. On or before the fifth (5th) Business Day preceding each Interest Payment Date, commencing with the Interest Payment Date of _____ 1, 20__ (with respect to the 2018 Bonds), the Successor Agency shall withdraw from the Special Fund and transfer to the Trustee, for deposit in the Interest Account an amount which when added to the amount contained in the Interest Account on that date, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No such transfer and deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Outstanding Bonds. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds redeemed prior to maturity pursuant to this Indenture). The Trustee shall establish sub-accounts within the Interest Account for the payment of interest due on the 2018 Bonds and other Bonds, provided that all such Bonds shall be paid on a parity basis.

(b) Principal Account. On or before the fifth (5th) Business Day preceding October 1 in each year beginning October 1, 20__ (with respect to the 2018 Bonds), the Successor Agency shall withdraw from the Special Fund and transfer to the Trustee for deposit in the Principal Account an amount which, when added to the amount then contained in the Principal Account, will be equal to the principal becoming due and payable on the Outstanding Serial Bonds and Outstanding Term Bonds, including pursuant to mandatory sinking account redemption, on the next October 1. No such transfer and deposit need be made to the Principal Account if the amount contained therein is at least equal to the principal to become due on the next October 1 on all of the Outstanding Serial Bonds and Term Bonds. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Serial Bonds and the Term Bonds, including by mandatory sinking account redemption, as the same shall become due and payable. The Trustee shall establish sub-accounts within the Principal Account for the payment of principal due on the 2018 Bonds and other Bonds, provided that all such Bonds shall be paid on a parity basis.

(a) Reserve Account. There is hereby established in the Debt Service Fund a separate account known as the "Reserve Account" solely as security for payments of 2018 Bonds payable by the Successor Agency pursuant to this Section 4.03 which shall in each case be held by the Trustee in trust for the benefit of the Owners of the 2018 Bonds, provided separate subaccounts may be established in the Reserve Account as separate security for any future issue of Parity Debt. The Reserve Requirement for the 2018 Bonds will be satisfied by the delivery of the 2018 Reserve Policy by the 2018 Insurer on the Closing Date with respect to the 2018 Bonds. The Successor Agency will have no obligation to replace the 2018 Reserve Policy or to fund the Reserve Account with cash if, at any time that the 2018 Bonds are Outstanding, any rating assigned to the 2018 Insurer is downgraded, suspended or withdrawn or amounts are not available under the 2018 Reserve Policy other than in connection with a draw on the 2018 Reserve Policy.

Except as provided in the preceding paragraph and as may be provided in a Supplemental Indenture or Parity Debt Instrument, in the event that the amount on deposit in the Reserve Account (or the applicable subaccount) at any time becomes less than the Reserve Requirement applicable thereto, the Trustee shall promptly notify the Successor Agency of such fact. Upon receipt of any such notice and as promptly as is permitted by the Law, the Successor Agency

shall transfer to the Trustee an amount sufficient to maintain the Reserve Requirement on deposit in the applicable Reserve Account.

The amounts available under the 2018 Reserve Policy shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account in such order of priority, in the event of any deficiency at any time in any of such accounts with respect to the payment of debt service on the 2018 Bonds.

Moneys, if any, on deposit in the Reserve Account (or the applicable account therein) shall be withdrawn and applied by the Trustee for the final payment or payments of principal of and interest on the 2018 Bonds (or the applicable account therein, respectively). The Trustee shall compute the Reserve Requirement annually on or before October 1.

In no event shall amounts in the Reserve Account (exclusive of subaccounts therein, which shall be applied in accordance with the terms of the Supplemental Indenture providing for Parity Debt) be applied to payment of any Bonds or Parity Debt other than 2018 Bonds.

Except as provided above, the amount on deposit in the Reserve Account shall be maintained at the Reserve Requirement at all times prior to the payment of the applicable series of Bonds in full. If there shall then not be sufficient Pledged Tax Revenues to transfer an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account, the Successor Agency shall be obligated to continue making transfers as Pledged Tax Revenues become available until there is an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. No such transfer and deposit need be made to the Reserve Account so long as there shall be on deposit therein a sum at least equal to the Reserve Requirement. All money in the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of making transfers pursuant to any Parity Debt Instrument and hereunder to the Interest Account and the Principal Account, in the event of any deficiency at any time in any of such accounts or for the retirement of all the Bonds then Outstanding, except that so long as the Successor Agency is not in default hereunder or under any Parity Debt Instrument, any amount in the Reserve Account in excess of the Reserve Requirement shall be withdrawn from the Reserve Account semiannually on or before two (2) Business Days preceding each April 1 and October 1 by the Trustee and deposited in the Interest Account or be applied pro rata in accordance with any applicable provision of a Parity Debt Instrument. On the Business Day preceding the final Interest Payment Date for a series of Bonds (or multiple series of Bonds issued under this Indenture or a single Parity Debt Instrument), all amounts held in the applicable subaccount of the Reserve Account shall be withdrawn from the Reserve Account and shall be transferred to the applicable subaccounts of the Interest Account and the Principal Account, in such order, for such series of Bonds, to the extent required to make the deposits then required to be made pursuant to this Section 4.03, or shall be applied pro rata as required by any Parity Debt Instrument, as applicable.

The Successor Agency shall have the right at any time to direct the Trustee to release funds from the Reserve Account, in whole or in part, by tendering to the Trustee: (i) a Qualified Reserve Account Credit Instrument, and (ii) an opinion of Bond Counsel stating that neither the release of such funds nor the acceptance of such Qualified Reserve Account Credit Instrument will cause interest on the Bonds or any Parity Debt the interest on which is excluded from gross income of the owners thereof for federal income tax purposes to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Trustee, and upon delivery by the Successor Agency to the Trustee of written calculation of the amount permitted to be released

from the Reserve Account (upon which calculation the Trustee may conclusively rely), the Trustee shall transfer such funds from the Reserve Account to the Successor Agency to be applied in accordance with the Law. The Trustee shall comply with all documentation relating to a Qualified Reserve Account Credit Instrument as shall be required to maintain such Qualified Reserve Account Credit Instrument in full force and effect and as shall be required to receive payments thereunder in the event and to the extent required to make any payment when and as required under this paragraph (d). Upon the expiration of any Qualified Reserve Account Credit Instrument, the Successor Agency shall either (i) replace such Qualified Reserve Account Credit Instrument with a new Qualified Reserve Account Credit Instrument, or (ii) deposit or cause to be deposited with the Trustee an amount of funds equal to the Reserve Requirement, to be derived from the first legally available Pledged Tax Revenues. If the Reserve Requirement is being maintained partially in cash and partially with a Qualified Reserve Account Credit Instrument, the cash shall be first used to meet any deficiency which may exist from time to time in the Interest Account or the Principal Account for the purpose of making payments required pursuant to Sections 4.03(a) or 4.03(b) of this Indenture. If the Reserve Requirement is being maintained with two or more Qualified Reserve Account Credit Instruments, any draw to meet a deficiency which may exist from time to time in the Interest Account or the Principal Account for the purpose of making payments required pursuant to Sections 4.03(a) or 4.03(b) of this Indenture shall be pro-rata with respect to each such instrument.

The Reserve Account shall be maintained in the form of one or more separate sub-accounts which are established for the purpose of holding the proceeds of separate issues of the 2018 Bonds and any Parity Debt in conformity with applicable provisions of the Code to the extent directed by the Successor Agency in writing to the Trustee.

Section 4.04 Provisions Relating to 2018 Insurance Policy. Notwithstanding any other provision herein to the contrary, so long as the 2018 Insurance Policy is in effect and the 2018 Insurer is not in default thereunder, the Successor Agency and the Trustee agree to comply with the following provisions:

[TO COME]

Section 4.05 Provisions Relating to 2018 Reserve Policy. Notwithstanding any other provision herein to the contrary, so long as the 2018 Reserve Policy is in effect, the Successor Agency and the Trustee agree to comply with the following provisions:

ARTICLE V

OTHER COVENANTS OF THE SUCCESSOR AGENCY

Section 5.01 Punctual Payment. The Successor Agency shall punctually pay or cause to be paid the principal and interest to become due in respect of all the Bonds together with the premium thereon, if any, in strict conformity with the terms of the Bonds and of this Indenture. The Successor Agency shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture, all Supplemental Indentures and the Bonds. Nothing herein contained shall prevent the Successor Agency from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

Section 5.02 Limitation on Additional Indebtedness; Against Encumbrances. The Successor Agency hereby covenants that, so long as the Bonds are Outstanding, the Successor Agency shall not issue any bonds, notes or other obligations, enter into any agreement or otherwise incur any indebtedness, which is in any case payable from all or any part of the Pledged Tax Revenues (i) on a basis senior to the Bonds or (ii) on a parity with the Bonds except for Parity Debt issued to refund any of the Bonds or other Parity Debt, and then only if the requirements of Section 3.05 are met. The Successor Agency will not otherwise encumber, pledge or place any charge or lien upon any of the Pledged Tax Revenues or other amounts pledged to the Bonds superior or equal to the pledge and lien herein created for the benefit of the Bonds.

