We involved every law enforcement agency to assist with the CORRUPTION in the LASD. We find out the cover up spills into those agencies. April 4th, 2011 will never be the same for Tennell Billups. It hard knowing LASD tried (Dep. Gonzalo Inzunza) to murder you, 5 shots to the back, unarmed. Those that attempted to him were removed, warned not to touch, threatened and intimidated to close their eyes. As a LIFETIME member of the National Association of Blacks in Criminal Justice, and advocate for justice I have personally witnessed several crimes committed. Someone will be held accountable for the unjust and illegal handling of the 1 Deputy and 4 shooting in 7 months by this Deputy. 1 murdered, 1 minor, and 2 shot in the back. You can watch on ; KPCC podcast, Google, 1 Deputy, 4 shooting, it received over 1 million downloads. Thanks Max Huntsman for attempting to open up the investigation 3 stop. LASD, has continued to cover up, even removing the day of the shooting from their file. I was told nothing happened on that day!!! Stay tuned. I will continue to trust God on this Journey to Justice! He haven't failed me yet!

Starting over. April 4th, 2011 will never be the same for Tennell Billups, after being shot in the back 5 times by LASD. They should never be allowed to investigate themselves. From my experience no other law enforcement agencies should investigate them. There should be an outside agency with NO affiliations. All law enforcement agencies were aware of Tennell Billups case, and did nothing. To be honest the suppose to be MEN in this whole situation COVERED UP CORRUPTION. DOJ needs to be investigated, I can't say his name, but it's attached to a lot of illegal and unjust actions. Tennell Billups life will never be the same, knowing this Deputy got away with 3 attempted murders and 1 murder. KPCC podcast, Google; 1 Deputy 4 shooting. Accountability is a must. Not just for Tennell Billups, but all the others that are victims. DON'T ALLOW THEM TO INVESTIGATE THEMSELVES. THEY HAVE GOTTEN AWAY WITH MURDER TO LONG. COUNTY COUNSEL NEEDS TO BE REVIEWED ALSO. STOP THE CORRUPTION, AND FOLLOW THE LAW.

Deputy gangs

Which deputy gangs remain active today, and what specific steps are being taken to dismantle them? And what is being done to discourage further deputy gang expansion?
