Underage drinking and safety	<p>Saw 4 girls sitting on the sidewalk around midnight on 6/9/24 on 65XX Flower St. Asked if they were ok. They said they had been drinking at a party at 65XX Flower St. And the DJ was their ride home. Their ages were 19-20 years old. A man came out and gave one of the girls his coat but didn't give his name, he was part of the DJ/band. Called Lakewood sheriff's and spoke to the dispatcher, he said someone would be out there soon. Called back again with an approximate address. Spoke to deputy Gonzalez who asked if the underage drinkers were still there. And then proceeded to say "I have Sherriffs in on ACTUAL emergencies so hopefully they're gone before we get there." To which I asked what do you mean, is underage drinking not a crime? He stuttered and said nevermind, they will EVENTUALLY get there.</p>	Tbd

An ex parte agenda addition to go over the request featured on Muckrock.com at <a href="https://www.muckrock.com/foi/los-angeles-county-358/unincorporated-policing-contracts-pay-proof-148932/">https://www.muckrock.com/foi/los-angeles-county-358/unincorporated-policing-contracts-pay-proof-148932/</a> is requested and a nominee should be elected to warn residents immediately about action stemming from the PRA search.