Section 5.03 Extension of Payment. The Successor Agency will not, directly or indirectly, extend or consent to the extension of the time for the payment of any Bond or claim for interest on any of the Bonds and will not, directly or indirectly, be a party to or approve any such arrangement by purchasing or funding the Bonds or claims for interest in any other manner. In case the maturity of any such Bond or claim for interest shall be extended or funded, whether or not with the consent of the Successor Agency, such Bond or claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04 Payment of Claims. The Successor Agency shall promptly pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the Successor Agency or upon the Pledged Tax Revenues or other amounts pledged to the payment of the Bonds, or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Bonds. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said claims.

Section 5.05 Books and Accounts; Financial Statements. The Successor Agency shall keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Successor Agency and the City, in which complete and correct entries shall be made of all transactions relating to the Redevelopment Project, the Pledged Tax Revenues and the Special Fund. Such books of record and accounts shall at all times during business hours be subject to the inspection of the 2018 Insurer, any other Insurer and the Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds then Outstanding, or their representatives authorized in writing.

The Successor Agency will cause to be prepared, on or before each March 1 so long as the Bonds are Outstanding, complete audited financial statements with respect to such Fiscal Year showing the Pledged Tax Revenues, all disbursements of Pledged Tax Revenues and the financial condition of the Redevelopment Project, including the balances in all funds and accounts relating to the Redevelopment Project, as of the end of such Fiscal Year. The Successor Agency shall promptly furnish a copy of such financial statements to the Trustee, the 2018 Insurer and any other Insurer at no expense and to any Owner upon reasonable request and at the expense of such Owner. The Trustee shall have no obligation to review any financial statements provided to it by the Successor Agency.

The Successor Agency agrees, consents and will cooperate in good faith to provide information reasonably requested by the 2018 Insurer and will further provide appropriately

designated individuals and officers to discuss the affairs, finances and accounts of the Successor Agency or any other matter as the 2018 Insurer may reasonably request.

Section 5.06 Protection of Security and Rights of Owners. The Successor Agency will preserve and protect the security of the Bonds and the rights of the Owners. From and after the Closing Date with respect to Bonds, the Bonds shall be incontestable by the Successor Agency.

Section 5.07 Payments of Taxes and Other Charges. Except as otherwise provided herein, the Successor Agency will pay and discharge, or cause to be paid and discharged, all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the Successor Agency or the properties then owned by the Successor Agency in the Project Area, or upon the revenues therefrom when the same shall become due. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said taxes, assessments or charges. The Successor Agency will duly observe and conform with all valid requirements of any governmental authority relative to the Project Area or any part thereof.

Section 5.08 Taxation of Leased Property. All amounts derived by the Successor Agency pursuant to Section 33673 of the Law with respect to the lease of property for redevelopment shall be treated as Tax Revenues for all purposes of this Indenture.

Section 5.09 Disposition of Property. The Successor Agency will not participate in the disposition of any land or real property in a Project Area to anyone which will result in such property becoming exempt from taxation because of public ownership or use or otherwise (except property dedicated for public right-of-way and except property planned for public ownership or use by the Redevelopment Plan in effect on the date of issuance of the 2018 Bonds) so that such disposition shall, when taken together with other such dispositions, aggregate more than ten percent (10%) of the land area in the applicable Project Area unless such disposition is permitted as hereinafter provided in this Section 5.09. If the Successor Agency proposes to participate in such a disposition, it shall thereupon appoint an Independent Redevelopment Consultant to report on the effect of said proposed disposition. If the Report of the Independent Redevelopment Consultant concludes that the security of the Bonds, or the rights of the Successor Agency, the Bondowners and the Trustee hereunder will not be materially impaired by said proposed disposition, the Successor Agency may thereafter make such disposition. If said Report concludes that such security will be materially impaired by said proposed disposition, the Successor Agency shall disapprove said proposed disposition. This Section 5.09 shall not apply to the disposition of properties to the City pursuant to the Successor Agency's Long Range Property Management Plan prepared pursuant to Health and Safety Code Section 34191.4.

Section 5.10 Maintenance of Pledged Tax Revenues. The Successor Agency shall comply with all requirements of the Law and the Dissolution Act to ensure the allocation and payment to it of the Pledged Tax Revenues as provided in the Dissolution Act.

Section 5.11 [Reserved]

Section 5.12 Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the Successor Agency to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, the

Trustee at the request of any Participating Underwriter (as defined in the Continuing Disclosure Certificate) or the holders of at least 25% aggregate principal amount of Outstanding Bonds, shall, but only to the extent the Trustee has been indemnified from and against any loss, liability, cost or expense, including, without limitation, fees and expenses of its attorneys and advisors and additional fees and expenses of the Trustee, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 5.13 Compliance with the Dissolution Act. The Successor Agency shall comply with all of the requirements of the Law and the Dissolution Act. Without limiting the generality of the foregoing, the Successor Agency covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by the Successor Agency with its covenants hereunder.

Further, it will take all actions required under the Dissolution Act to include:

(i) scheduled debt service on the 2018 Bonds and any Parity Debt and any amount required under this Indenture to replenish the Reserve Account established hereunder or the reserve account established under any Parity Debt Instrument, and

(ii) amounts due to any Insurer hereunder or under an insurance or surety bond agreement,

in Recognized Obligation Payment Schedules for each ROPS Period so as to enable the County Auditor-Controller to distribute from the Redevelopment Property Tax Trust Fund to the Successor Agency's Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for the Successor Agency to pay principal of, and interest on, the Bonds coming due in the respective ROPS Period and to pay amounts owed to any Insurer, as well as the other amounts set forth above.

[In order to accomplish the foregoing, on or before each February 1 (or at such earlier time as may be required by the Dissolution Act), for so long as any Parity Debt is outstanding, the Successor Agency shall submit an Oversight Board-approved Recognized Obligation Payment Schedule to the State Department of Finance and to the County Auditor-Controller that shall include, from the first available Pledged Tax Revenues available to the Successor Agency during the applicable Bond Year (subject to prior payments described in Section 4.01): (i) all debt service due on all Outstanding Parity Debt coming due during such Bond Year (with one-half of such Bond Year's debt service to be distributed from the Redevelopment Property Tax Trust Fund on January 2 and the remainder of such Bond Year's debt service to be distributed from the Redevelopment Property Tax Trust Fund on June 1), as well as all amounts due and owing to the 2018 Insurer hereunder or to any other Insurer, and (ii) any amount required to cure any deficiency in the Reserve Account pursuant to this Indenture or a reserve account established under any Parity Debt Instrument (including any amounts required due to a draw on the Qualified Reserve Account Credit Instrument as well as all amounts due and owing to the 2018 Insurer hereunder).]

[In the event the provisions set forth in the Dissolution Act as of the Closing Date of the 2018 Bonds that relate to the filing of Recognized Obligation Payment Schedules are amended or modified in any manner, the Successor Agency agrees to take all such actions as are necessary to comply with such amended or modified provisions so as to ensure the timely payment of debt service on the 2018

Bonds and other Parity Debt and, if the timing of distributions of the Redevelopment Property Tax Trust Fund is changed, the receipt of (i) not less than one half of the debt service due during each Bond Year on all Outstanding Bonds prior to April 1 of such calendar year, and (ii) the remainder of debt service due during such Bond Year on all Outstanding Bonds prior to the next succeeding October 1.]

With respect to Recognized Obligation Payment Schedules, if any amounts payable to the 2018 Insurer are not included on the then current Recognized Obligation Payment Schedule, the Successor Agency shall amend such Recognized Obligation Payment Schedule to the extent permitted by law.

Section 5.14 Further Assurances. The Successor Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds the rights and benefits provided in this Indenture.

Section 5.15 Last and Final Recognized Obligation Payment Schedule. As long as the 2018 Bonds are Outstanding and the 2018 Insurer is not in default under the 2018 Reserve Policy or the 2018 Insurance Policy, the Successor Agency will not submit to the Oversight Board or the California Department of Finance a request for the final amendment permitted for its Last and Final Recognized Obligation Payment Schedule pursuant to Section 34191.6 of the California Health and Safety Code without the prior written consent of the 2018 Insurer, unless all amounts that could become due to the 2018 Insurer are included as a line item on the Last and Final Recognized Obligation Payment Schedule, as amended. If the 2018 Insurer fails to respond to a written request for consent to a Last and Final Recognized Obligation Payment Schedule within five (5) business days, the 2018 Insurer shall be deemed to have consented to such Last and Final Recognized Obligation Payment Schedule.

Section 5.16 Covenants relating to County Agreement. [Placeholder for covenants relating to repayment of amounts owed under the County Agreement.]

ARTICLE VI

THE TRUSTEE

Section 6.01 Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants, duties or obligations shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Successor Agency may remove the Trustee at any time, but only with the consent of all Insurers, upon thirty days' prior written notice, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by

an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Successor Agency has knowledge that the Trustee shall cease to be eligible in accordance with subsection (f) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the Successor Agency to the Trustee, with a copy to any Insurer, whereupon the Successor Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Successor Agency and by giving the Owners and any Insurer notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Successor Agency shall promptly appoint a successor Trustee by an instrument in writing, with notice of such appointment to be furnished to any Insurer.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction at the expense of the Successor Agency for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing, acknowledging and delivering to the Successor Agency and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Successor Agency or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Successor Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Successor Agency shall cause either the predecessor Trustee or the successor Trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Bonds and to the Owners at their respective addresses shown on the Registration Books.

(e) If an Event of Default hereunder occurs with respect to any Bonds of which the Trustee has been given or is deemed to have notice, as provided in Section 6.03(d) hereof, then the Trustee shall immediately give written notice thereof, by first-class mail to the any Insurer and the Owner of each such Bond, unless such Event of Default shall have been cured before the giving

of such notice; provided, however, that unless such Event of Default consists of the failure by the Successor Agency to make any payment when due, the Trustee shall, within thirty (30) days of the Trustee's knowledge thereof, give such notice to any Insurer, and the Trustee, with the consent of any Insurer may elect not to give such notice if and so long as the Trustee in good faith determines that it is in the best interests of the Bondowners not to give such notice.

(f) The Successor Agency agrees that, so long as any Bonds are Outstanding, the Trustee shall be: (i) a financial institution having a trust office in the State, having (or in the case of a corporation, national banking association or trust company included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$250,000,000, and subject to supervision or examination by federal or state authority; (ii) a state-chartered commercial bank that is a member of the Federal Reserve System having at least \$1,000,000,000 of assets; or (iii) an entity otherwise approved by all Insurers in writing. If such financial institution publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such financial institution shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (f), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

Section 6.02 Merger or Consolidation. Any bank, national banking association or trust company into which the Trustee may be merged or converted or with which may be consolidated or any bank, national banking association or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank, national banking association or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank, national banking association or trust company shall be eligible under subsection (f) of Section 6.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 6.03 Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Successor Agency, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the security for the Bonds or the tax status of interest thereon nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or misconduct as finally determined by a court of competent jurisdiction. The Trustee shall not be liable for the acts of any agents of the Trustee selected by it with due care. The Trustee and its officers and employees may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of

conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) The Trustee shall not be liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or misconduct of the Trustee as finally determined by a court of competent jurisdiction. Where the Trustee is given the permissive right to do things enumerated in this Indenture, such right shall not be construed as a mandatory duty.

(d) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer shall have actual knowledge thereof, or shall have received written notice thereof from the Successor Agency at its Principal Corporate Trust Office. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that no Event of Default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee may rely conclusively on the Successor Agency's certificates to establish the Successor Agency's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Pledged Tax Revenues into the Special Fund and the investment and application of moneys on deposit in the Special Fund (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(e) The Trustee shall have no liability or obligation to the Bondowners with respect to the payment of debt service on the Bonds by the Successor Agency or with respect to the observance or performance by the Successor Agency of the other conditions, covenants and terms contained in this Indenture, or with respect to the investment of any moneys in any fund or account established, held or maintained by the Successor Agency pursuant to this Indenture or otherwise.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall be entitled to interest on all amounts advanced by it at the maximum rate permitted by law.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or receivers and the Trustee shall not be responsible for any intentional misconduct or negligence on the part of any agent, attorney or receiver appointed with due care by it hereunder.

(h) The Trustee shall have no responsibility, opinion, or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

(i) Before taking any action under Article VIII or this Article at the request of the Owners or any Insurer, the Trustee may require that a satisfactory indemnity bond be furnished by the Owners or any Insurer for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is finally adjudicated by a court of competent

jurisdiction to have resulted from its negligence or willful misconduct in connection with any action so taken.

(j) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and delivered using Electronic Means (“Electronic Means” shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Successor Agency shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Successor Agency whenever a person is to be added or deleted from the listing. If the Successor Agency elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Successor Agency understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Successor Agency shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Successor Agency and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Successor Agency. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Successor Agency agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Successor Agency; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(k) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include but not be limited to acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

(l) The Trustee shall not be responsible for or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

Section 6.04 Right to Rely on Documents and Opinions. The Trustee shall have no liability in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, facsimile transmission, electronic mail, or other paper or document reasonably believed by it to be

genuine and to have been signed or prescribed by the proper party or parties, and shall not be required to make any investigation into the facts or matters contained thereon. The Trustee may consult with counsel, including, without limitation, counsel of or to the Successor Agency, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Successor Agency, which shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable. The Trustee may conclusively rely on any certificate or report of any Independent Accountant or Independent Redevelopment Consultant appointed by the Successor Agency.

Section 6.05 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times upon reasonable notice to the inspection of and copying by the Successor Agency and any Insurer and any Owner, and their agents and representatives duly authorized in writing, during regular business hours and under reasonable conditions.

Section 6.06 Compensation and Indemnification. The Successor Agency shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture in accordance with the letter proposal from the Trustee approved by the Successor Agency and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture. The Trustee shall have a lien on the Pledged Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel).

The Successor Agency further covenants and agrees to indemnify, defend and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense, including legal fees and expenses, and liabilities which it may incur to the extent arising out of or in connection with the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or misconduct of the Trustee, its officers, directors, agents or employees as finally determined by a court of competent jurisdiction. The obligations of the Successor Agency and the rights of the Trustee under this Section 6.06 shall survive resignation

or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

Section 6.07 Deposit and Investment of Moneys in Funds. Moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Reserve Account and the Costs of Issuance Fund shall be invested by the Trustee in Permitted Investments as directed by the Successor Agency in the Written Request of the Successor Agency filed with the Trustee, except that moneys in the Reserve Account shall not be invested in Permitted Investments having a maturity of more than five (5) years, unless any such Permitted Investment is described in clause (g) of the definition thereof. In the absence of any such Written Request of the Successor Agency, the Trustee shall hold any such moneys uninvested. The Trustee shall be entitled to rely conclusively upon the written instructions of the Successor Agency directing investments in Permitted Investments as to the fact that each such investment is permitted by the laws of the State, and shall not be required to make further investigation with respect thereto. With respect to any restrictions set forth in the above list which embody legal conclusions (e.g., the existence, validity and perfection of security interests in collateral), the Trustee shall be entitled to rely conclusively on an opinion of counsel or upon a representation of the provider of such Permitted Investment obtained at the Successor Agency's expense. Moneys in the Special Fund may be invested by the Successor Agency in any obligations in which the Successor Agency is legally authorized to invest its funds. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts held by the Trustee hereunder shall be deposited in the Interest Account (pro-rata among sub-accounts); *provided, however,* that all interest or gain from the investment of amounts in the Reserve Account shall be deposited by the Trustee in the Interest Account only to the extent not required to cause the balance in the Reserve Account to equal the Reserve Requirement. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made at the direction of the Successor Agency or otherwise made in accordance with this Section. For investment purposes only, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The Successor Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Successor Agency the right to receive brokerage confirmations of security transactions as they occur, the Successor Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Successor Agency monthly cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder.

All moneys held by the Trustee shall be held in trust, but need not be segregated from other funds unless specifically required by this Indenture. Except as specifically provided in this Indenture, the Trustee shall not be liable to pay interest on any moneys received by it, but shall be liable only to account to the Successor Agency for earnings derived from funds that have been invested.

If applicable, the Successor Agency covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of any tax-exempt Bonds (within the meaning of Section 148 of the Code), shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value. The Trustee shall have no duty in connection with the determination of Fair Market

Value other than to follow its normal practice in determining the value of Permitted Investments, which may include utilizing computerized securities pricing services that may be available to it including those available through its regular accounting system.

Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued by the Successor Agency at their present value (within the meaning of Section 148 of the Code). Investments on deposit in the Reserve Account shall be valued semiannually two (2) Business Days preceding each March 1 and October 1 at their Fair Market Value.

Section 6.08 Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which accurate entries shall be made of all transactions relating to the proceeds of the Bonds made by it and all funds and accounts held by the Trustee established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Successor Agency upon reasonable prior notice, at reasonable hours and under reasonable circumstances. The Trustee shall furnish to the Successor Agency, on at least a monthly basis, an accounting of all transactions in the form of its customary statements relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

Section 6.09 Other Transactions with Successor Agency. The Trustee, either as principal or agent, may engage in or be interested in any financial or other transaction with the Successor Agency.

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.01 Amendment With And Without Consent of Owners. This Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption without the consent of any Owners or any Insurer, to the extent permitted by law, but only for any one or more of the following purposes:

(a) to add to the covenants and agreements of the Successor Agency in this Indenture contained, other covenants and agreements thereafter to be observed, including any covenant or agreement that provides for additional security for the Bonds, or to limit or surrender any rights or powers herein reserved to or conferred upon the Successor Agency; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Successor Agency may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not, in the reasonable determination of the Successor Agency, materially adversely affect the interests of the Owners; or

(c) to provide for the issuance of Parity Debt in accordance with Section 3.05; or

(d) if applicable, to amend any provision hereof relating to the requirements of or compliance with the Code, to any extent whatsoever but only if and to the extent such amendment

will not adversely affect the exemption from federal income taxation of interest on any of the Bonds, in the opinion of Bond Counsel; or

(e) to comply with amendments or supplements to the Dissolution Act; or

(f) to comply with the requirements of a provider of a Qualified Reserve Account Credit Instrument; or

(g) in any other respect whatsoever as the Successor Agency may deem necessary or desirable, provided that such modification or amendment does not materially adversely affect the interests of the Bondowners or the 2018 Insurer hereunder, in the opinion of Bond Counsel filed with the Successor Agency and the Trustee.

Except as set forth in the preceding paragraph, this Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consent of each Insurer (but only with respect to any Bonds insured by such Insurer) and the Owners of a majority in aggregate principal amount of the Bonds then Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest, or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of any Insurer or the Owner of such Bond, or (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification. In no event shall any Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent. In no event shall any Supplemental Indenture adversely affect the security for the Bonds or modify any of the rights or obligations of any Insurer without its prior written consent. In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under this Indenture would adversely affect the security for the 2018 Bonds or the rights of the Owners of the 2018 Bonds, the effect of any such amendment, consent, waiver, action or inaction shall be considered as if there were no 2018 Insurance Policy.

Section 7.02 Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.03 Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Successor Agency may, with the prior written consent of any Insurer, determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Successor Agency, as to such amendment or modification and in that case upon demand of the Successor Agency the Owners of such Bonds shall present such Bonds for that purpose at the Principal Corporate Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Successor Agency may determine that new Bonds shall be prepared at the expense of the Successor Agency and executed in exchange for any or all of the Bonds, and in that case, upon

demand of the Successor Agency, the Owners of the Bonds shall present such Bonds for exchange at the Principal Corporate Trust Office of the Trustee, without cost to such Owners.

Section 7.04 Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond and, provided further that written consent to such amendment shall first be obtained from any Insurer.

Section 7.05 Opinion of Counsel. Prior to executing any Supplemental Indenture, the Trustee shall be furnished an opinion of counsel, upon which it may conclusively rely to the effect that all conditions precedent to the execution of such Supplemental Indenture under this Indenture have been satisfied and such Supplemental Indenture is authorized and permitted under this Indenture and, if applicable, does not adversely affect the exclusion of interest on any tax-exempt Bonds from gross income for federal income tax purposes or adversely affect the exemption of interest on the Bonds from personal income taxation by the State.

Section 7.06 Copy of Supplemental Indenture to S&P and Moody's. The Successor Agency shall provide to S&P and Moody's, for so long as S&P and Moody's, as the case may be, maintain a rating on any of the Bonds (without regard to any municipal bond or financial guaranty insurance), a copy of any Supplemental Indenture at least fifteen (15) days prior to its proposed effective date.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.01 Events of Default and Acceleration of Maturities. The following events shall constitute Events of Default hereunder:

(a) if default shall be made by the Successor Agency in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the Successor Agency in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of thirty (30) days following receipt by the Successor Agency of written notice from the Trustee or any Insurer or written notice from any Owner (with a copy of said notice delivered to the Trustee and any Insurer) of the occurrence of such default, provided that if in the reasonable opinion of the Successor Agency the failure stated in the notice can be corrected, but not within such thirty (30) day period, such failure will not constitute an event of default if corrective action is instituted by the Successor Agency (with the prior written consent of any Insurer) within such thirty (30) day period and the Successor Agency thereafter diligently and in good faith cures such failure in a reasonable period of time as approved by any Insurer;

(c) If the Successor Agency files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction will approve a petition by the Successor Agency

seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will approve a petition by the Successor Agency, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will assume custody or control of the Successor Agency or of the whole or any substantial part of its property; or

(d) The principal of any Parity Obligation shall be declared immediately due and payable under the terms of a Parity Debt Instrument.

In determining whether an Event of Default has occurred under (a) above, no effect shall be given to payments made under any municipal bond insurance policy, financial guaranty insurance policy or Qualified Reserve Account Credit Instrument.

If an Event of Default has occurred under this Section and is continuing, the Trustee, may, and, if requested in writing by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding the Trustee shall, (y) declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding, and (z) subject to the provisions of Section 8.06, exercise any other remedies available to the Trustee and the Bondowners in law or at equity, including an action in mandamus.

Immediately upon receiving notice or actual knowledge of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to each Insurer and to the Successor Agency by telephone promptly confirmed in writing. Such notice shall also state whether the principal of the Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in subsections (a) or (c) above the Trustee shall, and with respect to any Event of Default described in subsection (b) above the Trustee in its sole discretion may, also give such notice to the Owners by mail, which shall include the statement that interest on the Bonds shall cease to accrue from and after the date, if any, on which the Trustee shall have declared the Bonds to become due and payable pursuant to the preceding paragraph (but only to the extent that principal and any accrued, but unpaid, interest on the Bonds is actually paid on such date).

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Successor Agency shall, with the written consent of a majority in aggregate principal amount of the Owners of the Bonds then Outstanding, deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest (to the extent permitted by law), and the reasonable fees and expenses of the Trustee, (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Trustee shall promptly give written notice of the foregoing to any Insurer and the Owners of all Bonds then Outstanding, and

with the prior written approval of the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Successor Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds then Outstanding, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

Section 8.02 Application of Funds Upon Acceleration. All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture (including the Trustee's share of any Pledged Tax Revenues) and all sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration as provided in Section 8.01, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the following order upon presentation of the Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, attorneys (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and counsel and any outstanding fees and expenses of the Trustee; and

Second, to the payment of the whole amount then owing and unpaid upon the 2018 Bonds and Parity Debt for principal and interest, as applicable, with interest on the overdue principal, and installments of interest at the net effective rate then borne by the Outstanding 2018 Bonds or Parity Debt (to the extent that such interest on overdue installments of principal and interest shall have been collected), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the 2018 Bonds and Parity Debt, then to the payment of such principal and interest without preference or priority, ratably to the aggregate of such principal and interest; and

Third, to the payment of amounts required to restore the Reserve Account to the Reserve Requirement and to repay any amounts owed to the Insurer in connection with a draw on the Reserve Policy.

Section 8.03 Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Section 8.04 Limitation on Owner's Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Successor Agency, the Trustee and any Insurer written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then

Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.05 Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay from the Pledged Tax Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners or the Trustee to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner or the Trustee shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners and the Trustee by the Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners and the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners or the Trustee, the Successor Agency, the Trustee and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.06 Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, provided,

however, the Trustee shall have no duty or obligation to exercise any such right or remedy unless it has been indemnified to its satisfaction from any loss, liability or expense (including fees and expenses of its outside counsel and the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel).

Section 8.07 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

Section 8.08 Determination of Percentage of Bondowners. Whenever in this Indenture the consent, direction or other action is required or permitted to be given or taken by a percentage of the Owners of an aggregate principal amount of Outstanding Bonds (including by the Owners of a majority in aggregate principal amount of the Outstanding Bonds), such percentage shall be calculated on the basis of the principal amount of the Outstanding Bonds determined as of the next succeeding Interest Payment Date.

ARTICLE IX

MISCELLANEOUS

Section 9.01 Special Obligations. The Bonds are special obligations of the Successor Agency secured by a pledge and lien as described in Section 4.01 hereof. The Bonds are not debts, liabilities or obligations of the City of Cudahy, the State of California, or any of its political subdivisions, and neither said City, said State, nor any of its political subdivisions is liable thereon, nor in any event shall the Bonds be payable out of any funds or properties other than those pledged by the Successor Agency. The Bonds do not constitute an indebtedness in contravention of any constitutional or statutory debt limitation or restriction.

Section 9.02 Benefits Limited to Parties. Nothing in this Indenture, expressed or implied, is intended to give to any person other than the Successor Agency, each Insurer, the Trustee and the Owners, any right, remedy or claim under or by reason of this Indenture. Any covenants, stipulations, promises or agreements in this Indenture contained by and on behalf of the Successor Agency shall be for the sole and exclusive benefit of the Trustee, such Insurers and the Owners. To the extent that this Indenture confers upon or gives any Insurer any right, remedy or claim under or by reason of this Indenture, each Insurer is hereby explicitly recognized as being third-party beneficiaries hereunder and may enforce any such right remedy or claim conferred, given or granted hereunder.

Section 9.03 Successor is Deemed Included in All References to Predecessor. Whenever in this Indenture or any Supplemental Indenture either the Successor Agency or the Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the Successor Agency or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 9.04 Discharge of Indenture.

(a) If the Successor Agency shall pay and discharge the entire indebtedness on all Bonds or any portion thereof in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of and interest and premium (if any) on all or the applicable portion of Outstanding Bonds, as and when the same become due and payable;

(ii) by irrevocably depositing with the Trustee in trust or an escrow agent, at or before maturity, money which, together with the available amounts then on deposit in the funds and accounts established pursuant to this Indenture, is fully sufficient to pay all or the applicable portion of Outstanding Bonds, including all principal, interest and redemption premiums, if any, or;

(iii) by irrevocably depositing with the Trustee in trust or an escrow agent, Defeasance Obligations in such amount as an Independent Accountant shall determine will, together with the interest to accrue thereon and available moneys then on deposit in the funds and accounts established pursuant to this Indenture, be fully sufficient to pay and discharge the indebtedness on all Bonds or the applicable portion thereof (including all principal, interest and redemption premiums) at or before maturity;

then, at the election of the Successor Agency, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the Pledged Tax Revenues and other amounts, funds and accounts described in Section 4.01 hereof and all other obligations of the Trustee and the Successor Agency under this Indenture shall cease and terminate with respect to all Outstanding Bonds or, if applicable, with respect to that portion of the Bonds which has been paid and discharged, except only (A) the covenants of the Successor Agency hereunder with respect to the Code, (B) the obligation of the Trustee to transfer and exchange Bonds hereunder, (C) the obligations of the Successor Agency under Section 6.06 hereof, and (D) the obligation of the Successor Agency to pay or cause to be paid to the Owners (or any Insurer), from the amounts so deposited with the Trustee, all sums due thereon and to pay the Trustee and any Insurer all fees, expenses and costs of the Trustee and any Insurer. In the event the Successor Agency shall, pursuant to the foregoing provision, pay and discharge any portion or all of the Bonds then Outstanding, the Trustee shall be authorized to take such actions and execute and deliver to the Successor Agency all such instruments as may be necessary or desirable to evidence such discharge, including, without limitation, selection by lot of Bonds of any maturity of the Bonds that the Successor Agency has determined to pay and discharge in part.

In the case of a defeasance or payment of all of the Bonds Outstanding, any funds thereafter held by the Trustee which are not required for said purpose or for payment of amounts due the Trustee pursuant to Section 6.06 shall be paid over to the Successor Agency.

[Notwithstanding anything herein to the contrary, to accomplish the defeasance of 2018 Bonds, at least three Business Days prior to any defeasance, the Successor Agency shall deliver to the 2018 Insurer draft copies of an escrow agreement, an opinion of Bond Counsel regarding the validity and enforceability of the escrow agreement and the defeasance of such 2018 Bonds, and a verification report (a "Verification Report") prepared by an Independent Accountant regarding the sufficiency of the escrow fund. Such opinion and Verification Report shall be addressed to such Insurer and shall be in form and substance satisfactory to such Insurer. In addition, the escrow agreement shall provide that: a) any substitution of securities shall require the delivery of a

verification report, an opinion of Bond Counsel that such substitution will not adversely affect the exclusion (if interest on the 2018 Bonds is excludable) from gross income of the holders of the 2018 Bonds of the interest on the 2018 Bonds for federal income tax purposes and the prior written consent of the 2018 Insurer; and b) the Successor Agency shall not amend the escrow agreement or enter into a forward purchase agreement or other agreement with respect to rights in the escrow without the prior written consent of such Insurer.]

(b) Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due of the Bonds is paid by any Insurer, such Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Successor Agency, and the assignment and pledge of the Pledged Tax Revenues and other assets hereunder and all covenants, agreements and other obligations of the Successor Agency to the Bondowners so paid shall continue to exist and shall run to the benefit of such Insurer, and such Insurer shall be subrogated to the rights of such Bondowners, as applicable.

Section 9.05 Execution of Documents and Proof of Ownership by Owners. Any request, consent, declaration or other instrument which this Indenture may require or permit to be executed by any Owner may be in one or more instruments of similar tenor, and shall be executed by such Owner in person or by such Owner's attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

The ownership of Bonds and the amount, maturity, number and date of ownership thereof shall be proved by the Registration Books.

Any demand, request, direction, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Successor Agency or the Trustee and in accordance therewith, provided, however, that the Trustee shall not be deemed to have knowledge that any Bond is owned by or for the account of the Successor Agency unless the Successor Agency is the registered Owner or the Trustee has received written notice that any other registered Owner is such an affiliate.

Section 9.06 Disqualified Bonds. In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned or held by or for the account of the Successor Agency or the City (but excluding Bonds held in any employees' retirement fund) shall be disregarded and deemed not to be Outstanding for the purpose of any such determination. Upon request of the Trustee, the Successor Agency and the City shall specify in a certificate to the Trustee those Bonds disqualified pursuant to this Section and the Trustee may conclusively rely on such certificate.

Section 9.07 Waiver of Personal Liability. No member, officer, agent or employee of the Successor Agency shall be individually or personally liable for the payment of the principal or

interest or any premium on the Bonds; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.08 Destruction of Cancelled Bonds. Whenever in this Indenture provision is made for the surrender to the Trustee of any Bonds which have been paid or cancelled pursuant to the provisions of this Indenture, the Trustee shall destroy such bonds and upon request of the Successor Agency provide the Successor Agency a certificate of destruction. The Successor Agency shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Bonds therein referred to.

Section 9.09 Notices. Any notice, request, demand, communication or other paper shall be sufficiently given and shall be deemed given when delivered or upon receipt when mailed by first class, registered or certified mail, postage prepaid, or sent by facsimile, addressed as follows:

Section 9.10 Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Indenture shall for any reason be held illegal, invalid or unenforceable, such holding shall not affect the validity of the remaining portions of this Indenture. The Successor Agency hereby declares that it would have adopted this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Indenture may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the Trustee is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the Trustee hereunder shall, pending appointment of a successor Trustee in accordance with the provisions of Section 6.01 hereof, be assumed by and vest in the Finance Officer of the Successor Agency in trust for the benefit of the Owners. Anything contained herein to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of the interest or premium (if any) on or principal of the Bonds which remains unclaimed for two (2) years after the date when the payments of such interest, premium and principal have become payable, if such money was held by the Trustee at such date, or for two (2) years after the date of deposit of such money if

deposited with the Trustee after the date when the interest and premium (if any) on and principal of such Bonds have become payable, shall be repaid by the Trustee to the Successor Agency as its absolute property free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Bondowners shall look only to the Successor Agency for the payment of the principal of and interest and redemption premium (if any) on of such Bonds.

This Bond is one of a duly authorized issue of bonds of the Successor Agency designated as “Successor Agency to the Former Cudahy Community Development Commission Taxable Tax Allocation Refunding Bonds, Series 2018” (the “Bonds”), of an aggregate principal amount of \$_____, all of like tenor and date (except for such variation, if any, as may be required to designate varying series, numbers, maturities, interest rates, or redemption, if any, and other provisions) and all issued pursuant to the provisions of Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State (the “Refunding Law”), the Dissolution Act (as such term is defined in the Indenture), and the Community Redevelopment Law, constituting Part 1 of Division 24 of the California Health and Safety Code (the “Law”), and pursuant to an Indenture of Trust, dated as of _____ 1, 2018, entered into by and between the Successor Agency and the Trustee (the “Indenture”), providing for the issuance of the Bonds.

The Bonds are being issued in the form of registered Bonds without coupons. Additional Parity Debt may be issued on a parity with the Bonds, but only subject to the terms of the Indenture. Reference is hereby made to the Indenture (copies of which are on file at the office of the Successor Agency) and all indentures supplemental thereto and to the Dissolution Act and the Law for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Pledged Tax Revenues (as that term is defined in the Indenture), and the rights thereunder of the Registered Owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Successor Agency thereunder, to all of the provisions of which Indenture the Registered Owner of this Bond, by acceptance hereof, assents and agrees. Capitalized terms not otherwise defined herein shall have the meanings given them in the Indenture.

The Bonds have been issued by the Successor Agency for the purpose of providing funds to refinance certain bonds issued by the Former Agency with respect to the Project Area (as such terms are each defined in the Indenture) and to pay certain expenses of the Successor Agency in issuing the Bonds.

The Bonds are special obligations of the Successor Agency and this Bond and the interest hereon and all other Bonds and the interest thereon (to the extent set forth in the Indenture), are secured by a statutory pledge of, and lien on, Pledged Tax Revenues deposited in the Redevelopment Property Tax Trust Fund held by the Auditor-Controller of the County of Los Angeles, subject to the payment of certain amounts to taxing entities pursuant to the Dissolution Act, and a pledge of, security interest in and lien on the Pledged Tax Revenues, as more fully described in the Indenture, on deposit in the Redevelopment Obligation Retirement Fund, including the Special Fund therein, and the Debt Service Fund and any fund or account created under the Indenture, and are payable from Pledged Tax Revenues remaining after payment of certain amounts to certain taxing entities as provided in the Dissolution Act and this Indenture.

There has been created, and will be maintained by, the Successor Agency the Special Fund (as defined in the Indenture) into which Pledged Tax Revenues deposited by the Auditor-Controller of the County of Los Angeles in the Redevelopment Obligation Retirement Fund shall be transferred and from which the Successor Agency shall transfer amounts to the Trustee for payment, when due, of the principal of and the interest and redemption premium, if any, on the Bonds and any additional Bonds (as defined in the Indenture).

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

The Bonds are issuable as fully registered Bonds without coupons in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, tenor and maturity.

This Bond is transferable upon the Registration Books, by the person in whose name it was registered, in person or by a duly authorized attorney of such person upon surrender to the Trustee at the Principal Corporate Trust Office for cancellation, but only in the manner and subject to the limitations provided in the Indenture. Upon registration of such transfer a new fully registered Bond or Bonds, of any authorized denomination or denominations, for the same aggregate principal amount and of the same series, tenor and maturity will be issued to the transferee in exchange herefor. The Trustee may refuse to transfer or exchange (a) any Bond during the fifteen (15) days prior to the date established for the selection of Bonds for redemption, if any, or (b) any Bond selected for redemption, if any.

The rights and obligations of the Successor Agency and the Registered Owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided herein of any Bond without the express written consent of the respective Insurer and the Registered Owner of such Bond, or (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification. In no event shall a Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent. In no event

shall any Supplemental Indenture modify any of the rights or obligations of any Insurer without its prior written consent.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”), to the Successor Agency or the Trustee for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Bond is not a debt, liability or obligation of the City of Cudahy, the State of California, or any of its political subdivisions, and neither said City, said State, nor any of its political subdivisions is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those pledged by the Successor Agency. The Bonds do not constitute an indebtedness in contravention of any constitutional or statutory debt limitation or restriction.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Law and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Successor Agency, does not exceed any limit prescribed by the Law or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee’s Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Successor Agency to the Former Cudahy Community Development Commission has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its Executive Director and attested by the facsimile signature of its Secretary, all as of the Dated Date set forth above.

**[FORM OF ESCROW AGREEMENT – TO BE DUPLICATED FOR EACH
SERIES OF PRIOR BONDS]**

2003C BONDS ESCROW AGREEMENT

This ESCROW AGREEMENT (the “Agreement”), dated as of _____ 1, 2018, is by and between the Successor Agency to the Former Cudahy Community Development Commission (the “Agency”), as successor to the Cudahy Community Development Commission (the “Prior Agency”), and The Bank of New York Mellon Trust Company, N.A., a national banking association having a corporate trust office in Los Angeles, California, and being qualified to accept and administer the escrow hereby created (the “Escrow Bank”).

WITNESSETH:

WHEREAS, pursuant to an Indenture of Trust (the “Prior Indenture”), by and between the Prior Agency and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Prior Trustee”), the Prior Agency issued its City-Wide Redevelopment Project Tax Allocation Refunding Bonds, Series 2003C (Tax Exempt-Subordinate) (the “Prior Bonds”); and

WHEREAS, pursuant to an Indenture of Trust dated as of _____ 1, 2018 (the “Indenture”), by and between the Agency and The Bank of New York Mellon Trust Company, N.A., as trustee, the Agency issued its Taxable Tax Allocation Refunding Bonds, Series 2018 (the “Refunding Bonds”), for the purpose of providing moneys which, together with certain other amounts held under the Prior Indenture, will be sufficient to redeem the portion of the outstanding Prior Bonds set forth on Schedule A attached hereto (such refunded portion of the Prior Bonds, the “Refunded Bonds”) on [October 1, 2018] at a redemption price equal to the principal amount thereof plus accrued interest thereon to the redemption date, without premium (the “Redemption Price”); and

WHEREAS, a portion of the proceeds of the Refunding Bonds shall be set aside in order to provide for the payment of the Refunded Bonds and that such proceeds shall be deposited in a special escrow fund to be created hereunder and maintained by the Escrow Bank (the “Escrow Fund”); and

WHEREAS, the Agency has taken action to cause to be delivered to the Escrow Bank, for deposit in the Escrow Fund, proceeds of the Refunding Bonds for the purchase of certain securities and investments consisting of direct noncallable obligations of the United States of America as listed on Schedule B attached hereto and made a part hereof (the “Investment Securities”), in an amount which, together with the cash deposit described herein and the income to accrue on such Investment Securities, is intended by the Agency to be sufficient, upon the maturity of such Investment Securities, to pay the principal of and interest on the Refunded Bonds through and including [October 1, 2018], and to redeem the Refunded Bonds on [October 1, 2018] at the Redemption Price;

NOW, THEREFORE, the Agency and the Escrow Bank hereby agree as follows:

Section 1. Establishment, Funding and Maintenance of Escrow Fund.

(a) The Escrow Bank agrees to establish and maintain the Escrow Fund until final payment of the Refunded Bonds has been paid in full and to hold the securities, investments and moneys therein at all times as a special and separate escrow fund (wholly segregated from all other

securities, investments or moneys on deposit with the Escrow Bank). The Agency shall deposit with the Escrow Bank \$_____ of proceeds of the Bonds along with \$_____ from funds held under the Prior Indenture. All securities, investments and moneys in the Escrow Fund are hereby irrevocably pledged, subject to the provisions of Section 2 hereof, to secure the payment of the Refunded Bonds. The Escrow Bank shall purchase Investment Securities as described in Schedule B at a cost of \$_____ and shall hold \$_____ uninvested in cash.

(b) The Escrow Bank hereby acknowledges receipt of the verification report of _____, dated _____, 2018 relating to the Investment Securities (the “Verification Report”) with respect to the Agency’s defeasance of the Refunded Bonds in the manner and to the extent provided by law and in [Section 1101] of the Prior Indenture.

Section 2. Investment of the Escrow Fund.

(a) The Agency and the Escrow Bank each shall take all remaining action, if any, necessary to have the Investment Securities issued and registered in the name of the Escrow Bank for the account of the Escrow Fund. Except as otherwise provided in this Section, the Escrow Bank shall not reinvest any cash portion of the Escrow Fund and shall hold such cash portion uninvested.

(b) Upon the written direction of the Agency, but subject to the conditions and limitations herein set forth, the Escrow Bank shall sell, transfer, request the redemption or otherwise dispose of some or all of the Investment Securities in the Escrow Fund and purchase with the proceeds derived from such sale, transfer, redemption or other disposition noncallable, non prepayable obligations constituting direct obligations issued by the United States Treasury or obligations which are unconditionally guaranteed as to full and timely payment by the United States of America (the “Substitute Investment Securities”). Such sale, transfer, redemption or other disposition of Investment Securities and purchase of Substitute Investment Securities shall be effected by the Escrow Bank upon the written direction of the Agency but only by a simultaneous transaction and only if (i) a nationally recognized firm of independent certified public accountants shall certify that (a) the Substitute Investment Securities, together with the Investment Securities which will continue to be held in the Escrow Fund, will mature in such principal amounts and earn interest in such amounts and, in each case, at such times so that sufficient moneys will be available from maturing principal and interest on such Investment Securities and Substitute Investment Securities held in the Escrow Fund, together with any uninvested moneys therein, to make all payments required by Section 3 hereof which have not previously been made, and (b) the amounts and dates of the anticipated payments by the Escrow Bank of the principal and interest on the Refunded Bonds will not be diminished or postponed thereby, and (ii) the Escrow Bank shall receive an unqualified opinion of nationally recognized municipal bond attorneys to the effect that the proposed sale, transfer, redemption or other disposition and substitution of Investment Securities will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Refunding Bonds and the Refunded Bonds.

(c) Upon the written direction of the Agency, but subject to the conditions and limitations herein set forth, the Escrow Bank will apply any moneys received from the maturing principal of or interest or other investment income on any Investment Securities and Substitute Investment Securities held in the Escrow Fund, or the proceeds from any sale, transfer, redemption or other disposition of Investment Securities pursuant to Section 2(b) not required for the purposes of said Section, as follows: to the extent such moneys will not be required at any time for the purpose of making a payment required by Section 3 hereof, as certified by a nationally recognized firm of

independent certified public accountants, such moneys shall be transferred to the Agency upon the written direction of the Agency as received by the Escrow Bank, free and clear of any trust, lien, pledge or assignment securing the Refunded Bonds or otherwise existing hereunder or under the Prior Indenture.

Section 3. Payment of the Refunded Bonds. The Agency hereby requests and irrevocably instructs the Escrow Bank, and the Escrow Bank hereby agrees, to collect and deposit in the Escrow Fund the principal of and interest on the Investment Securities and Substitute Investment Securities held for the account of the Escrow Fund promptly as such principal and interest become due, and, subject to the provisions of Section 2 hereof, to pay such principal and interest, together with any other moneys and the principal of and interest on any other securities deposited in the Escrow Fund, to the Prior Trustee for the payment of the Refunded Bonds at the places and in the manner stipulated in the Refunded Bonds and in the Prior Indenture. The Agency hereby irrevocably instructs the Prior Trustee to provide the Notice of Redemption required pursuant to [Section 602] of the Prior Indenture. The Agency hereby further irrevocably instructs the Escrow Bank to provide the Notice of Defeasance in substantially the form set forth in Schedule D hereto. In accordance with Sections 602 and 1101] of the Prior Indenture, the Escrow Bank is irrevocably instructed to make all payments of principal and interest due on the Refunded Bonds on and prior to [October 1, 2018] and to redeem the Refunded Bonds on [October 1, 2018] at a redemption price equal to the principal amount thereof, without premium. Upon payment in full of the Refunded Bonds, the Escrow Bank shall transfer any moneys or securities remaining in the Escrow Fund to the Agency and this Agreement shall terminate. The Escrow Fund cash flow is set forth in Schedule C attached hereto.

Section 4. Possible Deficiencies; Amounts in Excess of Required Cash Balance.

(a) If at any time the Escrow Bank has actual knowledge that the moneys in the Escrow Fund, including the anticipated proceeds of the Investment Securities and any Substitute Investment Securities, will not be sufficient to make all payments required by Section 3 hereof, the Escrow Bank shall notify the Agency in writing as soon as is reasonably practicable, of such fact, the amount of such deficiency and the reason therefor solely to the extent actually known to it; provided, however, the Agency shall have no liability for any deficiency and shall not be required to provide funds to eliminate any such deficiency.

(b) The Escrow Bank shall in no manner be responsible for any deficiency in the Escrow Fund.

Section 5. Fees and Costs.

(a) The Agency shall pay to the Escrow Bank from time to time reasonable compensation for all services rendered under this Agreement and shall reimburse the Escrow Bank for all out of pocket expenses (including reasonable legal fees and expenses) incurred hereunder.

(b) The fees of and the costs incurred by the Escrow Bank shall in no event be deducted or payable from, or constitute a lien against, the Escrow Fund.

Section 6. Merger or Consolidation. Any company into which the Escrow Bank may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Escrow Bank may sell or transfer all or substantially all of its corporate trust business, provided such

company shall be eligible under this Agreement, shall be the successor to such Escrow Bank without the execution or filing of any paper or any further act, notwithstanding anything herein to the contrary.

Section 7. Indemnity. To the maximum extent permitted by law, the Agency hereby assumes liability for, and hereby agrees (whether or not any of the transactions contemplated hereby are consummated) to indemnify, protect, save and keep harmless the Escrow Bank and its respective successors, assigns, directors, officers, agents, employees and servants, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements) of whatsoever kind and nature which may be imposed on, incurred by, or asserted against, the Escrow Bank at any time (whether or not also indemnified against the same by the Agency or any other person under any other agreement or instrument, but without double indemnity) in any way relating to or arising out of the execution, delivery and performance of this Agreement, the establishment hereunder of the Escrow Fund, the acceptance of the funds and securities deposited therein, the purchase of the Investment Securities and any Substitute Investment Securities, the retention of the Investment Securities and any Substitute Investment Securities or the proceeds thereof and any payment, transfer or other application of moneys or securities by the Escrow Bank in accordance with the provisions of this Agreement; provided, however, that the Agency shall not be required to indemnify the Escrow Bank against the Escrow Bank's own negligence or willful misconduct or the negligent or willful misconduct of the Escrow Bank's respective successors, assigns, agents and employees or the breach by the Escrow Bank of the terms of this Agreement. In no event shall the Agency or the Escrow Bank be liable to any person by reason of the transactions contemplated hereby other than to each other as set forth in this section. The indemnities contained in this section shall survive the termination of this Agreement and the resignation or removal of the Escrow Bank.

Section 8. Responsibilities of the Escrow Bank. The Escrow Bank and its respective successors, assigns, agents and servants shall not be held to any personal liability whatsoever, in tort, contract, or otherwise, in connection with the execution and delivery of this Agreement, the establishment of the Escrow Fund, the acceptance of the moneys or securities deposited therein, the purchase of the Investment Securities and any Substitute Investment Securities, the retention of the Investment Securities and any Substitute Investment Securities or the proceeds thereof, the sufficiency of the Investment Securities and any Substitute Investment Securities to accomplish the defeasance of the Refunded Bonds or any payment, transfer or other application of moneys or obligations by the Escrow Bank in accordance with the provisions of this Agreement or by reason of any non-negligent act, non-negligent omission or non-negligent error of the Escrow Bank made in good faith in the conduct of its duties. The recitals of fact contained in the "Whereas" clauses herein shall be taken as the statements of the Agency and the Escrow Bank assumes no responsibility for the correctness thereof. The Escrow Bank makes no representation as to the sufficiency of the Investment Securities and any Substitute Investment Securities to accomplish the defeasance of the Refunded Bonds or to the validity of this Agreement as to the Agency and, except as otherwise provided herein, the Escrow Bank shall incur no liability with respect thereto. The Escrow Bank shall not be liable in connection with the performance of its duties under this Agreement except for its own negligence, willful misconduct or default, and the duties and obligations of the Escrow Bank shall be determined by the express provisions of this Agreement and no implied covenants or obligations shall be read against the Escrow Bank hereunder. The Escrow Bank may consult with counsel, who may or may not be counsel to the Agency, and in reliance upon the written opinion of such counsel shall have full and complete authorization and protection with respect to any action taken, suffered or omitted by it in good faith in accordance therewith. No provisions of this

Agreement shall require the Escrow Bank to expend or risk its own funds or otherwise incur any financial liability by the performance or exercise of its rights or powers. Whenever the Escrow Bank shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering, or omitting any action under this Agreement, such matter may be deemed to be conclusively established by a certificate signed by an authorized officer of the Agency.

The Escrow Bank may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Escrow Bank may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed.

Anything in this Agreement to the contrary notwithstanding, in no event shall the Escrow Bank be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Escrow Bank has been advised of the likelihood of such loss or damage and regardless of the form of action. The Escrow Bank shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Escrow Bank and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

The Escrow Bank agrees to accept and act upon instructions or directions pursuant to this Agreement sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Escrow Bank shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Agency elects to give the Escrow Bank e-mail or facsimile instructions (or instructions by a similar electronic method) and the Escrow Bank in its discretion elects to act upon such instructions, the Escrow Bank's understanding of such instructions shall be deemed controlling. The Escrow Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Escrow Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Agency agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Escrow Bank, including without limitation the risk of the Escrow Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties.

The Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Agency the right to receive brokerage confirmations of security transactions as they occur, the Agency specifically waives receipt of such confirmations to the extent permitted by law. The Escrow Bank will furnish the Agency periodic cash transaction statements which include detail for all investment transactions made by the Escrow Bank hereunder.

If the Escrow Bank learns that the Department of the Treasury or the Bureau of Public Debt will not, for any reason, accept a subscription of Investment Securities that is to be submitted pursuant to this Agreement, the Escrow Bank shall promptly request alternative written investment

instructions from the Agency with respect to escrowed funds which were to be invested in Investment Securities. The Escrow Bank shall follow such instructions and, upon the maturity of any such alternative investment, the Escrow Bank shall hold funds uninvested and without liability for interest until receipt of further written instructions from the Agency. In the absence of investment instructions from the Agency, the Escrow Bank shall not be responsible for the investment of such funds or interest thereon. The Escrow Bank may conclusively rely upon the Agency's selection of an alternative investment as a determination of the alternative investment's legality and suitability and shall not be liable for any losses related to the alternative investments or for compliance with any yield restriction applicable thereto.

The Escrow Bank shall have no liability or responsibility for any loss resulting from any investment made in accordance with the provisions of this Agreement.

The Escrow Bank shall not be liable for the accuracy of any calculations provided as to the sufficiency of the moneys or Federal securities deposited with it to pay the principal, interest, or premiums, if any, on the Bonds.

Section 9. Amendments. This Agreement is made for the benefit of the Agency and the owners from time to time of the Refunded Bonds and it shall not be repealed, revoked, altered or amended without the written consent of all such owners, the Escrow Bank and the Agency; provided, however, that if the Agency and the Escrow Bank receive an opinion of nationally recognized bond attorneys to the effect that the exclusion from gross income for federal income tax purposes of the interest on the Refunded Bonds and the Bonds will not be adversely affected thereby, they may, without the consent of, or notice to, such owners, amend this Agreement or enter into such agreements supplemental to this Agreement as shall not materially adversely affect the rights of such owners and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes: (i) to cure any ambiguity or formal defect or omission in this Agreement; (ii) to grant to, or confer upon, the Escrow Bank for the benefit of the owners of the Refunded Bonds any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such owners or the Escrow Bank; (iii) to include under this Agreement additional funds, securities or properties (but only if the sufficiency of the Escrow Fund for the purpose herein set forth is verified by a nationally recognized firm of independent certified public accountants) and shall hold funds received by it uninvested. The Escrow Bank shall be entitled to rely conclusively upon an unqualified opinion of nationally recognized municipal bond attorneys with respect to compliance with this Section 9, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the owners of the Refunded Bonds or that any instrument executed hereunder complies with the conditions and provisions of this Section 9.

Section 10. Application of Certain Terms of the Prior Indenture. All of the terms of the Prior Indenture relating to the making of payments of principal and interest with respect to the Prior Bonds and relating to the exchange or transfer of the Prior Bonds are incorporated in this Agreement as if set forth in full herein. The procedures set forth in [Article VIII] of the Prior Indenture relating to the removal, resignation and merger of the Prior Bonds Trustee under the Prior Indenture are also incorporated in this Agreement as if set forth in full herein and shall be the procedures to be followed with respect to any removal, resignation or merger of the Escrow Bank hereunder.

Section 11. Severability. If any section, paragraph, sentence, clause or provision of this Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or

unenforceability of such section, paragraph, sentence, clause or provision shall not affect any of the remaining provisions of this Agreement.

Section 12. Execution of Counterparts. This Agreement may be executed in any number of counterparts, each of which shall for all purposes be deemed to be an original and all of which shall together constitute but one and the same instrument.

Section 13. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

Section 14. Definitions. Any capitalized term used but not otherwise defined in this Agreement shall have the meaning assigned to such term in the Prior Indenture.

Section 15. Assignment. This Agreement shall not be assigned by the Escrow Bank or any successor thereto without the prior written consent of the Agency provided, however, that an assignment made pursuant to Section 6 hereof shall not require prior written consent.

Section 16. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Agreement, shall be a legal holiday or a day on which banking institutions in which the principal office of the Escrow Bank is located are authorized by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are authorized by law to remain closed, with the same force and effect as if done on the nominal date provided in this Agreement; and no interest shall accrue for the period from and after such nominal date.

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Indenture for amendments to the Indenture with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first Annual Report filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to this Disclosure Certificate modifying the accounting principles to be followed in preparing financial statements, the Annual Report for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting

principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the Successor Agency to meet its obligations. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Certificate in the event of any failure of the Successor Agency to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the Successor Agency agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The Dissemination Agent shall have no duty or obligation to review any information provided to it by the Successor Agency hereunder, and shall not be deemed to be acting in any fiduciary capacity for the Successor Agency, the Bond holders or any other party. The obligations of the Successor Agency under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

(b) The Dissemination Agent shall be paid compensation by the Successor Agency for its services provided hereunder in accordance with its schedule of fees as amended from time to time, and shall be reimbursed for all expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder.

Section 13. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Successor Agency, the Dissemination Agent, the Participating Underwriter and the holders and

RE: **Independent Municipal Advisor’s Report: Debt Service Savings Analysis for Successor Agency to the Former Cudahy Community Development Commission, Taxable Tax Allocation Refunding Bonds, Series 2018**

Background

The Successor Agency to the Former Cudahy Community Development Commission (the “Agency”) is authorized under Section 34177.5 of the State Health and Safety Code to issue refunding tax allocation bonds (“TABs”) for economic savings within the parameters set forth in Section 34177.5(a)(1) of the State Health and Safety Code (the “Savings Parameters”). In addition, Section 34177.5 of the State Health and Safety Code provides, in relevant part, that the Agency “...shall make use of an independent financial advisor in developing financing proposals and shall make the work products of the financial advisor available to the Department of Finance at its request” (State Health & Safety Code Section 34177.5(h), effective 6/27/12). Urban Futures, Inc., has been retained by the Agency to serve as its independent municipal advisor to determine compliance with the Savings Parameters for purposes of the issuance by the Agency of its Taxable Tax Allocation Refunding Bonds, Series 2018 (“2018 TABS”).

This report in draft form may be used in presentations to the Agency Board and Oversight Board but will be final only after the pricing of the 2018 TABS and verification of final debt service savings. The 2018 TABS will be issued to refund, on a taxable basis, the Series 1999 (Taxable) Subordinated Tax Allocation Refunding Bonds (the “1999 Bonds”), the Series 2003A Tax-Exempt Tax Allocation Refunding Bonds (the “2003A Bonds”), the Series 2003C Tax-Exempt Subordinate Tax Allocation Refunding Bonds (the “2003C Bonds”), the Series 2011A (Housing Projects) Tax Allocation Bonds (the “2011A Bonds”), and the Series 2011B (Redevelopment Projects) Tax Allocation Bonds (the “2011B Bonds”), and together (the “Prior Bonds”).

Plan of Refunding

The Agency has selected Samuel A. Ramirez & Co., Inc. (the “Underwriter”) to structure and negotiate the refunding of the Prior Bonds. The financing goal is to maximize economic savings by reducing total debt service.

The City of Cudahy's Debt Issuance and Management Policy, to be approved by the City Council on May 15, 2018, states that "the City will generally seek to achieve debt service savings which, on a net present value basis, are at least 3% of the debt being refinanced...Notwithstanding the foregoing, a refunding by the Successor Agency to the Former Cudahy Community Development Commission shall be determined based on the requirements of Health and Safety Code Section 34177.5." Based on market conditions as of 4/2/18, the Underwriter projects the refunding of the Prior Bonds with proceeds of the 2018 TABS will achieve a Net PV savings of approximately \$1.2 million, or 7.25% of refunded par, as shown in Table 3. The Underwriter's estimates include the following key assumptions: (i) 2018 TABS will refund all of the Successor Agency's currently outstanding Tax Allocation Bonds on a taxable basis; (ii) an underlying rating of "A-" is assigned by S&P to the 2018 TABS, and (iii) use of bond insurance and a surety. The savings generated from this refunding are anticipated to result in higher property tax distributions to the City of Cudahy and other taxing entities in the future.

Proposed Refunding Complies With State Law

Based on the 2018 TABS proposed structure and the projected debt service savings according to numbers prepared by the Underwriter, Urban Futures, Inc. concludes that the 2018 TABS comply with the Savings Parameters as described below.

A. Total debt service (principal and interest) on the refunding bonds is less than total debt service on the refunded bonds (sec. 34177.5(a)(1)(A)): Section 34177.5(a)(1)(A) requires that the total interest cost to maturity on the refunding bonds or other indebtedness plus the principal amount of the refunding bonds or other indebtedness shall not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded plus the remaining principal of the bonds or other indebtedness to be refunded. Table 2 shows projected total nominal debt service savings from the refunding of the Prior Bonds of \$1.39 million, calculated as (i) total debt service on the Prior Bonds, *net of receipts from the investment of the Reserve Funds*, minus (ii) total debt service on the 2018 TABS. Net PV savings is projected to be \$1.2 million or 7.25% of total refunded par, which is well above the minimum City guideline of 3% of refunded par.

B. Refunding bonds principal shall be used only for refunding purposes, not for new-money

(sec. 34177.5(a) (1)(B)): Section 34177.5(a)(1)(B) requires that the principal amount of the refunding bonds or other indebtedness shall not exceed the amount required to defease the refunded bonds or other indebtedness, to establish customary debt service reserves, and to pay related costs of issuance. Table 1 is the projected sources and uses of funds for the 2018 TABS, showing that all proceeds are used only for purposes associated with refunding the Prior Bonds and to pay related costs of issuance. No proceeds of the 2018 TABS will be used for any other purposes, including new-money purposes.

C. Agency shall make diligent efforts to ensure lowest long-term cost financing is obtained, to structure refunding that does not provide for any bullets or spikes or variable rates, and shall hire an independent financial advisor (sec. 34177.5(h)): Section 34177.5(h) requires the Agency to make diligent efforts to ensure that the lowest long-term cost financing is obtained and that the financing not provide for any bullets or spikes or use variable rates. The Agency has retained Urban Futures, Inc., an independent financial advisor registered with the SEC and MSRB, to monitor the pricing of the 2018 TABS. In order to achieve the lowest long-term cost of financing, the financing team is pursuing a surety to satisfy the Reserve Requirement and releasing funds from the Prior Reserve Funds to lower the issuance amount of the 2018 TABS.

In accordance with Section 34177.5(h), the proposed refunding structure does not provide for any bullet principal maturities, debt service spikes or variable rate debt.
